Mr. Donald Taylor, chairman of the local school board, then was called upon to present scrolls to each of the graduates. In his remarks Mr. Taylor paid tribute to M. F. Smeltzer, principal of the high school for the past four years who has resigned to accept a position on the Lloydminster staff, and the members of the graduating class who each received a scroll were:

Jim Adam, Rex Beasley, Noreen Dougan, Betty Kibblewhite, Betty Bentley, Shirley Sutherland, Christina Morrison, Lillie Maggs, Larry Kehoe, Margaret Gow, Darlene Marshall, Allen Noble, Doris Strecker, Margaret McLennan, John Stewart, Catherine Barr, Miles Dixon, Mary Demyrchuk, Dora Schmidt, Yvonne Cooper, Isabel ...

Undergraduates — Betty Barlow, Anne Martin, Leo Barr, Janet Shortuck, Marion Barr, Betty Hawley, Henry Strecker, Joan Maxwell.

The valedictorian, Miss Shirley Sutherland, in her address noted that this memorable day was but the start of greater things to come, and that education was not at any time completed but was a continuous life process.

Mayor S. C. Heckbert congratulated the graduates, noting that the importance of such an event as this could well be gauged by the fact that such men as the Minister of Education Mr. Aalborg, Robert Fair, M.P., and W. R. Cornish, M.L.A., all took time from their busy lives to attend.

SCHOOL AWARDS

Mr Smeltzer next presented the school awards, given for all round ability in academic, sports and social activities connected with school life.

Cards indicating that the student had attained standing in Grade 12 Acheson, Bob Hemmingway, Gerald Marshall, Duncan Lester, Robert Taylor, Eva Sweet, Anne Birt, Eta Curtis, Mary Dmyterko, Dan Kosanovich, George Gow, ... Rhea Ireland Bernice Bauer, Miss Carmichael, Stanley Hart, Andy Miller, Edward Mistal, Betty Barlow, Darlene Marshall, Bern Marshall.

Miss Andos, who gave 30 points, were presented to: Iris Lind, Larry Kehoe, Marion Barr, Viola Maggs, Helen Adams, Hazel Barr, Shirley Taylor, Yvonne Cooper, Anne Stewart, Leo Barr, Marvin Little, Lillian Semeniuk, Jack Barr, Shirley Cross.

Barr, 75 points—Jean Kibblewhite, Anne Stewart, Peter Kupin, Doris Schmidt, Stewart Cooper, Joan Maxwell, Janet Wilson.

Pina, 100 points — Janet Wilson, Noreen Douglas, Gordon Cross, Christina Morrison, John Stewart, Jean Kibblewhite, Anne Stewart, Betty Kibblewhite.

Rings, 125 points — Rex Boake, Bob Beasley, Shirley Sutherland.

Sweater, 150 points — Bob Beasley.

Special Award — Ann Martin, Betty Bentley.

A musical interlude provided a change in the program with Dr. Klag singing the "Whiffenpoof Song" and "A Little Bit of Heaven". His accompanist was Mrs. M. F. Smeltzer.

LADIES' ESSAY WINNERS

Mrs. R. H. Norton, Regent of Frog Lake Chapter I.O.D.E., presented the winners of the recent I. O. D. E. sponsored essay contests on "Canada and the Crown" with their prizes, preceding the actual presentation with appropriate remarks. The winners for grade 12 were Iris Lind first and Rex Boake, second. For grade 11, Marie Miller was first and Sue Carmichael second.

ELK BURSARIES

Mr. Donald Taylor as Exalted Ruler of the Elks Lodge, was then called upon to present two bursaries of $25 each awarded annually to the grade 9 student and the grade 12 student making the greatest contribution to the academic, social and athletic life of the school. For grade nine the winner was John Scott, son of Mr. and Mrs. Fred Scott, and for grade 12, Anne Martin, daughter of Mr. and Mrs. George Martin. It is understood that Anne was also the bursary when in grade 9. She has been president of the Students' Union for this school year. Mr. Taylor stated that it was the desire of the Lodge to present these prizes for outstanding citizenship in the realms of school life.

BUSY BEAVERS

Hon. Anders O. Aalborg, Minister of Education, gave the address to the graduating class. He offered congratulations to the graduates from the department of education, and expressed best wishes for success in their lives ahead no matter what course they may follow. Mr. Aalborg stated that it was a real privilege to honor the graduates of this evening because we too were a V.H.S. grad of the year 1931-32, in that many happy and pleasant memories were recalled of the days spent here. It was thus fitting that Vermilion should be the first at which he had ever delivered a graduation address as minister of education.

He thought that young people of today should be optimistic as the greater opportunities existed than ever before. There was an abundance of everything needed, and with some adjustment of our economy we could embark upon the greatest era that the world has ever seen. "Education" stated the Minister, "develops resources of the human mind to make better use of all those things which we have about us." The speaker also gave some interesting statistics as to the number of young people completing high school courses. The group graduating tonight would have started school some 11, 12 or 13 years ago. In 1940 there were 18,031 children commenced school in Alberta in grade 1. Of that number 2650 or about 15% stuck it out for the 12 years to receive high school diplomas, of this number only slightly over 1000 had matriculation or were qualified to enter university.

The average cost of education had increased in this same period from $64 per pupil to $181 per pupil in 1952 and it will be $200 in 1953. The greatest part of a child's education is met from public funds.

In closing his absorbing remarks, Hon. Mr. Aalborg told the grads that it was not necessary for them to look far afield for what they were seeking. The best things are found in your own back yard, in your own community and in your own province. You can find what you want right here. He congratulated the graduates and the winners of various awards announced that evening.

The Minister's address was an excellent one, particularly fitting for a Vermilion graduation.

Caterers for the happy event was by the Anglican Senior W.A.

A dance in the elaborately decorated armories completed a full and long-to-be-remembered day in the lives of the students.

Clandonald Sports Wednesday, July 8

The Clandonald Board of Trade has planned a big sports day for that town on July 8th and will be headlined with a senior baseball tourney with prizes of $100, $50 and $25. Entries should be made to the secretary, Bill Specht.

Ladies' softball with $25 as first and $10 as second, horse shoe tosses tournament with $5 first and $2.50 second money.

There will be a dance at night, booths on the grounds, races for the children to round out an excellent program. 46-8c

Lake Named For Dewberry Man

DEWBERRY. — Word was received by Mrs. Gray Joy of Dewberry that a lake in northern Alberta is to be named for her son Hedley Honey, who lost his life in World War 2.

L. Sgt. Hedley Honey, and his brother Jim Honey, also of Dewberry, served with the same battery overseas until the time of the former's death.

The Canadian Board of Geographical Names, in approving the names, Honey Lake, stated that it was "in honor of the late L. Sgt. H. A. Honey and in recognition of his services".

Honey Lake is situated in the northern part of Alberta, slightly south of Beaver Lake.

New Course Record Set

Clyde Sobey is now the peer of local golfers as he played the nine-hole Vermilion course in 32, 3 under par. This is the first time that par has ever been broken by a member of the local club and sets the record for the course.

Deanery Laymen Meet In Vermilion

On Monday, June 8th, some 60 clergy and laymen of the Vermilion-Wainwright Deanery met in St. Saviour's Parish hall. The meeting, the first of its kind in the Deanery, was presided over by the Rev. V. P. Cole of Tudela, Rural Dean. Three addresses were given on the essential part of the Church and the Community". These were ably delivered by Mr. D. Beckingham of Vermilion, Mr. O. H. Stead of Wainwright and the Rev. W. D. Hay of Edmonton. A general discussion followed. Arising from the discussion, consideration was given to the formation of a Deanery Laymen's Association. Following the meeting lunch and refreshments were provided by members of the St. Saviour's Happy Hour group.

Painting By Mannville Artist In Display

MANNVILLE.—The Art display of the school auditorium on Thursday last was well attended. The travelling display was valued at $2000 and included a painting by Mrs. Edith Stephenson of Mannville. Prize comments overheard that this is the best display that has been shown in Mannville to date, there are more clever ideas, more variety and more use of lights and darks. The Lloydminster exhibit was also exceptionally good as were the local paintings. The handicraft display was interesting, ranging from needlework and leatherwork to feather pictures.

The lucky ticket drawn had Karrer Peden's name on it and she chose a painting by Miss Ruth Gray of Mannville.

Tea was served both in the afternoon and evening by members of the Mannville Art club.

Great Missionary Conference to be Held In Alliance Chapel

Rev. Emil Mrs. Alwyn Bevs, missionaries to the Belgian Congo in Africa, will be holding services in the Alliance church on the evening of June 16th (Tuesday) through Sunday June 21st in the Alliance church. They will be showing pictures of that part of Africa, curios from Africa, dress in native costume and will tell of their experiences among the people there. Everyone should come and hear these missionaries.

Mrs Rees, formerly of Wind River, was educated there until after receiving her B.A. degree she took her theological training in the U. S. of America. She was one of the first colleges before going to the mission field. Rev. Rees is from Wales and has had wide experience in translation and other missionary work. Both have graduated with high honors and were presented with the prizes for outstanding work in Greek.

LOCAL SENIORS WIN AGAIN

The local senior baseball boys are realy going great guns and are determined to bring baseball back to Vermilion as their victories go to show. Last Sunday they travelled to Clandonald and came back with an 18-2 victory.

Ray Jones started on the mound and was relieved by Bev Baldwin in the 5th. Clandonald squeezed one run off each pitcher on Vermilion errors. Ray Jones proved to be the hero of the game by hitting a homer in the 6th.

Air Cadets Have Annual Inspection

On Monday evening, 34 Cadets of Squadron 97, Royal Canadian Air Cadets fell in at the armories for annual inspection. The Inspecting Officer was W.C Gundeton of Tactical Air Command, Edmonton. He was accompanied by F.Lt. Ferguson, Air Cadet Liaison Officer, and the civilian committee.

On completing his inspection W.C Gundeton congratulated the Cadets on their smart appearance and on the excellent turn-out. He outlined the numerous advantages of being a Cadet, and stressed particularly the opportunities offered through Flying Scholarships, Service Colleges and Officer Training Scholarships.

On behalf of the Civilian committee Chairman Don Taylor expressed his pleasure in the accomplishments of the squadron.

The Cadets were dismissed and treated to soft drinks and a show at the Columbia theatre.

After the inspection the Civilian committee met with the inspecting officers and reviewed the progress of the squadron. Plans for summer camps and for next year's program were discussed. It was decided to hold a banquet in connection with a visit from the R.C.A.F. band and to bring an R.C.A.F. aircraft to the local field so that all cadets could have an opportunity for flying experience.

SCHOOL YEAR BOOK NOW AVAILABLE

The 1952-53 Vermilion High school year book is now on sale and those desiring copies please phone 351.

Gayland Shows Coming Here For Three Days

CANADA'S GREATEST MOTOR-IZED MIDWAY — SPONSORED BY VERMILION ELKS

The big 1953 edition of Gayland Shows, Canada's greatest motorized midway, bringing with it all that is new in fun and thrills, will be in Vermilion for three big days, June 25, 26 and 27.

The appearance of the Gayland Shows is being sponsored by the local Elks. It has 12 rides, 4 major shows and 25 concessions.

Watch for more information in your next week's Standard.

Tillage Field Day Draws Large Crowd

Over 200 farmers attended a Tillage implement field day on Wednesday at the farm of Harvey Anderson, 8 miles west of Vermilion.

Vern Osbaldeston of Fairview and Alex Pahl, both of the soils and culture had charge of the event. Where was a heavy coat of stubble on the field so part of the demonstration showed how the various machines would leave the trash anchored in the surface soil rather than burying it.

The implement job for any tillage implement is to cut off the weeds. Also it must leave a trash mulch over-able to do this as well as leave trash on the surface.

There was considerable interest in the work done by the blade weeder. The engineers in charge showed that the blade weeder cut and killed weeds when the blade was run about 2½ to 3 inches below the surface. This machine also left most trash on top.

District Agriculturist F. H. Buckingham introduced the speakers and explained the implement tests. The farmers concerned for bringing the machinery, Mr. Anderson was also thanked for the use of his farm.

The co-operators were ... Geo. C Webb Massey Harris Co. — W. H. Little, Cockshutt Plow Co. — Alberta School of Agriculture Noble blade weeder — Willis Howe Co-operative and Co-op oscillating harrow — Jack Tucker, rod weeder — S. C. Atkinson Co. — Rod weeder and Bert Clark, rod weeder.

Other makers of implements could have been used but they were limited to four events each.

The local winners were Lila Porter, girls class age 11 and 12 years. Lila is the daughter of Mr. and Mrs. Cliff Porter. She won 3 firsts, the 2 second dash 75 yard dash and the running broad jump and second in the standing broad jump for a total of 11 points out of a possible 12

Barry Bentley won the girls' medal for the senior class, aged 17 years and over. She won 4 firsts for the maximum points available, 12. Betty is the daughter of Mr. and Mrs. N. E. Bentley.

Champion of the boys 13 and 14 year old class was Henry Wilson, son of Mr. and Mrs. Clarence Wilson. Henry won the running broad jump, the running high jump and was third in the hop, step and jump, seven points in all.

Stewart Cooper tied for top place in the 15 and 16 year old boys class with Mac Hancock of Marwayne, 9 points apiece. Each of the boys will receive a medal. Stewart won 2 firsts, 1 second and 1 third. He is the son of Mr. and Mrs. Ashley Cooper.

INDIVIDUAL WINNERS

Individual prize winners in the Vermilion high school were:

Betty Bentley, 4 firsts; Gordon Scott, 2 firsts; John Stewart, 2 seconds and 1 third. Marvin Little, 1 second Stewart Cooper, 2 firsts and 1 second; Leo Lindsay, 1 second. Rex Boake, 1 first; Anne Martin, 1 first; Joan Maxwell, 1 second; Jack Barr, 1 third; Allen Scuffert 1 first and 1 second.

Girls 13 and 14 years — Joan Shepherd, 3rd; Joan Lang, 2nd; Patsy Mullan, 1st and 2nd.

Boys 13 and 14 — Henry Wilson, 2 firsts, 1 third; John Scott, 1st, 2nd and 3rd; Herman Rokwer, 1 second and 2 thirds; Wayne Ireland, 1st; Dick Hollen, 1st.

Girls 11 and 12 — Lila Porter, 3 firsts, 1 second.

Boys 11 and 12 — Jim Reid, 1st; Dale Steel, 1st and 3rd; Michael Mullan, 2nd

Boys 9 and 10 — Bob Rose, 3rd; Wilbe Pilgate, 2nd.

Girls 9 and 10 — Shirley Reeson, 1st and 2nd.

Big Demand For Building Permits

VARIETY OF BUSINESS AT TOWN COUNCIL MEETING

After the regular business of the Council was completed the Mayor expressed on behalf of the Council, the regret at Cr. Reid's leaving, and presented him with a pen and pencil set as a token of appreciation for his interest and services. Mr. Reid expressed briefly his pleasure at having worked with the present members of the Council and his sorrow for leaving the town of Vermilion.

Meeting adjourned.

Softball Lge. Schedule

Sunday June 14—Pleasant Valley at Islay: All Stars at Island Hill.

Wednesday June 17—Kinsmen at Island Hill: Islay at Vermilion All Stars.

Sunday June 21 — Island Hill at Islay: Pleasant Valley at Kinsmen.

Wednesday June 24—All Stars at Pleasant Valley: Islay at Kinsmen.

The Kinsmen will be at Islay Play day night to play the game which was scheduled for last Sunday. In the other league game All Stars defeated Pleasant Valley 24 to 17 playing at Vermilion.

Wednesday Results — Pleasant Valley 1 Island Hill 6 Kinsmen 8, All Stars 9.

PLAY-OFFS JUNE 28

Sunday June 28 is the big day for the league as the play-offs will be completed in a one-day elimination tournament at Pleasant Valley.

Senior Baseball Game Here Sunday

VERMILION VS. LOCALS AT 3:00 P.M.

A senior baseball attraction which should be extra good is scheduled for Sunday June 14 at 3 p.m. when the Vermilion Seniors take on the locals club. This looms up as a real baseball classic and a record crowd should be out to support the boys. At the Vermilion Athletic park this Sunday 3 p.m. — Let's go!

Kinsmen Outdoor Carnival June 18 - 20

Thursday, Friday and Saturday, June 18, 19 and 20 are the nights for the big Kinsmen Outdoor Carnival. The site will be the same as last year, the corner across from the Legion hall.

All the popular games of chance will be featured with prizes galore. There will also be rides for the children making this an event for the whole family.

There is no admission charge to the grounds. Activities start at 7:30 each night.

Come out and support the local Kinsmen and have a lot of fun. Remember the dates — June 18, 19 and 20. 48-9

Derwent High Boys Win Baseball Cup

FOR TWO HILLS SCHOOL DIVISION

DERWENT.—The Derwent high school baseball team has won the cup in the Two Hills school division baseball meet. During the league games Derwent defeated Myrnam-Willingdon and Hairy Hill twice and lost two games to Willingdon. This put Willingdon first and Derwent second in standing. For the finals the series was two-out of three games between Willingdon and Derwent.

The opening game of the finals, played at Willingdon, ended in a score of 8-3 in favor of Derwent. The second game, played in Derwent, ended 7-2 in favor of Willingdon. The third and final encounter which was played at Willingdon resulted in a score of 6-5 for Derwent. The pitching for the finals was done by Joe Wysocki and Walter Mudryk for the locals and Ken Lockett and Ed Wysocki for Willingdon. Coaching was by Mr. Bober.

Excellent sportsmanship was shown by the boys during the games and they certainly deserve the cup they won.

Notice to Parishioners of St. Saviour's Parish

A farewell party will be held in the parish hall at 8 p.m. Wednesday June 17 in honor of Mr. and Mrs. W. P. Pilike. Mr. and Mrs. Bill Pilike, Mr. and Mrs. A. M. Watt and Mr. and Mrs. M. F. Smeltzer. All parishioners are invited to attend.

At School Division Track Meet

FOUR VERMILION STUDENTS WIN CHAMPIONSHIPS

Four Vermilion students won championships of their classes at the Vermilion school division track meet held at Kitscoty on Friday, May 29. Each will receive a medal for his or her prowess. Competitors are limited to four events each.

The local winners were Lila Porter, girls class age 11 and 12 years. Lila is the daughter of Mr. and Mrs. Cliff Porter. She won 3 firsts, the 2 second dash 75 yard dash and the running broad jump and second in the standing broad jump for a total of 11 points out of a possible 12

Barry Bentley won the girls' medal for the senior class, aged 17 years and over. She won 4 firsts for the maximum points available, 12. Betty is the daughter of Mr. and Mrs. N. E. Bentley.

Champion of the boys 13 and 14 year old class was Henry Wilson, son of Mr. and Mrs. Clarence Wilson. Henry won the running broad jump, the running high jump and was third in the hop, step and jump, seven points in all.

Stewart Cooper tied for top place in the 15 and 16 year old boys class with Mac Hancock of Marwayne, 9 points apiece. Each of the boys will receive a medal. Stewart won 2 firsts, 1 second and 1 third. He is the son of Mr. and Mrs. Ashley Cooper.

INDIVIDUAL WINNERS

Individual prize winners in the Vermilion high school were:

Betty Bentley, 4 firsts; Gordon Scott, 2 firsts; John Stewart, 2 seconds and 1 third. Marvin Little, 1 second Stewart Cooper, 2 firsts and 1 second; Leo Lindsay, 1 second. Rex Boake, 1 first; Anne Martin, 1 first; Joan Maxwell, 1 second; Jack Barr, 1 third; Allen Scuffert 1 first and 1 second.

Girls 13 and 14 years — Joan Shepherd, 3rd; Joan Lang, 2nd; Patsy Mullan, 1st and 2nd.

Boys 13 and 14 — Henry Wilson, 2 firsts, 1 third; John Scott, 1st, 2nd and 3rd; Herman Rokwer, 1 second and 2 thirds; Wayne Ireland, 1st; Dick Hollen, 1st.

Girls 11 and 12 — Lila Porter, 3 firsts, 1 second.

Boys 11 and 12 — Jim Reid, 1st; Dale Steel, 1st and 3rd; Michael Mullan, 2nd

Boys 9 and 10 — Bob Rose, 3rd; Wilbe Pilgate, 2nd.

Girls 9 and 10 — Shirley Reeson, 1st and 2nd.

By The District Agriculturist

"GREEN ACRES"

PLAN FOR HIGHER YIELDS

The secret of getting the highest yields per acre are the ones who are making the most money. Fields clean of weeds give highest yields. Good cropping management also increases yields. For instance an early start on the summerfallow or breaking always pays off.

FERTILIZING GRAIN CROPS

One dollar spent on fertilizer returns $2 to $10 in crops. Fertilizer is another way in which yields can be increased. Don't forget either that manure will raise crop yields. The heavy duty manure spreaders handle the manure in a hurry. They are made for use with Farm Hand loaders.

WILD OATS CONTROL

Down at Ottawa, the Central Experimental Farm has been testing Maleic Hydrazide and they found that the wild oats plants were made sterile when this chemical was sprayed on a crop of barley which had been in head for six days. May be some day they will get a cure for wild oats.

DEHORNING CALVES

New preparations for stopping horn growth are available at every drug store. They are better than the old caustic stick treatment. Most of the ranchers in the south use gougers now for lifting out the horn button. This method is easy and safe. I have a set available for loan from my office.

FRUIT-PICKERS FOR B.C.

I have been asked to recruit some girls to go as berry-pickers in B.C. Tickets to the coast are $10. Any one going out must stay until Aug. 15th. The minimum age for this trip is 18 years.

GREEN FOXTAIL

A new bulletin on Control of Green Foxtail has just come to hand. Mr. G. R. Sterling, Supervisor of Weed Control for the Provincial Government at Edmonton has given us some good information on the cultural and chemical control of this weed which is creeping into our district. Get your copy of this bulletin from my office.

R. H. Buckingham.

THE WEATHER

Warmest day for this week was Tuesday with 75 while frost was reclistered last Friday when it dropped to 29.

The very welcome rain on Wednesday totalled .81 inches.

Tribute to the Queen

The following tribute to Queen Elizabeth II by the Alberta Wheat Pool went over the four Alberta radio stations, on which this organization is daily programmed, on Coronation Day, June 2:

This was Coronation Day in England when the charming daughter of the late King George VI was crowned Queen Elizabeth II in Westminster Abbey.

The great pageant is more than a show. It is a symbol—one which comforts and inspires—for in a confused and unaccountable world, it emphasizes the stability and continuity of British traditions.

The event is also a reminder of the loyalty which binds the commonwealth together. far scattered though those nations are. From many lands popular attention will be directed to Britain homeland which inspired and created our democratic way of life and there will echo around the world once more, in pride and all sincerity, the ancient prayer "God Save the Queen".

JUNE SURVEY—

Questionnaires in connection with the annual June survey of agriculture will soon be in the hands of farmers. The Alberta Department of Agriculture urges farmers to complete the forms which will be received through the mails and to turn them without delay in the self-addressed envelopes provided.

R. E. English, Agricultural Statistician, Alberta Dept. of Agriculture, points out that Canada markets large quantities of food products annually and this job cannot be done efficiently without answers to reliable statistics on production. The greater the uncertainty regarding supplies that will come to market, the greater will price speculation be. And speculation always costs the producer money.

Alberta has a very direct interest in this matter. Her prosperity depends upon outside markets for approximately five-sixths of the wheat and two-thirds of the meats produced in the province. Farmers can help themselves by making the June survey of agriculture as complete and reliable as possible.

COYOTE CONTROL—

The provincial government's campaign to control coyote depredation in Alberta is proving successful. The scarcity of coyote tracks, the fewer radio tag returns and the total absence of the familiar sightly howl suggest a greatly depleted coyote population.

It would appear that the most effective method of killing coyotes carried out by the government in southern Alberta is with the use of poisoned horse meat. The poison in 1950 was used and one horse carcass was sufficient to provide 10 baits. The 1080 powder was mixed with a gallon of water and injected into the horse meat with a two-ounce pump.

Says the report: "Although this formula has been used in Alberta for only two winters, it has proved so effective that the lonesome wail of the nocturnal coyote has faded to little more than a whisper."

—The Budget

Distance Obliterated

One of the amazing things about the Coronation was the way in which distance was obliterated, says The Financial Post. Citizens in the most remot...ermers of Canada, as well as the rest of the world, were able to hear each word of the ancient ceremony as it was spoken. Within a few hours of that ceremony those within reach of a television transmitter were able to see pictures taken in London that same morning.

Modern communications have brought the new Queen very close to every Canadian. When her great-great - grandmother Victoria was crowned, a village in nearby Surrey was farther removed from Windsor than New Westminster was the Pacific coast is today.

Notice re Jaundice

FROM THE VERMILION-MINBURN HEALTH UNIT

A number of cases of jaundice have been reported in your town. The following information may be of some assistance to you:

What causes it? — A very tiny germ or microbe.

How long does the disease take to develop? — From the time when the germ enters the body usually 28 to 35 days elapse before the illness becomes obvious.

How does it spread in a community? — Sometimes it lives in the nose and throat and so can be spread by unwashed coughs and sneezes. Also the germ may be spread by dirty hands. Make sure the children do not forget to wash their hands before touching food.

How may the disease be recognized? — Usually this is quite simple as the patient looses his taste and desire for food and in a very short time the whites of the eyes take on a yellow tinge and even the skin of the body may become tinted.

If a case occurs in your family put the patient to bed and isolate him for a week. Until you can obtain the advice of your family physician give only a light diet. Leave the treatment of the disease to your doctor, he knows how to steer his patient past the danger of permanent damage to the liver.

P.S. Remember that an attack of jaundice makes most people feel depressed — If you have a case in your family try to make allowance for this.

BABY CLINICS

Vermilion— Monday June 15, 2 to 4 p.m.

Kanfurly—Tuesday June 16, 10 to 12 a.m.

Innisfree—Tuesday June 16, 2:30 to 3:30 p.m.

Mannville—Friday June 19, 10:30 to 11:30 a.m.

Minburn Friday June 19, 2 to 4 p.m.

May Rainfall Low

Comparison of rainfall, high and low temperatures for the past eight years indicates rainfall much below average this year. On the other hand the one hot day so far this summer set a record for the month during the eight years:

Year	Rain	Max.	Min.
1946	1.64	87	15
1947	.31	73	17
1948	.43	83	27
1949	1.73	80	7
1950	.66	80	17
1951	3.42	85	24
1952	.81	77	21
1953	.05	88	26

RAIN WEDNESDAY

Heavy showers of short duration accounted for .81 of an inch of moisture on Wednesday.

KITSCOTY

High School Hi-Lites

On May 29 the Divisional Field Day and track meet was held at Kitscoty. There was a record crowd which probably resulted from the fine weather. The Divisional cup for the most points was won by Zone A comprised of Islay, Paradise Valley and Kitscoty. In the girls' class for 15 and 16 year olds the medal was won by a girl from K.H.S., June Lang. Congratulations June! The girls' ball team won from Clandonald-Dewberry but fell to a decisive defeat after a Vermilion onslaught. Not faring quite as well, the boys lost their first game to the Vermilion squad.

The first week end of this month was extraordinarily long for most of the students as only a few came back to school on Monday. The few who were there attended a Coronation service in the hall and received Coronation medals.

The invitations are out, the dresses are all made, suits are pressed, and the graduates are scared with excitedness for their big day this Thursday June 11! A banquet in honor of the 14 graduates will be attended by them and their parents. A dance, also for the graduates, will follow. Good luck, kids!

Islay District Locals

On Tuesday w enjoyed a wonderful rain in our district and how much it has refreshed the field crops and gardens. The country...

LOCAL NEWS

Mr. and Mrs. P. H. McNamara of Edmonton, formerly of Vermilion, have just returned from an extensive trip to the coast and California where they visited Mr. and Mrs. Ed Ivy of Madera, Calif., also formerly of Vermilion. Mrs. Ivy is a sister of Mr. McNamara. The Ivy family will be well remembered in Vermilion having lived here for many years prior to moving south. The family live nearby so Mr. and Mrs. McNamara were able to see them all. From there they went to Paradise, Calif., where they visited old friends Mr. and Mrs. Fred Huff who were also neighbours of theirs in the Lansdoville district as they commenced in that area back in 1907. The members of the Ivy family all wish to be remembered to all old friends in Vermilion and the Huff family to all in the Lansdoville district. While visiting at the coast Mr. and Mrs. McNamara visited the former's sister and brother-in-law, Mr. and Mrs. John Wiseman. They too will be well remembered, having lived in Vermilion for years.

The writer had the pleasure of meeting Pat from Mose and Flaherty Lakes. Those two were fishing at there lakes shared their catch with...those who did not go. That's a lot folks.

The writer is beginning to enjoy reading and ... the garden spot is one ... the beauty that the garden supplies.

Graduation Exercises Held At Derwent

DERWENT — On May 22nd, 50 guests attended a banquet held in honor of the 1953 graduates. The banquet was held in the school auditorium, which was decorated in the school colors of mauve and gold. The tables were covered with up-to-date, correct information. These pamphlets are free upon request. Write or call your nearest office.

Following the meal Mr. Cherniawsky, Mayor of Derwent, gave an address of welcome. Mr. Charuk, acting as master of ceremonies then introduced the guests and gave a toast to the graduates. Emil Mudryk, vice-president of the Derwent Students Union, gave a reply to the toast. On behalf of the graduating class Nick Malychuk, president of the Derwent Students' Union, presented the school with a portrait of Queen Elizabeth II in commemoration of the Coronation. With a few well chosen words Mr. Chrapko, the principal of Derwent school, replied to the presentation. Mr. Mudryk, principal of Two Hills school and guest speaker of the evening, gave a survey of the social and political problems of today's world.

The Derwent school auditorium, decorated in the school colors, mauve and gold, modified with balloons and school crests bearing the names of the graduates and a copy of the original scrolls, was the setting of the graduation dance. Shirley Chrapko acted as mistress of ceremonies at the dance, at which Adeline Seruk, on behalf of the graduating class, gave the valedictory. Mr. Chrapko, principal of the school, introduced the graduates, announced their future careers and presented them with scrolls and graduation pins. The members of the graduating class are Nellie Bober, Mary Charchun, Adeline Seruk, Elsie Stupanitz, Nick Malychuk and Emil Mudryk.

The music, which was supplied by the Willingdon Legionnaires, was immensely enjoyed by all.

Every success is wished the graduates in their future endeavors.

Bowtell Bulletin

Five baby coyotes were dug out of a den on the farm of Albert Van den Bosche by Leslie Sherwood and Frank Robinson.

Miss J. Kay spent a week visiting her sister Mrs. Robinson and family.

The ball game between Pleasant Valley and the All Stars caused quite a bit of excitement with the latter being the winners. In the writer's opinion an outside umpire should officiate. The big question was, where was Johnny Rockford?

Tom Sherwood and Charlie Robinson enjoyed a fried chicken supper at the home of Mrs. Cummings on Wednesday.

Well drillers have been busy at the Seminuk, Lippert and Pierman farms.

A tasty lunch was enjoyed by some 17 at the home of Mr. and Mrs. G. Lyons after the ball game on Sunday.

Millar's enjoyed watching their cows being milked by a new milking machine.

Henry Strang is noticed driving a nice new Chev car and Robert Repp a half ton Chev truck.

Mr. and Mrs. E. Williams and family, Mr. and Mrs. Robinson and Margaret journeyed to Heinsberg on Tuesday to visit Granny Robinson: Mrs. B. Gould visited recently at the Jones' home: Mr. and Mrs. Walker were visitors to Paradise Valley on Sunday.

At time of writing on June 9 we certainly are in need of a good rain in this part of Alberta.

Hello Rose out in Vancouver, we hear you are having a nice holiday.

RUMMAGE SALE, DEWBERRY

The Dewberry Ladies Aid are holding a rummage sale and tea in the church church on Saturday June 20 commencing at 2:30. This is in aid of the "Building Fund". 48-9

FOR YOUNG MEN OF 16

Trades Training for an Army Career Under the Soldier Apprentice Plan

The Canadian Army Soldier Apprentice Plan offers a unique career opportunity for young men of 16 who want a good future. 5-way programme trains Soldier Apprentices for careers as skilled soldier tradesmen.

- Trades training *under expert instructors in one of 16 skilled trades.*
- Academic training *in physics, chemistry, algebra, English, etc.*
- Military training *as a Canadian Soldier.*

Soldier Apprentices follow a balanced programme of study, work and play; live in separate residence at Army Schools under supervision of military and civilian instructors. It's a healthy, beneficial course of training that prepares Soldier Apprentices for fine careers.

Soldier Apprentices are eligible for all Army benefits, pensions and the 30 days annual leave. They receive half pay while 16 but upon reaching their 17th birthday they receive full pay with extra group pay as they qualify.

The young man who is interested in the happy, healthy and purposeful life of the Soldier Apprentice *should investigate immediately.*

The coupon below will bring you full details without any obligation.

News Notes From Your District Home Economist

OILS AND INKS

By now your garden is in and most of your spring house-cleaning is finished, but still there are ever so many odd jobs to be done. Perhaps you have a faded rug. Here's a way to brighten it, a method given in the Farm Journal: Roll the rug diagonally so that most of the weight is in the center, then spread the rug on the lawn, sweep and remove spots. Add an extension cord to vacuum so it can be used outdoors. Fill paint spray jar, attached to vacuum cleaner hose, with boiling hot dye. An 8x10 rug takes six packages of dye, 6 tablespoons of salt, and ½ cup of vinegar — enough to spray surface 3 times. Be sure to keep dye bath at boiling point. Combine dyes of different colors to obtain shade desired.

Do you have an old linen window shade? It makes an excellent cover for the ironing board. Wash it thoroughly so that it will be clean and free from sizing.

Clean your copper-bottom utensils by rubbing with a cut lemon dipped in salt.

YOUR ELECTRIC STOVE

The purchase of an electric stove represents a substantial outlay—be sure that you take care of it. Use saucepans and kettles that fit the elements. A small pan on a large element wastes electricity; a large pan extending over the element will discolor and crack the enamel stove top. Sometimes it is necessary to use a pan larger than the element, in this case, get a sheet of asbestos about 2 inches larger than the diameter of the bottom of the pan. Lay it on the range and cut a hole in the centre the size of the element. This exposes the element but protects the chrome and porcelain surrounding it.

Use perfectly flat-bottomed pans for an even distribution of heat. Pans should have tight fitting covers. When you cook vegetables do so in a small amount of water and generate a large amount of steam. This in turn makes cooking economical in cost and helps to keep the food value in your meals.

Do not use rubber mats on the top of enamel stoves or refrigerators since the heat and moisture will remove the gloss of the enamel. Asbestos bottomed mats will not do this.

CHEVROLET holds first place ...year after year!

Illustrated — The 2nd Air 2-Door Sedan

1st Place with Fisher Body Quality!

Chevrolet's rugged Body by Fisher is now even more outstanding in styling, in comfort and convenience, in quality of workmanship and materials. Visibility is greater with the new one-piece windshield and panoramic rear window. Construction is heavier and more rigid, for even greater safety. Interiors are roomier with finer fabrics and more handsome appointments.

1st Place with High Compression Power!

The new 115-h.p. "Blue-Flame" valve-in-head engine is teamed with the new Powerglide automatic transmission as an option at extra cost on "Two-Tes" and Bel Air models has an extra high compression ratio of 7.5 to 1. In Powerglide models, except for the 100 h.p. high-compression "Thrift-King" engine. Both bring you far finer performance on far less gasoline!

1st Place with Powerglide and Power Steering!

Chevrolet's new Powerglide (optional at extra cost on the Bel Air and Two-Ten series is the newest, most advanced automatic transmission in its field. A new automatic starting and passing range gives you flashing getaway from a standing start, or for passing in city driving. Power Steering — optional at extra cost with Powerglide — lets you steer and park with finger-tip ease, and drive with greater safety everywhere.

1st Place with Economy and Value!

This year's Chevrolet brings you the most important gain in economy in Chevrolet's entire 40-year history! You go many miles further on every gallon of gas (regular gas, at that). You save on over-all costs of operation and upkeep. You save every mile you drive with the great new '53 Chevrolet. Yes, with all its higher power and new features, Chevrolet is again Canada's most thrifty priced car!

1st Place with All the New Things You Want!

More weight, more stability, more roadsureness, with the Center-Point rear suspension and the softer, smoother Knee-Action Ride. A wider choice of body types and color harmonies. And, optional at extra cost, Oil-Filter-Cleaner, Tinted Glass with exclusive, grade-and-contour shading, and Directional Signals. GM "Autronic Eye" which automatically dims and brightens headlights.

Clandonald News

Coronation day will long be remembered by those who were fortunate enough to be able to participate in some of the celebrations which took place throughout the country on June 2. At Wainwright military camp no time or effort was spared on the part of the authorities to make the day as memorable and pleasant for the public as was possible. Following impressive ceremonies in which many hundreds of troops took part the public were guests of the army when they were shown living and recreational accommodations as well as much of the equipment in every day use. For those interested in small arms, artillery, tanks, paratroopers' equipment, field hospitals and many other items there was a grand opportunity to see it all. The equipment was in charge of members of the army and they were most courteous and efficient and only too glad to explain all details to any who showed interest. Last but not least were ride-flarers who were most courteous and generous and treated a large amount of steam. This in turn makes cooking economical in cost and helps to keep the food value in your meals.

Mrs. W. Specht was recently admitted to an Edmonton hospital for treatment. It is the sincere wish of her many friends that she may make a speedy and complete recovery. Mrs. Specht is the wife of Bill Specht prominent here for many years past in senior baseball.

It was a real surprise and a pleasure not long ago to meet a former teacher and friend in the person of Mr. Fergus McNaught. Mr. McNaught left here many years ago to make his home in Ontario. Now on a holiday trip he is accompanied by his wife who is a sister of Mrs. Charlie Thompson. It is nearly forty years ago since Mr. McNaught had the somewhat thankless and hopeless task of trying to instill some of the elementary principles of learning into the now impressive minds of the young generation of that day who attended the old Wellside school. In spite of those trying experiences Mr. McNaught is looking remarkably well and young and appears to be enjoying life thoroughly. It may be of interest also to recall that Fergus and brother Harry were both outstanding athletes and were members of the famous Wellside football team.

NEW RECTOR WELCOMED

It is a great pleasure to have the opportunity of welcoming the Rev. Ray Clennett back to our midst. Since his previous stay here Mr. Clennett has been ordained and also quite recently took unto himself a wife, Mrs. Clennett, (nee Ruby Coulter) of Mannville will be a very welcome addition to our community and we take this opportunity of wishing them both every happiness and success during their stay here.

There is a well known saying that if a man bites a dog, that's news. Likewise if a team of horses runs can and damages a car that also is news. Such was the case not long ago when a team took off down main street clearing everything in its path. This included Denny Gaul's car which also suffered considerable damage to fenders. Another heavy loser was Ernie Stanley whose garden fence and shrubbery took quite a beating. All available reports were that the team, wagon and driver suffered little or no damage.

Arthur Rowntree is now working for the Canadian Oilfilties in Vermilion and is another one of a considerable number from around here who journey to work in there daily. Sorry that we had the startling time of the F.U.A. picnic at Marwayne incorrectly stated. This should have been 12 noon instead of 1.30.

Kitscoty Couple Pledge Vows At Lloydminster

GILHAM—CREWS

Grace United church, Lloydminster, was filled with well-wishers on Monday afternoon May 18th when the Rev. E. N. Morrison, united in marriage Laura Kathleen, elder daughter of Mr. and Mrs. James Crews, and Mr. John Hamilton Graham, fifth son of the late Mr. and Mrs. A. Graham, all of Kitscoty.

Given in marriage by her father, the bride chose a traditional wedding gown of ivory satin with over-skirt and shoulder yoke of net. It was fashioned with a fitted back, buttoned bodice and long sleeves while overskirt and yoke were trimmed with satin applique. Her veil, with train, fell from a head dress of roses and lily of the valley. Her only jewelry consisted of a rhinestone necklace and earrings, a gift of the groom, and she carried a bouquet of deep red roses.

Miss Doris Nelson and Miss Helen Crews attended as bridesmaid and train-bearers. The bridesmaid's slip-over-length gown of coral crepe was fashioned on simple lines with rounded scalloped neckline, short sleeves and a softly draped skirt. She wore a matching coronet and carried yellow roses. The dress of the little train-bearer was of lavender taffeta, with flounce and lace trim. She wore a matching floral headband.

Vernon Graham acted as groomsman while guests were ushered to their pews by John Crews and George Parkin.

During the signing of the register Miss Betty Lane sang, "The Voice that Breathed O'er Eden". Mrs. Morrison supplied the wedding music. Following the ceremony a reception for some 150 guests was held in Treey Memorial hall, Kitscoty. A four-tiered wedding cake, flanked by bouquets of flowers and pink and white lighted tapers centered the bride's table. The cake was cut with the knife used by the bride's grandparents at their wedding.

To receive her guests Mrs. Crews chose a dress of printed aqua nylon with a hat of tan straw and pink flowers to complement.

The groom's sister, Mrs. Horace Parkin, also received, wearing a tailored navy dress with touches of velvet and accessories to match. Mr. C. E. Miller proposed the toast to the bride while Vernon Graham proposed the toast to the bridesmaid.

Serving at the reception besides the ladies of the Legion who were in charge, were Misses Betty Lane, Lorraine Marlene Hanson, Juliet and Darlene Maures, while Mrs. Jack Crews took charge of the guest book.

In the evening the young people entertained at a wedding dance in Parlie hall. Later the happy pair left for a honeymoon in Calgary. For going away the bride wore a navy and white linen dress with white accessories.

Out of town guests at the Graham-Crews nuptials included Mrs. John Parkin of Vermilion, Mr and Mrs. Fraser and Mr. and Mrs. D. Robb of Edmonton and Mr and Mrs. Louis Deane of Edam, Sask.

LOCALS GRADS AT LAMONT

Congratulations to Lorraine Polichuk and Kathryn Feenstra, two local girls who were amongst those graduating as Lamont hospital recently. Both girls also were special honors, Kathryn being chosen to give the valedictorian address, and Lorraine winning an award for proficiency in obstetrics.

As reported in last week's paper Walter Miller highly esteemed old timer and resident for over 45 years recently decided to move somewhere pastures and when last heard of was staying with friends at Red Deer. The move was made by easy stages needless to say the three saddle horses went along also.

Camrose Band At Elk Island Park

The regular Sunday afternoon concert at Elk Island park on June 14 will be provided by the Camrose high school band, under the direction of Mr. W. McDermid. The band will have provided programs each summer since the Sunday concerts were first initiated in 1937, and visitors can look forward to a fine program of marches, waltzes and overtures.

During the band intermission a special attraction will be the demonstration of one of the piano playing Miss Lorraine Anderson. The Holden girls are entertainers, handicapped by the loss of the use of their limbs, they have developed musical studies and gives a performance better than many artists with two hands.

A program of recorded music will be provided during the concert hour, and in the evening a program of travel films will be presented.

Sixteen Years Ago Today

June 10, 1937

A series of meetings was advertised for the purpose of explaining the nature and advantages of the new school division which will be set up shortly in the near future.

71 inches of rain fell Tuesday and Wednesday, followed by high winds and dust storms.

Thirty-two Years Ago Today

June 6, 1921

A 30-acre field of fall rye on the farm of E. F. Souder of Campbell Lake is in full head. The crop stands 34 inches high.

L. Nozick of Winnipeg has purchased the bankrupt stock of the Progressive Farmers Ltd., of Vermilion.

During an interchange of rocks at the west end school Monday little Marwood Brimacombe was badly cut in the forehead requiring several stitches to close the wound. Needless to say this line of sport has now been entirely eliminated.

Copious rain has fallen this week, furthering the growth of an already magnificent crop.

THE ANNUAL Trustees Assoc. Convention for Vermilion School Division WILL BE HELD IN THE VERMILION SCHOOL OF AGRICULTURE, ON Sat., June 20th COMMENCING AT 10:30 A. M.

Children of the Sea—W. Bronson
The One Story—Hulda Niethuhr

Paradise Valley

Paradise Valley experienced a slight frost on Thursday night. Those very energetic people who planted their gardens early and had beans and other plants up had them nipped with the frost. For ourselves our garden was, and is still, very much underground.

Last Saturday six cars left for North Battleford filled with an excited bunch of girls, the Valley Maids C.G.I.T. group under leadership of Mrs. W. Dunn who are the guests of station CJNB-U.C.T. Amateur guest night. As winners of the recent amateur night held at McLaughlin they were invited to take part in the final program of the season. This program was broadcast over CJNB.

Mr. and Mrs. D. P. Odegard and David were recent visitors with relatives and friends in Edmonton.

Mr. and Mrs. Viggo Haahr and family of Acadia Valley were week end visitors at the home of Mr. and Mrs. L. Vige.

On Thursday afternoon the W.A. of the United church held a strawberry social in the basement of the church which proved very successful and a nice sum was realized from the lunches and sale of work.

On Monday afternoon a special celebration in honor of Coronation day was held at the school grounds and in the evening the Boy Scouts gathered up a truck load of old tires and went out to Henry's Hill and built their beacon fire. This could be seen for miles. On Tuesday the town was deserted as people went to the lakes, Lloydminster rodeo and Wainwright to take in the sports.

Congratulations to Mr. and Mrs. James A. Brown on the birth of a son in the Lloydminster hospital.

We regret to hear that Mrs. A. S. Benner is a patient in the Lloydminster hospital. Miss Sharon Walters and Irene Stoddart who have been patients there have returned home.

Mrs. L. Block and Mrs. George Guy entertained the W.A. of the United church Friday evening in the church basement. The ladies have decided to rewire the church and install light fixtures. During the month of June the members are going to "Hobo" Any members who were not at the meeting should enquire about Hobo teas as you may be the one to have one. The strawberry tea held on Thursday was very successful. Mrs. K. Brannigan and Mrs. W. D. Block will entertain at the July meeting.

MANNVILLE CELEBRATES THE CORONATION

MANNVILLE. — Mannville celebrated Coronation Day with a very colorful parade with many beautifully decorated floats of the various organizations, a program by the schools with songs, readings and a pageant, ball games, races, etc.

The parade which left the school at 1:00 o'clock was led by the school children with the smaller grades coming first; next the Scouts in full uniform carrying their own Scout flag and the Union Jack and accompanied by Scout Master Don Laurencson. The Legion were next followed by the ladies and the men of the Orange Order. These were all on foot. Due to the dusty day the floats were all behind those walking. The Legion float was the first with the Army, Navy and Air Force all represented. It was very appropriately decorated. Next came a car decorated with the W.A. emblem and green and gold streamers. It represented the Happy Hour group of the Anglican church. The two fire trucks, the new one purchased in 1951 and the old one which has been on the go since 1927 were next, all brightly shined up. The Old Timers float was a democrat pulled by horses with an old time couple appropriately dressed. Then followed seven cars, all decorated and carrying other old timers. It was wonderful to see so many of the old timers able to attend the celebration. Next was another democrat, but this time drawn by a tractor, this democrat was full of little people. It was the Busy Bunches, the Mission Band group with their leader Mrs. Proudfoot. It was beautifully decorated and received a big hand from the spectators. The Orange Lodge float was next, also beautifully decorated and followed by two other well decorated trucks. Then followed the W.I. floats, first the Birch Creek W.I. and then the Happy Centre W.I. These two floats were exceptionally well decorated with "For Home and Country" displayed across the top of the float. In the Birch Creek the Queen of the float and her two attendants were dressed in red, white and blue; in the Happy Centre float costumes of the various people that make up Canada were represented. The Royal Mail was the next float, followed by the Agricultural Service board. Quite a number of decorated cars followed the parade.

When the procession reached the fair grounds it disbanded in front of the grandstand and the program commenced. Mr. Bert Williams as M.C. welcomed the people to the celebration and told them how lucky we are to be in a free country where we can hold such a day. He also thanked the various organizations for their co-operation in making the day a success. Kevin Majeau gave a reading "When Our Queen was Princess Elizabeth". Mr. W. A. Cornish, our M.L.A. spoke on the meaning of the Coronation Service. He recalled the request made by the Queen in her Christmas broadcast and he read it again. The school children sang two numbers, "A Coronation Prayer" and "A Pledge". The children of grades 4, 5 and 6 were next with a choral speech called "Children of the Empire". Finally a pageant "Queen's Heritage" was enacted by the Junior high. Beginning with Britannic they showed how the empire had spread to include all the Commonwealths, the Colonies of the Crown and other colonies. The Oath of Allegiance and the Salute to the Queen were given by the whole school. This enacted the program. It was short but very well done and the teachers are to be commended for the work put into the program.

The rest of the day was spent in ball games, races for the kiddies, horse shoe tournaments, trap shooting. In hard ball, Mannville won over Irma. In soft ball the Senior ladies defeated the Juniors but with a little more coaching and practice the Juniors are going to have a good ball team. In boys' soft ball the Intermediates won over the high school. The final ball game was a team of the has-beens dressed up as negro minstrels. Rapperton, playing a pick-up team of the boys This was extremely funny.

In the trap shooting Shorty Prosser was first with Oscar Young a very close second.

SCOUT BEACON

At 9:30 the Boy Scouts lit their beacon which was in company with the Scouts all across Canada. While it was burning the Scouts and Cubs pledges were repeated by boys of both groups and 'O Canada' and 'The Queen' were sung by the whole audience. It was very effective and Don Laurencson and the members of the Scout movement in Mannville are to be congratulated on the work that has been done with the Scouts in the past year.

FIREWORKS

Fireworks set off by members of the Legion brought the day to a close and a dance in the pavilion to the music of Keeler's orchestra completed the celebration of the Coronation in Mannville. The school children as well as all adults will remember this day for a long time for as well as a holiday it is a day in common with our Royal Family and having had the Queen visit Canada when she was still Princess Elizabeth seems to bring her closer

Kitscoty News

Mrs. T. McGreevey is at present spending a holiday with relatives in Ontario.

Deepest sympathy is extended to Mr. and Mrs. C. K. Miller on the death of their brother Mr. Peter Bootsman who was accidentally killed on highway 16 near Lloydminster June 2 Mr. and Mrs. Miller attended the funeral which was held in Edmonton last Saturday.

Miss Doreen Chisholm of Edmonton was an overnight guest at the home of Mrs. H. Batty last week end. Doreen called on several of her old friends before going to spend the week end with friends at Streamstown

Mr. and Mrs. George Mathewson and family of Heath, Alberta, spent the week end visiting with their brother Mrs. R. M. Matheson.

Mrs. J. Batty and Mrs. Miller are in Edmonton for a few days having a medical checkup.

Miss Ella Pidenick is at present substitute teaching in the Vermilion public school.

Miss Mable Govier arrived home for a visit with her parents Mr. and Mrs. Wm. Govier after spending the past year nursing in different parts of the U. S.

Best wishes to Tommy Govier for a speedy recovery from his recent illness. Tommy is better health to Messrs. Alex Potter and J. F. Firlin who are at present patients in hospital.

A reminder to Kitscoty and district to come to the sports day to be held in Kitscoty on Farmers' day June 12. Events for young and old starting at 1 p.m. Dance to be held in the town hall in the evening. Everybody welcome.

ALLANDALE W.A. ICE CREAM SOCIAL

The Allandale W.A. will hold their annual ice cream social at the Ormess home on the evening of Thursday June 18. Supper will commence at 5:30 p.m. Admission adults 75c, children under 12, 50c, and under school age free. 47-tfn

DEWBERRY TEA & BAZAAR

There will be a tea and bazaar held in the Dewberry United church on Saturday June 13 at 2 30 p.m. sponsored by the Dewberry C.G.I.T.

How much does a wildcat cost?

A "wildcat" is a well drilled in an area where oil has never been found. Drilling costs vary, but the average wildcat in western Canada runs to more than $100,000. One well cost $1,600,000—and found no oil!

Oil is making an increasingly important contribution to our standard of living. How many of these questions about it can you answer?

How many wildcat wells find a new oil field—
1 in 12 1 in 77 1 in 217

Since 1940 the cost of living index has risen by 80%. During that time has the price you pay for gasoline gone up by—
44%? 79%? 109%?

A lot of oil has been discovered in the west since 1946. In that time have Canada's oil reserves increased—
4 times? 23 times? 37 times?

Here in Alberta, who owns oil in the ground everywhere?
farmers and other landowners? oil companies? other business corporations?

Canada's growing oil industry means orders for many businesses, jobs for many Canadians. Last year Imperial's purchasing department bought equipment and supplies from Canadian firms averaging to—
$25 millions? $16 millions? $400 millions?

The long-term average in western Canada is 1 in 25. Only 1 in 67 has found a field capable of producing as much as 2,000 barrels a day.

The average rental price of gasoline is only 44% higher than prewar, even with higher road taxes in all provinces.

Reserves have increased 23-fold in the past six years. Canadian fields now supply all the prairies and part of B.C. and Ontario.

Three answers are right. Oil companies do not own mineral rights. They are on a share-cropper basis, they do the work and take the risks of failure, paying up to 16⅔ per cent. of all oil produced as the owner of mineral rights — usually governments, which own 90% of the rights to Alberta's minerals.

$16 millions. About 4,500 Canadian companies sold Imperial supplies ranging from heavy steel plates to paper clips.

IMPERIAL OIL LIMITED
oil makes a country strong

$2695.00

Ethelwyn News

A pleasant afternoon was spent at the home of Mrs. Ostrom when the May W.A. meeting was held there. Mrs. Grauman was presented with a gift as she and Elmer have moved to a farm near Heinsberg.

It is pleasing to report that Mrs. R. Ferreira is home after again after being a patient in the Vermilion hospital for several days. Best wishes to her for a speedy recovery.

For the June meeting the W. A. members guests of Mrs. Hugh Hagen and thanks are extended to her for a lovely evening. Our missioner Miss Haggart was present at this meeting. Several guests included Mrs. L. Connick of Kamloops, B.C., who is the guest of her sister Mrs. Harold [illegible]. The roll call on this occasion was to tell of some kindness received and this is the story that Mrs. Connick told. She was not in the habit of entering radio contests but on April 15 sent her name to the Highways of Melody program and again on April 22. On the second occasion Mrs. Connick's name was drawn. The prize? A bus trip and return to any place in Canada. This was a wonderful prize to come at this particular time as Mrs. Connick's parents Mr. and Mrs. P. H. Brown of Tompkins Sask. celebrated their 50th wedding anniversary May 15. Without this prize Mrs. Connick did not have come home at this time. It is interesting to note that this celebration came due Mothers' Day May 10th and that 50 years was the wedding was also on a Sunday.

The W.A. tea at Clandonald was well patronized and such a lovely selection of cakes, cookies, candy etc. was offered for sale. Sincere thanks from the members to all who helped make this event such a success.

On May 30th Dean Cooper was host at a birthday party. The highlight of the party was the treasure hunt, or was it lunch!

It was a pleasure attending a tea at the Salvation Army May 21. Assisting Captain and Mrs. Chapman were Major and Mrs. J. H. Halsey and daughter Fairie who sang several beautiful solos. One solo was in memory of the writer's mother, the late Mrs. Martin McBride. Our sincere thanks to these good people.

On behalf of Mrs. Witzaney and pupils of Rye school, also the parents of the district we would like to thank the committee in charge of the Coronation celebration in Rye $100 million for their hospitality. It was truly a day to remember.

This news is being written at the Clandonald C.W.I. picnic, midst all the noise of bingo games and novelty races. There is also an abundance of good food. The day started with Mass followed by the procession march from the church to the convent for the benediction. John McIntyre, County Antrim, North Ireland, came to Clandonald two weeks ago as the guest of his aunt and family Mr. and Mrs. Dennis McCormack. John is very much impressed by the size of Canada with so much open country and plans to make his home here.

PICNIC CANCELLED

The old timers get-together and picnic planned for Rye school on June 24th has been cancelled

Former Resident Of Mannville Passes

MANNVILLE. — Word has been received of the death of Mrs. Maude Tully. She passed away on Sun day morning at the age of 67 years. She leaves to mourn her four sons and two daughters. Gordon and Charlie of Winnipeg Mark of Swan River, Jim of Mannville, Mrs. Wilma Hech of Winnipeg and Maude, a missionary in South Africa. She is also survived by her twin sister, Mr. Kate Robbins of Kingston, New Hampshire.

Mr. Ellis funeral is on Thursday from the United church.

THE W. M. S.

The last meeting of the W.M.S. until the fall was held at the home of Mrs. C. Barr on Thursday June 4th at 3 p.m. The meeting was opened with prayer by the president Mrs. W. L. Robinson. Mrs. Kilsby while in charge of the devotional gave a wonderful synopsis of the symbols used in the Coronation of Queen Elizabeth 2nd.

Roll call revealed that there were 21 members present, 10 associated members and two visitors. All were pleased to see Mrs. Carrol back again after her illness and she received a welcome from the president. Reports were taken for the month and the business being considered the meeting was turned over to the guest speaker Mrs. Adams of Elk Point.

Mrs. Adams was introduced and her talk was on the subject of missionary work she has done among the Africans that came to England as refugees during World Wars 1 and 2. She told some very sad stories about them. She has never been to Africa herself but she liked to help these people and learned a lot about them and their ways. This work was before she came to Canada.

Miss Craig conveyed a vote of thanks to Mrs. Barr for loeting the members to her lovely home in the country for the meeting.

The associated members then served a very special lunch which everybody enjoyed along with a social hour before breaking up for the holiday season.

MASSEY-HARRIS MACHINES NOW TESTED FOR STRENGTH Electronically

Using scientific apparatus for stress analysis, research engineers put Massey-Harris machines over the Massey-Harris full-scale test track, specially designed and built for studying and proving the design and construction of modern power farming equipment.

This electronic equipment records the inside story of strains and stresses set up in frame members and working parts in operation—such information is most helpful in the development and production of new machines and improvements.

In design and construction, Massey-Harris machines offer the latest developments in modern engineering and research, bringing advantages that enable work to be done easier, quicker, and at less cost.

Essay Winners for Vermilion S.D.

RUTH EWEN, DEWBERRY; SUSAN WOLTERS, WOODVALE

The Rural Safety Division of the Alberta Safety Council reports an exceptionally heavy entry in the second of two essay competitions conducted this year throughout the rural schools in the province.

Vermilion School Division winners are as follows:

Grades 5 and 6 — Ruth Ewen, Dewberry school. Her teacher is Mrs. F. Osbaldeston.

Grades 7 and 8—Susan Wolters of Woodvale school. Teacher Miss Thompson.

The exceptional number of entries in this contest is probably due to the fact that all essays were restricted to the one subject: "Tractor Safety." With an average of more than one tractor for each of Alberta's 51,000 farms, the interest in power machinery is very high. The need for extreme care in the operation of tractors is evident from the number of fatal accidents in which this machine is involved.

Surveys by the National Safety Council in the U.S. indicate that from 15 to 30 deaths may be expected in a year from 100,000 tractors. Last year in Alberta, with about 90,000 tractors in operation, there were 29 deaths, which makes our fatality rate considerably higher than average.

School Division prizes consist of attractive wall plaques to be hung in the schoolroom and a smart lapel pin for the pupil who wrote the winning essay.

The best essays from both contests are now in the hands of a special committee and the winners of the cash scholarship awards for the whole province should be announced very soon. These scholarship awards are $50 for the best essay from both contests and $25 each for the next two.

As in the previous competitions, the Essay committee has found the advice and co-operation of the Provincial Department of Education and Agriculture invaluable.

IT HAPPENED ON THE FARM

By Ruth Ewen, Gr. 8, Dewberry.

It had been raining steadily for days. The outdoors looked bleak and desolate. Little rivulets of water flowed and scurried down the hills to form numerous pools at the bottom. On their way down hill they had worn many tiny gullies in the once smooth surface of the rolling farm land.

For several days Mr. Brownie had been content to toast his feet in the oven and sit in his favorite armchair by the radio. Mrs. Brownie knew this was too good to last and she was right. One morning when the rain finally stopped and the sun was peeking through the clouds, Mr. Brownie rose and stretched.

"Well Ma," he said, "I've been idle too long. I'm going out with the old John Deere and turn some sons of the wild oats".

"Oh Charles", said his wife, "I've heard of so many tractors tipping over on slippery hillsides."

"Oh nonsense", said Charles, "they just didn't know how to drive a tractor".

So Charles had his way and soon Mrs. Brownie could see him in the nearby field busily plowing on the hillside.

Oh why does he have to plow on the hillside, thought she.

All at once she saw the tractor lurch, slip sideways and finally tip over on its side.

Mrs. Brownie was terrified but she managed to phone her neighbor and ask him to come over and help her with Charles.

When they reached Mr. Brownie they found him pinned under the tractor. After a long time they were able to get him loose and rush him to the hospital. The doctor said he had five broken ribs and internal injuries.

For many months Mr. Brownie lay in the hospital partly paralyzed in the legs and back. In that time his wife had convinced him that it was very foolish to plow on a hillside in muddy weather.

I think Mr. Brownie learned a lesson too, don't you?

IT HAPPENED ON THE FARM

By Susan Wolters, gr. 7, Woodvale

One day after he had been working on the road, Mr. White was driving his tractor around and around the corner of his yard gate, just then the tractor turned over, pinning Mr. White under the tractor.

When Mrs. White saw this from the window she called for help.

"Help! Help! Somebody, come quick! The tractor overturned on Dan!"

The men that were there came to help while someone else went to get one of the neighbors. Luckily Mr. and Mrs. White had close neighbors and the person that went for help didn't have far to go.

Mr. White spent two or three months in the Edmonton hospital, in which he was given care for his broken leg and crushed body.

There wasn't much damage done to the tractor, but there was threshing coming up, which the kind neighbors did, since Mr. White wasn't out of the hospital yet.

Mr. White could have avoided this accident by driving more carefully around corners and other places at all times.

See Coronation Procession Rehearsals

Our Letter From England

This Sunday morning saw us rising with the sun in order to be in London by 7 a.m. to watch the second rehearsal of the Coronation procession. There was very little traffic until we were well within the city and then cars were turning in from every side street. By the time we were near Buckingham Palace it was evident that there was only one thing to do, park the car on a side street and get going. We found a place past the palace and into The Mall where we were able to get a place on the top steps of a stand so had an excellent view of the procession. Of course it was nothing to compare to the real procession to come but a great deal better than I had expected or see. Actually we are told it was a rehearsal for timing. The carriages drawn by spirited horses, some of our memories, the Lord Mayor's coach and of course the State coach, were what I remember most. Our memories were not dressed in their scarlet and gold jackets and I heard many disappointed people remark about this as the people here seem very much impressed with the R.C.M.P.

The Lord Mayor's coach was first used in 1757 and has made at least one appearance yearly since then. It is quite ornate, is not hung on springs but on heavy leather straps. It is heavily gilded and at first I thought it might be the state coach. However when this came in sight drawn by so many white horses, there was no mistaking it. It is all the grandeur, and has two figures of men in front and two back of it. Each figure clasps a huge weapon or emblem. I'm not sure which. This coach was made during William Iain Ker's reign. It is 24 feet long and weighs 4 tons. There are figures of three small boys atop the carriage representing England, Ireland and Scotland, supposedly supporting the Imperial Crown of England. When you see the Coronation Procession in the movies if you notice the front wheels of the State coach carefully perhaps you will be able to see that they are not perfectly round. If you know what I mean.

Having seen the Queen and her husband before, the two small boys were not disappointed that the coach was empty and we were ready to go on to the next exciting event. This happened to be the "Changing of the Guard" at Buckingham Palace, which took place at exactly the right moment for us to see.

We drove to Kensington Park which must be a lovely spot to picnic, but it is almost entirely taken over by troops at the present time. It has rows and rows of tents. I noticed several of our Canadian uniforms as we drove along and they looked good to me. Then we went back to Trafalgar square where the boys fed the pigeons. Although it was Sunday decorations and seats were being put up and there was a hammering because very loud the pigeons would take off in clouds, only to return in a moment for more food. We took several pictures during the day and they have turned out very well. The size of the State coach and the horses is especially good. I think and every one different from a post card picture.

Coffee pals I hope soon don't forget to write

Addie Mead

DEWBERRY C.G.I.T. TEA

Wildmere Winks

Here we are back again, we really enjoyed the trip to Edmonton and it was grand weather while we were there. There were 430 delegates to the A.W.I. convention held at Convocation hall. Mrs. Sayre of Ackworth, Iowa, President of the C.W.W. spoke to the ladies. She is a wonderful woman and speaker. Mrs. J. L. Jones of Mannville will be our director for District 2 for the next two years. Mrs. Jones is a very capable woman and well liked by all the W.I. groups under her supervision. We learned a lot and met many women from different corners of Alberta, from the Peace River country to the southern boundary of the province. We think the best parts of the holiday were no meals to get and no dishes to wash. I again say thank you to the Wildmere W.I. for sending me as their delegate. Mrs. Garnett, District convenor also attended and she too enjoyed herself very much. We wish to thank Mrs. Gilhoim and Robert of Edmonton for meeting us at the bus and taking us to Athabaska hall.

Our deepest sympathy goes out to Mrs. L. Mayhew and Mrs. G. Redgero on the loss of their dear father so suddenly. His head a long illness he left his family, and going as he did, did not suffer like some poor souls have to before God calls them home to rest.

Our weather still keeps dry, we could do with a good rain now. It is grand weather however for road building. Jimmie and his foreman Mr. Cunnarow and men have made a big change in the road south past G. Wilson's and east by Andersons corner and when they finish there will be going west to Holte's and south to Hattiview.

The ladies of Auburndale Ladies Aid asked me to mention the following item. Their annual banner and supper will be held at the community hall on Friday June 19 commencing at 4 o'clock. Everyone plan to attend. They give a good supper reasonably priced and have a nice banner.

Here is another item for following interested ... Wilkerson W.I. is shipping old woollens again to be made into blankets. Anyone wishing to send please bring them to Mrs. J. Wilson's before July 15 and please bring money to pay for same with the woollens. Shipping charges for return of blanket will be collected when blanket received. Remember the date July 15, and the place Mrs. Wilson's, Wildmere.

Mrs. Adam Smith who spent a couple of weeks visiting her family here returned to Guelph for a Vancouver Monday evening June 1. She went by plane from Edmonton. Bertie Fadden and Jimmie Clark went with Ray Osterberg to Cold Lake on Monday. The boys went to see about getting work and had to catch fish.

Mr. and Mrs. Elmer Isley and family of Optimist district visited on Sunday at the Fadden home.

Mrs. H. Martin of Triangle and Mrs. Allison of Vermilion left on Saturday morning for Lake Louise where they will spend the next three months.

Congrats to Mr. H. Webber of Edmonton on his promotion. While in the city we saw you stop your car Harold and post some letters in a mail box but we could not get close enough to speak to you.

Who saw little ducks on May 30th on a slough? We did, and they were not newly hatched either. That's early for our late spring.

Church so far has been very well attended. Our season is short so come out while you can. Bible.

Our weather bro. Wilson had our school entered in the Coronation parade in town. With their red, white and blue sash and Preston banner they looked real patriotic and guy marching along The paper will through was grand and the kiddies really enjoyed the ice treats. Some did not use them all as everything was closed after the 2 hour parade was over. All seemed to enjoy the outing and long may Queen Elizabeth reign over us!

Visitors to the Wallington home on Sunday were Mr. and Mrs. J. Wilson and Mr. and Mrs. Gerald.

Dawwood Tigers lost on Sunday to Scotstoun, score 8-7. It was a good game. Mr. and Mrs. George Seufert and Alice and Mrs. Riley all of town attended the game.

The Standard cannot reproduce unsigned letters. The letters must have the writer's name and address for matters of record while a nom-de-plume will appear in the paper if desired. TS

Local News of Interest

Mrs. O. W. Anderson wishes to announce the engagement of her daughter Dorothy Thelma, to Mr. Richard Thomas Cooke, all of Lea Park, Alberta. The wedding will take place on Wednesday June 24, 1953 at 3:00 o'clock in the afternoon at the Bethel Lutheran church. Friends and relatives please accept this your invitation to attend.

Mrs. A. M. West entertained in honor of Miss Gladys Young at a shower. All the lady members of Craig's staff were guests, also Mrs. J. M. Duncan of Edmonton.

Mr. and Mrs. R. S. Cooper returned home Monday from a trip to Windsor where they visited at the home of the former's sister Mrs. Al Hebert and family. They motored to Hamilton and Guelph for visits and returned home through the States.

Mr. and Mrs. Clarence Elliott and little son Johnny of Edmonton were visitors last week-end at the home of the former's parents, Mr. and Mrs. Wm. Elliott.

Mrs. Laird Kearns and son Lee of Edmonton are visiting the former's father Mr. W. R. Wiebe, and sister Maxine. (Mrs. Roger Rowe) for a few days this week.

ALLANDALE NOTES

To date June 8 we have not had any moisture since our 2 inches in Jan in the early spring. Growth is slow though the gardens are looking good. Most of the spring work is finished and now to continue with summerfallow.

Greetings Addie Mesd—your letters to the Standard are wonderful. When we read them we are taking a trip right along with you. So educational and we do appreciate your effort and the time you spend doing this. Now for the big day — reading it from you will mean so much more for us.

Mr. and Mrs. George White over in Ireland — we all hope that you treats. Some did not use them all as everything was closed after the ball game was over. All seemed to enjoy the outing and long may Queen Elizabeth reign over us!

Visitors to the Wallington home on Sunday were Mr. and Mrs. J. Wilson and Mr. and Mrs. Gerald.

Dawwood Tigers lost on Sunday to Scotstoun, score 8-7. It was a good game. Mr. and Mrs. George Seufert and Alice and Mrs. Riley all of town attended the game.

The Standard cannot reproduce unsigned letters. The letters must have the writer's name and address for matters of record while a nom-de-plume will appear in the paper if desired. TS

Golf Club Local Tourney June 24th

The next local tournament for members of the Vermilion Golf club will be held Wednesday June 24 starting at 1:30 p.m. This will be a four-ball-best-ball foursome for men and the same for ladies. Members are asked to bring their own lunch for an outdoor supper and the ladies will supply coffee.

All members are asked to come and if you cannot make it for the golf bring your lunch at supper time and join in a social hour.

W. J. Parsons returned to Vermilion last week after spending the past eight months at West Moncton, Ont., visiting at the home of his daughter Mrs. Fergus McNaught. Mr. and Mrs. McNaught accompanied Mr. Parsons on his journey west and will spend the month of June here at the home of Mr. and Mrs. C. E. Thompson.

Mr. and Mrs. J. M. Duncan of Edmonton were guests this week at the home of the latter's sister, Mrs. A. M. West.

Mr. and Mrs. Mel Seithun of Carrow visited the former's parents in town for a few days this week.

Mr. and Mrs. Hiram Hodgins had as their guests for a few days during the past week Mr. and Mrs. Gordon Smith of Bristol County of Pontiac in Quebec and Mr. and Mrs. Walter Bradley from Packenham, Ont. The ladies are nieces of Mrs. Hodgins. The trip is being made by car and they have already been across Canada to Vancouver and are now on the return journey by a different route.

A. M. West went to Edmonton on Monday to meet the Irish International football team and see them play the Alberta All Stars. A. M. reports a very fine exhibition of soccer.

CORONATION TEA

The C.W.L. will hold a Coronation tea and bake sale Saturday June 20 in the basement of the new church.

Mannville Local Items

Cpl. and Mrs. James Locke were visitors at the home of the latter's mother, Mrs. Arthur Emmott. Cpl. Locke is to be stationed at Penhold and Mrs. Locke and wee son plan to visit with Mrs. Emmott for a while.

Among those from out of town were here on Coronation Day were Mr. and Mrs. Steve O'Connor and Mr. and Mrs. Lowell Croft and boys of Kinsery, Mr. Macolm Morrison of Edmonton, Mrs. Mercer, Mrs. Betty Arnold and Lorraine, and Mr. and Mrs. Stan McGreevey of Edmonton, Mr. and Mrs. Lawrence McFadden.

Mrs. J. Gilmour now of Calgary has been visiting in the district recently.

Mr. and Mrs. Bill Fisher and Jeanie of Edmonton were Sunday visitors at the home of Mr. and Mrs. Bob Allan. They also called on friends in town.

Mr. Willard Jones, now of the Canadian Bank of Commerce staff at Warner is home on holidays.

The Mannville softball girls and boys had tough luck at Irma on Saturday, both losing to the Irma teams.

Visiting with Mr. and Mrs. R. S. Johnston are the latter's niece and nephew, Sgt. and Mrs. Bertie Hickson and daughter Claudia of Spirit la, Washington.

Mr. Tim O'Connor is a patient in the local hospital with a heart condition.

500 Attend W. I. Provincial Convention

MANY DELEGATES FROM EACH CONSTITUENCY

The Alberta Women's Institutes 47th Biennial convention was held at the University of Alberta from May 25 to 28. About 500 women attended from all over the province from Peace River in the north to the irrigated lands in the south. The women from this constituency included Mrs. T. Henderson and Mrs. M. Sloan of Ramsay, Mrs. R. Calder of Five Point, Mrs. E. Bauer and Mrs. Hanning of Creighton, Mrs. J. Lauer of Clayesmore, Mrs. R. Reed and Mrs. O. Strome of Princess Anne branch, Mrs. J. Ferrier of Vermilion, Mrs. W. Hinton and Mrs. Schreyer of Saltaux, Mrs. J. King and Mrs. E. Watt of Tannahill and Mrs. W. J. Garnett and Mrs. J. Wallington of Wildmere.

The guest speakers were Mrs. Raymond Sayre of Ackworth, Iowa, President of the Associated Country-women of the World. She represents 6 million women of 24 different countries and is herself many of those countries during her six years of office. She likened the A.C.W.W. to a mental and spiritual window through which we look in interpreting understanding on all people of the world.

HANDICRAFT

The Handicraft display was a very good one, 12 entries were sent in from this constituency, 5 winning prizes. Two first, Mrs. J. Horrick, a child's woollen knitted dress and Mrs. J. Wallington, a pair of mitts. The mitts are chosen to go with 9 other articles to the A.C.W.W. handicraft display in the Canadian Pavilion, Toronto in August. 2nd prize to Mrs. J. King, a girl's smocked dress and 2nd and 3rd prizes to Mrs. Jos. Sass and crocheted bangcut cloth, and Mrs. O. Strome, a girl's smocked dress. The judge was Miss Mary V. Macdonald, director of Women's Extension Service, Department of Agriculture, Miss R. Whaley, Department of Home Economics and three ladies from the Canadian Handicraft Guild.

The Book of Remembrance was very impressive, the name of the late Mrs. Hess of Mannville was inscribed by the Mannville branches in it.

The new council for the A.W.I. for the next two years was elected as follows:

President — Mrs. S. Lebured of Viking; Vice-President—Mrs. T. H. Howes of Millet; Secretary — Mrs. R. W. Prendergast of Red Deer; Treasurer—Mrs. L. D. Smith, Penhold; Directors—Mrs. D. S. Haydon, High Prairie; Mrs. Jos. Sass, Mrs. J. J. Jones, Mannville, Dist. 2; Mrs. J. H. Tait, Hanna, Dist. 3 North; Mrs. S. Swinson, Dist. 3, South of Red Deer; Mrs. W. R. Ford, Coutts, Dist. 4.

There are 277 branches and 5400 members of the Alberta Women's Institutes in the province.

WOODVALE

The executive and directors of the Woodvale Telephone Co. held a meeting at the home of Peter Lang last Saturday and made plans for erecting another building of part of the line. Work will start on the 22nd of June when poles and the new line will be laid out for work.

Mrs. E. G. Green was a two-day visitor at the home of the Wes Hinton's and visited her old neighbors here and friends in Vermilion. She accompanied by her husband from Abbotsford, B.C. to Lacombe where he underwent medical treatment for a serious ailment. They plan to return home on June 18 and all their friends wish him the very best and speedy recovery on his return home.

The first of the league baseball games took place at Tolland on Saturday when the Renowned team won 11-5.

Bluebirds are nesting in the twine box of the binder on the farm of Otto Wolters. The nest builder stays right in the nest when the children lift the lid to peek very quietly at her

Related but well-meant congratulations to Mr. and Mrs. Vigo Lyons who were recently married. Several people of the district went to their rhivaree.

THE VERMILION STANDARD

Vol. XLIV. No. 49. Vermilion, Alberta, June 18th, 1953 $2.00 per Year

Ratepayers Are Invited To Attend

School Trustees Convention Here On Saturday

The annual convention of school trustees of the Vermilion school division will be held at the Vermilion school of agriculture on Saturday this week June 20. Meetings commence at 10:30 a.m. and the morning is devoted to the business agenda. A number of speakers will be heard during the afternoon.

While this is a convention of school trustees all ratepayers are urged to attend and to take part in the discussions. Only one delegate from each school district is allowed to vote.

Resolutions are invited and are received in writing.

The afternoon program includes addresses by Mrs. F. F. MacLeod, executive of the trustees' associations of the Wainwright division; Mr. J. D. Simonson, superintendent of schools, Vermilion division; Hon. A.O. Aaiborg, minister of education, Edmonton.

Greetings will be brought from the Alberta Home and School association by Mr. W. Perley of Innisfree, vice-president of the north-central region; from the A.T.A. by Mr. Jas. Smith, president Vermilion school division local, A.T.A.; Mr. McGrath of Vermilion school division board.

Dewberry People Farewell Departing School Principal

MARTIN BRUCE TO MOVE TO CALGARY

DEWBERRY. — Many people of the district gathered in the Dewberry community hall last week for a farewell party in honor of Mr. and Mrs. Martin Bruce and family. Mr. Bruce has been the principal of the school here since 1942. He has now accepted a position as a supervisor of the Calgary Public Insurance board with his office at Calgary.

The evening's entertainment was made up of games, songs, pantomimes by Miss Shelia Purvis, and tap dancing by Cheryl Jones.

At the conclusion of the entertainment Mr. and Mrs. Bruce were thanked for their interest in the community as shown by their activity while here and were presented with a well-filled purse as a farewell gift.

Mr. Bruce in a short talk thanked the many friends for the kindness and respect shown he and his family while in Dewberry. He regretted leaving the friendly Dewberry community but was sure the larger field position had come his way and he felt that he should take the opportunity thus presented. He extended a cordial invitation to all to visit them if in Calgary. He also spoke of his help to all of his former students who may seek advice as to what courses to take in their further education.

The evening came to a close with the serving of a delicious lunch by the ladies of town and country.

Mannville Visitor Has Harrowing Experiences And Narrow Escapes

MANNVILLE. — Visiting with Mr. and Mrs. Jack Hawley is Mr. Hawley's sister Mrs. Baker of Vancouver. Mrs. Baker had several narrow escapes during the last war when she and her children had to flee first from Malaya and then Singapore. They left Singapore just four days before the Japanese captured it. Mr. Baker, an engineer, was engaged in coal mining in the Malaya States. Mr. and Mrs. Baker had traveled widely and possessed first-hand knowledge of Japan, of China, South Africa and the East Indies. Mr. Baker spent part of his boyhood at Singapore and later assisted in the construction of the naval base there.

According to this excerpt from an old country newspaper, Mr. and Mrs. Baker motored to Singapore by only one hour and a half. In a small sailboat they journeyed from Singapore to Batavia, picking up many survivors until the ship was almost overcrowded. They existed on the meagre diet of tinned foods, dried peas and a few sausage for the five days' journey. Later, the captain turned the ship around to make the journey back but they were travelling toward Singapor and not away from the city. Soon after arriving at Batavia, Mr. and Mrs. Baker were able to join another ship and by slow stages they reached a Scottish port.

Mrs. Baker is at present living with her daughter and son-in-law, Capt. and Mrs. J. R. Landell at Kerrisdale. Mr. Baker passed away in 1947.

Jas. B. Bell is New Principal Vermilion High School

Jas. B. Bell, B.A., B. Ed., for past three years a member of the Vermilion high school teaching staff, has been appointed principal in succession to M. F. Smeltzer. Mr. Smeltzer has resigned to accept a position on the teaching staff in Edmonton.

Mr. Bell received his B.A. from the University of Saskatchewan and his B. Ed. from Alberta university. While here he has become favorably known as a teacher and for his interest in high school athletics and music.

ANGUS SMITH TO DEWBERRY

Angus Smith, jr., who joined the Vermilion high school staff one year ago, coming from Bawlf, has been transferred to the Dewberry school where he has been appointed principal. He succeeds Mr. Martin Bruce who is leaving the teaching profession and will work for the Alberta Hail Insurance board with headquarters in Calgary.

REAL MEN NEEDED!

COMMITTEE APPEALS TO FARMERS

The committee in charge of the development of the lake and dam project in the Vermilion valley need the help of some real men next Wednesday afternoon when a demonstration will be given by experts on various jobs along what will eventually be the lake shore. This includes clearing out of some brush, road improvement and building of some necessary conveniences. The farmers are being appealed to on this occasion, the townsmen having given several Wednesday afternoons and evenings lard at it already.

Anyone coming should bring along an axe, shovel and hammer. For further information contact Melvin Hill or Bill Sutherland.

To Build Drive-In Theatre

Nick Kowalchuk, manager of the Columbia theatre, will have construction started on a drive-in theatre within a week. The new project will cost in the neighborhood of $65,000 and Mr. Kowalchuk hopes to have the new entertainment feature in operation before the season ends.

The location is an ideal one, three miles west on highway 16.

Accommodation is being planned for 250 cars and many luxury features not usually found in drive-ins are being contemplated. When completed the drive-in will be operated every evening during the summer and early fall.

Rural School For Clergy To Be Held in Vermilion

Beginning on Monday, June 22, in the evening, a rural school for clergy of the Anglican church is to be held in Vermilion at the school of agriculture. A most comprehensive program has been planned and includes such speakers as the Rev. Maurice Howes of Coldwater, Mich., Archdeacon Hasell of Loverna, Sask., and Canon G. W. Lang of Red Deer. In addition to these speakers, Mr. Buckingham and Mr. Bradley, together with members of the college staff will give instruction on agricultural subjects. It is hoped that interested laymen will attend as they will be most welcome. Plans also include some instruction in Home Economics for clergy wives or other ladies who may attend, and it is expected that baby-sitters will be provided to care for young families.

The course will conclude with a dinner on Thursday, July 2, at which the speaker will be Canon Lang. For accommodation, contact should be made with Canon T. W. Pauge, Edmonton.

Masons Hold Father And Son Banquet

REV. D. A. FORD, SPEAKER

Members of the Masonic fraternity gathered together on Thursday evening June 11 at a father and son banquet. This is an annual event which has proved to be most popular with those attending. Following an excellent dinner, Rev. D. A. Ford entertained the gathering with an enjoyable but thought-provoking address which held the attention of all those present. Following the address, a program of films was enjoyed by all.

It is interesting to note that those attending ranged in age from six years old to over 80 years young including three generations of the Marnab family, all of whom appeared to enjoy themselves.

HEREFORD CLUB TO MAKE TOUR

The Northern Alberta Hereford club invites all those interested in livestock to join in their first tour of leading breeders of the Tofield and Vegreville districts Monday, June 22 which will start at the junction of C. J. Kallal of Tofield at 9 a.m., located 1 mile north of C.N.R. station at Shantz. Watch for the sign on the highway. Visits will be made to such herds as Moore's (Tofield-Hereford), Mel Woods', Brown's (Vegreville) and others at Tofield, John Skripitsky of Mundare and wind up at Henry Zeigler's at Vegreville for a picnic supper.

Where possible visits will be made at top Shorthorn and Aberdeen Angus herds. The tour will be conducted by Joe Kallal, president of the Alberta Hereford club and Stuart Purdon, President of the Northern Alberta Hereford club.

The Catholic church picnic held at Dewberry on Sunday attracted a large crowd. In the double-header baseball games played Dewberry lost the first game to Heinsberg but wins from Elk Point in the second.

Three Candidates To Date For Battle River Camrose Seat

DOMINION ELECTION AUG. 10th — E. R. MITCHELL IS RETURNING OFFICER

Three candidates have now been selected to contest the Battle River-Camrose seat in the federal election which has been proclaimed for Aug. 10. D. R. Mitchell has been appointed returning officer for the new constituency and is hard at work arranging the election machinery for the area.

Announcement of the election date caused a flurry of activity in political circles. On Saturday last in Viking the C.C.F. nominated Wilfrid Irvine, provincial organizer, as their standard bearer. On Wednesday afternoon this week F. C. Sissons of Hardisty was the choice of Liberals at Wainwright convention. Robert Fair, Social Credit candidate, was selected by his party movement last fall, being the first in the field.

I.O.D.E. Present Prizes To Essay Winners

An interesting ceremony took place at the Junior high school when Mrs. Melvin Hill presented prizes to the winners of a recent essay contest sponsored by the I. O. D. E.

Subject of the essay was "What the Commonwealth Means to Me". The prize were $5 for first and $3 for second in each of the grades 7 and 8.

In grade 7 Carol Brown won first, with Horace Wallenstein second. Honorable mention went to Bonnie Carroll. It is worthy of note that the second prize winner, Horace Wallenstein, is a recent arrival from occupied Germany but three years ago.

Grade 8 prize winners were Ruth Beatty, first prize, and Donna Cooper, second.

Presented with Scroll At Farewell Dinner

A.M. Watt Guest Of Board of Trade

At the Board of Trade weekly luncheon meetings will shortly adjourn for the usual summer recess Wednesday noon gathering this week was made the occasion of a farewell in honor of Mr. A. M. 'Sandy' Watt, a past president and very active member of the organization.

On behalf of the Board, President Keith Chalmers presented Mr. Watt with a scroll which contained a tribute to his value as a member of the community and enumerated many of the projects upon which he had embarked since coming to Vermilion a short eight years ago.

In presenting the scroll, Mr. Chalmers stated that despite the fact that he was a bank manager, Sandy leaves town without an enemy in the district, about as fine a tribute as is possible to pay. He leaves definite marks of progress in the town as memorials to his activity while here, such as the golf course which stands in testimony to the intuitive and drive of Mr. Watt. When he came Vermilion did not have a golf course, now it has the most scenic and sporty one of any town in western Canada. This is acknowledged in golfing circles everywhere. He rejuvenated hockey and as a result the Eastern Alberta hockey league was reorganized and now functions every winter providing nigh class and exciting hockey to thousands of fans. He also introduced the rural hockey tournament which has become one of the highlights of the winter season. He served as president of the board of trade through a very active and successful year, and has been as well the spark plug in the building of the Anglican church rectory, the parish hall and renovation of the church. One month from now he would become of age, so to speak, and would be superannuated by the Canadian Bank of Commerce. He will be leaving Vermilion for a trip back to his old homeland of Scotland and will then return to enjoy life in Canada, probably at Edmonton.

In replying Mr. Watt stated that when coming here eight years ago he had been greatly impressed by the work and activity of the Vermilion Board of Trade which was unique in that a luncheon meeting for all members was held weekly. The co-operation between council and board in the district was also a matter exerting a strong and steadying influence. In short, he had never seen a board equal to Vermilion despite the fact that as a rank manager he had lived in many towns.

He went on to thank Vermilion for supplying everything, that a man or family need in the way of churches, educational facilities, entertainment, hockey rink, curling rink, tennis courts, golf course, theatre and lodges. Both Mrs. Watt and he had long ago decided that Vermilion was the best town and had the best people of any place they had ever lived.

Mr. Watt concluded by saying that as long as the Vermilion Board of Trade remains as active as it has been the town will continue to develop and progress.

Grade 12 Summer Courses Offered

Students requiring one or two Gr. 12 subjects for university entrance will again have the opportunity of completing their high school program at the special Gr. 12 Summer school to be held at the Re-I Deer composite high school July 5-Aug. 11.

An innovation at this year's school will be that all tuition fees will be refunded to students who pass their Grade 12 examinations as a result of the summer course and enter university this fall. Students attending the summer course will receive the regular departmental examinations late in August.

Registration fee for the course is $10 with tuition fees $10 per subject. Board and room at the Composite high school during the course will be $30. Provision has been made for social and physical recreation during the course.

Further information on the course is available from the sponsor, the Alberta Department of Education.

Farmers' Day Picnic Big Success, Marwayne

MARWAYNE. — The picnic held on Farmers' Day Friday June 12 at Marwayne by the combined F.U.A. locals of the area was a decided success, the parade of ancient vehicles being particularly noteworthy. An estimated 2500 people attended. The Dewberry boys' band was in attendance and proved a decided asset to the day's proceedings.

In the sports, Dewberry and Primula split first and second money in baseball with Marwayne taking 3rd. Dewberry girls won from Marwayne in softball. In men's softball Dewberry defeated Marwayne.

Mr. Murbeck of Hamilton had the best decorated car and won first prize while Alf Purser won for the best float. Prizes were given for horses, tricycles, cars, truck, floats, and dealers' exhibits.

The parade is worthy of a story by itself as the display was truly wonderful and extraordinarily interesting. Featured were model cars, horses, a 1908 tractor, ladies of the era of the gay 90's, decorated cars and floats.

Three Candidates To Date For Battle River Camrose Seat

DOMINION ELECTION AUG. 10th — E. R. MITCHELL IS RETURNING OFFICER

Three candidates have now been selected to contest the Battle River-Camrose seat in the federal election which has been proclaimed for Aug. 10. D. R. Mitchell has been appointed returning officer for the new constituency and is hard at work arranging the election machinery for the area.

Announcement of the election date caused a flurry of activity in political circles. On Saturday last in Viking the C.C.F. nominated Wilfrid Irvine, provincial organizer, as their standard bearer. On Wednesday afternoon this week F. C. Sissons of Hardisty was the choice of Liberals at Wainwright convention. Robert Fair, Social Credit candidate, was selected by his party movement last fall, being the first in the field.

Interesting and Novel Program Presented

Highland Games Again Attract Large Crowd

Again attracting a large crowd the Highland Games held by St. Andrews at the fair grounds on Farmers' Day June 12 provided an interesting and novel program. The stirring piping, spirited dancing and thrilling tug-o-war came in for much favorable comment from the spectators.

Competitors came from as far away as Regina, with Edmonton and Calgary entries predominating and a sprinkling of district people as well. A special prize was awarded to Miss Rita Pilsbaugh of Regina as the contestant coming the greatest distance.

In the tug-o-war match the much smaller army team from the Wainwright camp was given little chance against the husky Edmonton police, but they in this case proved that good little things were better as the good big men and pulled the police in two straight but not without a very battle in both cases.

Excellent announcing over the P.A. system was by the Rev. W. Brown of Lloydminster, and there was no mistaking his accent or love for the Highland pastimes, nor Mr. Don Taylor. The help of Mr. N. N. Bentley and Mr. K. G. Urquhart from Edmonton was highly prized, the Brown Society wishes to publicly thank these gentlemen for their assistance.

The complete list of prize winners follows:

PROFESSIONAL PIPING

Piobaireachd — 1. Robert MacPherson, Edmonton; 2. H. V. Hogan Edmonton; 3. Robert Stoker, Edmonton

Marches 1. Robert MacPherson 2. Jeannette Smiley, Edmonton. 3 H. V. Hogan

Strathspey and Reel - 1. Robert MacPherson; 2. H. V. Hogan 3. Finlay MacLaren, Wainwright

Jig 1. Robert MacPherson, 2 Finlay MacLaren, 3. H. V. Hogan

AMATEUR PIPING

March, under 19 years 1. Jeannette Smiley; 2. Mrs MacDonald Edmonton; 3. David Saul, Edmonton

Slow March, under 19 1. Walter Mair, Edmonton; 2. Jeannette Smiley; 3. Dougal MacNiven. Ed monton.

Strathspey and Reel under 19 1. Dougal MacNiven. 2. Jeannette Smiley. 3. Ken MacDonald

DRUMMING

Drumming, under 19—1. James Howie, Wainwright; 2. Dougal MacNiven. 3. John Patterson, Wainwright.

PROFESSIONAL DANCING

Highland Fling - 1. Margaret Nellson, Edmonton; 2. Patricia Cantin; Edmonton; 3. Joan Bryan. Edmonton.

Sword Dancing—1. Joan Bryan; 2. Patricia Cantin; 3. Mabel Stoker, Edmonton.

Irish Jig—1. Margaret Nellson; 2. Patricia Cantin; 3. Marguerite Arnot, Calgary.

Reel O Tulloch—1. Margaret Nellson; 2. Joan Bryan. 3. Mabel Stoker.

AMATEUR DANCING

Highland Fling Under 7 1. Carolyn Soame, Edmonton, 2. Maureen Sloane, Edmonton, 3. Sharon Anderson, Edmonton.

Highland Dancing, under 7: 1. Jeannette Anderson. 2. Carolyn Sloane' 3. Coral Anne Hays, Edmonton.

Irish Dance, under 10 — 1. Gail Lynn Haden, Calgary; 2. Pamella Fletcher, Edmonton; 3. Anita Brady, Edmonton.

Highland Fling, under 10 — 1. Gail Lynn Haden; 2. Barbara Thompson, Edmonton; 3. Pamella Fletcher.

Highland Fling (Novice) under 10—1. Maureen Gregg, Edmonton. 2. Margaret Cheshire, Edmonton. 3. Barbara Anne Whiteman, Edmonton.

Sword Dance, under 13—1 Sheila Jean McCallum, Edmonton; 2 Maureen Mulholland, Edmonton. 3 Yvonne MacLeod, Edmonton.

Highland Fling under 11 — 1 Sheila Jean McCallum; 2 Gloria Brown Society wishes to publicly thank these gentlemen for their assistance.

Highland Fling under 18 — 1. Helen Smith, Edmonton; 2. Kathleen MacKie, Calgary; 3. Margaret Rose Ferrier, Edmonton.

Highland Fling, under 16 — 1. Kathleen MacKie 2. Helen Smith; 3. Janet Ferrier Edmonton.

Sean Truibhas, under 16 — 1. Helen Smith 2. Lorne Martin Red Deer. 3. David Thomas Hughes Edmonton.

Sailor's Hornpipe under 16 — 1 Helen Smith; 2 Kathleen MacKie 3. David Thomas Hughes.

Irish Jig, 19 and under 1. Margaret Nellson, 2 Joan Bryan 3. Kathleen Ferguson. 4 Grace Murray Hughes Edmonton

Craig Trophy, for Professional Piping and Dancing, Robert MacPherson, Edmonton.

Young Cup, for Amateur Dancing, won by Helen Smith Edmonton.

2nd prize won by Edmonton City Police.

Putting the Shot, 16 lb — 1. James Mitchell, Edmonton City Police; 2. G. Mills, Wainwright; 3. J. Ross, Edmonton City Police.

Tossing the Caber. Draw between James Mitchell, Edmonton Police and G. Mills, 2nd Canadian Highland Battalion, Wainwright.

Vermilion Red Sox Win At Elk Point

The Vermilion Red Sox were the victors in the ladies' softball tournament held at the Elk Point sports grounds on Friday. The scores of the two games played were Vermilion 11, Dewberry 5 and Vermilion 11, Heinsberg 6.

Playing an exhibition game at home on Sunday June 14 against Vermilion the Red Sox won 6 runs to 5.

AT SANDY BEACH SUNDAY

The Red Sox are scheduled to play at Sandy Beach on Sunday next, June 21st at 5 o'clock.

Death of Pioneer Graham Canton

IN DISTRICT SINCE 1906

One of the district's true pioneers who saw the country develop from its native state to its present stage, David Graham Canton, passed away at the Islay hospital on June 12 at the age of 81 years. Few men have been more widely known in the district than he, and no home throughout the years, was more noted for its kindness and hospitality.

Mr. Canton was born at Hillsdale in Simcoe county, Ont., and came west in Islay in the year 1906 and homesteaded in the district where he was later named after him, the Canton district. In fact, he had never seen a board equal to Vermilion despite the fact that as a rank manager he had lived in many towns.

He went on to thank Vermilion for supplying everything, that a man or family need in the way of churches, educational facilities, entertainment, hockey rink, curling rink, tennis courts, golf course, theatre and lodges. Both Mrs. Watt and he had long ago decided that Vermilion was the best town and had the best people of any place they had ever lived.

Mr. Watt concluded by saying that as long as the Vermilion Board of Trade remains as active as it has been the town will continue to develop and progress.

Grade 12 Summer Courses Offered

Students requiring one or two Gr. 12 subjects for university entrance will again have the opportunity of completing their high school program at the special Gr. 12 Summer school to be held at the Re-I Deer composite high school July 5-Aug. 11.

Farmers' Day Picnic Big Success, Marwayne

MARWAYNE. — The picnic held on Farmers' Day Friday June 12 at Marwayne by the combined F.U.A. locals of the area was a decided success, the parade of ancient vehicles being particularly noteworthy. An estimated 2500 people attended. The Dewberry boys' band was in attendance and proved a decided asset to the day's proceedings.

In the sports, Dewberry and Primula split first and second money in baseball with Marwayne taking 3rd. Dewberry girls won from Marwayne in softball. In men's softball Dewberry defeated Marwayne.

Mr. Murbeck of Hamilton had the best decorated car and won first prize while Alf Purser won for the best float. Prizes were given for horses, tricycles, cars, truck, floats, and dealers' exhibits.

The parade is worthy of a story by itself as the display was truly wonderful and extraordinarily interesting. Featured were model cars, horses, a 1908 tractor, ladies of the era of the gay 90's, decorated cars and floats.

Miss Joyce Coulson Of Canadian Utilities Addresses Local W. I.

The Vermilion branch of the Women's Institute held the May meeting at the home of Mrs. J. McCaig.

A very good crowd attended as it was a Grandmother's Tea'.

Mrs. Perrier gave a very interesting report of the W.I. convention held in Edmonton.

The W.I. also went on record as thanking the Nelson-Hill hardware and all who helped to make the novelty and bake sale a success.

The guest speaker was Miss Joyce Coulson, Home Economist with the Canadian Utilities, who entertained with a humorous and enlightening account of her 15 months spent at "J. Lyons Catering Co." in London, the largest in the world and caters to affairs at Buckingham Palace, and parties for the Royal Family. She told how a 'Mr. Jacobs' who is a specialist in making cakes, made first stroke. This is a mistake as our only reason for summerfallowing is to conserve moisture for the next year's crop. If you wait until the weeds sap the soil of moisture you have lost several bushels per acre off next year's crop.

HAY MAY EARLY

Most of the hay crop in this district is left too long before cutting. Hay should be cut as soon as grasses are in head, alfalfa and sweet clover as soon as you see the first flowers. To delay longer may mean a few pounds more hay per acre but quality is poorer and nothing has been gained. Also the longer you delay harvesting hay the more likely you will run into heavy rains.

PAINT UP — CLEAN UP

Paint saves buildings, improves morale and increases farm values. Why not start a farm buildings paint up and clean up campaign on your own farm? Line up the machinery, pick up the tin cans, plant some trees, level down the yard and sow some grass seed. Every farm does not need this clean up but some of them do.

R. R. Buckingham, D.A

Jerry Pauls Wins Academic Awards At High Prairie

Jerry Pauls, son of Mr. and Mrs. V. A. Pauls and a grandson of Mrs. Keys of Vermilion, was presented with two academic A pins at the recent high school graduates dinner and dance held at High Prairie where the Pauls family now live. The pins signified the highest standing of any student in grade 10, and 11. It is the first time that the same student has won the award for two consecutive years.

Jerry lived in Vermilion for several years and is well remembered here.

FOR SALE—Boy's Hiawatha bike, medium size. Hiawatha .22 repeater; also 2-burner Coleman gas stove Phone 307. 49c

"GREEN ACRES"

SPRAYING EARLY CROPS

It pays to spray early to kill stinkweed, pig weed, etc. It is safest to spray wheat and barley between 6 inches in height and the early shot blade stage. DO NOT spray oats between 6 inches and the early shot blade. Get a booklet

If you want to have sweet peas, 6-D.

PLANTING NOW VEGETABLES

Many people fail to thin out carrots, beets, turnips, etc. soon enough. If you give the plants room to grow and a fair share of plant food and moisture, they will do better for you.

BETTER SWEET PEAS

pester: Also 2-burner Coleman eight feet high start by nipping out the centre of each plant. Transplants to 6 inches apart and later on clip off all side shoots except one. Give the rows lots of water and liquid manure once a week or so. Build a fence 6 or 9 feet high and watch the sweet peas grow!

HEALTH UNIT NOTES—

The Standard directs attention to the Health Unit notes which appear in this issue and which will be a weekly feature of the paper hereafter. Readers will find them full of valuable information as they are supplied by the Minburn-Vermilion Health Unit doctor and are written expressly for this area. A vast amount of education along health lines is needed and the Standard has offered its columns gratis for the dissemination of such information.

Each weekly article could be cut out and kept, thus a very worthwhile reference library could be built up.

Silence Is Leaden

How irritating is the man who waits till a discussion is over and then starts to say his piece. His stis right through in profound silence, apparently nodding approval to everyone. Then, when the whole thing's settled and done with, he corners one or two friends and starts in to pour scorn on his enemies because they hold views conflicting with his own and on his friends because they didn't argue with sufficient force. Exasperated, a friend is liable to complain, "Then why on earth didn't you say all this at the time?"

There are excuses for this man. The chances are that he's not an experienced speaker. Maybe the words dry up as soon as he's on his feet, maybe his mind clouds his thoughts and plays havoc with his grammar and maybe his mental processes do not work as quickly as those of some other people. He may need all his concentration to follow what the speakers are saying and cannot rapidly marshal his own thoughts and arguments.

But, though others excuse him he must not be so generous to himself. Why is he invited to sit in on discussions? For his life-long experience and the thoughts which that experience must have left in his mind. But silent thought is useless to a discussion—it must be vocal or he might as well go fishing.

It is the duty of such a man to take some pains to overcome his disabilities. Shyness is a monster only until it is resolutely attacked. Once a man stands to it with determination, it disperses as swiftly as smoke in a breeze. And with shyness go all the symptoms that so spoil public speaking like inarticulation and confusion. No green words ever issue from the mouth of a mute.

General Rains Improve The Crop Outlook

The general rain of Wednesday afternoon and evening and Thursday morning improved the crop outlook greatly as moisture conditions were poor in the immediate Vermilion area.

Height of wheat varies from 6 to 8 inches, with oats and barley running about 6 inches. The wheat germinated evenly but stopped to stool poorly. Although the season is late, it is still, at this stage, about one week ahead of 1952, surprising as it may seem. Surface moisture should be good now with that of subsoil fair to good.

There has been an estimated 5% decrease in acreage sown to wheat, summerfallow is about the same, an increase in barley acreage of 5% and in rye of 10% is reported. Oats are down 2%.

General appearance of pasture and hayfields is g ..d, and the crop has suffered no damage from frost. Crops can be rated as middling to fair but now stand to improve greatly. Warm weather will be needed following this rain.

"Singing in the Rain", a superior musical, as good as any ever shown, will play the Columbia theatre on Monday and Tuesday next week, June 22 and 23. ...

Clarence Barr Stock Big Winners At Lloydminster Show

Clarence Barr's cattle were among the big winners at the annual Lloydminster stock show this week. Clarence had the grand champion steer which later sold for 69 cents per pound to the T. Eaton Co. The prize animal weighed 940 pounds. His group of five animals under 1000 pounds was adjudged the grand champion group of the show, while his group of ten placed 4th.

Competition was keen as more than 600 head of stock was entered.

Another Vermilion district winner was Ralph Wilson whose heavy steer group of ten placed fourth.

Local Boys Lose To Vegreville

Despite the hard blowing wind last Sunday, a fair crowd watched the local boys lose to the visiting Vegreville club by an 11 to 8 score. Ray Jones went the full nine innings for Vermil and found it hard going in the last couple of innings, with no relief on hand to take over his duties. The boys played good ball most of the game with the exception of a few errors late in the game causing the visitors to gain a few runs which the Vermilion club could not get back at their last time to bat.

ENTER VEG TOURNEY JULY 1

The Vermilion club have entered the Vegreville tourney July 1st with $200 for first money. Let's get out and give the boys the cheering support they need and help them bring the prize home. That's July 1st at Vegreville.

I. Miller Presents The Board of Trade With Picture of the Queen

INTERESTING MEETING HELD ON WEDNESDAY

The Wednesday meeting of the Board of Trade witnessed the presentation to the Board of a framed picture of Her Majesty, Queen Elizabeth. The gift was from Mr. I. Miller. The picture was hung on the wall of the Board of Trade luncheon room just above the head of the table. The president, Mr. Keith Chalmers thanked the donor for his kindness and thoughtfulness and the members showed their appreciation by enthusiastic applause.

Mr. Robert Fair, who until dissolution was the federal member of parliament for Battle River, was welcomed back from the recent sessions of the house.

Dr. A. Ben King stressed the need for an isolation hospital noting that it was his belief that substantial grants from the Dept of Health were available for such a needed project. After some discussion a motion was passed endorsing the idea and a letter will be written to Dr. Baster asking for information as to the building of an isolation hospital in this district as the Board is very interested in such a hospital being established.

Death Gilbert Groselle At Kelowna, B.C.

Many former friends here will regret to learn of the death of Gilbert Groselle, formerly of the Dunwent district, who passed away at Kelowna June 13. His wife survives him and one daughter Mrs. George Miller lives in Vermilion.

Golf Club Local Tourney June 24th

The next loc.. tournament for members of the Vermilion Golf club will be held Wednesday June 24 starting at 1:30 p.m. This will be a four-best-ball foursome for men and the same for ladies. Members are asked to bring their own lunch for an outdoor supper and the ladies will supply coffee.

All members are invited to come and if you cannot make it for the golf bring your lunch at supper time and join in a social hour.

Wedding of Wide Interest To Marwayne and Dewberry Districts

HODGSON—DOULL

St. Stephen's chapel, University of Alberta, Edmonton, was the setting when Miss Shannon Fairbairn, youngest daughter of Mr. and Mrs. John Doull of Marwayne, became the bride of Dr. Gordon Wesley Hodgson, only son of Mr. and Mrs. Wesley Hodgson of Dewberry.

The attractive double ring ceremony which was witnessed by some sixty relatives and friends took place Monday May 25th at 5:30 o'clock. Rev. Richard J. Gillander of Olds officiated.

Given in marriage by her father the bride was lovely in a floor-length gown of white Chantilly lace over satin styled with bouffant skirt and sheer nylon yoke and pointed collar. They self-covered buttons closed the bodice down the front from neckline to waist. Her fingertip veil of net illusion was gathered to a crown of orange blossoms and veil pearls. She carried a semi cascade bouquet of pink roses, lily of the valley and fern centered with a mauve orchid.

Preceding her sister to the altar was her bridesmaid, Miss Vivienne Doull, who chose a gown of mauve net over satin with lace bodice and sleeves. Matching lace gloves and chapel veil completed her ensemble. She carried a colonial bouquet of pring flowers in pastel colors.

Mr. Leslie Geake attended Dr. Hodgson as best man. Ushering the guests to pews marked with white satin bow were Mr. George Doull, brother of the bride, and Mr. William Lougheed, brother-in-law of the groom.

Out of town guests included Mr. and Mrs. Wesley Hodgson, Mr. and Mrs. Gerald Hodgson, Mr. Jack Hodgson, Mr. and Mrs. K. Glenn and Mr. Ellis Stewart, all of Dewberry; Rev. Richard J. Gillander of Olds; Miss Vivienne Doull of Fort St. John; Mr. and Mrs. William Lougheed and family of Condor; Mr. and Mrs. Jack Kemp of Lloydminster; Mr. and Mrs. George Doull and family; Mrs. MacKenzie, and Mrs. Holmes of Marwayne; Mr. and Mrs. E. Hodgson of Red Deer; Mr. and Mrs. Harvey Hodgson of Evergreen; Mrs. E. J. Byram of Drumheller; Miss Shirley Trevithick, Mr. Gordon Trevithick and Mr. and Mrs. Alvey Trevithick.

Following their honeymoon trip through Banff to the coast and to points along the western States, Dr. and Mrs. Hodgson will make their home in Edmonton.

Clandonald Sports

Wednesday, July 8

The Clandonald Board of Trade has planned a big sports day for that town on Wednesday, July 8th headlined with a senior baseball tourney with prizes of $100, $50 and $25. Events should be made to the secretary, Bill Specht.

Ladies' softball with $25 as first and $10 as second prize. Mixed boss tournament with $5 first and $2.50 second money.

There will be a dance at night, booths on the grounds, races for the children to round out an excellent program. 45-8c

Manville & District LOCALS

Mr. G Pemberton and Mr. C. G. Terrance were Edmonton visitors last week on town business.

Visiting with her parents Mr. and Mrs. C. Finlay recently was Miss Lois Finlay of the telephone staff at Marsden, Sask.

Mr. and Mrs. Bob White spent a few days at Meadow Lake, Sask., last week. Robin Stuart assisted in the Co-op during Mr. White's absence, and Mrs. White's niece, Lower the beauty parlor.

The G. A. of the Anglican church under the direction of Mrs. Edith Pedersen held a picnic on Tuesday last and a very enjoyable time was had by all there.

Mr. and Mrs. W. J. Brickman of Edmonton were week end visitors in the district.

Mr. C. G. Torrance is attending a druggists' convention at Banff this week.

Visiting with Mr. and Mrs. Dudley Croft recently were the latter's sister and her husband Mr. and Mrs. A. E. Olson of Wainwright.

Mr. and Mrs. Chas. Finlay were visitors at Oyen last week, with their daughter and family.

Mr. and Mrs. S Olsonberg and family will be moving to Edmonton in the near future where Mr. Olsonberg has accepted a school. They will be greatly missed in the town and district for they both have taken an active part in the affairs of the town.

Sandy Heagan received first class standing in the first year University of Alberta and a Scholarship from the Western Daily Newspapers Advertising Managers' Association.

A number of the neighbors of Mr. and Mrs. A. Dziki came with tractors etc. and put in the crop and the summerfallow shortly after their bereavement. Mr. Alvin Hess was in charge of the operations and Mrs. Hess and Mrs. R. Weaver prepared meals for the men.

Mr. and Mrs. Dziki and family are very grateful for the kindness and sympathy of their friends at this time.

Real Income Grows

Labor's real income continues to rise, reports The Financial Post. Average weekly wage and salary in manufacturing now $58.36, or 5% above year ago. Latest consumer price index 11% below year ago, still falling.

News Notes From Your District Home Economist

COOKING SATISFACTION

There is always a reason for unsatisfactory cooking. One or more of the 'reasons' listed may be the cause.

Cakes Higher in the centre — too much flour, oven too hot.

Falls in centre—Too much shortening or sugar in proportion to flour. Not sufficient flour: Temperature too low. Peeking in the oven. Removal from oven before it is baked.

Top Cracks — Too much flour; Too much baking powder: Too high temperature.

Bottom Too Brown Pans that are dark on bottom, black tin pans, etc.; Types of dark cake pans should be placed high or in oven.

Cake Runs Over Pan Too small cake pan was used. The oven temperature too low. Too much baking powder used.

Watch for this column next week. I will have more 'reasons' listed.

YOUR HOME FREEZER

If your home freezer stops running and will be off for sometime you can take several steps to keep the food from spoiling.

1. Keep freezer closed.
2. Move the food to a locker plant.
3. Add dry ice if you can get it. To prevent burns, wear gloves when handling dry ice.
4. Can the food if necessary.

Remember, it is length of time your freezer will not run that will determine which step to follow.

SALADS

"Everyday—A Salad", Write me for the booklet "The Salad Bowl". You may discover new ways of using meat and fish, vegetables and fruits in either hearty or light salads. There are tips in the use of dressings as well as how to make your favorite salad dressing.

Northern Ontario has 20,000,000 acres of fertile, unoccupied farm land and Alberta has 30,000,000 acres. —Quick Canadian Facts.

Teacher Shortage; Best Brains At Stake

By DR. H. E. SMITH, Dean, Faculty of Education

Some say the Composite school will destroy the best brains in our society. Others say it is the only democratic and proper answer to the demand for universal high school education. Possibly in this case both points of view may be true. It may be that you can't at the same time stimulate the best brains and satisfy mediocre talent in a common high school. If the curriculum must be watered down to the level of the average student, obviously the brighter minds will suffer. On the contrary, if adolescent youth were segregated on the basis of mental capacity into schools of different types, what then would become of the honored principle of equality? We seem to be faced with a hard dilemma.

The secondary schools of England are of three rather clearly differentiated types. The Grammar School takes at the age of twelve and on the basis of sharply cutting tests, the academically minded and the brightest pupils. These are set on the road to university and other institutions of the most advanced training. The Junior Technical school is open to 12 year olds with a bent for manual arts. Many of its graduates will go into industry at 15 or 16, and some will go forward to various institutions of somewhat specialized training in vocational fields. The third type, the Modern school, will receive the great mass of 12 year olds and give them educational opportunities similar to those offered in our composite school. But few can expect actual slum to universities because the program lacks rigor and intensity. Many of the critics of our own composite school contend that it lacks rigor and intensity. The bright pupils they assert, have not been challenged, have never been pressed to discover their powers, have learned to be satisfied with only their second or third best.

Our Canadian universities are saying this too. But can the English system be squared with our conception of democracy? Will Canadian parents submit to a segregation of their children into institutions of contracting level? Our answer at present seems to be 'no'. The composite school is itself the answer.

This is but one of many basic problems in Canadian education. The field needs not only many teachers for the everyday work of the schools. It needs also many teachers and many citizens willing to tackle basic issues in education. Here at least is one challenge to our best brains

FISH CATCHES LOWER

Atlantic coast fish catch down in volume and value from same month last year. Big drop in Nova Scotia cod and lobster catches. Pacific coast catch also lower in both value and volume, reports The Financial Post.

Largest single group of income taxpayers in 1950 was employees: their average earnings were $2,678 and they contributed two-thirds of all federal income tax revenue that year. —Quick Canadian Facts.

NOONAN'S Coffee Shop

Pleasant Valley

Such a lovely day, we have had a nice shower, only wished it had lasted all day. The flowers are getting nice everywhere and the wild blossoms are really something to see. Mrs. Giles has a most gorgeous bedge of lilacs, the air was filled with perfume from these lovely flowers.

Mrs. Gillies and Mrs. B. Gould attended church service and enjoyed a nice visit and tea with the Giles family. The Harley family from Kitscoty were visitors at Chrissie Gould's on Sunday. Annie and Christie Clark visited relatives at McLaughlin on Sunday also.

Chrissie Clark has purchased a new tractor.

The writer m... ...y... ...friends at the tea. It was nice seeing Mrs. Carroll out again and to know that she was feeling much better

Albert Bevit is looking fine again. Don't stay too long on that hoe handle Albert. The writer hates the sight of one these days, the weeds and grass seem to grow without rain.

Mrs. Jim Gould and Marvin were visitors at the Parker home on Friday night. Did you have fried chicken Sylvia?

Quite a number went fishing on Sunday. Percy, Esther and Fred caught a nice bunch of fish. Mine were certainly good, had them for dinner.

The writer enjoyed a nice afternoon with Mrs. Jones. It really is pretty here, it looked like an orchard. Mr. Jones doesn't like the looks of the Chev car at all, I wonder why? We'll see soon sir, cheer up.

NO OTHER CAR HAS CLIMBED SO FAST IN PUBLIC FAVOR

20 BEAUTIFUL MODELS to choose from in the great series for 1953—Parkwood, Pathfinder Deluxe, Laurentian, Chieftain and Chieftain Deluxe.

NEW, HIGH POWERFLITE optional at extra cost, on Laurentian and Pathfinder Deluxe series, offers new flashing acceleration, economy and new over-all performance.

Health Unit Notes

The Alberta Gazette of April 30, 1953 publishes changes in the Public Health Act concerning infectious diseases. Many of these diseases are notifiable to the local health unit: by the attending physician when he is called to the case, and when no physician is called it is expected that the householder will notify the local health authority.

The following is a list of the commoner diseases which might not be seen by the family physician and should therefore be notified by the householder; you will observe that some of these diseases are not actually notifiable but are still communicable and regulations concerning isolation and quarantine must still be observed.

CHICKENPOX

No notification. Isolation until 7 days after the appearance of the rash. No quarantine. Concurrent disinfection of articles soiled by discharges from the nose and throat and from skin lesions. Terminal disinfection, cleaning.

ERYSIPELAS

No notification. Isolation until inflammation has subsided. No quarantine. Concurrent disinfection, discharges from lesions should be disinfected. Terminal disinfection, cleaning.

FOOD INFECTIONS

Notification, yes. Isolation, exclusion from food handling and occupations involving the care of children until clinical recovery and until two stool specimens or rectal swabs taken within an interval of at least 24 hours between them are negative. No quarantine. Concurrent disinfection, disinfection of all bowel discharges and articles soiled by them. Terminal disinfection, cleaning.

FOOD INTOXICATIONS

Notification, yes. No isolation. No quarantine. Concurrent disinfection, none. Terminal disinfection, none.

INFECTIOUS HEPATITIS

No notification. Isolation for 7 days from onset of illness. No quarantine. Concurrent disinfection, disinfection of discharges from nose, throat and bowel. Separate feeding utensils should be used by the patient. Terminal disinfection, of feeding utensils.

EPIDEMIC INFLUENZA

No notification. Isolation during acute stage of disease. Quarantine, none. Concurrent disinfection, of discharge from the nose and throat, and of articles soiled therewith. Terminal disinfection, none.

MEASLES

Notification, yes. Isolation, ten days. Quarantine or susceptible contacts for 14 days. Contacts under two years of age should be protected by inoculation with gamma globulin. Concurrent disinfection, of all articles soiled with the secretions of the nose and throat.

MUMPS

No notification. Isolation until the swelling subsides. No quarantine. Concurrent disinfection, none. Terminal disinfection, none.

SCARLET FEVER

Notification, yes. Isolation, 7 days while under the care of a physician from when treatment is begun received, and if declared by the physician to be free of infection, otherwise for 21 days. All cases will remain isolated until clinical recovery, and until all infected discharges have ceased. Quarantine, contacts under seven years of age and under who remain in the same house, to be quarantined for the isolation period of the case. Contacts over 12 years of age who remain in the same house to be excluded from occupations involving contact with children, or contact with foods which may transmit the disease, for the isolation period of the case. Other contacts under 18 years of age to be kept under quarantine for 7 days. Other contacts over 18 years of age, no quarantine. Concurrent disinfection of all discharges and all articles which have been in contact with patient. Terminal disinfection, cleaning of the patient's room and suzuing of mattress and blankets.

WHOOPING COUGH

Notification, yes. Isolation 21 days fro mthe onset of paroxysmal cough. Quarantine of susceptible contacts for 10 days after the last exposure. Concurrent disinfection, discharges of the nose and throat and articles soiled therewith.

BABY & PRESCHOOL CLINICS

Monday, June 22—Vermilion 2 to 4 p.m.

Thursday, June 25th - Albert school, 10:30 a.m. to 12 noon.

Thursday June 25—Dolmine (near Viking) 1:30 to 3 p.m.

Friday June 26—Paradise Valley, 2 to 4 p.m.

CHATSWORTH

Crops are showing good growth despite the fact that we have had no rain other than some scattered showrs, excepting that of last Saturday evening when a four-hour rain gave further moisture. There appears to be sufficient moisture to carry crops along for another week or two, especially as the weather remains cool as it has been during the last week.

A number of the local residents have been enjoying fishing trips to the northern lakes, Mouse Lake being the favorite.

Mr. and Mrs. Frank Farkash and little daughter Roby were visitors to Minburn to the home of Mrs. Farkash's parents, Mr. and Mrs. Fulton.

Miss Julia Farkash recently spent a week end with friends south of town.

The first church service of the summer season was held at the Ottawa United church on Sunday May 31 with our new student, Miss Haggerty, in charge, and thirty in attendance.

Cpl. Bob Robson and Mrs. Robson returned to Calgary on May 31, after spending a week with Mr. and Mrs. H. Good and family, and with Bob's father Mr. C. Robson. Little Susan Good accompanied them on their return to Calgary where she is spending a few weeks.

Mrs. Chas. Robson and little sons Vernon and Richard, of Whitehorse, arrived at Vermilion last week to spend some time at Mr. and Mrs. H. Good's.

Mr and Mrs. George Honey, Jr., and Mrs. G. Honey Sr., of Edmonton, and Miss June Thompson, of Dawson Creek, were week end visitors at the home of the writer

The June meeting of the Chatsworth I.O.D.E. Local was held at the home of Mr. and Mrs. J. Kinahin on Monday the 8th with 9 members and two visitors present. A number of matters were discussed and the delegate to the district convention were appointed these to ... Kinahin and Jim Thompson.

The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

WHEAT AND BREAD

Bakers announce they will be obliged to increase the price of bread. This came on the heels of the announcement by the Wheat Board that millers would now have to pay $2.05 for their wheat, or an increase of 20 cents a bushel.

In a pound of bread there is almost exactly one pound of wheat so it is possible to calculate that the increase in the price of wheat would necessitate about one-third of a cent increase in a pound loaf of bread but the bakers talk about an increase of from one to two cents.

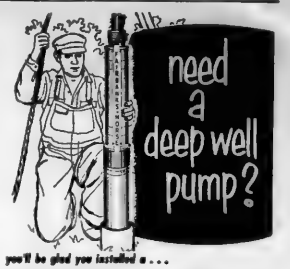
The answer to this is that what represents only a small part of the total cost of a loaf of bread at retail store, that many other items or costs such as other ingredients, wages hours of work salaries distribution, taxes, rents, advertising, maintenance of equipment, insurance and freightest rates all together govern the cost of a loaf of bread much more than does wheat, and that these costs other than wheat, have gradually been rising, so it is extremely probable that had there been no increase whatsoever in the price of wheat, the price of bread would still have to be increased if bakers are to continue making bread. Bread, however, is still mankind's cheapest food.

CANADIAN LEGION W. A.

The Ladies Auxiliary of the Canadian Legion will hold their meeting at the home of Mrs. Tommy Thompson on Monday June 22. The hall will leave the Legion hall at 7:30 p.m. Members wishing to go please notify Mrs. Henry Brost phone 290.

Average weekly wage in Canadian manufacturing at Feb. 1 1953 was $65.75. This compared with $52.87 a year previously, $41.87 in 1950, and $28.15 in 1939.

—Quick Canadian Facts



you'll be glad you installed a . . .

FAIRBANKS-MORSE SUBMERSIBLE!

HERE'S WHY . . .

It is economical — to install and run — uses only one length of pipe inside casing . . . its operation — because it uses smaller motor, needs less power to operate . . . its maintenance — no rods or shafts to replace; no valves to repair; no lubrication trouble because both pump and motor are water cooled and water lubricated!

Has many advantages — never needs priming — 100% quiet; owner can install or remove with simple shop tools; service pipes may be cut in below frost line; tank and electric controls may be set over well or away from it.

Performance proved in thousands of installations.

Quality guaranteed by FAIRBANKS-MORSE

Sixteen Years Ago Today

June 17, 1937

Vermilion senior ball players won the sports day tourney at Clandonald taking the final from Lloydminster 3 runs to 2. Vermilion played three games with Jim Banks handling the final. Frank Mead the opener and Fred Brimacombe the second game. Art Wiebe knocked 3 home runs during the day.

A graduation banquet and dance for the V.H.S. grade 12 students will be held June 30, with Father O'Sullivan as guest speaker.

Mr. and Mrs. P. G. Pilkie celebrated their 42nd wedding anniversary.

Rt. Hon. Sir. Robert Borden passed away on the eve of his 83rd birthday.

Rains were needed.

Thirty-two Years Ago Today

June 13, 1921

Harry Stephens, eldest son of Mr. and Mrs. H. N. Stephens received his M.A. degree from the University of Toronto and a scholarship entitling him to a special course for one year. He will take this at McGill in Montreal, devoting it to analytical chemistry.

Showers are frequent and crop conditions were never better.

Hon. Geo. P. Smith minister of education addressed the Board of Trade and stated that equality of opportunity must be recorded to the children of the rural school districts as obtains for the children of the towns and the cities, no matter what they cost.

A campaign for "Greater Prosperity in the district had been inaugurated by the Board of Trade with a plan to bring in a quarter of a million dollars worth of dairy cows. These to be sold to farmers for down payment of $10 per head.

Federal government spending this year will be only 9 per cent less than in the peak war year of 1943-44. —Quick Canadian Facts.

Red Cross Sponsors Intensive Water Safety Campaign

An intense water safety campaign for Alberta lakes and beaches this summer has been mapped out by the Alberta Branch of the Canadian Red Cross.

Details of the program, announced at a meeting of the Don't Drown committee of the Alberta Safety Council, call for three experienced Red Cross water safety instructors to be on duty this summer. Last year, only one full-time Red Cross water safety instructor was available for this service.

Ken Hodgert of Edmonton, provincial director of swimming and water safety for the Red Cross, is conducting a specialized course in light craft safety at Wisconsin and on his return to Alberta will instruct two assistants, Murray Smith of Devon and W. D. Ross.

Mr. Smith will instruct various light craft safety schools at Alberta beaches during July and August while Mr. Hodgert and Mr. Ross will instruct in water safety in general. The engagement of Mr. Smith was made possible through a $1000 grant to the Red Cross water safety campaign by the Alberta Safety council.

A special sub-committee was set up at the Don't Drown committee meeting to organize water safety demonstrations and courses at Alberta beaches this summer.

Albertans dwelling near lakes and beaches were advised that information on obtaining a certificate water safety instructor for their beaches during the summer months could be obtained from the Water Safety Division, Red Cross House, 9631-106 St., Edmonton. Red Cross instructors are available to act as swimming instructors or lifeguards.

Wildmere F. U. A. Discusses The Annual Convention

OF DISTRICT NO. 7 — IN VERMILION JULY 6th.

This year the district convention of the F.U.A. will be held in Vermilion at the school of agriculture on Saturday, July 4, and a very good attendance is expected. At their recent meeting the Wildmere F.U.A. elected a full slate of delegates to attend.

Following this the topic turned to a very worthy one, that of supplying suitable homes for the aged and infirm who have no other place where they can be happy and will be cared for. It was felt that this was something that must come from the people by direct contributions, with the province putting up a sizable grant of $1000 per bed or apartment unit if you so wish to call it.

The members then went on to discuss a quarantine annex at the hospital as this is very necessary and will receive the full support of the F.U.A. group if and when the board decides to build suitable annexes. It is felt that this is the only way that people with communicable diseases can get the right care.

It was decided to have Mr. Geo. Martin, civil defence organizer, give a demonstration on bazar fire fighting sometime in the near future, and possibly demonstrate some rescue work as well.

The meeting then adjourned for lunch after which another visit was taken at the subject of rural electricity. It now looks very much as if this desirable project might become an actuality.

PLANT OAK TREE AS CORONATION COMMEMORATION

Marking the occasion of the Coronation of Queen Elizabeth, Anglicans gathered at the church Coronation Day and witnessed a tree planting ceremony. Several of the senior members of the congregation took part in the actual planting of an oak tree on the church grounds and shown above are the group. From left to right they are J. W. G. Morrison, Hugh Evans, S. R. P. Cooper, Rev. D. A. Ford, Rector of St. Saviour's, and Lance Playne.

—Picture by Vermilion Photocraft.

School Trustees To Meet June 20th

AT VERMILION SCHOOL OF AGRICULTURE

The annual convention of the Trustees Association for the Vermilion School Division will be held in the Vermilion school of agriculture on Saturday June 20th commencing at 10:30 a.m. All ratepayers are welcome. 48-0c

Natural gas will generate also tricity for factories and homes in Vermilion, Alberta, by a gas turbine electric generating unit soon to be installed.

—Quick Canadian Facts.

The Cost of War

The utter wastefulness of war is almost incalculable. This was made plain by President Eisenhower in an address to the American Society of Newspaper Editors.

The money paid for constructing a single destroyer would provide homes for 8000 people.

The cost of a modern heavy bomber would build 30 up-to-date brick schools or two electric power plants each serving a city of 60,000 people.

The cost of a single fighter plane would purchase 500,000 bushels of wheat.

Democratic nations abhor war and regret exceedingly the necessity of spending huge amounts of money in war preparation. The alternative, however, is to permit communist Russia to dominate the world and to destroy freedom on earth.

—The Budget.

Wildmere Winks

Our deepest sympathy goes to the Gaston family in their hour of bereavement. Mr. Gaston was one of the real pioneers, coming here in 1906 and made for himself a home, one that has been far and wide for its hospitality and welcome. Mr. and Mrs. Gaston reared a large family and lived to see most of them build homes of their own. His book of life contained 81 pages and what a lot is written in them of the hardships suffered in the early days. Some contain sadness and a good number are of happier times. But now it is closed and he has gone to his well-earned rest. The well-filled church and the many cars which followed him to his last resting place showed the high esteem he and his family hold in the district. Of the people of the community and surrounding districts. True pioneer spirit does not die with the passing of these pioneers. It lives on, a monument to those who have gone to their eternal rest.

Congratulations to Mr. and Mrs. Allan Coburn of Triangle (nee Audrey Wilson) on the birth of a daughter on June 8th.

Several Wildmere people attended the Dare Devil thrill show. Some thought it pretty good, others were disappointed. Seeing as at the high prices charged for hot dogs, pop, etc., also the candy, some boxes of which contained only four pieces of candy for 25c. But that is something that can be thought over 'ere another time rolls around!

Don't forget the bazaar and supper at Auburndale on Friday, June 19th sponsored by Auburndale W.A.

Everyone really enjoyed themselves at the Highland Games even if the heat was stifling. The dancing and costumes were grand. Must have been a trying job for the judges to decide the winners. The tug of war was good. It was first thought the soldiers wouldn't have a chance with the husky Edmonton police team but they sure pulled us all and won.

What a grand and glorious rain we enjoyed in our district on Saturday night. It really came down by the pailful for awhile. Things were getting dry and needed this soaker. Not everyone was so fortunate however as in Tolland only a light rain fell and none at Paradise Valley.

Mr. H. Howard of Edmonton attended the Highland Games and came out and spent a day with his son Lloyd and family before returning to the city Saturday evening. Folks will be pleased to hear Mrs. Howard has her arm out of the cast now.

On Sunday Mrs. Frank Gibson and Mrs. Rokl, Marvin drove to Lamont to see Mr. and Mrs. Ernest Green. Mr. Green is a patient in the hospital there and was a little better than day. They intend making back to their home at Abbotsford, B.C. this week. Everyone hopes he will feel better after he gets rested up from the journey home. Mr. Green is a pioneer of this part, coming in the early days. He and Mrs. Green farmed until a couple of years ago in the Woodvale district when they sold their farm to Wesley Isley and moved to Abbotsford.

A nice crowd attended church on Sunday despite muddy roads.

Basswood lost to Autumn Leaf on Sunday by a score of 17-13 — am I right this time folks?

It was nice to meet Mr. and Mrs. Jas. Tattersall again on Monday. They farmed for many years near Vermilion where their family grew up. Then they moved to Edmonton and later to the U.S. Now they intend making their home at Victoria. They are visiting some Johnny, Gordon and Dick who farm around Vermilion.

Don't forget the W. I. meeting is June 24th at Mrs. Batke's.

George Wilson has a new Super A-1 tractor.

Several meetings have been held lately on the electric project through our part. It is fairly certain that it will be coming next year.

The annual bee to work on the Wildmere-Tolland telephone line will be held Monday and Tuesday July 6 and 7. Everyone who uses the phone plan to attend — other ratepayers or otherwise." It will be appreciated.

The Tractor . . . A Lethal Weapon

The farm tractor can be one of the most lethal weapons with which we have to deal. Each year many deaths are caused by this machine being carelessly or improperly operated, and almost equally as bad are the innumerable accidents that cause loss of limbs, permanent disabilities, and loss of time and revenue.

The most usual accidents are caused by overturning, and sideways or backwards. The main reasons for upsetting accidents are high speed, uneven application of wheel brake, improper hitching and "homemade traction", where a log or post is bolted on to the tractor wheel with the idea of letting the tractor pull itself out of a hole.

Carelessness around power takeoff shafts, belts, pulleys and other rapidly moving parts cause many accidents. Care in shielding these parts is another wise precaution. Cranking the tractor while in gear causes many people each year and generally these other damages. One of the most common causes of farm accidents is over-fatigue. When the operator becomes tired his reflexes are slowed down considerably. C. A. Cheshire, Extension Engineer, Alberta Department of Agriculture, says that this is the handling of any power equipment very dangerous. Be careful!

The Wheat Pool Story

At quite a few shipping points local Pool Elevators have been "plugged". This created an unfortunate condition for Pool members there who want to deliver grain to their own facilities. In some instances Pool members have asked the question "Why advertise asking for patronage of Pool Elevators when there is no room in the Pool Elevators at our point?"

It should be remembered, however, that there are 686 Alberta Wheat Pool country elevators and in many of these there is ample space for grain deliveries. Coal, poultry-ry, therefore, directed to the farm people surrounding such delivery points.

Furthermore, a publicity program to be successful must be comprehensive and continuous. It is important that the farm people should be constantly reminded of the advantages of supporting the Alberta Wheat Pool.

This organization has largely instrumental in keeping down costs of handling grain. Its presence and strength in an important division of the economic life in this province has prevented a drift towards monopoly practices. Pool Elevators are operated on a cost basis with excess earnings returned to Pool members. Ninety-five per cent of Alberta Pool earnings in the 1951-52 crop year went right back into the farmers' pockets.

Pool Elevator policies are based on the desires of working farmers and on experiences gained over many, many years of co-operative effort. The democratic system under which the Wheat Pool is operated makes it responsive to the aims and desires of "operating farmers."

Alberta Wheat Pool publicity has constantly followed a pattern of public education. People in villages, towns and cities are continually made aware of the vital importance of agriculture to the economy of the province and to the Canadian nation. In no other province in Canada has agriculture's importance received such a deserved measure of publicity.

"The Wheat Pool Story" is an important one. Its aim is to build a lasting and growing farmer co-operative which will be of service to agriculture in generations to come. Also to create a sympathetic atmosphere to every other farmer co-operative in this province.

From a report of a speech in the Newcastle, England, Journal: "Capital punishment applies to the wrong type of child, the nervous, sensitive type, may do irreparable harm."

—The Reader's Digest.

NEW JASPER PARK LODGE OPENS

LARGEST IN WORLD—GREAT CONSTRUCTION FEAT

JASPER, — One of the greatest construction feats in Canadian history was accomplished this week when Jasper Park Lodge, internationally famous summer resort in the heart of the Canadian Rockies, officially opened its 1953 season on June 19.

It is the new central building at Jasper Park Lodge. The structure, 40 per cent larger than the building it replaces, was started last August, and a job which would normally have taken at least two years to design and construct was completed in nine months.

Covering an area of one and three quarter acres, the new building is spread over four wings and is the largest structure of its type in the world. Although it is built of steel and concrete and has all the refinements of a modern city hotel, its combination of fieldstone, log trim and cedar shakes retains the rustic character of Jasper Park Lodge.

Even while George Drummond, chief architect for the Canadian National System, was making studies for the design of the new building last August, clearing and excavation work had already begun. Workmen were hard to muster at the time, for most people feel there, railway built houses had to be shipped from Edmonton. These buildings formed a small settlement of their own at Jasper and, having served their purpose, were restored to normal railway service.

The new building has many luxurious features. Attractive decorations and comfortable furnishings lend a warm, cheerful atmosphere to the lounge, the dining room and ball room and wide picture windows offer a spectacular view. A modern beauty shop and barber shop, post office and bank are all located in the new structure.

Nearly 4000 meals are served at Jasper Park Lodge daily, and the kitchen is 11,000 square feet, even larger than that of the Canadian National's big Chateau Laurier hotel at Ottawa. The main dining room has accommodation for 550 guests at one sitting.

In the centre of the building, a five sided space has been left unroofed to admit the full unfiltered sun. This is the patio, and in the middle of it, surrounded by a pavement of slate, a pool reflects the sky.

A LONG VOYAGE TO A NEW HOME: Just one of the many thousands of Europeans who have emigrated to Canada for re-settlement in the post-war years is Alexander Holz, but he was also the distinction of having crossed the Canadian Christian Council for Resettlement of Refugees. He is shown here (top photo) with his wife and five children just after disembarking from the Canadian Pacific's famous transatlantic vessel Beaver-brae at Quebec City following a voyage from Germany. The Holz family, who made the trip with about 800 other immigrants, then boarded a special Canadian Pacific train which is shown arriving at Lethbridge, almost the last stop on their long voyage to their new home at Coaldale. On the trans-Canada trip, there was a happy meeting in Winnipeg as Mr. Holz was introduced to Elizabeth Eck, who was the 10,000th immigrant to come to Canada under the auspices of the C.C.C.R.R. Miss Eck, who arrived in Canada in 1948, was introduced to Mr. Holz by Rev. C. L. Mierau of Winnipeg, executive secretary of Canadian Lutheran World Relief. The three principals in this little drama are shown in the picture at lower right.

OBITUARY

LITTLE BOOTHMAN

Funeral services for Peter Boothman, of 10327-151 street, Edmonton, who passed away June 3, 1953 at the age of 31 years, were held on Saturday at 2.45 o'clock in the Fraser and McGarvey chapel. Rev. J. R. Geeson officiated and interment took place in the family plot at Greenmount cemetery. The pallbearers were Messrs. C. K. Miller, H. Taylor, A. O. Carson, R. W. Clark, M. A. Carson and J. B. Bootsman.

Beautiful floral tributes were received from:

Mother and Dad: Sisters and brothers: Barbara, Victor and family; Bud, Margaret and family; Dirk, Peggy and family; Maurice, Nan and family; Bram, Ella, Jake and Lena; Jelte, Kate and family; Hill and Tjerk; Tim, Sharla and family; John, Myrtle and Grace; The Shaw Family; The Treheys, Grimes, Bells and Goulds of Islay; Vera Lowe; Pauline and Vernon Carson; Lee, Ada and family; Mildred, Myron, Harold, Mary, Jessie and Orbin; Manson Bros.; Charlie Hunter; Maud and Alfred Lehman; Jake and Thelma Christianaen; Mr. and Mrs. M. Christoffersen; Mrs. Werner, Bob and Jean Davis; Mrs. Sinclair and family; Mr. and Mrs. Mark Elvin and family; The Myers Family and the Erskine Family.

Donations to the Kitscoty United Church Building Fund:

Mr. and Mrs. Ken Gray and family; Mr. and Mrs. Jim Smith and family; Mr. and Mrs. Alan Bell; Manson and family; Mrs. Elsie and family; Mr. and Mrs. Jock Batty.

Donations to the Cancer fund received from:

Art and Norah Benoit and family; Sunnyside F.W.U.A.; Mr. and Mrs. Albert Hosack and family; Mr. and Mrs. Jim Crews and family; Mrs. Elsie Pickles; Jack and Helen Leighton; Mr. and Mrs. Steve O'Connor; Mr. and Mrs. M. K. McDonald; Mr. and Mrs. John Leigh ton and family; Mr. and Mrs. Chas. Quinn and Marlene; Kitscoty Women's Institute; Mr. and Mrs. Joe Batty and family; Mr. and Mrs. Wm. REAL MEN NEEDED!

COMMITTEE APPEALS TO FARMERS

The committee in charge of the development of the lake and dam project in the Vermilion valley need the help of some real men next Wednesday afternoon when a gigantic work bee is planned to do various jobs along what will eventually be the lake shore. This includes clearing out of some brush, road improvement and building of some necessary conveniences. The farmers are being appealed to on this occasion, the townsmen having spent several Wednesday afternoons and evenings hard at it already.

Anyone coming should bring along an axe, shovel and hammer. For further information contact Mervin Hill or Bill Setherland.

Dr. Hanlan will be absent from his office from June 24 to July 2 during which time he will take post graduate courses. Following this he will attend the annual convention of the Alberta Chiropractic Association. 48-9

VERMILION GIRL WED IN INDIA

With the bridal party representing four nations of the world, the little mission chapel on the compound of the India [illegible] Trivandrum, India, was the scene of the wedding of Miss Cora Ellen Wilson, daughter of Mr. and Mrs. Harvey Wilson of Mt. Elgin, Ontario, Canada, to Mr. Frederick (Fritz) Roth, son of Mrs. Martha Roth and the late Mr. Alfred Roth of Thun, Switzerland.

The Rev. Willard Whitemore of "The India Mission", performed the double ring ceremony. A reception followed in the Mission bungalow on the same compound.

Given in marriage by Mr. Fred Tiessen, Mission secretary-treasurer, the bride was beautiful in a floor-length gown of white satin, featuring a lace trimmed full skirt with dainty side bustles. The bodice was fashioned with lace yoke back and front, complemented with a lace stand-up collar and closed at the back with tiny covered buttons from the sweetheart neckline to the waist, and long lily-point sleeves. Her floor-length veil was held in place by an orange blossom tiara. The bride carried a beautiful bouquet of red roses banked with a delicate fern.

Miss Dorothy J. Wortman, Lorain, Ohio, U.S.A., friend of the bride, was maid of honor, and wore a taffeta bolero fashion in aqua. Miss Wortman carried a large bouquet of lotus and white roses.

Mr. William Scott, Belfast Ireland, was best man, and Samuel Gillette and Gordon Bell served as ushers.

Nuptial music on the organ, played by Mrs. Ernest Arioff, included, "Oh, Love of God", "Holy Spirit, Breath Divine," "My Jesus, I Love Thee," "Make Me a Blessing", "Loved With Everlasting Love", and the traditional bridal chorus and wedding march. At the close of the ceremony, as the couple were in the vestry, Miss Carolyn Strabel sang, "A Wedding Prayer", accompanied by Mrs. Arioff.

A unique feature seen at the bride's table was the representation of four nations by the bridal party: Mrs. Roth, Canada; Mr. Roth, Switzerland; Miss Wortman, United States; Mr. Scott, Ireland. The table was centered with a three-tiered wedding cake flanked by the brides' mother and sent to India for the occasion, flanked with garden flowers which were inter-twined with delicate fern.

The brides' going away dress was of pastel blue in printed nylon, with an artificial rose at the neck. She wore roses from her bouquet in her hair. The couple left for a wedding trip to the Nilgiri Hills in South India. Upon their return they will be at home in Mangol, Hyderabad State, India.

The many guests at the wedding included fellow members of "The India Mission", and a host of Indian friends of both the bride and groom, whom they have met while doing their missionary work.

Black Topped Road From Coast To Coast Completed in 1956

The [illegible]'s dream of a [illegible]-black-topped road from coast to coast is approaching fulfilment as a result of the government's [illegible] highway program.

The plan calls for completion of the cross-country route by the end of 1956, and there is reason to believe that target will be reached or even [illegible] and in most parts of the country.

More than $100,000,000 has been committed to construction of the road to date. Half of this money has been advanced by the federal government and the remainder by the participating provinces.

When completed, the road will meet the best of modern highway standards. With 24 feet of pavement and hi-test safety shoulders on either side, it will be considerably wider than most roads built [illegible] even before the war. Road surfaces will be of the standard [illegible] pavement a few certain sections are being permitted, engineers are confident it will be a good highway as the most critical motorist could demand.

Finland, a country as far north as Canada's Northwest Territories is based on an agricultural economy, has a population of 4 million and its capital city, Helsinki, has a population larger than Vancouver's.

—Quick Canadian Facts.

It is believed most participating [illegible]

portions of the road will be [illegible] the end of 1956.

[illegible] additional payments expect to spend more than $1,000,000 on the route. The annual amount of [illegible] any single province [illegible] the $3,000,000 mark.

Measured [illegible] one of the most impressive [illegible] than it [illegible] A [illegible] with whose [illegible] from [illegible] engineers have been helping the [illegible] to [illegible] [illegible] [illegible]

Former Islay Twins Married on Same Day

THORSBY. — Twin sisters were married on the same day recently when Miss Carle Dianne Mitchell became the bride of Mr. Frederick F. Hoffman at a ceremony in the Thorsby United church and Miss Cherill Donalda Mitchell was married in St. James Roman Catholic church to Mr. Gordon V. Farwell.

The twins are the daughters of Mr. C. C. Mitchell of Thorsby, formerly of Islay, and the late Mrs. Mitchell. Parents of Mr. Hoffman are Mr. and Mrs. J. Hoffman of Nanaimo,B.C. Mr. Farwell is the son of Mr. E. Farwell of Coronation and the late Mrs. Farwell.

Bouquets of spring flowers decorated the churches for both ceremonies at which Mr. Mitchell gave his daughters in marriage.

Identical ballerina-length gowns of Chantilly lace over net and taffeta were chosen by the brides. Each wore a hand-painted finger-tip veil held in place by a bonnet of lace and taffeta, and carried a colonial bouquet of red roses, white gladioli and snapdragons.

At the Hoffman-Mitchell ceremony in the United church, performed by Rev. G. Hutchinson, the bride was attended by Miss Wanda Samadritic, who chose a frock of yellow net over taffeta. She carried a bouquet of yellow carnations and white gladioli.

Mr. T. Bilar was best man and Mr. M. Samadritic Jr. was usher

In St. James church, Mrs. Yvonne Steinhauer was her sister's matron of honor for the Farwell-Mitchell nuptials, at which Father McAnnally officiated. Her frock was of pink net over taffeta and she carried a bouquet of pink carnations and gladioli.

Mr. Jerome Farwell attended the groom.

Following the ceremonies, a reception was held in the Lotus Gardens restaurant. Mr. William Roebuck of Vermilion proposed a toast to the brides.

When they return from a wedding trip to Manitoba and the United States, Mr. and Mrs. Hoffman will be at home in Rimbey.

Mr. and Mrs. Farwell will reside in Delburne on their return from a honeymoon in the United States.

School Trustees To Meet June 20th

PARADISE VALLEY ASKS FOR COMPLETE HIGH SCHOOL COURSES

The regular meeting of the Home and School association was held on May 20. Mr. Murray gave a report on the meeting held on May 15 in the Paradise Valley school auditorium to discuss the possibility of having complete high school made available to students from the greater Paradise Valley area, and the areas served by the schools at McLaughlin and Rivercourse.

The following resolution was passed: That we request the divisional board to provide the rooms and teachers for a two-room high school at Paradise Valley including grades 10, 11 and 12, from Rivercourse, McLaughlin, and Paradise Valley, and also grade 9 from Paradise Valley and that transportation for the high school students from McLaughlin and Rivercourse be provided.

Closing day and graduation exercises were discussed and it was decided to have a picnic lunch at the school on that day. The following ladies were appointed to serve on a lunch committee: Mrs. Stepenoff, Mrs. Kmitow Mrs. Cosens Mrs. C. E. Conarroe.

Messrs. Venner, Murray, Dobson, and Fredrickson were nominated for a committee to distribute pop and ice cream. Mr. Levitt was nominated to attend to the coffee.

Mrs. Adams gave a very interesting report on the Home and School convention held in Edmonton in May.

Paradise Valley

Mrs. George Kitching of Sudbury, Ont., is visiting with relatives in the town and district. While here she is staying with her daughter and son-in-law Mr. and Mrs. Mahlon Kitching. She reports all the Paradise Valley people now living in Sudbury as doing well.

Mrs. Harold Holgate is visiting her mother Mrs. John Hite in Edmonton for a few weeks.

On Sunday afternoon the Kitscoty baseball team came down to take on the local nine. As a result a dandy game of ball was dished up to the fans and when it was all over the locals came out on the right end of a 3-1 score.

We are sorry to hear that Mrs. R. Smith is a patient in the Lloydminster hospital, also Mr. Hannah Brooks who was home for a couple of weeks, had to return for further treatment.

Mr. and Mrs. Rattan had as their visitors on Sunday Mr. and Mrs. Herb Roushorn, Mr. and Mrs. Jim Gordon and their family, all of Mannville.

Friday June 12th was a perfect day and as a result a good crowd turned out for the Farmers' picnic which was held on the sports grounds. Softball, races and horse shoes was the order of the day. A dance in the hall ended a very successful day.

The weather during the past week has been very warm and today it is giving us a promise of rain which would be very welcome.

Success car of the season!... FORD V-8

Right across the country the trend is to Ford! Ford's stepping ahead everywhere because Ford is ahead in all the things car-buyers want most . . . because Ford is *worth more* when you buy it . . . *worth more* when you sell it.

Ford's sectational from coast to coast for its great Strato-Star 110-Hp. V-8 engine, delivering the same kind of power that you find in the most expensive cars—smooth, lively, dependable *V-8* power

Ford's applauded in every province for its wealth of fine-car features, including the choice of three ultra-modern transmissions –Fordomatic*, Overdrive* Synchro-Saient shift.

Ford's admired by everyone because it's such a beauty—inside and out—and because it offers such a satisfying choice of colours, trims and fabrics.

Yes, there are plenty of reasons why the steady, continuing trend to Ford has made it beyond any doubt *the surest car of the season.* You'll discover all those reasons when you test-drive Ford.

POWERED with the finest...PACED with the finest!

*Fordomatic Drive, Overdrive and other improved items optional at extra cost.

Our Letter From England

June 1.

Hello Vermilion:

On the Thursday before June 2 the people in London appeared to have gone Coronation mad. They were flocking from every corner of the globe, standing for hours in front of Buckingham Palace, in the Mall, near the Abbey or just anywhere they might glimpse a member of the Royal family. We had accompanied Bert to H.M.C.S. Niobe and while he was busy inside waited to Hyde Park where the children could move around freely. Richard and I amused ourselves counting the left hand drive cars, and believe me they have arrived in numbers recently. They are conspicuous by their size and trimmings. From Hyde Park we went to Canada House taxi (the easiest way during these terrific traffic problems) and there for a moment I saw the Vancouver lady who had been my seat mate on the plane. Returning to Niobe there was an enormous crowd near Buckingham Palace where the Garden Party had been in progress. There were costumes from many lands in evidence, among them I noticed a girl in the trim uniform of the R.C.A.F., contrasting sharply with the ladies in silks, and the tall hats and striped trousers of the gentlemen in morning clothes.

June 2.

Today is Coronation Day. Even last night we wondered if in later years we would regret not going up to London. It would be a terribly hard day for the boys and we might always be sorry if we left them home. The morning with grey skies and cold damp weather we were more than thankful that we had only to drive to the officers mess in Farnborough to watch and to listen to the entire proceedings on television.

When we arrived the procession to the Abbey was in progress. Soon the scene shifted to the interior of the Abbey and Princess Margaret appeared in the door. As she advanced to take her place even the splendour of her gown did not surpass the vivacity, the remarkable rest for living that is hers. The Queen Mother approached with the pride and joy of the occasion shining in her eyes. The handsome gentleman who followed the poised Queen Mother was the Duke of Edinburgh dressed in the uniform of Admiral of the Fleet.

Then came the Queen — a sweet faced girl dressed in the gown of simple lines that will go down in history because of the significance of design of the exquisite embroidery lavished upon it.

On her head rested a crown of precious stones and from her shoulders fell the royal robe of crimson velvet edged with ermine, carried by six perfectly trained Maids of Honor. The timing of every motion was perfect as she moved to the "Chair of the Estate" just beneath her mother and her family. Her eyes traveled for a moment to them and the Queen Mother's eyes rested on her daughter then fondly lowered to Prince Charles sitting beside her. At this intermingle of family glances I found myself blinking furiously. The Oath, administered by the Archbishop was replied to by the Queen in a voice clear and sweet. The service following was long and no one could watch the slender young woman without realizing what a terrific strain it must be even with a life time of training for it. However the complete assurance and calm that exists between the Queen and her husband is evident wherever they are, sustaining her.

At this point she was divested of her crimson robe, her diadem and jewels, and covered with a gown of plain linen. Knights of the Garter brought forth a canopy to shield her from all eyes while being anointed by the Archbishop. Then the simple gown was removed from her shoulders and Elizabeth was laden with the many, many magnificent robes and emblems, among the first being a golden coat and girdle. The Sword of State was held and then handed back, the Golden Spurs were touched, the Bracelets of Sincerity and Trust were placed upon her wrists, and she was cloaked in the Royal Robe. And then the heavy crown of Edward 3rd (which we had seen at close range in the Tower) was raised and reverently placed upon her head.

Mounting the five steps she was lifted and placed upon her throne where Philip, her husband, knelt before her. Rising, he touched her hands, her crown and as he kissed her cheek the Crown moved slightly causing the Queen to quickly lift her hand to steady it. The Crown, weighing by pounds, not by ounces, heavy, seemed a symbol of the responsibilities that now are hers. Carefully and slowly she moved to the altar and knelt with Prince Philip beside her.

It was over. The Queen was retiring from our view.

While the Queen was lunching and resting in some semblance of privacy in the Palace, I was happy to be remaining for lunch at Empire Test Pilots' school, the 'top' aviation school of the world. Following this Bert showed me some of the rooms opening along the corridors, the billiard room where the children were amusing themselves, the dining hall, and tributes to the test pilots which were hanging on the walls.

When we returned to the television set it was evidently pouring in London. The spectators along the roads were soaked but it would be useless to try to leave those crowds. As the distinguished empty carriages drew up to carry the distinguished guests and the Royal Family back to the palace they were partially protected by umbrellas but many a beautiful gown was spattered with rain. Churchill in his newly acquired Knight of the Garter robes, crowned by a cocked hat and shook it after entering his carriage. How he must have missed that cigar! Princess Margaret and especially the Queen Mother were beaming. Finally came the Queen and her devoted husband just as the sun peeked out from behind the clouds.

This evening, Bert and Richi in front of the fireplace and I, watching the flowers and trees swaying beneath turbulent clouds in our garden, listened to the Queen's message. I wonder if those of you who listened noticed how much more mature her voice and manner of speaking are than when she visited us as a princess.

For the Queen and her family the most strenuous part of Coronation Day has passed into history.

Goodbye my friends.

Edith Lloyd

MARFAK *Stays on the Job!*

Texaco Marfak—the largest selling chassis lubricant in the world—is favoured by progressive farmers everywhere, because Marfak stays on the job.

Marfak sticks to bearings and wear points *better and longer;* seals out dirt and grit; won't wash off or *fling off,* won't dry up or drip out. When weather and work conditions are at their worst, Texaco Marfak is at its best!

In tractors, combines, trucks and cars, Marfak gives you longer life for bearings, more *safe* hours of operation between lubrications.

Get Texaco Marfak today and you'll get smoother, more economical, more dependable performance from all your farm machinery.

On the Thursday before June 2 the people in London appeared to have gone Coronation mad. They were flocking from every corner of the globe, standing for hours in front of Buckingham Palace, in the Mall, near the Abbey or just anywhere they might glimpse a member of the Royal family. We had accompanied Bert to H.M.C.S. Niobe and while he was busy inside waited to Hyde Park where the children could move around freely. Richard and I amused ourselves counting the left hand drive cars, and believe me they have arrived in numbers recently. They are conspicuous by their size and trimmings. From Hyde Park we went to Canada House taxi (the easiest way during these terrific traffic problems) and there for a moment I saw the Vancouver lady who had been my seat mate on the plane. Returning to Niobe there was an enormous crowd near Buckingham Palace where the Garden Party had been in progress. There were costumes from many lands in evidence, among them I noticed a girl in the trim uniform of the R.C.A.F., contrasting sharply with the ladies in silks, and the tall hats and striped trousers of the gentlemen in morning clothes.

June 2.

Today is Coronation Day. Even last night we wondered if in later years we would regret not going up to London. It would be a terribly hard day for the boys and we might always be sorry if we left them home. The morning with grey skies and cold damp weather we were more than thankful that we had only to drive to the officers mess in Farnborough to watch and to listen to the entire proceedings on television.

When we arrived the procession to the Abbey was in progress. Soon the scene shifted to the interior of the Abbey and Princess Margaret appeared in the door. As she advanced to take her place even the splendour of her gown did not surpass the vivacity, the remarkable rest for living that is hers. The Queen Mother approached with the pride and joy of the occasion shining in her eyes. The handsome gentleman who followed the poised Queen Mother was the Duke of Edinburgh dressed in the uniform of Admiral of the Fleet.

Then came the Queen — a sweet faced girl dressed in the gown of simple lines that will go down in history because of the significance of design of the exquisite embroidery lavished upon it.

On her head rested a crown of precious stones and from her shoulders fell the royal robe of crimson velvet edged with ermine, carried by six perfectly trained Maids of Honor. The timing of every motion was perfect as she moved to the "Chair of the Estate" just beneath her mother and her family. Her eyes traveled for a moment to them and the Queen Mother's eyes rested on her daughter then fondly lowered to Prince Charles sitting beside her. At this intermingle of family glances I found myself blinking furiously. The Oath, administered by the Archbishop was replied to by the Queen in a voice clear and sweet. The service following was long and no one could watch the slender young woman without realizing what a terrific strain it must be even with a life time of training for it. However the complete assurance and calm that exists between the Queen and her husband is evident wherever they are, sustaining her.

At this point she was divested of her crimson robe, her diadem and jewels, and covered with a gown of plain linen. Knights of the Garter brought forth a canopy to shield her from all eyes while being anointed by the Archbishop. Then the simple gown was removed from her shoulders and Elizabeth was laden with the many, many magnificent robes and emblems, among the first being a golden coat and girdle. The Sword of State was held and then handed back, the Golden Spurs were touched, the Bracelets of Sincerity and Trust were placed upon her wrists, and she was cloaked in the Royal Robe. And then the heavy crown of Edward 3rd (which we had seen at close range in the Tower) was raised and reverently placed upon her head.

Mounting the five steps she was lifted and placed upon her throne where Philip, her husband, knelt before her. Rising, he touched her hands, her crown and as he kissed her cheek the Crown moved slightly causing the Queen to quickly lift her hand to steady it. The Crown, weighing by pounds, not by ounces, heavy, seemed a symbol of the responsibilities that now are hers. Carefully and slowly she moved to the altar and knelt with Prince Philip beside her.

It was over. The Queen was retiring from our view.

While the Queen was lunching and resting in some semblance of privacy in the Palace, I was happy to be remaining for lunch at Empire Test Pilots' school, the 'top' aviation school of the world. Following this Bert showed me some of the rooms opening along the corridors, the billiard room where the children were amusing themselves, the dining hall, and tributes to the test pilots which were hanging on the walls.

When we returned to the television set it was evidently pouring in London. The spectators along the roads were soaked but it would be useless to try to leave those crowds. As the distinguished empty carriages drew up to carry the distinguished guests and the Royal Family back to the palace they were partially protected by umbrellas but many a beautiful gown was spattered with rain. Churchill in his newly acquired Knight of the Garter robes, crowned by a cocked hat and shook it after entering his carriage. How he must have missed that cigar! Princess Margaret and especially the Queen Mother were beaming. Finally came the Queen and her devoted husband just as the sun peeked out from behind the clouds.

This evening, Bert and Richi in front of the fireplace and I, watching the flowers and trees swaying beneath turbulent clouds in our garden, listened to the Queen's message. I wonder if those of you who listened noticed how much more mature her voice and manner of speaking are than when she visited us as a princess.

For the Queen and her family the most strenuous part of Coronation Day has passed into history.

Goodbye my friends.

Edith Lloyd

MARFAK *Stays on the Job!*

Texaco Marfak—the largest selling chassis lubricant in the world—is favoured by progressive farmers everywhere, because Marfak stays on the job.

Marfak sticks to bearings and wear points *better and longer;* seals out dirt and grit; won't wash off or *fling off,* won't dry up or drip out. When weather and work conditions are at their worst, Texaco Marfak is at its best!

In tractors, combines, trucks and cars, Marfak gives you longer life for bearings, more *safe* hours of operation between lubrications.

Get Texaco Marfak today and you'll get smoother, more economical, more dependable performance from all your farm machinery.

IT PAYS TO FARM WITH

VERMILION . . ALBERTA

Fresh *from the* **Freezer**

"Life is simpler, Judy since we've had this electric Home Freezer. All of fresh frozen things to eat—and meals are better! Last at the variety is there! Cave on the cook, berries, vegetables, peas, fish, beans, soup bones—meat, cakes all baked and ready to warm in the oven—your school lunches in a rush, all wrapped and frozen so I just have to take a package out in the morning when you leave for school.

"And we're never 'out of' things. When they have bargains at the store—in frozen foods or by the case—I can stock up on them, I never have to throw leftovers away—just freeze them to use meals later. So you see, this freezer saves me time and money, too!"

Mother's always busy canning, dinner's school time preparing parties before and put in freezer ready to treat and serve. She also freezes homegrown, markets and berries to advantage for glories.

DID YOU KNOW . . .

WITH AN ELECTRIC HOME FREEZER YOU CAN:

Freeze in all sizes, shapes and containers. Freeze large quantities of cooked foods at one time and save for later use. Freeze and store baked birthday cakes for entire family at one time. Freeze a variety of vegetables, meats in electric space as needed. Freeze and store large quantities of ice cubes for parties. Have enough on hand to pay for the freezer in a few years!

FREE CARTOON BOOKLET . . .

"MOTHER KNOWS BEST . . . of course, it's *Electric!*

Triangle Picnic

Triangle district will hold their annual picnic and sports at their grounds a half mile west of Triangle school on Friday July 10. Senior baseball games and sports for all. Dance at night. 45-51

Red Tape and More Red Tape

Napier Moore in his column in the Financial Post says he recently visited a settlers' effects office in a Customs building.

There was a young Dutchman there. He was a gardener. He wanted clearance of his tools so that he could start work. They were upstairs and had been examined by customs. But they could not be released without an approved entry form. The forms having been completed in triplicate, he was then told that the entry must go through routine channels and that it would be at least three days before he could get his box.

In faltering English, in weariness and distress, the young Dutchman begged that he be allowed to take the completed and stamped entry upstairs so that he could get his tools. But he was told, "The entry must go through in the regular way."

The Dutchman said, "But why must I wait three days when my box has been examined and passed and is just upstairs?"

The authority snapped, "You're lucky. Some people have to wait months."

The Dutchman spoke one sentence before he strode out. He said, "You are school children."

This country needs immigrants. The Government is supposed to be encouraging decent people who want to come here and who want to work. It's time the whole lunatic, erratic rigmarole of customs and immigration red-tape be adjusted so that once a person has been accepted as a desirable immigrant he be expedited and treated with reason and courtesy.

Rooms for Rent

Local News of Interest

V.S.A. Alumni Plan Reunion and Ball July 3rd and 4th

Members of the executive of the V.S.A. Alumni association have been busy during the last few weeks finalizing plans for the annual Rose ball and Summer reunion to be held this year on the 3rd and 4th of July.

Graduates of 1928 and 1948 will be honored on their 25th and 5th anniversaries at the banquet.

Eddie Kelly and his Keensmen of St. Paul will provide the music for dancing and Dick Clements will be M.C. for the evening.

The annual meeting of the Alumni association is planned for 4 o'clock Friday afternoon. A banquet will be held in the dining hall at 6:30 p.m. and will be informal with only brief comments from the President and representatives of the anniversary classes.

A tour of the grounds and school farm will be conducted at 10:30 a.m. Saturday. 49-50c

Mr. and Mrs. Fred Stewart and family and Mr. and Mrs. Morrison Smeltzer and two children, Vermilion, motored last week to Edmonton where they attended the wedding of Mr. Stewart's graduation ceremonies at university, London, Ont. They will continue on to Edmonton where the Doctor will intern at the University hospital.

Mrs. J. Coccola and two children, Mary and Allen of Powell River, B.C., are visiting the former's parents, Mr. and Mrs. J. Christensen, Kitscoty, and also her brother and sister-in-law Mr. and Mrs. Gordon Allen at Vermilion.

Mr. and Mrs. Lawrence Webb and three girls left last Saturday by car for a holiday trip to Vancouver, Victoria and other coastal points.

Mr. and Mrs. Wm. R. Young of Dewberry had as their guests last week the latter's sister and brother, husband, Mr. and Mrs. Reg. A. Clay of Medicine Hat.

Norman Wood, former Vermilion boy, accompanied by a friend Norman Weir, both of the Canadian National staff at Vancouver, are spending a week's holiday in town.

Mr. and Mrs. Roy Ziegler have as their guests the former's mother and father, Mr. and Mrs. Ziegler Sr. from Edmonton visiting them this week.

J. R. Boake and G. C. Long went to Banff on Sunday last to attend the annual convention of Pharmacists being held there from Monday to Wednesday.

Spend Your Holiday in Canada

SPORTS FROM SEA TO SEA All across Canada, sports-minded vacation planners are casting a speculative eye to the future, because summer time is outdoor sports time. Plans are already in high gear at Canadian Pacific's coast to coast string of hotels and summer resorts which offer the ultimate in fishing, swimming and boating in fresh water or salt, golfing on scenic fairways, and many other forms of recreation. This beautiful waterhole at Digby Pines in Nova Scotia (top left) is a challenge to par buster and novice alike. Following clockwise is a view of swimming at Banff Springs Hotel in Alberta, where water sports are enjoyed against a mountain backdrop. Almost all of the country's most renowned ways a restful game, tennis is really exhilarating in the crisp mountain air of the Canadian Rockies at Lake Louise and Banff. Although found right across Canada, trout in the Rockies will prove a stern test for the angler, as well as a proud trophy as the beauteous fisher gal seems to be telling the Mounties.

QUESTIONS ANSWERS Cancer

QUESTION: Does the use of alcohol bear any relation to cancer of the stomach?

ANSWER: Not so far is is known. Alcohol may have an unfavorable effect on stomach tissues for some persons but no more so than some other substances taken into the stomach with food or drink.

THE STORE FOR MEN

THIS IS

National FIRST AID WEEK

We wish to bring you these few helpful hints at this time.

1. Medicine chest should be safely beyond the reach of children.

2. Destroy prescriptions after they have served their purpose.

3. Make sure every bottle in the medicine chest is plainly labelled.

4. Keep health needs and first aid requirements neatly arranged.

5. Never grope around in the dark. Have medicine chest or first aid kit in well-lighted location so there will be no chance of error.

Be sure accidents and ills never are always with us, be prepared for emergencies at all times. Check your medicine chest and First Aid supplies and bring your list to . . .

Phone 50 — VERMILION

A story in this week's Journal telling of the tearing down of McDougall manse, the first brick building erected in Edmonton, to make way for parking, refers to the excellent musical program which followed the opening of this manse. Among the artists mentioned was Dr. Goodwin, now and for some time past a resident of Vermilion. Among the speakers was Mayor McCauley McCauley represented this district for a term in the local legislature.

Funeral Services Held For Pauline Dzikl

MANNVILLE — Funeral services for the late Pauline Dzikl of Mannville, who passed away on May 31, were held from St. Joseph's Catholic church on Saturday at 10 a.m. with Rev. Father Landrigan officiating. Interment was in the Roman Catholic cemetery at Vermilion.

Pallbearers were Johnny Matters, Robert Matters, Eddie Kerkoski, Joe Petroski, George Lastenka and Steve Strochar.

Many beautiful floral tributes as well as cards and oral messages of sympathy were received.

She leaves to mourn her loss her mother and father, five sisters, Alice, Honoria, Emily Victoria and Lynn and two brothers Allan and Sigmund.

Kinsmen Outdoor Carnival June 18 - 20

Thursday, Friday and Saturday, June 18, 19 and 20 is the date set for the big Kinsmen Outdoor Carnival the site will be the same as last year, the corner vacant lot across from the Legion hall.

All the regular games of chance will be featured with prizes galore. There will also be rides for the children including this at least for the whole family.

There will be attractions cheap to the crowds. Activities start at 7.30 each night.

Everyone should support the local Kinsmen and have a lot of fun. Remember the dates . . June 18, 19 and 20. dh

Pleasant Valley

The rains came at last but the weeds came first. They seem to be everywhere this spring.

Several men from the district went fishing over the week-end and some big ones were really caught, not sure of the weight, was it 117 pounds Ivan? Can't believe that much.

Mrs. Gillies and the writer enjoyed an afternoon at Mrs. Moore's. The W.A. meeting was held that day and some very fine work was on display in readiness.

David Gilles and Allen Coutts are busy putting in telephone poles. We will soon be able to say, "Hello, Lily".

The lights in the rural electrification area are expected to be turned on by Xmas. Ample has already bought a tilight in readiness. See what power will do, even milk the cows, ask Jim Miller.

Wildmere W. I. Notes

June meeting was held at the home of Mrs. J. Wilson on Wednesday the 10th with 11 members and one visitor. Miss Horning, present. Meeting opened with O Canada and the Creed. Roll call was a riddle, these were very puzzling sometimes. Treasurer's report was next. Correspondence — a letter on peace Will there be a Peace Rose? A meeting on same to be held in Edmonton on June 27th.

A district agricultural conference will be held at the school of agriculture in Vermilion on Friday July 10. All members welcome.

There was no sick report. Mrs. Stanley Bates is convalescing from the card sent to her when she was sick.

Mrs. J. Wilson is in charge of sending a card to those who have caught blankets. Please have them at her home by July 13th and also bring money to pay for same as it is hard to contact everyone when blankets arrive.

Handing in our handicraft is our July project Members please note and have everything done. It will be held on Wednesday, June 24 at the home of Mrs. J. Barke

Mrs. J. Wilson gave her report on provincial conference held at Edmonton in May.

Mrs. Cudney had the social in the form of a mystery parcel. Mrs. F. Gibson was the winner. Johnny Jump Up was won by Mrs. Fred Haines.

Next meeting: Roll call is a color test. Each member to bring 2 rolls of crepe paper. Topic by Mrs. A. Hobbs. Social by Mrs. D. Hoben.

Mr George Martin of Vermilion was present and gave out certificates to those whose who had taken St. John's First Aid courses. Mr. Martin also gave a very interesting talk on first aid and civil defence. We are proud to hear our M.D. is forester in Alberta and civil defence organizations. At some future date Home Nursing should be taken. A hearty vote of thanks was given Mr Martin and here too we would like to thank our instructor Mr J. Bauman for his patience and understanding while we were taking the first aid course.

The meeting closed with God Save the Queen. Mrs. Wilson then served a delicious lunch over which a nice chat was enjoyed.

Look at the date on your label, it tells when your sub is due!

Vol. XLIV. No. 50. Vermilion, Alberta, Thursday, June 25th, 1953. $2.00 per Year

Is The Largest Provincial Park

Minister of the Crown Visits New Vermilion Park

Showing keen interest in the Government-sponsored provincial park in the Vermilion Valley, adjacent to the Town of Vermilion, the Minister of Lands and Mines, the Hon. Ivan Casey, accompanied by a group of government officials, paid a day long visit to Vermilion on Tuesday of this week.

Accompanying the Minister were Mr. Lawrence, Deputy Minister, Mr. T. W. Dalkin, Director of Technical Surveys, Mr. Chas. Harvey of the Parks Branch and Mr. Wardle, Consulting Engineer, late of the Dominion Government service. Mr. Wardle, who has had long experience in parks development and beautification, was for many years with the Dominion Department and acted as consultant in connection with the development of the capital city of Ottawa.

During the day the party was shown over the parks property by Mr. Melvin Hill, local representative of the department; photographs were taken and sketches made and it is planned to have Mr. Wardle make a comprehensive report on the project at an early date with a view to future widening of the scope of the fine recreational area.

The Hon. Mr. Casey expressed himself as well satisfied with the development so far and pointed out that Mr. Wardle had been engaged to inspect three park projects in the province, including the largest one, conveniently located to the Town of Vermilion.

Mr. W. F. Cornish, M.L.A. of Chauley joined the party during the latter part of the survey, showing keen interest in what has already been accomplished.

The Vermilion Park, said to be the largest of its kind in Alberta is expected to provide recreational facilities for large numbers of residents of the province. Advancement is continually being made in connection with beach expansion, the construction of bathing houses, construction of roads, etc., and all district residents are invited to look the park over as opportunity offers.

Steps are being taken to gradually increase the depth of the water and for the removal of brush and other growth. More than 1000 perch have been placed in the lake and further developments along this line is expected in due course.

LOCAL SENIORS WIN TWO

DEFEAT HEMA 10-4, AND ATHABASCA 5-0

The local ball players are working hard to gain enough strength to bring home the 300 hundred conch-ers from Camrose on July 1st. Several men from the district went fishing over the week-end and some big ones were really caught, not sure of the weight, was it 117 pounds Ivan? Can't believe that much.

Mrs. Gillies and the writer enjoyed an afternoon at Mrs. Moore's. The W.A. meeting was held that day and some very fine work was on display in readiness.

David Gilles and Allen Coutts are busy putting in telephone poles. We will soon be able to say, "Hello, Lily".

The lights in the rural electrification area are expected to be turned on by Xmas. Ample has already bought a tilight in readiness. See what power will do, even milk the cows, ask Jim Miller.

Handing in our handicraft is our July project Members please note and have everything done. It will be held on Wednesday, June 24 at the home of Mrs. J. Barke

Mrs. J. Wilson gave her report on provincial conference held at Edmonton in May.

Mrs. Cudney had the social in the form of a mystery parcel. Mrs. F. Gibson was the winner. Johnny Jump Up was won by Mrs. Fred Haines.

Next meeting: Roll call is a color test. Each member to bring 2 rolls of crepe paper. Topic by Mrs. A. Hobbs. Social by Mrs. D. Hoben.

At some future date Home Nursing should be taken. A hearty vote of thanks was given Mr Martin and here too we would like to thank our instructor Mr J. Bauman for his patience and understanding while we were taking the first aid course.

The meeting closed with God Save the Queen. Mrs. Wilson then served a delicious lunch over which a nice chat was enjoyed.

Departing Business Men Farewelled

Four esteemed citizens of Vermilion have been farewelled during the past week by their fellow business men of the town. On Thursday evening last presentations were made to W. P. Pilkie, Bill Pilkie and A.M. Watt at a gathering in the Legion hall, presentations to the Pilkie's were in absentia as they were unable to attend from Edmonton.

This Wednesday Dr. Bradford received a farewell gift at a gathering held at the Rio cafe. Presentations to this he was presented with a scroll by the Board of Trade at the regular business meeting and a more complete report of this function will appear next week.

R.C.A.F. Doctor Dick Wynn Is Vermilion Born Boy

Many people in town and district were puzzled during the past two weeks over the numerous references made to Sqdn. Leader Dick Wynn as a Vermilion boy. He is the R.C.A.F. doctor who parachuted to earth at Coppermine, N.W.T., on Friday, June 12 to give emergency treatment to an R.C.M.P. officer. None could recall the young doctor.

However he is a Vermilion-born boy, the son of Mr. and Mrs. John Wynn, who homesteaded here many years ago, and returned for a short time in 1930. Sqdn. Leader Wynn served overseas as a pilot with the R.C.A.F. in the last war. His parents now live at Suite 61, 1038 Nelson Street, Vancouver 5, B.C.

Death and Funeral of Faith Susan Waterfield

Faith Susan Waterfield, seven-year-old daughter of Mr. and Mrs. Harold A. Waterfield, passed away at the Islay hospital on June 18. Left to mourn their loss are her parents and three brothers.

The funeral services were held on Saturday, June 20 at the Methodist church in Islay with interment at the Islay cemetery. Rev. Dr. D. A. Ford of Vermilion officiated.

Moyers were in charge of the arrangements.

The family have the sympathy of the community in their very sad bereavement.

Kitscoty, Mannville and Vermilion Lodges

Joint Installation Of Masonic Officers Held Here Wednesday

Officers of the Masonic lodges from Kitscoty, Mannville and Vermilion were installed at a joint ceremony at the Masonic Temple here Wednesday evening. The installing Master was Bro. Geo. Geo. Maxwell and Director of Ceremonies was Wor. Bro. Harry Scott. The installation was attended by large numbers from each of the participating lodges and several visiting members.

At a social hall hour during which lunch was served followed the installation.

Missionary Convention Draws Large Crowds

The Missionary convention held last week at the Alliance church with Rev. and Mrs. Alwyn Rees of Pembina, Wash., as guest speakers drew crowds with Sunday services having a packed house. The pictures, curios, native costume and interesting talks of missionary work were very educational.

After a tour of several more weeks they plan on returning to Africa for another term of 5 years. Mrs. Rees is a Canadian with her parents in Whanpeg while Mr. Rees is from Wales.

Two Killed In Highway Crash

ON CURVE NINE MILES EAST OF TOWN

Two men, both strangers in Vermilion, were killed on Tuesday night shortly before midnight when their car ran off the highway on a curve nine miles east of town, and turned over apparently several times. Dead are Oscar Oliver Kelen of Prince, Sask., aged about 43, and Pte. Robert Ross, a soldier stationed at the Wainwright camp, aged 26. At press time little was known about the respective families of the deceased men. Kelen was thought to be a single man, while Pte. Ross is married and his wife lives at Meadow Lake, Sask. He had been in the army since January.

Injured in the same accident were George Sauvie of Furness, Sask., and a second soldier Pte. Orin H. Wright also of Wainwright. Sauvie was treated at the local hospital for a fractured wrist while Wright was taken directly to the military hospital at Wainwright.

Kelen had come from Lloydminster sometime Tuesday evening driving a friend's car and apparently made the acquaintance of his companions in Vermilion. It was while on the return trip to Lloydminster that the fatal accident happened. The car was wrecked. No other vehicle was involved in the crash.

Remains were brought to Moyers Funeral Home and the body of Kelen sent to North Battleford for burial. Arrangements for Ross have not yet been made.

School Year Is Drawing to Close

The school year is drawing to a close and this week sees departmental examinations being written by 26 grade 12 students and 99 grade 9 students at the Vermilion high school. The exams last until June 30. In the meantime the grade 10 and 11 students have begun their departmentals. They do not write departmentals and must be out of the building while grades 9 and 12 are writing.

All other pupils continue on until the last day of June while school reopens in the fall on the very first day of September!

Check that date on your label!

Amicable Salary Negotiations Continue

Heavy Agenda Is Handled By Vermilion School Division Board

Meeting of the Divisional board was held at Divisional office, Vermilion on Monday, June 15. Members signed waiver of notice of meeting.

From July 6 to July 9

Farm Women's Week School of Agriculture

The Annual Farm Women's week at the school of agriculture will be open on Monday afternoon July 6.

A good attendance of farm women from a wide area of Central Alberta is assured. In addition to those who are registered to attend the full four-day program a considerable number of group representing organizations of local ladies from various clubs and W.I.'s have indicated their intention to visit during one or more days of the program.

The program includes a number of topics in the specific field of homemaking as well as subjects of more general interest in the woman's world.

Four Families Are Farewelled At St. Saviour's

Despite a rainy night a goodly number of parishioners of the St. Saviour's church gathered in the parish hall on Wednesday evening last to honor four families who are leaving the district. The families being Mr. and Mrs. W. P. Pilkie, Mr. and Mrs. B. Pilkie, Mr. and Mrs. M. Smeltzer and Mr. and Mrs. A. M. Watt. The evening commenced with the playing of games which proved very popular and amusement. Following these, those present were favored with piano solos from Mrs. Smeltzer who also played for some community singing. Mr. J. Robson then spoke a few words on behalf of the departing families indicating the part they had played in the life of the parish and of the community. He pointed out that all of these people had been most successful in their chosen fields of endeavor, defining 'success' as that quality of life that makes people glad to have known you. Presentations were then made to the guests of honor, gifts that would grace their homes and set as remembrances of the many friends they leave behind them in St. Saviour's parish. Refreshments were then served by the ladies of the parish and a very pleasant evening thus concluded.

It Was A Jet . . Six Miles High

The streak of vapor left across the sky Thursday morning was caused by a Jet plane flying 6 miles high. The Jet left North Battleford and 12 minutes later passed over the Radio Beam station here. Many people noticed the vapor stream but no one saw the plane.

Masonic Service Is Held At Mannville

MANNVILLE — The Mason's Annual Church service was held in the United Church on Sunday, June 21 at 11 a.m. The service was taken by Mr. L. Cormac of the Anglican church and the sermon, the topic of which was 'Down to Earth Religion' was preached by Rev. R. C. Crighton of the United church. The combined choirs sang an anthem 'Dear Lord and Father of Mankind'.

The Masons with quite a number from Vermilion, paraded from the lodge rooms to the church. There was a good turnout of Masons as well as town and country people.

By The District Agriculturist

"GREEN ACRES"

TREATED GRAIN

Several farmers have asked me to watch about treated grain which has been left over. It is poisonous to livestock. Don't take a chance. Furthermore it is against the law to sell it to the elevators. There is a heavy penalty for this offence, a penalty that you can do a lot to save if for next year's seeding

LOW GRADE FEED

This week I was told by the manager of the Egg Grading station, Vermilion, that the chief cause of low grade eggs at this time of the year is poor handling and storage till they are brought into the grading station Keep them cool and deliver regularly. It appears from the record that people with more than 100 hens get better grades because they bring them in sooner to the station.

SWARMING BEES

Stop swarming by giving the bees lots of room. Also look in the hives every week and pinch out any queen cells. Bees will not swarm unless a young queen has developed. Good bee keepers do not have swarms.

BATTLE OF THE BULGE

You can beat the battle of the bulge by not eating so much." A recent report says that bread is not fattening. Why not fill up on that? One slice of bread has only half as many calories as a cocktail wiener and three quarters as many calories as a teaspoon of salad or a pat of butter.

USING 2, 4-D

Weed control using 2,4-D means more bushels per acre. The best time to apply 2,4-D is when the crop is between the 3-leaf stage and the shot blade. Get a circular from my office that tells control of weeds in crops on pastures, killing trees, etc. 13½ million acres of crop were treated with 2,4-D in western Canada last year. It must pay or so many farmers would not do it.

FREE TRIPS FOR FARMERS

It is a wonderful service for the farmers to get free trees from the government. All that is asked is that the land be summerfallowed and the trees planted next year. Orders should be placed soon as the supply runs out and late orders have to be set over until the following year

VERMILION, ALBERTA, THURSDAY, JUNE 25th, 1953.

SUNDAY LOCAL WEATHER

Weather has been showery with a tendency to be cool. Five of the seven days since last publication have seen rain and the total precipitation for June now totals 3.64 inches.

Warm day of the week was Thursday with 72 and the coolest night was the 23rd with a low of 36.

Crop conditions have improved and now are at the 'very good' stage. —By courtesy of Dept. of Transport Beam Station Vermilion

The U.S. government has decided to mak ex gift of 33,200,000 bushels of wheat to Pakistan. The cost of the wheat plus the transportation charges is estimated at $100 million.

One and half cents on each dollar of sales was the net profit, before income taxes, of Canadian chain grocery stores in 1951.

Between 1947 and 1951 the number of motor cars per mile of surfaced roads in Canada increased by almost 1 third.

Advertisements Required Early For Next Issue

As July 1 a Dominion holiday, falls on Wednesday next, and thus eliminates a very necessary day from the newspaper week, the Standard requests that all changes of ads for next week's Standard be in this office early, preferably on Saturday but not later than Monday at noon. By doing so advertisers will ensure the paper being issued on time and catching all the rural mails for the week end shopping.

Write Music Exams

MANNVILLE. — Among those from Mannville taking music exams last week were June Van Dusen, Jackie Hasinoff, Berna Cotter, Bobbie Willis and Audrey Hamilton, who took the Royal Conservatory of Toronto exams at Kitscoty. And Sandra Leitch and Audrey McCauley, in Edmonton.

Family Party At Dewberry Honors Mr. and Mrs. Ed East

PORTRAIT WEDDING ANNIVERSARY

Mr. and Mrs. Neil Jones of Dewberry entertained a family party on Sunday 21, to celebrate the 40th anniversary of the marriage of Mr. and Mrs. Ed East of Vermilion, the aunt and uncle of Mrs. Neil Jones and his wife.

The entertainment took the form of a bountiful turkey dinner, in the centre of the table stood a threetiered wedding cake beautifully iced and decorated, being topped with a silver horse shoe and 40 candles.

After those present, 38 in all, had done full justice to a delicious dinner, Mr. Neil Jones presented to Mr. and Mrs. East a beautiful General Electric floor polisher, making an appropriate speech, stating the fact that most of their relatives, present and absent, had contributed towards this gift. Mr. East thanked all the contributors, on behalf of his wife and himself, for such a fine gift and ended his talk with a bright little story.

Those present were: The guests of honor Mr. and Mrs. E. T. East, Mr. James Jones, Mrs. Hazel Jones, her two daughters and two sons, Mr. Roy Jones and three sons, Mr. and Mrs. Saul East and daughter Lois, Mr. and Mrs D. Brown (nee Ruth East), Mr. Fred East and son, all of Dewberry.

Out of town guests were Mr. and Mrs. Ethel East and daughter Marnie of Edmonton, Mrs. Nell East of Winnipeg, Miss Milburn, Mr. J. Hope of Vermilion.

Those absent through sickness, long distance and pressure of business were Mr. Neil East and daughter Mrs. Charlwood, both in Australia, Dr. and Mrs. E. N. East and their two children of Winnipeg, Mr. and Mrs. J. Barr and two children of Edmonton, Mrs. Fred East at home with a sick son, Mrs. Roy Jones at home with a 10-day old daughter, Mr. Lionel Jones in Elk Point hospital, Mrs. D. Witherspoon of London, Ont.

Campbell Lake

On Sunday Miss Ruth Gray of Minburn in company with her brother Mr. Ronald Gray were the guests of Mr. and Mrs. Bjorna. They also spent some time in the neighborhood renewing acquaintances, Miss Gray, having taught the Campbell Lake school some years ago. She now teaches grades 5 to 7 in her home school at Minburn.

Bob McIntyre who is driving a truck on road construction near Tees was home for the week end.

School term is over once again for some of our young people. Audrey McIntyre who has completed school in Kinsella and Bobbie Scarle, Ann Richardson and Betty West who go to school in Vermilion. Good luck girls, hope you all make the grade.

We are sorry to report that Audrey McIntyre has been confined to bed with a touch of virus pneumonia since returning home. We all wish her a speedy recovery.

Mr. Roc Mead and son Alan accompanied Mr. Kowalski and son Bill of Vermilion, enjoyed a week end fishing trip at Long and Mouse Lakes.

Mr. and Mrs. O. Strome and Beverly, also Mr. and Mrs. Ralph Strome left this week for Engelfeld, Sask., to attend the wedding of Mr. Verne Strome on Friday, June 26.

Most of the Campbell Lake folks attended the annual ice cream supper at Allandale on Tuesday evening. In spite of recent heavy rains, the supper was in good shape and a real crowd up to enjoy the very good supper put on by the W.A. ladies.

Most of the district farmers are busy spraying crops.

King Edward School Enjoy Annual Picnic

PRESENTATION MADE TO TEACHER

The King Edward school held the annual picnic on Sunday June 21. There was a nice attendance of over fifty district folks, parents and children. Following the picnic dinner Della Prescott presented Mrs. Helen MacMillan, the teacher, with a gift from the school children.

Races were held including events for both the young and old folks. In the races for boys 16 and under Ross Beecroft came 1st and Keith Maughan 2nd. In the event for girls Joe Lalouceze 1st, Ali Beecroft 2nd. There were also numerous other races which everyone enjoyed.

The next highlight of the afternoon was a ball game between the school children and the men of the district. This was an exciting event. Later in the game the men really got limbered up, the school team started to play harder but more runs came in for the seniors. The aged players proved too much for the small fry, winning by an 8 run margin, 23 to 15. Soft drinks were served all round as the majority of the players needed a stimulant.

Mrs. Helen MacMillan and the pupils of King Edward wish to thank all who turned out to make the final event of the year a successful day, one we will remember for some time.

Softer . . . still softer is the new, improved Purex tissue. It's stronger and more absorbent, too . . . a better tissue at the same price.

Now you can choose from two kinds of Purex, single and 2-ply. For facial soft, single ply, reach for the new Purex in the familiar blue label; for the ultimate in bathroom luxury at a few cents more, look for Super Purex in the white label.

Thorncliffe

The June meeting of the Thorncliffe branch of the Alberta W.I. met at the home of Mrs. Reuben Clark on June 4. Five members answered the roll call with an article of used clothing for Greece.

The Social Welfare convener, Mrs. J. Moses reported sending one bouquet of flowers and two cards to the sick during the past month.

A letter was read and discussion followed about the Farm Women's week July 6 to 8. Some of the members may attend.

The members decided to sell tickets on the quilt we made for the Edmonton convention. Someone is going to win a lovely quilt, so be sure and have a ticket. Maybe it will be you.

Mrs. John King, the delegate for the Edmonton convention gave her report.

Mrs. Thos. Thompson was appointed as the delegate for the Constituency conference in July. Mrs. Reuben Clark will be in charge of the handicrafts.

For the social of the meeting, a brush demonstration was given by the local Fuller Brush agent.

After the singing of God Save the Queen, a lovely lunch was served by Mrs. Earl Watt and Mrs. Clark.

The next meeting will be held at the home of Mrs. Gordon Dickson on a date to be decided later. The social will be by Mrs. John King and the roll call will be the oldest picture of each member. "You must have been a beautiful baby".

Shower for Bride-Elect at Mannville

MANNVILLE. — A beautiful shower was held on Saturday evening in the United church hall at Mannville for Miss Sharon Rodger, a bride-elect of June 27. It was convened by Mrs. S. Olsonberg and Mrs. P. Proudfoot, assisted by a number of the ladies of the United church.

After a number of contests, a solo by Miss Shirley McFadden and a duet by the Misses Marlene Olsonberg and Betty Proudfoot, charmingly dressed as bride and groom completed the program.

Then seating Miss Bodard, her mother Mrs. R. Bodard and her grandmother, Mrs. G. Whitson at a table, the gifts were drawn in on a wagon decorated in a true shower fashion with the wagon in yellow and a dainty mauve umbrella covering the gifts, and Bette Jo-Ann Leitch and Dena Rudd in mauve and yellow dresses drawing the wagon.

Miss Bodard received many useful and beautiful gifts, and in a charming manner thanked all those present as well as those unable to attend for their kind thoughtfulness.

Those in charge of the shower served a delicious lunch.

Princess Anne W.I. Notes

A very successful meeting was held by the Princess Anne W.I. on the afternoon of June 22 at the home of Mrs. W. J. McIntyre. Ten members and two visitors were present.

The meeting opened with the singing of "Canada" followed by repeating the W.I. Creed. Roll call was answered with a joke. The minutes were read and adopted, as was the treasurer's report which followed. In May 25 was donated to the fund sponsored by the Legion for treats for the children on Coronation Day.

The correspondence was read and out of this arose the business of the appointment of a delegate to the constituency conference to be held in Vermilion July 10. All members who will be at home at that time are planning to attend.

Our handicraft article are to be handed to Mrs. Richardson as soon as possible is July.

This brought the business part of the meeting to a close and the rest of the afternoon was given over to Mrs. J. Strome and Mrs. R. Mead who gave very interesting and enlightening reports on the Provincial convention in Edmonton.

July meeting to be held at Mrs. Geo. Mead's. The roll call to be answered with an 'Old Picture'.

Woodvale News

A Red Cross meeting took place at the home of Mrs. Dorothy Peet, Sask., on June 10, where home-acted...s were priced and contributions for the goodies wrapped and various matters discussed. Without a quilt to work there was some time for pleasant visiting before and after lunch. We all had a good look at the queer dandelions growing in the lawn there. Inside the dandelion stem another one was growing with a blo-som instead of right in the middle of the flower. One even had a third one inside, but the flower on it had not yet emerged; others had a second flower growing corn-ucopia like inside the first stem. The lawn had not been sprayed, so the strange growth could not be explained by the hormones in 2, 4-D.

The next Red Cross meeting will be at the home of Mrs. Van Wagenen on Thursday, July 9. As there will be a large quilt to do and a lot of business pertaining to the July picnic, it is hoped many members will be able to come that day and visitors are always welcome.

Several people out of this neighborhood travelled to Lamont many to visit Mr. E. G. Green, who was a patient in the hospital there. Among them were Mr. and Mrs. T. Prescott and Ray with Mr. T. Hobbs; Mr. Chris Thomsen and Mr. H. Wolters; Mr. and Mrs. Roger Watt and Mrs. W. Isley and Johnny Mr. and Mrs. Van Wagenen and Mrs. F. Glover and Mrs. B. Martin of Basswood, and Mr. W. Isley, who all found Mr. Green in good cheer the day before he was going to return with Mrs. Green to their home in Alberta, East B.C.

The sympathy of the community goes to everyone in the Canton family on the death of Mr. G. Canton in the Islay hospital on June 13. A well-loved old-timer and good neighbor who will long be remembered by everyone in the district, has gone after an active and busy life.

Mr. Krueger is once again visiting round the Foland district from Detroit during a brief vacation. He hopes to retire shortly this year and maybe he'll be able to come for a longer spell to stay with his many friends.

Mr. Chas. Young was moved by ambulance from the Islay hospital to the Veterans' hospital in Edmonton but no new treatments, only more rest was prescribed for him there too. His daughters Gladys and Mildred will be married in Edmonton in a double wedding ceremony this week, Gladys to Mr. Albert Sharpe and Mildred to Mr. Jim Patterson both of Camrose and we wish them both much happiness in the future. The Young family was thrilled last week by a phone call from Georgette from New York after her arrival there by boat. She has spent the past five years in Europe, mostly in Belgium in evangelistic work and hopes to be back in Alberta in time for the wedding of her sisters. A shower at the Watson school was given in honor of Gladys and Mildred but at time of writing we were unable to get any details.

The rain was greatly appreciated by everyone and was much needed at this time. We hope it will arrive regularly through the rest of the growing season.

Mrs. E. Van Wageningen, accompanied by her grandson Florent, left for a trip to Calgary and Banff to visit her other grandchildren there: nephews in Red Deer and friends in Black Diamond and in Chinook.

Mr. and Mrs Paul Goutier went to see their daughter Marie at Fort Kent on Sunday June 14.

Work on the telephone lines in the Woodvale district is scheduled for this week. Two miles north of the old Woodvale school will be reset and 2 miles south torn down and removed east along the lairy place.

Congratulations to Mr. and Mrs. Gerald King who were married on Saturday and will live in the Clyde district.

The newly gravelled sidecoads were greatly appreciated during the recent rainy spell. However the one of the writer's family uses has so many ungravelled spots on it that it makes pretty tricky driving when one hits them unexpected. The school bus driver was not the first one to discover that and will not be the last, when he slid off the road last Thursday.

PLEDGE VOWS AT LETHBRIDGE

COMA—SOMMERFELDT

The nuptials of the Church of Jesus Christ, Latter Day Saints, Lethbridge, was the setting for the recent wedding of Sadie Hertha Sommerfeldt and William Robert Coma, Bishop C. M. Peterson performed the afternoon rites for the daughter of Mr. and Mrs. Otto Sommerfeldt of Whisky Gap and the son of Mr. and Mrs. Mike Coma of Vermilion.

The bride, who was given in marriage by her father, wore a gown of white nylon net and lace over satin with a matching fingertip veil held in place by a pearl-beaded coronet. Her bouquet was red and white carnations.

Mrs. Ethel Purnell, sister of the bride, was matron of honor. She wore a pale blue nylon net over taffeta gown. Bridesmaids were the Misses Joy Sommerfelt, cousin of the bride, and Olga Pankow, cousin of the groom. They were dressed alike in gowns of yellow and mauve nylon net over taffeta. Each attendant carried white Shasta daisies tied with rainbow colored ribbon.

Nick Kitt, cousin of the groom, was best man and ushers were Ora Sommerfelt and Paul Bergdale. The wedding music was played by LaDene Peterson.

For the wedding the bride's mother wore a grey crepe dress complemented with a corsage of pink roses and the groom's mother wore a two-piece grey suit, with which she also wore a corsage of pink roses.

Mr W. Sommerfelt, uncle of the bride, received the guests at the reception and Mr. Darrell Sommerfelt, brother of the bride, was master of ceremonies for the program. A three-tiered wedding cake centered the bride's table. The toast to the bride was given by Ross Hall, with the groom responding.

Performing on the program were Mrs. Elna Hall, Mr. Albert Nelson, Miss Marie Boecker Mr Val Purnell and Miss Shirley Stubbart

Following supper and program, an old time dance was held with the Del Bonita orchestra in attendance.

For travelling to Calgary and Edmonton on her wedding trip, Mrs. Coma changed to a pale green nylon sheer suit with white accessories complemented with a corsage of white gardenias and pink roses. They will reside in Vermilion upon their return.

—Lethbridge Herald.

Imperial Oil Films Shown At Mannville

MANNVILLE.—The Orange hall was well filled on Friday last for the Imperial Oil shows. Four films were shown, on Newfoundland, Life in Alberta Rockies, Farm Bakery and a comic for the children. Mr. Melville manager for Trade Sales, Mr. L. Reid, Mr. Ron Dalby and the local agent Mr. G. Barr were in charge of the program. In between pictures, talks were given on farm safety and the different products and their uses.

Tickets were handed out at the door and after the show draws were made. The ladies' prizes of chocolates were won by Mrs. Ken Scoggins, Mrs. Fr'elds, Sr., Mrs. Edith Pederson and Mrs. Burke. Prizes of Imperial Oil products were won by Messrs. Allan Emmett, Lash Emmett, Mr Zelisko and Mr. Shields Sr. Little Charlotte Mc-Laughlin who drew the lucky tickets was presented with a box of chocolates.

Coffee and doughnuts were served to the adults and soft drinks to the children.

Several displays were mounted on a revolving stand on the stage, among them a display of a farm storage tank. These displays were very realistic and appealed to the children as well as the adults.

Letters to the Editor

The paper does not hold itself responsible for opinions expressed by correspondents.

Vermilion, Alta.,
June 24, 1953.

Dear Editor:

May I take up a very small space in your paper to ask the following question?

Now that we have spent several thousands of dollars on oiling the roads for cars and trucks, several thousands on blacktop sidewalks for cyclists, when are we going to provide some place for the pedestrian?

Yours truly,
Over Taxed.

DOUBLE SPACING in all typewritten articles for publication!

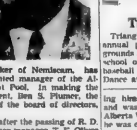
New Pool Manager



A. T. Baker of Nemiscam, has been appointed manager of the Alberta Wheat Pool. In making the announcement, Ben S. Plumer, the chairman of the board of directors stated:

"Shortly after the passing of R. D. Purdy, former manager, T. E. Oliver was appointed acting manager of the Alberta Wheat Pool. Because of Mr. Oliver's health and the heavy responsibilities involved the board of directors have decided to appoint A.T. Baker manager of the organization. Mr. Oliver will continue as assistant to Mr. Baker.

"Mr. Baker has been a director of the Alberta Wheat Pool since 1945 and vice-chairman during the past three years. He is a young man whose farm background, business training and experience in Pool affairs equip him for the position."

Albert T. Baker was born in the state of Illinois and is the eldest son of Perren Baker, who was minister of education in the U.F.A. government of Alberta. The Baker family came to Alberta in 1910 when the homestead rush was on and the father filed on land at Nemiscam, which is on the Lethbridge-Manyberries line of the C.P.R., about 80 miles southwest of Medicine Hat.

Albert T. Baker now operates the family farm which has grown to nine sections of land, is fully mechanized and has thousands of acres under crop each year. He was educated at the local school at Nemiscam, at high school in Edmonton and at the University of Alberta from which he graduated in 1928, after which he took over the management of the farm. He was married in 1932 to Agnes Phipps, of Cochrane, and they have two children, both girls.

Mr Baker Sr., took an early interest in the farmer movement in Alberta and was elected member of the legislature for the Cypress constituency when the farmer government gained power in the 1921 election. He served as member for Cypress until 1935. Albert followed the example of his father in interesting himself in farmer movements and was elected a delegate to the Alberta Wheat Pool in 1941. In 1945 he was elected director for the Lethbridge division in succession to Christian Jensen of Magrath, who served in that capacity for 22 years.

Triangle Picnic

Triangle district will hold their annual picnic and sports at their grounds a half mile west of Triangle on Friday July 10. Senior baseball games and sports for all. Dance at night. 49-51

Our Letter From England

For this letter we must go back prior to the Coronation and start with our visit to Windsor Castle. Windsor Castle is closed to the public for the month of June, so we along with thousands of others went sightseeing there on Saturday May 23. A long sloping walk leads up to the King Henry 8th entrance covering what was once a moat and drawbridge. Inside is a courtyard leading to the many towers and entrances. Wishing to see the Queen's doll house and the state room we ascended stone steps along the side of one section into a room where the doll house is housed under glass. The purpose of this doll's house which is made on the scale of one inch representing a foot, is primarily to pass on to the generations to come a genuine and complete example of a domestic interior with the household arrangements characteristic of the daily life of royalty at the present time. This is done with amazing skill as everything is there from servants' quarters, wine cellars, to the tiny room containing a jeweled crown and sword, also the complete library, nurseries, Queen's and King's bedrooms, bathrooms, dressing rooms and wardrobes, etc. We are accustomed to miniature plastic furniture but when you consider that practically everything connected with the house is made of the same materials used in life size houses, and that they all operate, from the electric lighted toy theatre to the vacuum cleaner, it is a marvel. There are prams, bikes, motor cycles, carriages and cars in abundance, and every kind of animal imaginable, but of course these do not "operate".

Windsor Castle has a much more "lived in" appearance than any we have ever seen. Everything is polished and ready for use when the royal owners are resident. The rugs are partly rolled and heavy burlap stretched where the public walks but the feeling prevails that it could be lived in at any moment. In fact the Royal Family was there when we were but since there are 700 rooms a few thousand people would not interfere with their activities. The 600 clocks are wound daily and there are some magnificent ones. Naturally I was especially interested in the room where the china used by past monarchs was displayed. How I longed to examine these! Some with the crest in the centre of each piece heavy with gold, others exquisitely patterned and colored. The mirrors reaching almost to the ceiling, Richard and I knelt and peeked out of the rifle slits and I think he expressed it very well when he said, "I feel as though I could reach down and scoop up a handful in passing".

On the way home we noticed an unusually beautiful tea garden at Old Windsor so stopped to have tea on the bank of the Thames. The temptation was too strong. Bert rented a motor skiff and the boys and I went boat riding while Richi and Mrs. Hoskins sat in the garden. We took turns steering and Michael who had been a bit timid at first was more than reluctant to leave the boat. I think the boat ride past all the beautiful homes and gardens and other boats filled with happy people, was the most relaxing experience I have had.

On Sunday afternoon we suddenly decided to visit Bath because of Monday being a holiday so we packed "overnight" for the three children and ourselves and were on our way. It is only about 80 miles but that seems much farther here.

Mr. Hoskins, a true Welshman, passed Tilsbury Hill reputed to be the largest man-made hill in Europe, where the Romans imposed to have buried their dead as human bones have been unearthed. Further along there is the figure of a horse carved in the chalk hills by the Romans. At Stonehenge we turned off on an old Roman road, deepest and barely wide enough for two cars. It went straight on into North End Valley. The high Roman walls built on each side of the ditch turn out we could scarcely nose around made it a thrilling experience. Fortunately we met no cars. Nearing Bath we came into the open country where we could see for miles. Here there were huge Roman style houses and castles with dozens of chimneys. We registered at the Pratt hotel, once Sir Walter Scott's home but now a hotel where people from all over the world mingle.

In the morning we drove far up on a side hill to Libley Stoke hotel which Queen Victoria had erected for a summer home, and I'll tell you about it next week.

Best wishes, friends.

News Notes From Your District Home Economist

CAKE FAILURE

More reasons for cake failure: Lop-sided—Range not even evens: Warped baking pan: Racks not level. Layer cake pans touching each other or sides, front or back of oven.

Coarse Texture—Poor manipulation, over-mixing: To much baking powder. Too much flour: Too low temperature.

Does Not Rise — Forgot baking powder: Over-mixing: Too much heat

Not Brown sufficiently — Oven temperature too low: If one cake pan is too near, above or below other baking pan.

REFRIGERATORS

Are you buying a refrigerator? If so, shop around to see what the manufacturers have to offer. The refrigerators today are large inside and small outside. The minimum size for a family of two is a six cubic foot refrigerator. Five cubic foot should be added for each two additional persons in the family.

When storing food, keep in mind the highest points.

Store foods in covered containers.

Meat, fish or fowl should be covered and kept in a ventilated meat keeper. If there is not one provided, keep on a platter beneath the freezer with a light covering of wax paper. Never leave meat in the store wrappings. Cooked meats or variety meats are highly perishable. Store in freezing compartment unless used immediately.

Wash, trim, and drain greens before storing in crisper.

Berries need air circulation. Remove from box, spread on tray or plate, cover with waxed paper. Do not wash until ready to serve.

Never store bananas in your refrigerator.

Do not take up refrigerator space with canned goods. They merely require chilling before serving.

Use ice-cube-compartment for (butter, cheese, melons) in vapor-proof coverings.

Chatsworth Chatter

We have received ample moisture within the last week to carry crops and gardens along well for some time, and pastures are already showing signs of improvement, as lack of rain earlier had slowed growth, although the cluster was not acute hereabouts, as we've had a number of showers

The Main family are the possessors of a beautiful new 1953 Olds mobile, complete with Hydra-Matic drive, and every new feature available with the new cars.

Mrs. R. Good, who is a patient in the University hospital, Edmonton, is progressing favorably following an operation, and it is expected that she will be back home in a week or so.

The next church service of the Ottawa United church is to be held this Sunday the 28th at 11 a.m.

Mrs. George Dalliver of Edmonton was a visitor to Vermilion last week end.

Miss Valeria Malik and Mr. S. Hilcox were visitors at the home of the writer on Sunday.

A meeting was held at the Chatsworth school last Friday evening, with the trustee for our division, Mr. Russell Whitson present, and it was made known officially that a bus would take the Chatsworth school children to Vermilion, beginning the fall term. A petition to keep the other school operating means of 42 of the local ratepayers had been turned in to the authorities during this year, but the final vote, of parents of children at present attending, regardless of whether they were ratepayers or not, was for the bus. Ratepayers who have children attending at present were not allowed to vote.

The Chatsworth Country club met at the home of Mrs. Angus Anderson last Thursday with 6 members and 2 visitors present, the rain having cut down attendance. It was decided to attend the Tuesday session of the Farm Women's week at the V.S.A. The program starting at 9 a.m. with "Your Clothes are Showing" — Miss Gwen Sinclair: 10:30 a.m. "Carving Meat and Poultry" — Mr. N. V. Stanley: 1:45 p.m. "Blood Types and the Rh Factor" — Dr. F. R. Smith, Dept. of Mines-Vermilion Health Unit: 3:45 p.m.—Tea: 330 p.m., "Frozen Desserts"—Miss A. Randle: 7:30 p.m., Address—Mr. B. C. Jakeman, Supt. Bowden Institution.

The general meeting of the Chatsworth Country club is to be held at Mrs. C. Main in July. The luncheon ... in Mrs. East, Mrs. Angus Anderson, Mrs. M. Towell and Mrs. J. Ferbish.

Winner of the social contest supplied by Mrs. J. Panter at the June meeting was Mrs. Zac Kashinsky who was also the holder of the lucky number on the nickel draw. Division on cotton rags for rugs took place and it was decided to bring the matter up again at the next meeting.

Coyotes are certainly on the rampage these nights hereabouts. The latest casualties were the cute little goat kids belonging to Mike Kothar, which met out on pasture with the parent goats and cattle.

Congratulations to Ralph Wilson, re visiting 4th placing at the Lloydminster Fat Stock show for his group of ten steers.

Hollywood's Coming To Alberta !

Yes sir! This summer, Alberta is going to be literally over-run with Hollywood movie personnel. Five movies are scheduled for filming in the province this summer, three of them already confirmed.

The first group to begin working here will be Metro-Goldwyn-Mayer, with a crew of about 60 or 65. They will work in the Maligne Lake and Mount Edith Cavell area of Jasper National park, getting background material for the refilming of "Rose Marie". Shooting started this week and will last 10 to 12 days.

Universal - International Pictures Inc., is planning two pictures for Alberta. Confirmed for Banff, the Kananaskis Valley and Lake Minnewanka, is a picture entitled "Seahawk-ewan", starring Allen Ladd. This is a Royal Canadian Mounted Police story, featuring a trek from Fort Walsh to Fort Saskatchewan during the late 1800's. Alan Ladd and his family move into Banff Springs hotel about July 22, and the movie will be filmed between Aug. 8 and Sept. 10.

The second U-I picture planned, will be set in the Jasper area, and is entitled "The Far Country". James Stewart stars in this picture, portraying a young man who drives a herd of beef cattle to the Yukon in the gold rush days. This film will also start shooting about Aug. 8th.

Children Are Well Taught At Red Cross Hospital

Unlike many children who attend their local schools, the patients in the Alberta Red Cross Crippled Children's hospital school should have no fear of not passing into the next grade. A Department of Education report on the school commends it most highly with the inspector's words, "I do not know of any school anywhere that achieves its purpose more fully."

Five fulltime paid teachers, two volunteer teachers, three music teachers, five story-tellers, six letter writers and 20 handicraft teachers instruct the patients in Grades 1 through 12. The school works in conjunction with the Correspondence School branch to provide the children with education from the day they enter hospital until they leave. When the children return home they may continue the correspondence lessons, if necessary, or return to day school.

Patients at the hospital school begin their studies after a medical staff consultation so that the treatment of the child's disability is not interfered with.

The classes are carried on either in the regular wards or in special classrooms with equipment such as blackboards, desks, and desks and special tables used to give the children maximum comfort.

Classes are in session from 9:45 a.m. to 11:15 a.m. and from 1 p.m. to 3:30 p.m. The teachers move from classroom to ward as the needs arise. While the pupils have their correspondence lessons as a guides, instruction is complete in all subjects. The teachers mark the lessons from 1 to 6, the other lessons are marked in Edmonton.

"The attitude of the regular and special teachers is such that the pupils are most happy in spite of their disabilities and their education is actually more 'many-sided' than that in the public schools", says the inspector. "Progress in the skills compares very favorably with what is found elsewhere, while primary reading is actually superior. A school like this is a credit to all concerned."

The inspector's report continues that the services at the hospital school cannot be estimated in ordinary terms and that actually the training in the school, with the feeling of achievement and self confidence it inspires in the pupils, is a very important part of the whole rehabilitation program.

The Provincial Department of Education gives a grant of $1000 per year per paid and a teacher with Red Cross making up the remainder. In 1952, the government grant was $3000 but to augment this, Red Cross expenses in giving the children the education they require amounted to $9,841.41 for salaries and $1,310.41 for supplies, a total of $11,151.82.

STRAWBERRY SOCIAL, ISLAY

Strawberry Social and ball game at the Islay hall, Islay, on Friday June 26th sponsored by Islay W.A. Ball game starts at 7:30 p.m. Vermilion Kinsmen vs. Islay. 25c

BOSTELL

Dance in the Bostell community hall on July 1st. Admission 50c each, free lunch. Swanson orchestra. Everybody welcome. 25

Indian Runners, will be the feature for a 52an Century Fox film starring Robert Ritchum, Rory Calhoun and Marilyn Maxwell. "River of No Return" an adventure story, will start with second unit shooting on June 29 at Hay Flats. The crew will go to Jasper about July 15 and return to Banff again in early August.

Columbia pictures have made tentative plans for a picture to be filmed in Jasper and north central Alberta, with a railway background. However these has been no confirmation on this picture.

Each film will be in color, and each will feature either 3-D or Cinematic photography.

These movies mean a bigger tourist business for Alberta, more publicity, and even greater popularity.

Replaces S.S. Empress of Canada

The Chateau Frontenac made an imposing background as the Empress of Australia, making her first westbound voyage under Canadian Pacific colors, passed Quebec City on her way up the St. Lawrence River to Montreal. The 19,800-ton vessel was purchased by Canadian Pacific Steamships to replace the Empress of Canada, destroyed by fire at her Liverpool dock on June 29, 1949. She was formerly the "Dronning Alexandrine" of the French line. This is the first of 10 round trip voyages between Liverpool and Montreal which this vessel will make during the present season of St. Lawrence navigation.

WEDDING BELLS

RADIO—BURNS

A quiet wedding took place at the First United church, Vermilion on Saturday afternoon June 20, when Mrs. Jeannie Burns exchanged vows with Mr. Gerald King.

The bride was escorted by her daughter Mrs. Oliver Willes while Mr. Keith King, nephew of the groom, was best man. Mr. Jack Brown played the organ.

The Rev. C. W. MacKay officiated.

Mr. and Mrs. John R. Hillcox announce the engagement of their daughter Evelyn May, to Mr. Harvey H. Jaster, son of Rev. and Mrs. R. Jaster of Nokomis, Sask. The marriage to take place on July 11th 1953, at 7:00 o'clock in the evening at the First United church, Vermilion.

Mr. and Mrs. John Hillcox announce the engagement of their second daughter Mabel, to Mr. Melvin Beck, second son of Mr. and Mrs. Albert Beck of Islay, Alberta, the marriage to take place at St. Saviour's Anglican church, Vermilion, on Wednesday July 15 at 2:30 o'clock in the afternoon.

An open reception will be held at St. Saviour's parish hall from 3:30 to 6:30 p.m.

T. L. Conboy attended the annual convention of Fire Chiefs held at Red Deer recently. This was attended by 35 brigade chiefs and 57 associate members. Tom reports very good and helpful sessions. He was accompanied by Mrs. Conboy.

Mrs. W. J. Moore suffered a stroke last Saturday afternoon and is a patient in the hospital. Latest reports are that she is making favorable progress towards recovery.

Miss Sheila McCorry, daughter of Mr. and Mrs. James McCorry of Kitscoty who is attending Alberta College, Edmonton, this year, won the prize awarded to the student attaining the highest standing in Chemistry 2.

Mr. and Mrs. J. E. Edgar of Edmonton are former residents of Vermilion while en route to Calgary on a business trip. Bernie says that the Edmonton Exhibition is a wonderful sight spent last Saturday evening and nights sightseeing. After being in town while en route to Banff to care for a visit. Mr. Edgar's last visit here was in 1946 and Mrs. Edgar's in 1940.

Canon Teape was the minister heard over the Sunday morning broadcast station CFRN each week day at 10:30 a.m. all last week. Many people took advantage of the opportunity to hear him speak.

The donation to the Crippled Children's fund in memory of Mrs. Souder of Vermilion, from Mr. Allandale W.A. was omitted from the list of acknowledgments.

Mr. and Mrs. Charles E. Cox of Edmonton, Alberta, were week end visitors recently at the homes of their daughters, Mrs. Garfield Simpson of Islay and Mrs. Frank Gould of Vermilion. Mr. and Mrs. Cox also visited friends around their old home district of Union, and in Vermilion. They had their grandaughter Donna Hanney with them.

Miss Margaret Cooper of the Alberta Government Telephones staff at Leduc spent her holidays visiting her parents Mr. and Mrs. Harry Cooper.

WILDMERE WINKS

The bazaar and supper sponsored by Auburnvale W.A. is to be held this Friday. Owing to wet weather it had to be called off last Friday.

Congrats to Mr. and Mrs. Neil Eyben of Cloverdale, B.C. on the birth of a son (Timothy Neil). Neil spent part of his school days at our school when his parents Mr. and Mrs. Herman Eyben lived in our district. Hejio folks.

Some from our corner attended the Frontier days at Wainwright last week end. All reported a good program.

At the dance held at Thorncliffe last Friday a 'shower' was also given for Florence Clark a bride-to-be. Many and varied were the gifts she received for which the young people heartily thanked everyone.

Margaret Fadden is at present working at the Vermilion hospital.

Church at Wildmere was called off last Sunday evening owing to the heavy rain Sunday afternoon, making the new road Miss Hamlin has to travel impassable. Service will be held this Sunday as usual weather permitting.

Mrs. Gloria Pass and daughter Brenda, also her sister and brother Irene and Peter Morand all of Calgary, are visiting this week with Mrs. Pass' Mrs. C. Cruther- and uncles Bill, Adam and Albert Smith. The trip was made by bus.

Congratulations and best wishes to Mr. and Mrs. Gerald King for a happy wedded life. Mrs. Burns and Mr. King were married last Saturday and will live at Claymore. Mr. King has lived and farmed in the Thorncliffe district for many years, alongside his brother Cecil.

The ball game between Basswood and Tollard roused considerable interest in the district. Basswood grounds was very interesting. The score was 5-1 in favor of Basswood. Good thing Bricks and Bats don't count. Basswood do have broad shoulders to take all the ribbing handed out to them. Next Saturday Basswood will be at Tollard.

The writer's brother Earl Graham and Mrs Kathleen Shaw were married on April 15th and reside at Kimberley, B.C.

This Saturday will see the February class of student nurses at the Royal Alex hospital get their caps. The writer intends going up to see his niece Peggy Graham is one of the group.

Rev. and Mrs. Derwood McIntosh who have just returned from Bolivia, S.A., will take the services at the Alliance chapel Sunday June 28, describing their work there among the Indians. Mr. McIntosh is a son of the late Mr. and Mrs. G. C. McIntosh of Vermilion. They will show an outstanding film of Ellis hall in the evening. This will be the only opportunity of hearing and seeing this film. Time 8:30 p.m.

Miss Dorothy McCormick is spending her vacation with her parents Mr. and Mrs. C. J. McCormick at the family home in town. Dorothy is with Western Leaseholds and was recently transferred from their Calgary office to Redwater where the big producers of the oil company are located.

Dr. and Mrs. Donald Clarke of Toronto are holidaying in Vermilion, the guests of Don's parents, Dr. and Mrs. H. J. Clarke. The two couples plan to leave Friday for a motor trip to Jasper and Banff.

Mr. and Mrs. Jens Young of Bonnyville and formerly of the Sterlaville district, are visiting at the home of their daughter Mrs. Harry Cooper and family south of Vermilion.

A letter from J. J. Part of Drumheller sends regards to all old friends hereabouts and says that the writer is unlatched wherever anyone is this way. Former Vermilion people say recently that Mr. and Mrs. Art Butler in Calgary, and Mr. and Mrs. Ed Caskey. Jim says he still enjoys the visits of the old home town but sees many new names in their three years absence and not enough of the old names.

Mr. and Mrs. George Vanden Dolder of Vancouver are visiting at the home of the former's parents Mr. and Mrs. James McCorry of Islay. Mrs. Vanden Dolder is the former Lucille Anderson and other relatives in the district.

Bernie Ackerman, now of Grande Prairie, spent last week end in Vermilion while en route to Calgary on a business trip. Bernie says that the Edmonton Exhibition is a wonderful sight and nights sightseeing. After being in several other towns recently he can really appreciate conditions here.

IN MEMORIAM

In loving memory of
BEA LENORA ANDERSON
-- who passed away June 23, 1947.
"There the buds from earth transplanted,
For our coming watch and wait,
In the upper garden growing,
Just within the pearly gate.
Though our hearts may break with sorrow
By the grief so hard to bear,
We shall meet her some bright morning,
In the upper garden there."
--Mother, Dad, Brothers, and Sisters.

CARD OF THANKS

I wish to thank all my friends for the kind thoughts, cards and gifts sent to me during my stay in hospital.

Mrs. Edna Reet.

MASSEY-HARRIS COMBINES TURN CIRCLES on a HILLSIDE

to test features that help you do your work better, quicker and at less cost.

To get work done, farming now relies largely upon mechanical equipment. Manpower is scarce and costly and mechanization has been the answer to the farm help problem. Never before has it been possible for a man to do so much, so easily, and so quickly as it is today with up-to-date tractors and power equipment.

That Massey-Harris machines may offer the latest features and advantages in design and construction, research engineers test them by modern stress analysis devices and days and days of operation on the Massey-Harris test track—the first modern full-scale test track for power farming machinery.

MASSEY-HARRIS COMPANY, LIMITED

Makers of high quality farm implements since 1847

REPORT to the PEOPLE

BY ROBERT FAIR, M.P.
BATTLE RIVER

THE GIFT TAX

In these days of unjustified excessive taxation I feel it is my duty to bring to the attention of my constituents one more form of taxation, of which many people seem to be unaware. This is known as the Gift Tax. You will find a space provided for it on your income tax form. The effect of this tax was first brought to my attention when a farmer transferred land to his son and was later assessed gift tax of over $1,300 as a result. Had he transferred a portion of the land to not in excess of $4000 each year, he would not have been liable and in a few years the complete transfer could have been effected. This might be a good point for lawyers and others who perform the service of making out transfers to study and therefore, be in a position to advise their clients so that they may take advantage of ways and means that are there for them to use. It is no secret that many of our large corporations hire the services of men skilled in taxation laws to keep their tax bills down to a minimum, so why not the hard-working taxpayer avail himself of the same method. Bookkeeping and the analysis of the statutes are not the everyday work of the farmer and ordinary worker and as a result every dollar of taxes have been unjustly collected.

OTHER TAXATION CASES

Another case brought to my attention was that of a farmer and his wife who purchased some cattle before being married. They worked together for a number of years and procured a farm, both still receiving equity in the herd of cattle. Some years ago they established a basic herd for income tax purposes and as they were getting along in years and decided to cut down their work, they sold a portion of their herd. The proceeds were apparently put in the bank in the husband's name and out of this they purchased a Dominion Government annuity for the wife, who also had $1000 in the bank in her own name. Here let us keep in mind the fact that they both had cattle when they were married and the herd grew up together under common ownership. No doubt the wife, like all other wives, did her full share of the work in carrying on farm operations, but when the income tax people found out that she had become the owner of an annuity worth $100 per month when she reached a certain age, they immediately classed it as a gift from her husband, assessed him over $1300 and collected it. This happened only a couple of years ago. The matter was brought to my attention and I immediately took the case to the Hon. J. J. McCann, the Minister of National Revenue whose department collects those taxes. He had the file sent from the Edmonton office, examined it and advised me that the Department was fully justified in making the collection. After discussing the case again with the Minister without making any headway, I discussed it on two occasions in the House, pointing out, as one of my arguments that shortly before the annuity was purchased, it would take only a few head of cattle to provide the thousand dollars the wife had in the bank and that she still had enough equity in the remainder of the herd and the land to purchase an annuity worth many times the worth of the one she had secured. It was impossible for them to return the annuity and get a refund as the rules are not permitted after an annuity is purchased. Would you call those cases outright confiscation?

Still another case turned over to me concerned a couple in Halifax. According to information given me by the husband, his wife had some insurance policies which she decided to cash and with the proceeds a Government Annuity was purchased. As this file is in my office in Ottawa I cannot say definitely who signed the cheque in payment, but at any rate gift tax was levied and collected and the case is closed as far as the Minister of National Revenue and his Department are concerned.

The last case to which I wish to refer on this occasion concerns a farmer in my home district who farmed here since about 1906, and brought up his family without the assistance of Family Allowance or any other form of relief. A short time ago he decided to retire and turned the farm over to his two sons, only to find shortly afterwards that he was also assessed more than $800 gift tax and the amount swiftly collected to swell the surplus for the Hon. Douglas Abbott, Minister of Finance. As in the other cases, I took this to the Minister of National Revenue and after reviewing same, I got the standard answer — "the Department is justified in collecting this tax". I was finally advised that if I wanted the collection of such taxes discontinued, it would have to have the law changed.

It is quite possible that many unjust collections such as the ones listed above have been made and if even one taxpayer may be forewarned as a result of these disclosures, I feel the Editor of the Standard who is good enough to supply me free space to bring such matters to the attention of his readers, will feel some reward for his generosity which is rendered as a public service.

TEXACO MOTOR OIL

INSULATED AGAINST HEAT

...AND SEASLAK PISTONS!

On these hot summer days hard-working farm machinery is up against a real *heat* problem—with crankcase temperatures, for example, up around 240°. That's why many farmers new to Texaco Motor Oil *—insulated* against heat!

Texaco Motor Oil is *insulated* against heat by an exclusive Texaco process. It *stands up* under high engine-operating temperatures and resists the formation of varnish-like deposits that steel power and waste gasoline.

Texaco Motor Oil in tractor, truck and car engines gives you more power, greater fuel economy and fewer repairs. And remember—you get *lower operating costs* along with this better engine performance, because Texaco Motor Oil is *regular-priced!*

IT PAYS TO FARM WITH TEXACO Farm PRODUCTS

Manufactured and Distributed in Canada by McColl-Frontenac Oil Company Limited

SEARLE GRAIN COMPANY, LTD. (30)

Claysmore Clippings

Mr. and Mrs. Percy Wilkes celebrated their 42nd wedding anniversary on Sunday June 21 with a family gathering at the home of their son Mr and Mrs. Oliver Wilkes and family.

Misses Ruth and Ann Beatty and Joanne Cooper of Vermilion spent the week end of June 13 at the home of Mr. and Mrs. Robert MacMillan.

Mr. and Mrs. A. Van Vleet and family attended the Hardisty campgrounds on June 12 and report some very good singing and services.

Mr. and Mrs. H. Williamson and Mr. and Mrs. H. Seymour and family motored to Hardisty for Farmers Day and then went on to Kerrimuir, Alberta, to spend the week end with old friends and neighbours.

Mrs. Robert MacMillan returned Monday after a few days visit with her sister Mrs. E. Mills at Oneway and a motor trip south to the home of their brother Mr. and Mrs. L. C. Burnett at Acme, Alberta.

Russell Wilkes had the unfortunate experience to be bitten on the face by their dog. The wound required medical attention and he spent several days in hospital to be sure that there was no infection.

A good crowd attended the dance at the school on Friday evening, June 12. The dance was sponsored by Claysmore community society and proceeds are for the picnic to be held late in June.

Claysmore Community society held a meeting at the school Wednesday June 10 to arrange for the annual picnic. It was decided to keep the program much the same as last year with games, races for young and old, horse shoe and mixed ball games, but there will not be a booth. A picnic supper on the grounds, weather permits, and if not, tables will be arranged in the school.

Some much needed repairs have been done at the school, on the steps and the windows. Mr. J. Wilkes deserves a big vote of thanks for his untiring efforts to keep this building in good repair, giving much time for this work.

Clandonald Sports
Wednesday, July 8

The Clandonald Board of Trade has planned a big sports day for that town on Wednesday, July 8th headlined with a senior [illegible] tourney with prizes of $100, $50 and $25. Entries should be made to the secretary Will Steele.

[illegible] ... $25 as first and $10 as second, horse shoe tourney entries with $5 first and $2.50 second money.

There will be a dance at night, booths on the grounds, races for the children to round out an excellent program. 45-tfn

F.U.A. Picnic on Farmers' Day Great Success

Clandonald News

The Farmers' Day picnic held at Marwayne on June 12 and sponsored by the F.U.A. locals of the district was a huge success far exceeding the expectations of those responsible for organizing the affair. The highlight of the day was undoubtedly the parade which drew many entries from all over the district and was said by many to be the best seen in this part of the country. A crowd estimated at from 2500 to 3000 thronged the grounds and at times taxed the refreshment booth to the limit.

Following the parade and the official opening of the picnic by Mr. Andrew B. Wood, a member of the provincial F.U.A. board and a resident of the Riverton district, the sports got underway with a comic ball game between a ladies' team and the Bearded Sons of the House of David. Other sports included softball, handicap, horseshoes and races for young and old.

The F.U.A. is greatly indebted to the following gentlemen for their generous donations towards the parade, also for making it possible to have the Dewberry boys' band in attendance: Graham Gardiner of Hairsine, C. Hanock and Son of Marwayne and to Rudy Isert for sponsoring the G. Motors competition. The donation by the Marwayne board of trade was greatly appreciated as well as the splendid co-operation of the town of Marwayne and district which was such an important factor in making the day such a successful and memorable event. Already plans are being made for an even better affair next year which will likely be held in the Dewberry or Clandonald district.

Following is a complete list of the prize winners in the parade: Decorated Car or Truck Lloyd Johnson and Harold Metcalf $20 donated by Hall, Boyd Ltd. for best decorated G.M. product 1. Lloyd Johnson and Harold Metcalf 2. Arnold Johnson 3. J. Berreford

Steer donated by Graham Gardiner and C. Hanock and Son of Marwayne for best decorated Chrysler product 1. Emil Mirfeld 2. Hyel 3. Mavis Brake as the F.U.A. Stampede Queen, Clandonald

Keith Kent, Irwinville. 4. Donald Vivian, Riverton

Special prize by Marwayne Board of Trade — 1. Dewberry Boys: 2 Garfield Migilly.

Judging was a very difficult task

Sixteen Years Ago Today

June 24, 1937

School superintendent Munroe MacLeod outlined the proposed new enlarged school district plan at a public meeting Saturday night

Over 1½ inches of precipitation on Wednesday and Thursday came just in time to save the crop.

Mr and Mrs Fred Maddex celebrated their silver wedding anniversary on June 12th at a reception in the Greek can hall.

Social Credsters planned a big picnic at the V.S.A. on July 7th

Thirty-two Years Ago Today

June 22, 1921

Data on the field of W. J. Macnab in the Cummings district have already reached the height of 24 inches.

OBITUARY

MRS. MAUDE SARAH TULLY

Funeral services for Mrs. Maud Sarah Tully of Mannville were held at the United church in the village of Dunn, on Monday June 11 at 2 p.m. Rev. [illegible] Brierley officiated. Interment was made in the Mannville cemetery. The Rev. A. Ashdown of Vermilion assisted.

Mrs. Tully passed away on June 8th at the age of 70 years. She had lived in the district of Dunn for [illegible] years and for [illegible] at Wainwright. Mrs. Tully was born in Marlow, Buckinghamshire, England. She was married to Mr. Alfred Tully at Oxford, Mon., and they came to Canada in 1907, settling in the Wainwright district. Mr. Tully predeceased her in 1945. Mrs. Tully was a member of the United church and was a member of the Ladies Aid of Dunn. She is survived by one son, Alfred Tully of Alberta, West Africa. A son-in-law Mrs. A. Robbins lives at Kingston, New Hampshire. There are also 12 grandchildren.

Health Unit Notes

SCHOOL MILK — SCABIES

At this time of year when hot weather demands a different kind of daily diet it is a good time to mention a few things about the different factors which are required in the normal human food intake. A deficiency of any vital item in the diet can lead to deficiency diseases just as surely as invasion of the body by a germ can cause illness.

PROTEINS

Proteins are essential for body growth and the formation of "new parts" necessitated by wear and tear. The best source of proteins are fish, poultry, meat, milk, cheese, eggs, nuts and dried peas or beans.

MINERALS

Minerals about 14 are important to the body but a lack of calcium, phosphorous, iron and iodine can cause easily recognizable diseases. Calcium and phosphorous help to build strong bones and healthy teeth. Milk and cheese are the chief sources of calcium while phosphorous is also supplied by EGG yolk, fish and cereals. Iron is essential in the formation of red blood cells and women and children usually need more than men. Good sources are liver, kidney, heart, egg yolk, molasses, dried fruits, whole grain cereals, dark green leafy vegetables and maple syrup. Iodine, in very small amounts indeed, as in iodized salt prevents simple goitre.

WATER

The body is like a big chemical factory — there is some water every day to carry on its manufacturing processes.

VITAMINS

Many people are vitamin conscious today but remember that a science probably does not know all the vitamins which the body needs so the most sensible thing to do is eat foods which provide us with a good ration of all the known vitamins. Such foods are milk, butter, fresh fruit, vegetables, whole grain cereals and some meat.

SCABIES

Just a word about scabies as the health nurses are often asked about this trouble. It is an itchy skin disease caused by a small parasite which burrows into the unbroken skin. It occurs most frequently on the hands and arms but may sometimes be found on the trunk and legs. The itching is most noticed at night when the child is in bed and warm: this is the time when the parasite burrows deeper into the skin layers today its eggs. Itching is quite often intense and the child scratches so much that his finger nails may cause a secondary infection that can be more serious than the original parasitic infection. Scabies is readily spread by personal contact. The treatment is fairly simple and you will need advice on the proper care of the bedding, sleeping garments and underclothing of the infected child. Do not try any 'Home-made Cures' for scabies or you may do more harm than good. Also remember that this disease is usually seen in children but can spread to the adult members of the family.

D D T IN THE HOME

Be careful. It is a poison and don't use it when food is exposed. Flies seem to be killed more effectively if you use a brand of insecticide containing pyrethrum as well as DDT.

BABY CLINICS

Baby and pre-school clinics will be held as follows:

Monday, June 29—Vermilion, 2 to 4 p.m.
Thursday, July 2—Derwent, 10:30 to 11:30 a.m.
Thursday, July 2 — Clandonald, 1 to 4 p.m.
Friday, July 3—Dewberry, 2:30 to 3:30 p.m.

Kitscoty News

Mr. and Mrs. J. McCorry spent the week end in Edmonton where they attended the graduation exercises of their daughter Sheila at Alberta College. Sheila won the prize for the highest standing in Chemistry 2.

Sgt. and Mrs. K. Tinney (nee Margaret Mathewson) spent the week end visiting Mrs. R. H. Mathewson, the girls' dad.

Mr. and Mrs. Mac Hiltz spent the week visiting relations and friends in Edmonton. Mrs. R. B. Hiltz of Brownvale kept house for Bobby and Wayne.

Mr. and Mrs. Archie MacLeod were Edmonton visitors last week when Archie attended the auctioneers' convention.

The last report to date from Mr. and Mrs. Ken Grey was from Connell, Wash. They are having a wonderful time.

Miss Marsen Ingils, Home Economist for Vegreville and district, spent the week end visiting with her parents Mr. and Mr. J. G. Ingils.

Mrs. Homer Hines of Streamstown spent the week end visiting her parents Mr. and Mrs. John Evans.

The United Church Sunday school family day service and film was attended by a large congregation. Pioneer reminisces, Mayor and Mrs. John Dale, who represented all fathers and mothers, were presented with floral tributes by Misses Jack Tyler and Dorothy Watt on behalf of the Sunday school.

Don't forget the musical recital in the Kitscoty town hall on Friday June 26th at 8 p.m. by pupils of Mrs. J. A. Smith and Mrs. Elsie Barry. Everyone welcome.

The W.A. of St. Johns' Anglican church are holding a strawberry tea on Friday June 26th in the Community Memorial hall from 3 to 5:30 p.m. Call around for a delicious afternoon lunch.

Jasper Park Lodge Expects Record Season

JASPER.—Jasper Park lodge, resplendent with its newly-rebuilt main buildings, opened its doors recently and indications pointed to a record year for the internationally-famous resort in the heart of the Canadian Rockies.

Lodge manager H. J. Gunning said that bookings are almost at capacity for the entire season and that they have the largest number of conventions in the history of the lodge.

The Canadian Red Ensign was hoisted up the Skoki flagpole to get the season underway on June 10 by R. Somerville, of Ottawa, general manager of Canadian National hotels.

SHOULD I TEACH?

By S. C. T. Clarke

Young people in Alberta have many vocational choices, perhaps too many for easy decision. The office, and the new industries based on gas and oil open enticing vistas. Some of the vocations which have always attracted young people are now suffering from a shortage of applicants. Such are the farm, nursing, stenography and teaching.

The young person at the crossroads of life should seriously consider all aspects of his future work before deciding. In considering any choice of life work the questions a young person must ask are: What are the chances of promotion? Is the nature of the work such that I am constantly on the move? Who decides these moves, myself or my employer? Where will I be ten years from now? Is there a salary schedule? What kind of person do I associate with? Is the work risky? Too often the glamor and the initial pay determine the choice of a career.

Consider teaching, for example. The most common starting salary after two years of training in September 1953, will be $2300 a year or 191.66 a month. For young men this cannot compare with the revised $250 to $300 a month in industry and in the oilfield. For young women it compares favorably with competing opportunities.

Consider another aspect of teaching. It requires initiative. You are on your own. You are your own best. Each morning you have to decide what to do and how to do it. Nobody is there telling you. So in thinking of your future vocation you should ask: Do I have to be bossed around? Do I like to be independent? Have I enough initiative to plan my own work? Must I be constantly supervised to get my work done? Do I need outside pressure to keep me at it?

Then there is the nature of your work. Years from now, what will you have to show what you have done? A hole in the ground several thousand feet deep? A name on a production plant payroll? Or will your work be living on in the lives and ideas of young people? Teachers say that one of the greatest advantages of teaching as a career is the sense of satisfaction in the work. When youngsters first master reading, and that light dawns in their minds, then the nature of the teacher's work is clear. When young people return to thank their teachers for great help in time of need, the value and permanence of the work a teacher does is obvious.

Should you teach? If you are not overly concerned about initial pay, yes. If you have initiative and independence, yes. If you have concern for the welfare of your fellow men, especially for children, yes.

Heaviest precipitation in Alberta this year has been in the southern part of the province. Between April 1 and June 8 Cardston, in the southwest, had received 11.05 inches. Lac la Biche, in the northeast, had received only 1.37 inches.

Canadians made 127 million long-distance telephone calls in 1952.

Allandale Notes

We are grateful for the rain. For the last two weeks since the 9th we've had showers off and on and today the 21st more showers. Our supper dance was showered out and we're hoping for a nice evening on the 23rd.

An interesting and sociable evening was had at the school on the 9th when the shareholders of the Campbell Lake power line met. Our leaders Mr. Convey and Mr. George Mead are to be congratulated on their work. Having the power one might assume that's all there is to it—Le from it we found out. Allandale was only represented by two families and we hope another time more will be able to be present. After the meeting the ladies served lunch and a social hour was enjoyed.

On June 11th the Allandale W.A. met at the Moore home in Deer Lake. It was a pleasure to have Mr and Mrs. Jonny Halstrick, Mrs. Gould and Mrs. Gillies and granddaughter present. Our minister Miss Hoggard gave a very interesting talk concerning the work of the W.A. and the fellowship in a community that is derived from this organization. It was decided, Mrs. Halstrick's suggestion, instead of our July meeting to bring a picnic lunch and after our church service on July 5th try to get a suitable place for a sociable afternoon. At our last service Miss Haggart mentioned the Clandonald congregation had the same idea, so are p'anning for Allandale to attend Clandonald service at 11 a.m. on July 5 and on to Rat Lake for the afternoon. Anyone who cares to come is welcome. Our plans for lunch were salad, baked pie, coffee to be supplied, bring your own dishes.

Our August W.A. meeting will be at the Armstrong home. Mrs. Delate Strome and Mrs. Mildred Ishlock on the lunch committee. This was to be our "parcel post" meeting.

Orlene and Paul Whelan from Calgary arrived at the Onness home for a week's holiday on June 20. On the 21st the family were all together except Jimmy Walsh, being Hilda and Don's 7th wedding anniversary on the 20th.

June 12 Mr. and Mrs. Woody Wilson and family motored to Rabbit Lake to visit the latter's sister and family. They returned on the following Sunday. A nephew Jimmy Wilson took care of the farm in their absence.

Joyce and Ronnie of Royal Park have been holidaying at the Armstrong home. We were pleased to have Joyce with us at our W. A. meeting.

We are pleased to hear that Miss Jean Lee has her own car. She is employed at the Bank of Toronto and drives to and from work every day.

Mrs .W. Hogoboam of Derwent

Bowtell Bulletin

Since last writing we certainly have had lots of rain and some hail.

Mrs. J. Rochford spent a few days in hospital while Mrs. J. Dixon we are sorry to say still is a patient there.

The last Busy Bee meeting was held at the home of Mrs. J. Morrison with 20 ladies present, among these were Mrs. Moses, Sr., Mrs. Burton, Miss Valerie Malek, Mrs. B. Repp and Miss Shirley Holms. The latter pave a very interesting talk on interior decorating.

The ladies decided to hold the annual picnic on July 1. Donations of $5.00 were raised by each of the following funds: Red Cross, Cemetery, Library, T.B. and Crippled Children. The meeting for July was cancelled. In place of this the ladies will attend one afternoon at the Farm Women's week at the V. S.A. The day will be set later. The August B.B. meeting will be held at Mrs. Sherwood's.

It was an nice to see Granny Robinson home for Sunday. The trip was made with friends from Heinsburg.

The ball game between Pleasant Valley and Island Hill played recently was a grand one, the latter being the winners. They have a score to be proud of and a good fair amp in Mr. W. Hall.

It was pleasing to see 29 attend church at Pleasant Valley on Sunday. Don't forget the early 9 a.m. service next Sunday folks.

Congratulations, although a bit late, go to Mr. and Mrs. Mallenow and on the birth of a baby boy in the Vermilion hospital

Two new houses are being built in this district. One for Mr. and Mrs. J. Seminiuk and the other for Mr. and Mrs. B. Repp.

A new water well was drilled recently at Bowtadle.

Mrs. F. Preston is now clerking at the Northern Hardware

The Morrison family certainly find their new deep freeze a great convenience and like it immensely.

Margaret Robinson entertained her 9th birthday on June 22.

The writer and family enjoyed a visit and nice lunch at the home of Mr. and Mrs. Caro on Sunday. Mr. and Mrs. Caro hope to be back in Holland for next Xmas but just for a visit.

Kenny Bladale was name from an aunt of Mrs. Baldock, is visiting at the home of the latter.

Closing Thought: Every sin, tr thought, word or deed robs life of its highest value.

OBITUARY

DAVID GRAHAM GANTON

Funeral services for the late David Graham Ganton who died on June 12 at the Lloydminster hospital, were held at U.J First United church, Vermilion, on Monday June 15th at 2:00 o'clock in the afternoon. Interment was made in the family plot at the Vermilion cemetery. The Rev. C. Vogel of Kitscoty officiated.

The pall bearers were Messrs. Peter Chatterlight, Joseph Ahlgren, Fred Slocum, Harry Teasdale, W. H. Duncan and Alex Galloway.

Mr. Ganton was born at Hillsdale in Simcoe County, Ontario, 81 years ago, but came to the Islay district to homestead back in 1906. The district in which he settled is called Ganton as a tribute to him.

He was predeceased by his wife on January 25, 1952 and is survived by eight daughters, two sons, 34 grandchildren and 3 great grandchildren. His daughters are Mrs. A. H. Keary, Edmonton; Mrs. W. Lastport, Hindville; Mrs. Duff Mc-Grath, Tofield; Mrs. W. E. Brown, Cherry Grove; Mrs. Martin Seite, Paradise Valley; Mrs. Fred Smedberg, Wainwright; Mrs. Floyd Mcdine, Calmar; Mrs. Arnold Kulas, Edmonton. One son Arthur resides in Vermilion and one son Harvey at Innisfree.

There are also two brothers Robert and Jim of Vancouver, and seven sisters, Mrs. Walter Hinchey, Edson; Mrs. J. Wyley, Islay; Mrs. G. Kitchen, Watrous; Mrs. H. Keeley, Edmonton; Mrs. D. Dryden, Islay; Mrs. C. McGrath, Tofield and Mrs. T. Martin in Ontario.

Beautiful floral tributes were received from:

Sons, Daughters and Grandson Allan: Ina and George Webb; Mabel, Howard and Isabelle; Ruth and Ellen Wilbee; Mr. and Mrs. Cartwright and Jack; Mrs. Rusel and Johnie; Mr. and Mrs. James Hinchey; Wildwood Community; Mr. and Mrs. Hugh Pearman; Mr. and Mrs. H. Teasdale and family; Carl, Florence and Wayne; Mr. and Mrs. J. Algren and family; K. Beise; Mr. and Mrs. Logan Gow and family; Mr. and Mrs. Harry Sweeney; The Wylie Family; Henderson and Elizabeth Keeley; Mr. and Mrs. W. G. Bowman and family; Mr. and Mrs. T. Pleasant Valley

It was nice to see such a large crowd at church on Sunday and to hear the Rev. Ford's inspiring address. We were pleased to see Mr. and Mrs. Hollington out from Islay and Mr. Playne from Vermilion, the latter is so much at home at the Pleasant Valley church.

Mrs. Jim Gould and Marvin enjoyed a birthday supper at the Doris home last Monday. How old Doris, sweet 17 is it?

Charlie Clark's sister and brother from McLaughlin visited here on Sunday. They purchased a bull from Bill Cryne.

Mrs Nora Playne is looking better again following an attack of flu.

The writer saw Mr. McBride on the street and looking real well again. Went to Islay one day and it was nice to see Mr. Jim Allen out in the garden for a walk. It has been nearly a year since he has been able to get out and around. The nice weather helps so much, the sweet smelling air from the roses is lovely. Guess this year have a very deep color it must be the nice rains

George Vanden Dolder and Ruth from the coast are visiting their parents

Mrs. Potvin has been nice and friend from Guelph, Ont., visiting her on the farm.

Check that date on your label. It tells you when your Sub. is due.

Sessions At V.S.A. Saturday, July 4th

F.U.A. CONVENTION TO BE HELD IN VERMILION

The annual convention of District No 7, Farmers Union of Alberta, will be held at the Vermilion School of Agriculture on Saturday July 4. It is expected that 200 delegates and visitors will arrive from the wide area included in the district.

Delegates' morning registration at 9 a.m. and at 10 o'clock President John Anderson of Dewberry opens the convention. Various committees will be appointed for the convention, and classes elected for the afternoon. Address of welcome will be heard from S. C. Heckert, Mayor of the Town of Vermilion, K. G. Urquhart, vice-president Board of Trade, and N. N. Hawley, principal of the V.S.A.

The financial statement of the district will be read and discussed. The president will give his report and reports of the directors will be heard. The balance of the time until noon will be taken up with discussion of resolutions

BANQUET TICKETS

Dinner tickets to the number of 175 will be available for dinner served in the dining room of the college, and 150 tickets available for supper at the college. These can be purchased at the door.

AFTERNOON PROGRAM

1:?0 p.m. — Resolutions.
2:00 p.m. — Address: Mr. H. Young, Prov. President F.U.A.

This will be followed by an address by the President of the Jr. Section of the F.U.A. of the province

Resolutions

Election of the new board of directors.

The final address of the convention will be by Mrs. Taylor, president of the Provincial F.W.U.A.

A cordial invitation is extended to all visitors from town and country.

IRMA SENIORS HERE SUNDAY

There will be an exhibition ball game on Sunday, July 5th, at 3:30 p.m., when Vermilion Seniors take on the Irma nine.

Board of Trade Recesses for Summer

At the meeting of the Board of Trade held Wednesday last week it was decided to follow the usual custom and recess for the two holiday months of July and August. The next regular luncheon meeting will thus be held on Wednesday, Sept. 2 at 13:10 noon at the Rio cafe.

The food, Barry Fare, came in for special praise due to the very fine meals he has been serving. Wednesday's was no exception, the ham being delicious fried spring chicken.

As the annual meeting of the Canadian Chamber of Commerce will be held in the west this year, Ed. Morton to be exact, during September, it was decided that the Vermilion body should be represented and the president Keith Chalmers and secretary F. J. Richardson, Q.C. were appointed delegates.

Canadian Legion, Post No. 11, To Hold Annual Picnic

SUNDAY, JULY 5th AT VERMILION BEACH

The annual picnic of the Canadian Legion Post 11 will be held on Sunday July 5 at 2 p.m. on the Vermilion Beach. Use the park road by the hospital.

This is a basket picnic. Coffee will be supplied.

Tickets for children's free treats will be passed out on the picnic grounds.

All Legion members and their families, ladies' auxiliary members and their families are asked to come and make this a big occasion.

New Doctor is Welcomed At Board of Trade

Dr. E. G. Evans, physician and surgeon, who has now taken over the practice of Dr. A. C. Bradford, was welcomed to Vermilion at the Board of Trade luncheon meeting on Wednesday last. Dr. Evans is a young doctor, a graduate of the University of Alberta, and presently was with the Edmonton clinic before coming to take charge of his new practice.

Dr. and Mrs Evans are now residing in the former Bradford residence. Mrs. Evans is a former Vermilion girl, "Betty Lusan", daughter of Mr. and Mrs. Ernest Lusan. Mr. Lusan was at one time accountant in the Bank of Commerce here and is now manager of the branch of the bank at Nanton.

St. Paul Bank Manager Coming To Vermilion

WM. LINDINGS TO SUCCEED R. M. WEST

William Lindings, manager of St. Paul branch of the Canadian Bank of Commerce, succeeding A. M. Watt as manager of the Vermilion branch. Mr. Watt retires on superannuation July 15. Mr. West was manager at St. Paul prior to being transferred to Vermilion.

Mr. Lindings will be replaced at St. Paul by Mr. T. E. McPherson of Edmonton.

Legion W.A. Present Prize At Kitscoty

MISS MORVEN BOOTSMAN WINS AWARD

KITSCOTY.—The Ladies' Auxiliary to the Canadian Legion, Kitscoty Branch, entertained the grade 9 students, their teacher, Mr. A. McGladrie and several of the high school staff at a social afternoon at the home of Mrs. M. K. McDonald on Monday June 28. The occasion was the presentation of a $25 scholarship to Miss Morven Bootsman, which was awarded on a surprise basis.

The presentation was made by the president of the Ladies' Auxiliary, Mrs. H. Beatty and the inspiring poem entitled "What Live For".

Morven was greatly surprised, but delighted and thanked the ladies very much for the gift. The ladies then served lunch to a happy group of boys and girls.

Mrs. George Bennett Dies At Mannville

MANNVILLE.—The sympathy of Mannville and district is extended to Mr. George Bennett and family in the death of Mrs. George Bennett Mrs. Bennett was one of the pioneers of the Mannville district coming here over 46 years ago. She will be greatly missed by all in Mannville district, in fact in the Mannville district as a whole because she took such an active part in so many activities of the district, the W.I, the Old Timers' Association to mention only a few. As a farmer, nurse she was always willing to be of assistance when needed. Mr. Bennett was a former chairman and now a director of the Alberta Wheat Pool, and Mrs. Bennett took a great interest in his work in this organization and made many trips with him.

Mrs. Bennett leaves to mourn besides her husband, two sons, James of Mannville, and Edmund of Edmonton, and eight grandchildren. The funeral is being held this morning afternoon from the United church.

Many Improvements Being Made on Grounds

Vermilion's 1953 Fair Approaches

Vermilion's Big 1953 Fair is in the offing and plans are going on apace to make sure that the current exhibition is held in line with the fine shows that have been offered to patrons for many years past. All attending the grandstand this year will doubtless be delighted with the new platform platform which is now being completed. This new platform is approximately 40 by 60 feet and will be set back 8 feet so as to provide greater space between the grandstand and the stage. The platform has been also been lowered some two feet and thus patrons sitting on the lowest level row of seating will be able to get a good view of the stage acts.

Considerable improvement is noticed also, in a new concrete floor which is being mixed in the hog barn: this, in addition to a somewhat extened show area for hogs will make it much more handy for exhibitors and give all interested in the swine industry a better opportunity of watching the judging with ease.

Livestock judging rings are being enlarged and some permanent seating for every other of the barns has been arranged. Exhibitors are assured of considerably more room than they have been available previously.

PARKING SIMPLIFIED

The main entrance to the fair grounds is also due for improvement and patrons will find parking greatly simplified when the work has been completed. A strip along the west, south and east of the spacious grounds has been planted with hundreds of trees and no time goes on before this splendid grounds will take on a new beauty. The Vermilion Fair grounds are said by many to be the best such grounds in Western Canada and the local directors are constantly seeking ways of improving the set-up.

BOYS' AND GIRLS' CAMP

The Boys' and Girls' camp is rapidly filling. Already the quota of girls has been reached while there is still room for some boys. Farm boys will find the short course offered to be attractive and Principal Hendry and his staff are making great plans for the week of July 20 to 26 when the camp will run. A banquet will be provided during the week and valuable prizes including a watch for the boy and girl standing highest in their respective courses, will be available for the camp. Applications from boys 13 to 18 are cordially invited and should be sent in without delay as the number to be accepted is limited.

CALF CLUB SHOW & SALE

The Calf Club Show and Sale will be staged on the first day of the Fair, July 23, the Manville Dressed Beef Company again showing some 80 fine calves which should prove a drawing card for all interested in the young people and in outstanding livestock. Buyers from the packing houses will be on hand and it is expected that good average prices will be secured by the exhibitors.

TRACTOR RODEO

The popular Tractor Rodeo, initiated last year will again interest the farmers who are adept at mechanical matters and are constantly involved to take part. The rodeo will be carried on under the watchful eye of Mr. N. N. Bentley and awards will be made for the various classes.

JUNIOR FAIR

School children throughout the area are evincing keen interest in the work of the Junior Fair and all teachers are urged to interest their boys and girls in the many fine classes which are available for competition. The Society is again offering a prize of a free week at the Vermilion school of agriculture next summer, for the boy or girl who wins the highest number of awards in the school work sections.

THE MIDWAY

Wallace Bros Shows will provide midway facilities and there will be rides, shows and thrills galore for the kiddies while wonderlands of interest will be open for all ages.

GRANDSTAND ATTRACTIONS

The grandstand attractions for 1953, already on tour in the southern part of the prairie provinces are receiving enthusiastic receptions at Lethbridge and Moose Jaw and reports to the effect that the show is a complete rest before commencing a practice in city

Island Hill Wins Softball Tourney

LARGE CROWD ATTENDS ALL DAY

The Island Hill softball team ruled the champions of the league when they defeated the all-star team played on the diamond at Pleasant Valley on Sunday. Displaying fine form to enjoy a 7-0 win over the former district champs, who one of the arrangement of the players, thanks to a couple of fortes bear any resemblance to the Island Hill team.

The transformation provides a greatly improved display of and service to merchandise. The new layout facilitates the movement of customers through the store, the table, aisle and wall fixtures are in natural colored birch and make beautiful furnishings. Catching the eye are the modernistic men's hat section, shirt racks and suit display. These were enhanced by the effective indirect lighting which bring out the colors of the goods.

The front end of the store has been opened by the remodelling of the windows while the windows themselves have been treated in excellent lighting fashion. Attention of passersby in the evening is attracted by the lights and color effects achieved in the store. A new stairway leads to the mezzanine and top floor

PRIZES SIGNALIZE OPENING

Opening of the remodelled store developed into a real party for shoppers both Friday and Saturday.

W. I. Constituency Conference July 10

The Alexandra - Vermilion 22nd constituency conference of the Alberta Women's Institutes will be held on July 10 at the Vermilion school of agriculture with Mrs. W. J. Garnett of Vermilion, constituency convener, in charge of the program for the day, supported by Mrs. J. I. Jones of Mannville, district director. Reports will be given on the year's work by the delegates of the eleven branches and the convenors of the standing committees. Election of new officers for the next two years will be held.

The handicraft display will be judged by Miss Shirley Holme district home economist, Wainwright.

Lunch and afternoon tea will be served in the school dining room.

It is hoped all members and many visitors will attend this conference.

Dr. A. C. Bradford Farewelled At Board of Trade Luncheon

HERE FIFTEEN YEARS

Dr. A. C. Bradford who has now left Vermilion after practising here for 15 years, was the guest at a farewell luncheon given by the Board of Trade at the regular luncheon meeting of that body held at the Rio Cafe on Wednesday.

President Keith Chalmers presented Dr. Bradford with an illuminated scroll accompanying the tribute with appropriate remarks up the faithful and kindly service which the MeDico had rendered to the community. He mentioned particularly that Dr. Bradford had given of himself unsparingly as during the war years he had been the lone doctor to care for the health, welfare and well-being of this entire community while his colleagues were absent on war service. The departure of Dr. and Mrs. Bradford and daughter Dolores was a matter of regret. Mr. Chalmers concluded his remarks by thanking the Doctor success and happiness for the future years.

In acknowledging the scroll Dr. Bradford stated that the presentation was unexpected of a surprise as he had never been active in Board of Trade or service club work, as he had been too closely occupied with his responsibilities as a physician, feeling that he could render his greatest service to the community in this way. The Doctor went on to say that he had practised in several towns before coming to Vermilion, but as a community this town and district was in a class by itself, working well as a unit for the betterment of the town as a whole. He had stayed here longer than in any other place and more friends here than in any he would ever make again. He felt that Vermilion was a very stable town with very few changes in the major businesses or among professional men. This he thought was a very desirable state of affairs. He also paid tribute to Dr. Stephens and Dr. King, saying how much he had enjoyed working with them, and along with Dr. Evans he felt that he was leaving the work here in very good hands.

Dr. and Mrs Bradford and daughter Dolores have now left for their new home in Edmonton at 9551 Rowe Road NW. The Doctor will enjoy a complete rest before commencing

Scouts Off To Whitney Camp

Fifteen happy and excited Boy Scouts loaded up camping equipment at the Brant hall early Wednesday morning and headed north to the camp at Lake Whitney.

The boys will stay for five days and are in charge of Scoutmaster Bill Mansfield.

Jas. McCorry of Kitscoty Elected President

SCHOOL TRUSTEES HOLD ANNUAL CONVENTION AT THE V.S.A.

The annual convention of the Vermilion Division, School Trustees Association, was held at the V. S. A. on Saturday June 20 with a rather small attendance, due no doubt to the muddy roads at the time.

The meeting was opened by the President Mr. Mekiejohn of Marwayne and following the usual business Mrs. T. Burke gave a very fine report on the Provincial Trustees convention held in Edmonton last November. She stressed the need for more women taking an interest in and acting on school boards. Divisional boards were urged to promote the Bursary system so as means to alleviate the teacher shortage. She also explained the school book rental system now being tried out in seven divisions.

There was some discussion on making the boundaries of school divisions and municipalities co-terminus.

Following the lunch period the delegates were officially welcomed to Vermilion by His Worship Mayor Heckbert and expressed the wish that a profitable convention would result

The resolution committee appointed was comprised of Mr. R. J. Findlay, Mr. R. Golightly and Mrs. Findlay.

Greetings were extended to the gathering from the A.T.A. by Mr. F. H. Walker of Vermilion and by Mr. D. C. McGrath on behalf of Vermilion School Division Board.

S. D. Simonson, school superintendent talked on planning of new school buildings. Mrs. Butterworth of the A.S.T.A. spoke in the absence of Mrs. McLeod of Wainwright. Her topic was the teacher shortage and ways to overcome it.

Mr. Cranmer brought greetings from the Holden school division and stressed the importance of the members of the local school boards.

Hon. A. O. Aalborg gave a very interesting talk on the help that the Alberta government was extending to education.

ELECTION OF OFFICERS

Election of officers resulted as follows:

President — Mr Jas. McCorry, Kitscoty
Vice-Pres. — Mr. R. Golightly, Marwayne
Secretary — Mrs. W. S. Campbell, Vermilion

Executive — Mrs. W. A. Genn, Paradise Valley; Mr. Geo. Cunliffe. Furness; Mr. Jas. Pierce, Marwayne. Mr. John Anderson, Dewberry. Mr. D. D. Dibben, Vermilion.

The sessions were closed by singing "God Save the Queen".

DEATH OF MRS. W. J. MOSES

Mrs. Augusta Moses, beloved wife of Mr. W. J. Moses passed away at the Vermilion hospital on Sunday June 28 following a short illness. She was 73 years of age. Mrs. Moses had suffered a stroke a week before but appeared to make a satisfactory recovery so that the many friends and acquaintances were shocked when they learned of her death. She was a long time resident of Vermilion.

She is survived by her loving husband, four sons, James, Ray and Robert of Vermilion, and Harry of Edmonton, Alberta; three daughters Mrs. George Harrison and Mrs. Roland Golledge of Vermilion, and Mrs. William Elgin of Vancouver. There are five grandchildren.

Funeral services were held on Wednesday, July 1 at 2:00 o'clock in the afternoon at the United church, Vermilion, Rev. C. W. MacKay officiated. Interment took place at the Vermilion cemetery. Arrangements were in charge of arrangements.

Chartered Accountant To Open Office Here

Mitchell Taylor, Chartered Accountant, intends opening an office in Vermilion and will spend his full time here. He is temporarily located at Franco Oils Ltd. where he may be contacted.

Mr. Taylor has had considerable experience. For 12 years he was a member of the staff of Price, Waterhouse and Co. of Montreal and Calgary. He presently comes from Edmonton where he has been the resident manager of Riddell, Stead, Graham and Hutchinson, Chartered Accountants.

Alliance Chapel Being Remodelled, Enlarged

The Christian and Missionary Alliance has made arrangements to hold Sunday services at the Elks hall while work is being done on the Chapel. It is being remodelled and renovated. The plans call for a completely new roof, new ceiling, re-plastering of the walls, new lighting with a 20-foot extension in front of present building with full basement

This building was built in 1907 and was used by the Baptists and Disciples. It has been occupied by the Alliance for the past 11 years and it has now become necessary to extend the building to accommodate the congregation.

SCHOOLS CLOSE FOR SUMMER VACATION

Some 600 young people were free from school responsibilities by Tuesday afternoon, as nothing of some 26 teachers in the town of Vermilion, Schools re-open on Tuesday, Sept. 1.

Plans of the teachers for the most part are unsettled, as the Standard but according to reports Cupid is making inroads into the ranks of an exceptionally capable group of teachers which the town schools have been fortunate to attract.

At least five of the teachers, Mr. F. H. Walker, Mr. W. F. Stewart, Miss Oldenberg, Miss MacZeanie and Mrs. Kibbe will attend University summer sessions.

Craig's Open Their Transformed Store

KATHLEEN M. BURT, HAZEL-DENE W. SWING, GLADYS VILLE BIG PRIZE WINNERS

The grand opening of Craig's Specialty store on Friday and Saturday gave everyone a look at an entirely changed main floor. Gone are the old fixtures and in their place are those of the former furnishings, now did the arrangement of the Bank of Montreal in Vermilion have any resemblance to the former layout.

The transformation provides a greatly improved display of and service to merchandise. The new layout facilitates the movement of customers through the store, the table, aisle and wall fixtures are in natural colored birch and make beautiful furnishings. Catching the eye are the modernistic men's hat section, shirt racks and suit display. These were enhanced by the effective indirect lighting which bring out the colors of the goods.

The front end of the store has been opened by the remodelling of the windows while the windows themselves have been treated in excellent lighting Attention of passersby in the evening is attracted by the lights and color effects achieved in the store. A new stairway leads to the mezzanine and top floor

PRIZES SIGNALIZE OPENING

Opening of the remodelled store developed into a real party for shoppers both Friday and Saturday.

The first shopper to enter the store on Friday morning was presented with an expensive pair of nylons. Thereafter once every hour unusually large shoppers in each department were apt to have a pair of nylon stockings, bathing trunks, nylon blouses, tie or some other equally acceptable article handed to them as the prize of the hour

Every person who entered the store had a chance at the two grand prizes, a ladies' summer coat and a men's topcoat, each valued at $30.50. The names of the lucky winners were drawn at 8:30 p.m. on Saturday and were Mrs. Kathleen M. Burt of Hazeldine and Mr. W. C. Ewing of Marwayne.

The history of Craigs in Vermilion dates back to 1905 when they established their first store. Although having the urge to expand they next opened a store in 1911 in the rural district of Cunningham, south-west of town, then followed Craig's stores at Alix, Alberta and Porterfield, Sask. The big store at North Battleford, an ambitious undertaking along with two equally large projects at Prince Albert and the original store at Vermilion now complete the present line of Craig Brothers stores.

The local management has received wide commendation and praise for the transformation that has been achieved in the Vermilion store and to those the Standard adds its congratulations.

Vermilion Rink At Summer Bonspiel, Nelson, B. C.

Vermilion will be represented by a rink of curlers at the annual summer bonspiel held at Nelson, B.C. This commences on July 6th. The members of the rink are Dr. Ben King, Gordon Ross, Joe Tan and Bob Helmer. The boys were gaily bedecked in white Batmens on which were crests of the Vermilion Curling club, and wore Vermilion shirts. They expect to return about July 15, taking various side trips both before and after the bonspiel.

A regular caravan of cars pulled out for Nelson as each of the curlers took his family along for the summer holiday.

Building Permits Increase

MANY HOUSES IN PROSPECT

A special meeting of the town council was held Monday, June 22 with Mayor S. C. Heckbert and Crs. H. J. Payne, D. R. Mitchell, Geo. Webb, G. W. Sutherland, K. G. Urquhart present.

Car Rodeos Designed For Driving Tests

AVAILABLE TO ALL TOWNS OR SMALL COMMUNITIES

Safer and more skillful driving are being encouraged through the car 'rodeos' of the Alberta Highway Traffic Board.

Patterned after the well known truck rodeos, the car rodeos are built around a series of scientifically designed tests through which average motorists drive regular stock models of cars.

The tests call for exacting driving on the part of the contestants, and serve as a practical demonstration to the public of the skill required to drive a car safely and well.

Any municipality or organization wishing to promote a car 'rodeo' may receive information from C. J. Kenney, Technical Advisor, Highway Traffic Board, Edmonton. The officials of the Highway Traffic Board, Alberta Motor Association and the Alberta Safety Council will assist in staging and judging the event but a local organization is required to act as sponsors. Permission to use a section of road for the 'rodeo' must be obtained from the local municipal government.

"$1,000 Conscience"

WINNIPEG.—One of the largest payments of 'conscious money' ever received by the Canadian National Railways arrived at the company's treasurer's office by mail recently.

It was a draft for $1000, issued through a Winnipeg bank and was accompanied by a slip of paper with the words 'for the transportation department.'

At Edmonton recently the C.N.R. received another $3 'conscious money' which the unidentified sender said he owed the company.

New Rural Electrification Area Formed

M.D. OF VERMILION RIVER LEASES LANDS

The following is a summary of the minutes of the meeting of Council of M.D. Vermilion River No. 24, held in the municipal office, Kitscoty June 9 and 10.

Present: Reeve Arthur Clarke, Crs. J. D. Sloan, J. C. Wallington, P. McGuigan, J. H. Kelly, T. Belsheim and D. G. Lawrence.

The minutes of May meeting were accepted as presented.

Financial statement for May was accepted.

Accounts approved by Finance committee were passed for payment.

Gordon Mason was recommended for a licence to operate a lunch bar and grocery business on highway 16 at Blackfoot.

J. F. Hawkes was recommended for a licence to operate a confectionery and tobacco business in the theatre lobby at Paradise Valley.

Hilton Rothan was recommended for a licence to operate a billiard room and confectionery business in Paradise Valley.

The Council approved the construction of power transmission lines for the Belsomp Rural Electrification Assoc. Ltd. along the highways, streets, lanes, avenues of the said Townships and Ranges, and further to consent to a Permissive Order being granted by the Board of Public Utility Commissioners of the province of Alberta in order that petitioners may be served with electrical energy.

Permission was granted to the Islay Electrification Assoc. to cross NE. 17-50-4 for the purpose of erecting power line poles.

Application was made to the Dept. of Public Health for Final Certificate for Islay Community cemetery.

By-laws were given 3 readings and carried regarding the leasing of the following lands: S and NW 15-54-4 to Fred Day for $150; NE 21-45-5 to Cora Walker for $100; NE 28-55-5 to Luther Stewart for $30; SE 12-55-1 to Ivan Fleming for $35; W¼ 28-53-1 to Marshall Franklin for $60; Pt. N¼ 15-50-4 to H. Waterfield for $75; Pt. NE 22-50-4 to H. Waterfield for $40; Pt. S¼ and NW 23-50-4 to H. Waterfield for $20; NE 15-49-2 to Eric Earl for $50; SW 36-49-6 to Alex Ross for $80; W¼ 18-49-2 to Elric Earl for ¼ crop share; SE 20-53-1 to Gerald Franklin for ¼ crop share; NE 10-55-1 to Lawrence Coates for ¼ crop share and $15 cash.

By-law 667 to repeal by-law 643 concerning leasing of SW 28-53-1; NE 20-53-1. Cld.

By-law 670 concerning sale of Lots 5 and 6 Blk. 4, Streamstown. Carried.

By-law 671 concerning sale of 0.26 on SE 17-57-5 to C.P.R.. Carried.

Moved that Cr. Kelly and J. Batty be appointed a committee to take charge of all matters pertaining to town and rural planning in Blackfoot and Lloydminster rural area. Cld.

By-law 672 concerning a grant of $100 to the F.U.A. given three readings and carried.

Kitscoty Music Recital Well Attended

KITSCOTY.—The musical recital of Mrs. Batty and Mrs. Smith was attended by a large number of people last Friday who enjoyed an evening of fine music consisting of about 32 numbers of vocal, piano solos, duets and trios. At the close of the evening's program Miss Doris Jack asked Mrs. Batty and Mrs. Smith to please come on the stage where Miss Marjorie Malkin presented Mrs. Batty with a beautiful arm bouquet of flowers from her music pupils. Miss Sylvia Sheppard made a similar presentation to Mrs. Smith on behalf of her pupils. These energetic ladies, surprised at being thus honored, thanked their students and parents for their thoughtful gesture and said how they had enjoyed the past year of music and teaching. An enjoyable evening was brought to a close by the singing of 'God Save the Queen.'

Children From Yukon At Alberta's Red Cross Hospital

Nine poliomyelitis patients from the Yukon, where 130 have been stricken, are being accepted by the Alberta Red Cross Crippled Children's hospital for treatment in answer to an urgent appeal by Dr. M. R. Bow, chief medical officer of the Yukon.

The patients will be under the 16-year-old age limit imposed by the hospital.

At a special meeting, members of the Red Cross hospital board had no hesitation in complying with Dr. Bow's request.

Dr. R. G. Townsend, chief orthopedic surgeon said that the Red Cross always answers emergency appeals and this time is no exception.

Red Cross work in the Yukon and in N.W.T. is administered by Alberta Division although this is the first time that an epidemic of polio has called on the resources of the Alberta Red Cross.

While it is not yet known when or how the polio patients will arrive in Calgary, it is expected that no time will be lost in transferring them following the isolation period so that the specialized polio treatment given by the Red Cross hospital can be put into effect.

Mannville Local Items

Mr. and Mrs. R. S. Jonston are leaving this week for a month's holiday at the coast. They will visit with their two sons, Guy and Bill and their families. During their absence Mrs. E. Mervyn of Edmonton will be in charge of the store.

Mr. and Mrs. Jack Chrysler of Edmonton are visiting in Mannville and will be here over the July 1st holiday.

Mr. Alex Peskiliets, son of Mr and and Mrs. J. W. Peskiliets who has been teaching at Dawson City is spending his holidays at home. He will look after the shop while his father and mother are on holiday.

Mr. W. Johnstone (Scotty) is spending part of his holidays in Mannville with his son J. Johnstone and family. He will be here for the Stampede.

Mr Allan Williams who has been teaching at Vilna is holidaying in Mannville.

Mr. and Mrs. Ross Ewing and family and Miss Phyllis Ewing left on Saturday to visit with Mr. and Mrs. H. Brown, near Lac La Biche, on the Alaska highway.

Messrs Allan Finlay and Jack Clark left last week to visit with Mrs. Finlay's sister Mrs. Arthur Maple at Hythe.

Mrs. Ingrid Amond from Chatham, Ont. is visiting with Mr and Mrs. E. Hubbard this week.

Sixteen Years Ago Today

July 1, 1937

A farewell party was held in honor of Mrs. R. D. Fraser who was shortly leaving to live at the coast.

Tuesday June 27 will be probably talked of for years to come as the hottest day ever experienced in Vermilion. The official reading at the school of agriculture was 97 with the low for the day being 70. Despite the heat golfers were playing on the fair grounds course, tennis players were hard at it all evening and softballers indulged in that pastime. The largest kissel however was at the old swimmin' hole in the river which was really a popular place all day and evening.

Crop conditions in Saskatchewan were the worst on record.

Alumni meeting and farm women's week were planned for the V.S.A.

Thirty-two Years Ago Today

June 29, 1921

Two hours heavy rain fell Thursday evening.

Matthew A. Brimacombe has been appointed Returning Officer for this riding for the forthcoming provincial election.

Representation in the Alberta legislature was increased from 58 to 61 members. A. W. Ebbett represented Vermilion. Chas Stewart was the premier.

Vermilion Scouts planned to leave during the week end for the annual camp at Rati Lake.

Scottish Pipe Bands At Elk Island Park

Sunday July 5, being the occasion of the annual picnic of the Edmonton Scottish Society, the hills and picnic grounds around Elk Island Park will again resound to the skirl of the bagpipes. The afternoon program from the bandshell will include selections by the Edmonton Boys' Pipe Band and the Edmonton Girls' Pipe Band under the leadership of Pipe Major . Stout with Highland dans + vocal and instrumental numbers interspersed.

The Scottish program has always proved popular at the park and visitors are assured of one of the best programs of the year.

Concert starts at 3 p.m.

At 7:30 p.m. a program of travel films will be presented by the National Film Board.

Dangerous Occupation

Farming is a hazardous occupation. The Accident insurance companies realize this and hence the higher rates for farm operations.

In this one province of Alberta, tractor accidents resulted in 46 deaths in the past two years. That is a terrible record. It should lead every farmer to exercise the greatest care in tractor operation.

The Alberta Wheat Pool urges that farm people carry out a careful program so that the number of farm accidents may be reduced.

A farm accident protection poster will be sent on request, free of charge, from the Publicity Department, Alberta Wheat Pool, Calgary.

ISLAY

Bruce Easton, an Islay boon boy, who moved to Vancouver some years ago with his parents, was a caller in Islay this past Sunday. He had his two children with him. He now lives in Edmonton.

Mr. and Mrs. Albert Beck have returned after spending some days with their daughter and her family in Edmonton.

Mr. and Mrs. Fred Bell, now of Calgary were callers in Islay on Friday. Fred is a D.A. now and they had been at an Agricultural conference in Saskatoon and were calling on friends on the way home. We were glad to see them again in the evening at the strawberry short cake social. Fred is a graduate of the Calgary normal school, also of the U. of A. He is a prominent figure in the United church.

While in Calgary recently we called on Rev. A. T. and Mrs. Bell. They wished to be remembered to their Islay friends. They still have fond memories of Islay.

Mrs. Ida McFarlane of Winnipeg is visiting her sister Mrs. R. Martin.

Mr. and Mrs. Arthur Parkinson and family of Vermilion, B.C. are visiting Mrs. Parkinson's parents, Mr. and Mrs. Hutchinson. Gene Hutchinson and family of Edmonton were also week end visitors there.

Raspberries seem to be heading for a good crop this year from the amount of blossoms. Mrs. R. Martin's ad has a large patch and will have berries to sell if nothing happens.

The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

FAIRFIELD RELIEF CLUB

An announcement is made that 150 acres of Canada's new wheat C.T. 186, produced to be resistant to 15-56 Race of stem rust, will be sown last winter in Southern California, and arrived in Canada in time for planting this May, and which has enabled nearly 3000 acres to be sown this spring in Canada of this new variety.

The system of growing wheat in the winter in California more than doubles the amount of any new variety that can be produced, for it enables two crops to be grown in one year, one crop in Canada which is harvested normally in August, rushed by fast truck to California, sown immediately on land leased by the Dominion Government there, and harvested in early May and then rushed back by express truck in time for seeding in the West.

This is a remarkable innovation, but which is quite in keeping with the initiative and enterprise shown by all those scientists who are engaged in the production of new varieties of wheat for Canadian use.

It is, of course, not yet decided whether C.T. 186 will be licensed; but that decision we have to wait awhile.

Our Letter From England

Last week we left off while enjoying a visit to Bath and we had just driven up far on a side hill to Limpley Stoke Hotel which Queen Victoria had had erected for a summer home. The trees on the grounds are strung up with colored lights which are never turned off making a very spectacular display. Later when the children were asleep and Bert busy in the writing room, Richi and I strolled around in the balmy evening air. Tablets in the walls of the same building we were staying at indicated how the homes of Lord Nelson and the Earl of Chesterfield had once been. Following the sound of running water we came to the Wiersa where water poured over a dam at a point where the Avon appears as it flows out from under the 2 blocks of the town itself. On the left the Abbey gleams high up in the sky but the lower part is dark and grimy. £28,000 has been spent on renovating its upper sections with £8,000 still needed for repairs. Each hour on the hour the Cathedral chimes just across the street were peeling, in their lovely melody. There was a very striking building gleaming high among the trees in the distance which we learned was Sham Castle, actually just an illuminated wall built by a wealthy eccentric to have something brilliant to see from his home.

In the morning we visited the Roman Baths built about 400 A.D. There is the Reservoir, King's Bath, the Cross Bath, the Great Bath and the East Bath as well as the Mineral Hot Springs at a temperature of 120 degrees F. We viewed this through hot vapor in a small room built over it. Under arches, a hot room with mosaic floors can all be seen. In the museum are many fragments gems from singet rings or seals is of considerable interest. One of the finest Roman bronzes ever discovered is the head of Minerva dis[illegible]

Leaving Bath we drove to Ilchester to see the barracks where Bert was stationed the first time he was in England and where George visited him. Both he and the Bull hotel we drove to nearby Yeovil where I was shown the cottage where Bert and Richard lived seven years ago. The ruins of Sir Walter Raleigh's castle are there also one can visit for from Yeovil but are not open to the public.

I must say that I am pleased to note that I am to have the Simon sons and stokes for neighbors, although I did miss Bert's help in getting at me to get that cold Pen ink off the clothes.

Mannville and District Home & School Hold Annual Meeting

MANNVILLE — The Mannville and District Home and School annual meeting was held on Thursday last in the school auditorium. During the first part of the meeting showing pictures of the local Coronation Day parade, Highland Games at Vermilion and other pictures of interest were shown. These were all taken by Dr. Hasinoff.

A short discussion was held on the advantages and disadvantages of split grades. With 16 teachers it might be possible to avoid this. The teachers present were all agreed that it is impossible to do justice to more than 30 pupils in one room.

The Home and School is again sponsoring the vacation reading at the library this summer. Birch Creek W.I. donated $1.30 for magazines for the school and Mrs. Dempsey hoped that it would be possible to have magazines for each room in the new term.

Mrs. Finlay was re-elected President for the following year. The other officers are as follows: Vice-President — Dr. Hasinoff, also re-elected; Secretary — Mrs. Jas. McLuckie; Treasurer — Mrs. Don Upton. Town Rep. — Mrs. F. Proudfoot: for the van routes, Brandon — Mrs. A. Hubbard, Forest Hills — Mrs. L. Roe, Hamilton — Mrs. H. Calder, Ramsay-Claysmore — Mr. O. Wilms, Clovelly-Stellaville — Mr. Harry Robertson, Twighton-Tanbarton — Mrs. H. Hamilton. The other van routes will be left until September as there were not many present from them.

Before the meeting was adjourned Mrs. G. Young, past president, expressed regret on behalf of the Home and School and a feeling so many of our teachers but wished them well in their new schools and also thanked them for their help in organizing the Home and School and helping to run successfully. Particularly will Mr. Olsonberg be missed, he has been principal of the Mannville school for 10 years and has accomplished a great deal in that time. Mannville has had a great number of Honor students in the time that Mr. Olsonberg has been here, and the school has been in the fore in sports as well.

Mr. and Mrs. Martin Bruce of Dewberry left this week for California where they plan to reside in future.

WELCOME,
F.U.A. Delegates

It is a source of pleasure to have the F.U.A. hold the Annual Convention in Vermilion. We extend a warm welcome to the delegates and visitors.

Woodvale News

Frequent showers have fallen in our district, much more in the northern half than in the south and Tolland part, but in the end we all received a good deal of moisture.

The hailstorm that passed over the community on the 22 did badly some crops and gardens, but not beyond repair, though the nice field of rye on the Wes Funnell farm was damaged considerably.

According to travellers from the southern part of Alberta crops look much better here than in the rain-soaked areas there, even in fields that did not get any appreciable moisture since seen here.

DEATH OF ERNEST SHIELY AT LAMONTHEAD

It was with sorrow that his old friends and neighbors heard of the death of Ern Green in Abbotsford, B.C. on June 24th, just a week after he left the hospital at Lamont with so much hope. The deepest and most sincere sympathy of the whole community goes out to Mrs. Green, Wes Isley and Ray Preston left immediately for the funeral which was held in Abbotsford on the 27th. We hope that they were able to convey to Mrs. Green the feeling that all her friends would like to have been with her that day.

RE BELL PHONE LINE

The first work-bee for the Woodvale Mutual telephone company was quite a success and about 7 miles of line were re-set or rebuilt in two days. Now there are again numerous changes in telephone numbers, anyone interested please copy the following: Six were hooked on to line 34 they are: Robert Galloway 2626; A. F. Galloway 2627; Pringle Galloway 2619; Luther Thompson 2428; Ken Watt 2616; Bob Hobbis 2414. Five others went back on line 23 with different numbers. They are Gouliers Bros. 2307; Wes Isley 2311; Pete Rund 2308; Dave Sweeney 2319; F. Van Wageningen [illegible]

We wonder how many saw the jet plane going over leaving a beautiful arched vapor trail in the sky? And how many more afterwards gazed at that strange white halo in the air. It must have been flying at a tremendous height as we were able to follow its passing, which looked almost overhead, for quite awhile. Afterwards we heard that others almost 40 miles north of us saw it too and it looked overhead to them too! It's of course not uncommon to hear jet planes go by but not to hear and see them for any length of time and with the vapour outlined so long unruffled in the heavens above. A wonderful sight for the first time.

SHOWER MISS-LIEU

A shower was held in the Ganton school on June 25th in honor of Doris Thomson who will be married this week. It was unfortunate that an otherwise welcome rain made it impossible for so many to attend but we understand that she received a great many beautiful presents and a most pleasant evening was enjoyed by everyone.

PICNIC NEXT 15

The Tolland F.U.A. annual picnic will be held on July 15th on the grounds just west of Tolland store with a dance in Ganton school in the evening. Ball games, children's sports, a refreshment booth, bazaar, grabbags, in all will be found there that day for your enjoyment! So remember the day, July 15.

A New Exhibit For Vermilion Fair

BY LINE ELEVATORS FARM SERVICE

Something completely new and different in travelling agricultural exhibits has been launched on a tour of Western Canada by the Line Elevators Farm Service. Maintaining their reputation for attractive and instructive agricultural exhibits the Line Elevator Companies will be represented at the 'E and 'C' class fair circuits in 16 Western Canada by another Agricultural Show on Wheels'. This modern educational display is another step forward in the program of agricultural work designed to promote better and more profitable farming practices in the prairie provinces.

A LUXURY TRAILER

The 1953 mobile exhibit is a large luxury trailer, containing a number of attractive, entertaining and instructive agricultural displays.. It is the latter word in 'travelling farm schools'. One of the subjects that is featured this year is 'Farm Safety'. Mechanically-operated small scale models show the main causes of farm accidents. Another exhibit deals with 'Soil Erosion' while a third display is an interesting 'peep-show' portraying the more important 'Insect Enemies' of agriculture in western Canada. The current exhibit will carry a full line of authoritative publications dealing with crop production problems. These are available to farmers, free of charge. A member of the Farm Service Department will be on hand to answer questions.

The Line Elevators extend an invitation to all readers of the Standard, particularly farm people and grain buyers, to visit the new 1953 'Agricultural Exhibitour' when it is on display at the local fair. Watch the Standard for further announcements. Line Elevator grain buyers are urged to put their full support behind the activities of their local Agricultural Society. Help to make your own community fair an outstanding success in 1953. Let's see you at the Fair!

WHO LOse At

There w'll be thousands of disenfranchised Canadians. But don't blame vacuous slickers, harvest or other work, or the Aug. 10 date, says The Financial Post.

They will be disenfranchised because they are too little concerned about the country's well-being to stir themselves from their hammocks and go to the polls.

Only Pontiac OFFERS YOU 20 BEAUTIFUL MODELS TO CHOOSE FROM

Here's just one reason why Pontiac has won a leading place in public favor more quickly than any other car! Only Pontiac offers you 20 beautiful models to choose from . . . each a masterpiece of design and craftsmanship. And no other car can match Pontiac's dazzling rainbow of exterior colors, two-tone color harmonies and luxurious, color-keyed interiors. What's more, extra roominess has been cleverly engineered into every 1953 Pontiac without increasing over-all size, and such advanced features as crank-operated front Vent-Panes and handsome Panoramic-View instrument panels are standard equipment in all models.

Only Pontiac OFFERS YOU 3 GREAT SERIES

Here's more proof of Pontiac's all 'round superiority. Only Pontiac offers you a selection of 3 great series—the Fathdaler, Fathdaler Deluxe, Laurentian, Chieftain, and Chieftain Deluxe. Again, only Pontiac offers you a choice of TWO great automatic transmissions! The new, finer Powerglide, optional at extra cost on the Fathdaler Deluxe and Laurentian series, gives new, flashing acceleration, greater economy and new over-all performance. And sportscar-like Dual-Range Hydra-Matic Drive, optional at extra cost on the two Chiefain series, gives you exactly the power you want, where you want it, when you want it!

Vegreville School Division No. 19 Reports of Board Meetings

On June 15 the Board of Trustees of Vegreville School Division No. 19 held a special meeting in immature school for the purpose of again meeting with the teachers' salary negotiating committee in an attempt to settle on a new salary schedule for Sept. 1 next. All the Board was present with Chairman S. Hinton presiding and trustees R. J. Whitson, M. T. Tyrn, W. G. Forsythe, L. S. Cole and A. T. Mandrak. The Teachers' comittee was composed of Messrs. Chomik, Olsonberg, White, Tomyn and Fedoruk.

At this and previous meetings with the Teachers' committee, the Board has made a series of offers in attempts to bring about a settlement. The last offer of the Board was an increase of the basic salary by $150 to $1950 and an increase of $100 in experience increments, to $1100. This would effect an average increase of $242, some 8½% over the salary of the present year. This offer was not accepted by the Teachers' committee, who countered with a proposal of a basic of $2000 and eleven increments of $300 each. No agreement was reached at this meeting and further meetings between the two bodies will be necessary.

On June 22 the Board met in regular session at the div'l..cal office with all trustees present. After disposing of routine matters of minutes, financial reports and accounts, the Board devoted most of the meeting to consideration of probable enrolments for fall and the necessary establishment of new and amended bus routes. It is expected that all available classroom facilities will be taxed to capacity at the fall opening. The following schools that are now operating will be closed and transportation arranged: Lefield, Underwood, Sich, Scotstoun, Zeparuz, Bloomington, Bruno and Chatsworth. In response to the Board's advertisement for bus operators, applications were accepted from G. H. Rustad for Lake Gilroy route and N. Yakimyshyn for Zeparuz route. The new route to serve Ottawa and Chatsworth will be advertised. The Board interviewed a number of delegations in regard to bus routes. A committee of the Board was appointed to deal with some required alterations in present routes.

The Board heard reports on the current building operations and also the engineer's estimate for Mannville drainage system. No action was taken on this pending decision of the Village in regard to sewers. Instructions were given to Mr. Eckmeyer in regard to maintenance of buildings.

The Board accepted, with regret, the resignations of Miss E. Werezuk, Miss L. Collins and Mr. S. Olsonberg. The Board came to an arrangement with Mr. Olsonberg for cancellation of his present contract on the Mannville residence.

A new appointment to the staff was Mrs. M. Clement with placement in Vegreville primary. Further placements were Miss Eileen Macdonald to Old Vegreville, Miss Margaret MacMillan to Mannville and Mrs. Dorothy Purvis to Vegreville High.

The Board interviewed R. Bodard who asked release from his agreement operate school buses. The Board agreed on suitable operators who might take over his routes.

Board adjourned, to meet again on July 22.

Clandonald Sports

Wednesday, July 8

The Clandonald Board of Trade has planned a big sports day for that town on Wednesday, July 8th headlined with a senior baseball tourney with prizes of $100, $50 and $25. Entries should be made to the secretary, Bill Specht.

Ladies' softball with $25 as first and $10 as second, horse shoe tossers tournament with $5 first and $2.50 second money.

There will be a dance at night, booths on the grounds, races for the children to round out an excellent program. 45-8a

Triangle Picnic

Triangle district will hold their annual picnic and sports at their grounds a half mile west of Triangle school on Friday July 10. Senior baseball games and sports for all. Dance at night. 46-81

Bob Buck Awarded $2,000 Fellowship

FORMER VERMILION BOY

Robert J. Buck of Edmonton, a graduate student of the University of Cincinnati, has been awarded a $2000 scholarship for study in Greece. It was announced last Monday.

Mr. Buck was awarded the John Williams White Fellowship in archaeology offered by the American School of Classical Studies at Athens. He will sail in September for Athens.

A veteran of the Canadian Army, he received his BA from the University of Alberta and his MA from the University of Kentucky. He graduated from the Westglen High school in 1944.

He is the son of Mrs. F. J. Buck, 8244-116 st. He is expected to visit Edmonton next week. —Journal.

Bob will be well remembered in Vermilion as he was born here and started to the local schools prior to the family moving to Edmonton.

Oh, Oh! . . .

Here we go again, raving about our

GRADE NINE STUDENTS VISIT EDMONTON

OUR TRIP TO EDMONTON

Usually the word "traveled" is applied only to those who have travelled abroad extensively. But, I'm sure, if you were to talk to any of the members of the Grade Nine class after their trip to Edmonton on May 22, you would gain a completely different idea of the word. For, if you were to listen to their story, one had only to spend a day touring Edmonton with the Grade 9 class to become not only a full-fledged "traveller," but also a person inured to "motorous perils."

We left Vermilion about 7:00 in the morning and after travelling for about an hour and a half we descended upon Vegreville. While there we stocked up with a fresh supply of edible goods and then continued on our way. After another hour and a half we landed in Edmonton and were all set to try and do our best to uphold the general peace and quiet which prevailed over everything but the class. The best place to start seemed to be at school, but where could we find one with completely ultra-modern facilities? None other than the model of all high schools, Victoria Composite. There, we were conducted through a seemingly endless number of interesting rooms, gymnasiums, swimming pool, auditorium, shop rooms and finally the home economics rooms. Here, the delicious odors of meals in preparation became over-powering, and we settled upon Mr. Stewart to conduct us to our next stop, the R.C.A.F. Edmonton Station, for lunch.

We had received an invitation to have lunch in the Officers' Mess, and upon our arrival at the Station, we were met by our guide, Educational Officer Scott, who lost no time in conducting us to the mess hall where we had an excellent lunch served cafeteria style—a new experience for many of us. After lunch we were taken on a tour of the Station and saw many things of interest. We climbed over, under, and through a C-119, 'Flying Boxcar' and a DC-3 transport plane, and looked at many others. Perhaps the most interesting feature in front of us was a visit to the Survival Training school, where we saw displayed a great variety of foods, animals, birds, tools, etc. for use of airmen who might be forced down in remote parts of the north. We saw stuffed animals and birds that could be used in emergency, for food. Displayed too, were many tools that had been fashioned from salvage materials, and also from materials found on the spot. These had all been constructed with the use of a knife and a hatchet. After thanking the officers for their kindness in so generously showing our questions, we set out for our next visit, Canada Packers.

Upon entering the plant we were greeted by a distinctive and unforgettable odor which followed us throughout the plant. While this was the feature of Canada Packers which struck us most forcefully, we were much impressed with the efficiency of the workers, and their deftness in handling the various tools and equipment.

Now for the climax of our tour—the Legislative buildings. The first thing to see, once inside the great and impressive structure, was the Legislative chambers where the members of the legislative assembly meet for their discussions. The floor on which the chambers are located is called the "Rotunda Floor, and here most of the woodwork is of mahogany. Including the furniture. We were disappointed in the Mace when the guide showed it to us. We expected something far more elaborate and valuable. However, he explained to us that it is the significance of the Mace and not its face value that is important.

At the legislative buildings many of us had a real thrill when we had our first ride in an elevator which took us up to the Museum. The display of stuffed animals and birds was most interesting and we wished that we might have more time to examine them.

By this time we were so hot and tired that some decided it would be a good idea to go for a swim at the outdoor pool in Queen Elizabeth Park. Those who didn't swim, continued on to the University and toured the campus, although it was too late in the day to see through the buildings. Returning by way of the park we picked up the swimmers and headed for the Y.W.C.A. and supper. This proved to be another most enjoyable meal, also served cafeteria style, and then we boarded the bus for home.

Because of our early rising and our full day, the teachers expected a quiet return trip to Vermilion. What a disappointment for them! We had been boisterous up to that point, and saw no reason to change, so under Mr. Stewart's guidance, a lively return journey was experienced.

In closing we wish to extend our sincere thanks to Mrs. English, Mr. Stewart and Herbie Little for making this never-to-be-forgotten trip possible.

Dewberry Is Proud Of The Boys' Band

(CONTRIBUTED)

I think that I am speaking for the people of Dewberry and district when I say that we are proud of our boys' band.

Under the capable leadership of Mr. Waldemar Protsch, these boys have made remarkable progress. In April of last year Mr. Protsch started with 9 boys. They then suspended operations until October due to the polio epidemic. Now there are 36 boys and as many instruments. The boys' ages vary from 9 to 15 years.

They acquitted themselves very creditably at Lloydminster during the Coronation celebrations and received a congratulatory letter from the Board of Trade of that town. At Marwayne on June 12 at the F. V. A. parade one heard their praises sung on all sides. We understand that the Vermilion people will have the pleasure of hearing the Dewberry boys during Fair days; the Edmonton people during the Exhibition there. The members of the band make a very smart appearance in their uniforms of grey and red.

The leader Mr Protsch is due for praise and sincere thanks as at the time the boys joined the majority of them did not know one note of music from another. Mr. Protsch himself can play any instrument in the band. He has played in local bands in many places.

The members of the band here in Dewberry are Jan Allen, Jim Urr, Bobby Parker, Mickey Bradshaw, Ed Jones, Douglas Wilson, Meredith Wilson, Ed. Solmen, James Jones, Ernie Braithwaite, Ernie Protsch, Garry Protsch, Dewey Fleming, Floyd Wood, J. Williams, Kenneth Porter, Jack Young, Wayne Jones, Lorne Timanson, Billy Esst, Bruce Hines, Elmer Jones, Cyril Kozachok, Gilbert Matheson, Leonard Lilwechuk, Floyd Sweet, Hallvor Lefthaug, Larry Grant, Dean McMullen, Lorne Braithwaite, Teddy Madden, Douglas Maddox, Robert Protsch, Roy Bradtson and Tyson Pierce.

The instruments in the band are 7 clarinets, 1 piccolo, 9 trumpets, 3 saxaphones, 4 alto horns, 3 baritones, 3 trombones, 3 basses, 2 drummers and 1 cymbal.

Thanks are due also to the parents of these boys as without their help and encouragement it would have been impossible for Dewberry and district to have such a grand band.

The annual picnic of the Canadian Legion Post 11 will be held on Sunday July 5 at 2 p.m. on the Vermilion River. Use the park road west of the hospital.

This is a basket picnic. Coffee will be supplied.

Tickets for children's free treats will be passed out on the picnic grounds.

All Legion members and their families, ladies' auxiliary members and their families are asked to come and make this a big occasion.

Health Unit Notes

DISINFECTION

The word "disinfection" is applied to those procedures that have for their purpose the destruction outside the body of the organisms which communicate disease. One should aim to destroy them immediately after they are discharged from the body of the infected person. This is called 'concurrent disinfection' and is much more effectual than 'terminal disinfection' which is an attempt to clean up the the entire house when the 'germs' are widely spread at the end of the cases. Proper concurrent disinfection does away with the need for terminal disinfection or very materially reduces it.

Whenever possible, discharge from communicable disease cases which may carry the infecting organism should be destroyed by burning or by live steam in a proper sterilizer.

Ordinary clothing and bed clothing can be adequately disinfected by boiling in water for a few minutes and this is the proper system of destroying infection on dishes.

Thorough washing of dishes, bed frames, clothing and the floors and woodwork of the sick room has been found in practice to be a very effectual method of removing or destroying the infective organisms of all our ordinary communicable diseases.

There are large numbers of antiseptics which work very well when properly used. The raising of how antiseptics may actually reduce their efficiency as the two chemicals may interfere with each other.

To effectively disinfect, any chemical must come into intimate contact with the object to be disinfected and must have time to act. With many chemicals temperature is an important factor: most disinfectants being much less active when the temperature is down close to the freezing points.

The following methods may be used:

Domestic Lye — A heaping teaspoonful of lye is effectual in disinfecting body excretions. If the substance to be disinfected is solid it should be broken up to improve contact. Enough water is added to completely cover the substance. Time necessary: 30 minutes.

Liquid Carbolic — Enough of a saturated solution (in water) should be used to just cover the material to be disinfected. Time necessary 30 minutes.

Compound Cresol Solution — can be purchased at any drug store. One part of cresol solution should be added for every ten parts of substance to be disinfected. Add enough water to just cover the material. Time necessary: 30 minutes.

Lysol — is very similar to compound cresol solution and may be used in the same way.

Chloride of Lime — may be used if the contents of the package has been recently manufactured and if the solution is freshly prepared each time. Add 5 ounces of chloride of lime to 1 gallon of water and use enough of this solution to cover completely the substance to be disinfected.

Sunshine and Fresh Air — Are very efficient antiseptics if properly applied for an adequate time. Blankets and mattresses may be disinfected in this way if they are not very heavily contaminated. Mattresses should be turned over so that all sides get the effect of direct sunlight. Time necessary: several hours of direct sunlight.

Soap and Hot Water — is a mild antiseptic and does a very good job in actually removing germs from any article which is thoroughly washed.

Alcohol — is a very weak antiseptic and should not be used for disinfection purposes.

IN MEMORIAM

In loving memory of
ANTHONY COLLINS
who passed away July 4, 1952.
"He is gone but not forgotten
And as dawns another year
In our lonely hours of thinking
Thoughts of him are always near.
Days of sadness will come o'er us
Friends may think the wound is healed,
But they little know the sorrow
That lies within the heart concealed."

Loving Wife and Family.

Too Much Credit?

Expanding credit by the banks, as well as by finance companies and retail traders, is getting a critical look from financial authorities at Ottawa, reports The Financial Post.

The new figures show that consumer credit in the first quarter of this year financed one third of retail sales. This is a higher proportion than in any period of last year, although the first quarter is normally the lowest for credit sales.

News Notes From Your District Home Economist

SHOPPING?

Have you noticed the many interesting fabrics being styled into summer wear? Many of these fabrics are not new but they are being used in new and exciting ways.

Denim, the fabric commonly used for shorts and peddle pushers is now seen in dresses, skirts and jackets. Denim is available in a variety of colors. In stripes and in plaids. It is suitable for children's or ladies' wear.

WHAT TO LOOK FOR

Summer clothing should be easy to wash and iron. Cottons are noted for these qualities. But most fine cotton fabrics crease badly.

When you purchase dress goods in the piece ask the sales clerk "Is it Sanforized?". Sanforized fabrics are guaranteed not to shrink more than 2 per cent. If the material you choose is not Sanforized, you can, and you should pre-shrink it at home. Cotton fabrics may be folded directly into luke warm water and allowed to stand for about 8 hours. Then hang the fabric out to dry. Press the material.

Think of the advantage of purchasing crease-resistant materials. To test any fabrics for crease resistance, simply try to crumple a corner of it in your warm, moist hand. Crisksy, and similar fabrics are crease-resistant. When you sew these fabrics you must be sure to give the seams a very thorough and firm press with a damp cloth and iron. Crisksy is not a suitable fabric for large people to wear. The material will stick out appearing to increase the size of the person.

FASHION TRENDS

In ladies' clothing the stole is again making its appearance. These stoles are often finished with a contrasting or matching fringe. Outside stitching in a contrasting color is being used to trim skirts, jackets and dresses. This outside stitching is often combined with applied tape to form a border design. Such easy forms of decorating can be tried and used by all seamstresses.

For further information on sewing problems phone or drop me a line. A pamphlet 'Short Cuts in Sewing' suggests an easy way for inserting zippers, making buttonholes and inserting collars.

A LIFT TO LIVERSUPPLY

The Canadian Government has sent an initial shipment of 10,000 board feet of timber for repairing flood victims in Lowestoft, England, and a further substantial consignment will soon be on the way.

More for your money...

It's better business to buy Chevrolet Advance-Design Trucks

more engine power!

Chevrolet Trucks offer you a selection of four famous valve-in-head engines in much load, grade and schedule The two great 235.5 cu. in. Loadmasters (conventional and C.O.E.), the 248 cu. in. Torqmaster and the 270 cu. in. Workmaster all feature, full-pressure lubrication and improved Power-Jet carburetion for longer life, smoother performance and extra economy.

more braking power!

Twin-Action rear Brakes and Torque-Action Brake, both, both with long wearing linings effectively sealed against dirt, moisture and grease, provide the most effective braking for greater safety in driving ease. Torque-Action front brakes are standard on all models. The positive Dual-Shoe parking brake on H.D. models, mounted at the rear of the transmission, eliminates cable stretching and greatly reduces service adjustments.

more staying power!

New, heavier, stronger, more durable frames increase rigidity, ruggedness and dependability of the 1953 Chevrolet trucks. Long famous for their ability to "stay on the job" day after day, these Chevrolet trucks are now heavier, tougher than ever.

more economy!

The new and greater number of 1953 Chevrolet truck engines gives gasoline economy in heavy-duty models with improved valve-in-head performance reduces hauling costs per ton-mile, brings you greater over-all economy throughout the long life of your trucks.

A GENERAL MOTORS VALUE

Here are a few things we think are worthy of your consideration before you buy your truck.

In 1953, Chevrolet trucks are more rugged, have huskier and more rigid construction than ever in the past. This means longer truck life and lower over-all costs to you.

You'll find the increased horsepower and higher compression ratios of the four great valve-in-head engines bring you greater power, greater speed, greater performance, greater ability to do the job. You'll find that means faster acceleration, greater ability to climb the steepest grades. *And you'll find a wonderful gain in gasoline mileage, too!*

As any owner of a 1953 Chevrolet truck knows, these are the smoothest, most powerful trucks Chevrolet has ever built. In every load range they have proved themselves to be the world's leading money-makers on any hauling job.

Before you buy, drop in at our showroom and talk things over. Let us show you why it's better business to buy Chevrolet Advance-Design Trucks.

MORE PEOPLE BUY CHEVROLET TRUCKS THAN ANY OTHER MAKE!

VERMILION ALBERTA

Paradise Valley

Mr. and Mrs. Roy Fox of Stettler and former residents of Paradise Valley are visiting with relatives in the town and district. It is many years since Mr. and Mrs. Fox left here.

Mr. and Mrs. John Raynon left on Tuesday for a trip to England. They expect to be away for several months. It is quite a few years since Jack left England for Canada.

Mr. and Mrs. Clifford Fredericksen and family left Friday morning for a vacation to be spent south of the line. They will visit with Mrs. Fredericksen's relatives in Minnesota and then go on to Superior in Nebraska to visit Mr. Frederickson's parent and other relatives.

We regret to hear that Mrs. H. E. Swayze is a patient in the Lloydminster hospital. Mrs. R. Smith has returned home after spending some time in the same hospital.

Mr. and Mrs. Paul Paulgard and family left on Friday for a vacation to be spent in Minneapolis and other Minnesota points. They expect to be away for two weeks.

Mr. and Mrs. Frank Brassington and family left for a visit at New Westminster, B.C. on Sunday. While there they will visit with Mr. and Mrs. Harry Brassington and other friends.

Mrs. W. G. Hall of Fort Resolution, N.W.T., and family arrived last week for a month's visit with her parents Mr. and Mrs. J. W. Guy.

Mr. and Mrs. Fred Beckett had as their guests Mr. and Mrs. John Kinsella and Wayne, Mr. and Mrs. Dan Beckett, Mrs. McRoberts, all of Hazeldine ,Alta.

The Vansnet picnic was held on Friday afternoon on the sports-ground and a good crowd turned out. Baseball, softball and races of all kinds made up the program. The dance in the evening finished off a good day's holiday.

The weather during the past week was very changeable, showers and more showers. A spell of warm weather now would be very welcome as growth has not been up to par by any means.

Mrs. R. B. Adams returned home on Friday night from Edmonton where she has been for the past week under going an eye operation.

Services wa... ...y July 5th in the United church, with the Rev. David D. Davidson in charge. This year the field will comprise McLaughlin, Edgerton and Paradise Valley.

We are glad to see our old friend Frank Brooks home again from his stay in the Lloydminster hospital.

Bride Elect Showered

Miss Lillian Watson of the Elementary school staff was thoroughly and pleasantly surprised by a "china shower" held in her honor last Tuesday afternoon. Miss E. Shirrett acted as hostess in the home of Mrs. Cash. The bride was hurried into the happy group to the strains of the Wedding March played by Mrs. English. Friends of Miss Watson served a lovely lunch, including a decorated bride's cake. The bride-elect was the recipient of beautiful gifts and many wishes for a happy future. Miss Watson graciously thanked her friends.

Mr. and Mrs. A. E. Kaiser and Mr. and Mrs. Bill Sinclair and little son from Edmonton left Wednesday morning for Waskesiu for a two weeks' vacation.

Mr. and Mrs. Bev Baldock left on Saturday night with car and trailer for a holiday trip to Salt Lake City. They plan to be away for two weeks.

Mr. and Mrs. J. K. Swanson and Mrs. Edna Taylor were week end visitors in Vermilion. They returned to Calgary Sunday afternoon.

Manson Barr accompanied by Hazel, Vivien and Keith enjoyed a holiday trip to Jasper and Banff during the past week.

Mr. and Mrs. Bob Elliott and two sons, Jim and Clarence of Waskatenau, were in town from Tuesday to Thursday, visiting the former's parents Mr. and Mrs. A. W. Elliott. Bob will attend University this summer.

Mr. and Mrs. Gordon Allen left Sunday for a motor trip through Oregon. They will be away for two weeks.

Miss Margaret Stephens returned home Thursday after visiting her brother Dr. Harry Stephens and family at White Bear, Minn. The trip was made both ways by North West Air Lines.

Mr. and Mrs. S. Soldan, Mr. and Mrs. E. V. Hamula and Dr. and Mrs. R. Paymont left on a trip to Waskesiu via Saskatoon. Dr. and Mrs. Payment will vacation at Waskesiu until July 23.

Rev. J. C. Herbison who was Chaplain to the C.W.A.C. when they were stationed at Vermilion during World War 2, is now minister of the Patterson Memorial church in Toronto.

Mr. and Mrs. Jack Reasbeck and three children of Saskatoon visited at the homes of Mr. and Mrs. Geo. Reasbeck and Mr. and Mrs. E. Wells over the week end. Mr. and Mrs. Jack Reasbeck returned to Saskatoon but the children remained on the farm for a longer visit with their grandparents Mr. and Mrs. Wells.

Exhibition ball game Sunday July 5 at 2.30 p.m. Vermilion Srs. vs. Irma.

Friends here will regret to learn of the death in Vancouver of Andrew Youngblood who for many years lived in Vermilion. The family lives at 3312-West 18 Ave., Vancouver.

Mr. and Mrs. Mike Zubiak and family are away on a motor trip visiting relatives of both sides of the family at various places in Saskatchewan.

Among visitors to Vermilion recently was Ernie Corson, for many years an employee of the C.N.R. at this point and more recently of the operating staff at the V.S.A. He is now retired and lives near Drumheller.

Allen Wells of Pembroke, Ont., arrived home on Tuesday and will spend some time visiting his parents Mr. and Mrs. E. Wells.

Mrs. Harry Elliott spent a few days this week visiting at the farm home of Mrs. V. Purser in the Vanevil district.

Robert Johnson who is presently relief station agent at Paynton, Sask., spent the week end visiting his parents at Borradaile.

Mrs. M. Watson of Hindville, Alberta, announces the engagement of her daughter, Lillian Joan to Mr. D. G. Cameron of Rivercourse, Alberta, son of Mrs. C. Cameron and the late Mr. A. Cameron of Vancouver, B.C.

The marriage to take place at Knox Presbyterian church, Lloydminster on Monday, August 3rd, 1953 at 3 o'clock in the afternoon.

A recent visitor to Vermilion is Mrs. Neil East from Melbourne, Australia. The East family farmed immediately west of Vermilion, moving from there to Victoria and then to Australia. A son, Dr. Ellis East, is a graduate of the Vermilion high school and is a prominent physician in Winnipeg, having moved there from Victoria several years ago.

Joan Maxwell, daughter of Mr. and Mrs. Doug Maxwell, left Monday for Vancouver where she will attend a fancy dressing school for the next six weeks.

Visiting in Vermilion for the summer is George Allan of Camp Falls, Nfld., where for the past 28 years he has been employed in the pulp and paper mill. Now superannuated he plans to visit in Victoria and then go back to his old home in Scotland to retire. He is a guest of his brother Bob Allan and Mrs. Allen while here.

Off to Waskesiu for a holiday are John Stewart, Henry Simonsen, Jerry Harle and Angus Smith. They left on Tuesday evening and will be away a week.

Mrs. Curtis Martin and daughter Sharon and Mrs. H. Eyben left by train Sunday night for the coast where they will visit Herman Eyben and family at Cloverdale and Mr. and Mrs. Wiege at Portland, Ore.

IN MEMORIAM

Treasured memories of a dear husband and dad

JOHN ALEXANDER McFADGEN

who passed away June 28, 1946

Not a day do we forget him.
In our hearts he is always near
Loved, remembered, longed for always
Bringing many a silent tear.

Fondly remembered and sadly missed by his loving wife and family

Clandonald Sports Wednesday, July 8

The Clandonald Board of Trade has planned a big sports day for that town on Wednesday, July 8th weather permitting with a senior baseball tourney with prizes of $100, $50 and $25. Entries should be made to the secretary, Bill Specht.

Ladies' softball with $25 as first and $10 as second, horse shoe tourney tournament with $5 first and $.50 second money.

There will be a dance at night, bowls on the grounds, races for the children to round out an excellent program. 48-8c

Writing with colored inks is not a new development. Early Egyptian scribes, writing with quill pens on papyrus often used different-colored inks to emphasize the subjects they wrote about, according to the Sheaffer Pen Company researchers. They used blue for the sky, yellow for women, red for battles and celebrations.

TOLLAND

The Tolland Community centre will hold a picnic on Wednesday, July 15. Dance at night. 50-1

Elks Hall Enlarged And Renovated

PERFECT DANCE FLOOR IN BRIGHT, NEW HALL

Vermilion Elks are receiving a lot of praise these days due to the renovation of their hall. Some time ago the Elks purchased the brick building adjoining them on the east, a former cafe, and they have now incorporated this into their hall.

The changes now provide us a large dance floor, size 70 by 70 feet, the entire size of the former building. The lodge room has greatly improved and convenient check room for coats and hats, with commodious powder room and men's small rooms in the basement. Catching the eye of the ladies is the nice modern kitchen which will prove of great aid at meetings, teas and banquets. All the lodge room, check room, wash rooms, kitchen are in actual use the former cafe portion of the building.

The interior decoration is of the present approved lumber scheme with maroon on the walls and ceiling and a light green on the side walls.

The whole project of combining the two buildings into one commodious hall and convenient banquet and dance hall was a big undertaking one, culminating in a hall that will rank with the best found in the province.

The Royal Purple Lilac tea combined with the Elks' ladies' auxiliary craft by the Vermilion and Vegreville Handicraft Exhibit held recently, was an unofficial opening of the renovated hall, giving many persons their first glimpse of the greatly changed building and bringing forth expressions from the many attending, of pleasure and approval.

The handicraft work done by the local groups, consisted of displays of woodworking, water colors, knit patterns, leather work, fine needlework, English smocking, petitpoint, gloves, figurines, fret work, sewing, thread weaving, rug making and hooked rugs.

The Vegreville handicraft guild assisted with the impressive exhibit by displaying some of the work done by the various handicraft groups there.

F.W.U.A. Conference Much Enjoyed

HELD AT THE V. S. A.

A very enjoyable time was spent at the fourth annual F.W.U.A. conference which was held at the Vermilion school of agriculture on Tuesday June 16. Mrs. D. Mathieson as chairmen had a very interesting day planned which included election of a new secretary, Mrs. V. Popowich. There were 37 members in attendance representing Shapleigh, Marwayne, Greenlawn, Dewberry, Dorman, Elsworth and Vermilion.

In the afternoon the ladies were entertained by Miss Sorensen of St. Paul who gave an interesting lecture on designs and needlework; Mrs. Dorman of the F.S.A. staff showed a film on "National Health and Welfare" and the Hardisty rodeo. Three prizes were awarded.

Many thanks were given to the Shapleigne ladies for the delicious lunch which was enjoyed by all present. Marwayne will be cooperating next year.

It was agreed that the annual meeting be held as close to the 15th of June as possible next year. The meeting was closed with the singing of "God Save the Queen".

Dr. Stephens Given 3-M Promotion

Dr. H. N. Stephens was elected vice-president in charge of central research for Minnesota Mining and Manufacturing Co., it was announced Wednesday.

Dr. Stephens has been in charge of the central research laboratory since 1937. From 1927 to 1937, Willie was assistant professor of chemistry at the University of Minnesota, where was a research consultant to 3-M.

The central research laboratory, one of several research and product development organizations of the 3-M, works on the more fundamental and long-term 3-M research projects. It explores new fields of science for possible application to established company products and for leads to new products. —St. Paul Dispatch.

"Harry" Stephens as he is more familiarly known in Vermilion, is the son of Mrs. H. N. Stephens, and is one of the first graduates of the Vermilion high school. He followed a brilliant university career with marked success and achievement in the field of research.

Former Vermilion Teacher Retires From Edmonton Staff

Two retiring teachers from the Edmonton Public school system were recently honored at a tea held in the MacCay Avenue school. Miss Ryckman taught in Vermilion prior to going to Edmonton. She will now return to Vancouver where many members of the family reside. Liberty sense of her former co-workers in Vermilion and will still attend Vermilion and will still their schoolboys with her.

Shower For Miss Helen O'Connor At Manville

MANVILLE—A lovely shower was held on Wednesday last in the United church hall for Miss Helen O'Connor who was a bride of June 27th. Helen is a local girl who after finishing her schooling here, took a business course in Edmonton and then was employed in the C.P.R. office.

After a number of contests conducted by Mrs. J. J. McLaughlin, Mrs. J. Finlay and Mrs. P. Laidler, who were in charge of the shower, a C.P.R. box car was brought in by ladies with many beautiful and useful gifts. Miss O'Connor charmingly thanked those present as well as those unable to attend, for their gifts.

A dainty lunch was then served by the hostesses.

QUESTIONS ANSWERS
Cancer

Question: What should be done to prevent cancer of the mouth?
Answer: Have all jagged teeth repaired or removed. Do not use an ill-fitting dental plate that causes sores on the gum. Consult your doctor should white spots appear in the mouth or on the tongue.

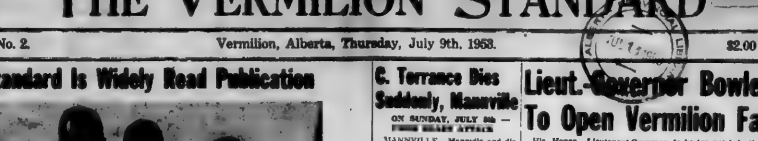
THE VERMILION STANDARD

Vol. XLV. No. 2. Vermilion, Alberta, Thursday, July 9th, 1953. $2.00 per Year

Edmonton, Alta. Pub. Library

Standard is Widely Read Publication



MAWIYA WOMEN, a Portuguese East African tribe, like the 'Vermilion Standard' and are shown perusing the latest issue of the paper. Captain Charles Stewart at Dar Es Salaam, Tanganyika, East Africa, each week. The consignment cannot speak or read English but are greatly interested in the pictures and the illustrations in the advertisements, especially when people are depicted. Captain Stewart noted this group in animated conversation over something that excited them in the Standard and couldn't resist taking the photo. Captain Stewart says, "After taking the picture I gave them the paper, and like everyone else, they were delighted to get it, and took the same to the rest of their people."

In turn the Standard was very pleased to receive the photo, quite intrigued with it in fact, and extend thanks to the good Captain who to well remembered in Vermilion.

C. Terrance Dies Suddenly, Manville

ON SUNDAY, JULY 5th — FATAL HEART ATTACK

MANVILLE—Manville and district was saddened by the sudden death of one of its most prominent citizens, Clarence George Torrance, aged 53, who passed away on Sunday morning July 5th from a heart attack while attending his usual place of worship. Mr. Torrance was owner of the Manville drug store for the past 20 years. He was active in almost every organization in the town and will be greatly missed in town as well as at the hospital. He never failed to be of assistance when needed.

Mr. Torrance was Mayor of Manville, an Elder of the United church, Past Master of the Chamber of Commerce, Past President of the Alberta Pharmaceutical Society, Past Master of the Masonic Lodge, Past District Deputy Grand Master of Alberta No 10 A.F. & A.M. for Alberta and a member of the Scottish Rite.

He leaves to mourn his mother, Mrs. Torrance, two sisters, Mrs. Edith Fox of Bawlf, Mrs. Ada Orbeck in the Edmonton area, two brothers, Leslie and Edwin of Manville.

Mr. and Mrs. Fox and Mr. and Mrs. Garrison have been in Manville visiting for the past few days, the first time that the family have been all together in the past eight years.

Funeral services will be held at the United church, Manville at 2 o'clock in the afternoon of Thursday July 9th with interment at the Manville cemetery. Moyers are in charge of arrangements.

Change In Rules At The Public Library

BOOKS MAY BE KEPT TWO WEEKS

The Vermilion Public Library board at a recent meeting with the chairman and W. S. Cash, secretary, has made known a change in the rules hereto-fore in effect regarding the use of books. For some time books could be kept for only one week, this period is now enlarged to two weeks with a fine of 5 cents a day for overtime books. Previously the fine was only two cents but it was felt one was too short a time within which one could read a book satisfactorily. The rules stipulate that no books can be removed and that books are not to be loaned by members. Visitors are made welcome but must register with the librarian and the reading room is open to the public free during library hours. Smoking in the local building is prohibited. The Board will be pleased to receive donations of books. Mrs. H. F. Long is librarian appointed by the board. Members Hill, North and MacDonald and Messrs. Douglas Ford and J. W. G. Morrison are the other members of the board. The library is now registered with the Department of Economic Affairs.

Orange Day Sports At Manville July 15th

MANVILLE — Again a big Orange Day Sports will be held in Manville on Wednesday, July 15 when will be a grand parade with the Orange hall at 1:30 led by the Clandonald Pipe band under the leadership of Pipe Major Hall. Prizes will be awarded for the best decorated floats, cars and bikes in the parade.

A baseball tournament, boys' and girls' mixed twilight ball, children's races for young and old, bicycle races and horseshoe tournament will make up the entertainment. Good refreshment service on the grounds.

A dance in the pavilion with a good orchestra will complete the day. Come to Manville on the 15th of July and enjoy yourselves.

Scotstoun Undefeated In South League

The first half of the South Vermilion Rural Baseball league has been completed and Scotstoun remains at the top of the heap and has been undefeated. The complete standing is

Team	Won	Lost	%
Scotstoun	5	0	1000
Auburndale	3	2	600
Dawson	3	2	600
Buffalo Coulee	2	3	400
Triangle	2	3	400
Tolland	0	5	000

COMPETE AT MANVILLE

Five of the league teams competed at Manville on July 1st and Scotstoun is to be congratulated on winning 3 of 4 games played and thus taking second money. Triangle is a fine game eliminated Lradfield, last year's winners of the tournament, in one of the best games of the day.

New Residence For Salvation Army

SITES BEING READY FRIDAY, JULY 17th

The new Salvation Army living quarters in Vermilion is rapidly nearing completion and plans are being formulated for 'Open House' to be held on Friday, July 17 between the hours of 2:30 and 4:30 p.m., and 7:30 and 9:30 in the evening. The public is cordially invited to inspect the new premises on this date.

Situated on the lot east of the present Citadel, the new quarters will present a welcome addition to Salvation Army property. For many years, Army officers have occupied four rooms at the rear of the Citadel but with the growth of various departments of the Corps, and lack of adequate facilities for the Army's many activities, it was decided to build the new living quarters.

The new building which is 24ft. by 30ft. is also built on the basement, front room, two bedrooms, kitchen and bathroom. Lino is hardwood flooring in the front room, and the exterior is finished in stucco. A number of new furnishings have also been acquired for the building. Numerous Army comrades and friends volunteered labour for the construction of the house and appreciation is expressed to all who participated, as well as to those who made donations to the building. A portion of the cost was made possible by the estate of the late John Wesley Graham.

The rooms in the present quarters will be used for a large primary room, a band room, and Corps Cadet-ing Officer's office. It is hoped that in due time the present hall will be extended and renovated, with full basement.

Talks Half Way Round the World

PHONE CALL FROM AUSTRALIA

A conversation over long distance telephone between Melbourne, Australia and Vermilion was carried on Saturday afternoon by both ends hearing the other distinctly.

The call came from Mrs. Nellie Charleswood Earl to her mother Mrs. Neil East who is at present visiting here, and to Mr. and Mrs. Ed East on the occasion of their 40th wedding anniversary. The time of the call was 4:30 p.m. on Saturday July 4, while at the other end it was 5:30 p.m. on Sunday, July 5th.

Condition of Jas. Adam Shows Improvement

Condition of Jas. D. Adam, who was taken seriously ill on the night of May 5th and who has been in a coma since that time, is reported to be showing definite signs of improvement this week. He has been a patient at the University hospital for most of that time but will return to Vermilion as soon as his condition allows the move. The comatose condition appears to be passed. Mrs. Adam and daughter Irene returned to the city on Tuesday with hopes that Mr. Adam would be back here soon.

Mrs. Adam and the family wish to express their thanks for the kindly inquiries and for the many helpful acts since Mr. Adam's illness.

Five Candidates In The Battle River-Camrose Federal Constituency

CCF. AND CONSERVATIVES NOMINATE

There are now five candidates nominated in the Battle River-Camrose constituency. During the past week the Progressive Conservatives selected Charlie McCleary, well-known Camrose high school principal as their standard bearer in the forthcoming election. Mr. McCleary was in Vermilion Wednesday mapping out plans for his campaign.

Last Saturday at Viking the C. C. F. constituency organization selected A. Arntson of Hay Lakes as their candidate. Mr. Arntson was chosen to succeed Wm. Irvine who will run in his B.C. riding of Carboo.

Already in the battle of votes are Robert Fair of Vermilion for Social Credit; Cliff Saville of Hardisty, Liberal; Mr Taylor of Wainwright, Labor-Progressive.

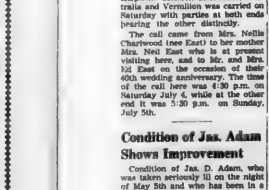
Family, Aged 80 To 90 Years, Hold Re-unionn

A reunion of the remaining members of the Stone family took place at the home of Mrs. M. P. Dixon this past week when her father Mr. J. M. Stone who will be 90 years of age in September, had his two brothers James and Walter Stone from Michigan, and a sister Mrs. Maxwell of Idaho visit him. The youngest member of the family will be 80 years old in September also. The party motored from the States with Mrs. Maxwell's grandaughter Mrs. Anderson doing the driving. They all quite enjoyed the trip and will even venture via Jasper and Banff.

Salvation Army Open House

Open house will be held at the new Salvation Army quarters on Friday, July 17 between the hours of 2:30 and 4:30 p.m. and 7:30 and 9:30 p.m. The public is cordially invited and refreshments will be served.

When Old-Timers Get Together



What do old timers talk about when they get together. With the two shown above it would probably be their experiences over the past half century as weekly newspaper editors. On the left is A. L. Horton, veteran editor of the 'Vegreville Observer' who established his paper there in 1905 and has been at it ever since. He commenced his newspaper career in Manitoba. On the right is S. R. P. Cooper who recently retired as editor of the 'Vermilion Standard'. He became connected with a newspaper in Vermilion in 1907 and founded the present standard in 1908. He had previously published his own paper at Baldur, Man., from 1898 to 1907. The two struck up a friendship in the early days which has persisted ever since. Mr. Horton is now 78 years of age and Mr Cooper 83 years

Former Vermilion Man To Spend Year in Pakistan

UNITED NATIONS F.A.O. PROJECT

Earl Bowser, a member of the radio branch, Dominion Department of Agriculture, left Edmonton last week for West Pakistan where he will spend a year on a radio study and irrigation project under F.A.O. of the United Nations. Earl will spend three weeks at Rome, Italy en route. His wife, daughter and son will join him in September and will spend the year in Pakistan with him. They will make the trip from Edmonton by plane.

Earl is a graduate of the Vermilion high school and the family home is at Islay where his father Mr. J. Bowser, and sister Mrs. Wm. Waterfield reside.

Mrs. Carmen Millar is spending a weeks vacation at Jasper.

Excellent Music Results at Dewberry

DEWBERRY.—Results of the examinations ne'd recently in the rudiments of music by the Royal Conservatory of Music of Toronto have been received by the Dewberry students as follows:

Grade 2 Honors: Sharon Braithwaite: Pass - Earlyn Allen.

Grade 3 — Honors: Jean Honnen. Pass: McGillawee, equal: Isabelle Jones.

Grade 5 Honors: Elizabeth Timpson: [illegible] Braithwaite: Beryl Jones.

Grade 6 First Class Honors: Dawn Jones: Pass — Una Methuen.

Grade 7 — Honors: Elaine Wilson.

Grade 8 — Honors: Leona Mathison.

All are piano students of Mrs. Joe Braithwaite.

Lieut.-Governor Bowlen To Open Vermilion Fair

His Honor Lieutenant-Governor John J. Bowlen has accepted an invitation to officially open Vermilion fair and many who recall him as a prominent livestock man, a legislator and an outstanding citizen, will welcome the opportunity of meeting the distinguished gentleman. His Honor is a native of Prince Edward Island and a pioneer of the Province of Alberta, which province he served as a member of the legislature for many years. Mr. Bowlen established an enviable record as a livestock breeder in southern Alberta and is particularly interested in agricultural fairs.

During his recent visit to the Old Country for the main purpose of attending the Coronation of Her Majesty, Queen Elizabeth, His Honor visited a number of fairs in England and Ireland and there is no doubt but that his brief remarks will include reference to them. The official opening will take place on Friday afternoon, July 24 at 2:00 o'clock, although the fair will actually start on Thursday, July 23.

LIVESTOCK EXHIBITS

Judging from the enquires received from all parts of the province, exhibits in livestock and other classes will be heavier than for some years past. School exhibits threaten to swamp the committees handling them, and all in all Vermilion's Friendly Fair will have an appeal to a rapidly growing patronage.

TWO BANDS IN ATTENDANCE

Plans include the use of the fine Dewberry Boys' band under the direction of Mr. Wm. Prosser. The remarkable ability of the members of this band is being widely recognized and along with the Pipe band headed by the well known Pipe Major John MacMillan of Clandonald the musical needs of the patrons should be well taken care of.

GRANDSTAND OUTSTANDING

The Lethbridge Herald remarked just after the Lethbridge Exhibition opened its doors that the grandstand attractions, stating that they drew large crowds and were outstandingly good. Prominent among the grandstand acts are:

THE PERRY SISTERS: They start off by staging a couple of selections, with plenty of class and a lot of tricky rhythm and graduate to trumpets and exertions for a Latin American number. They do just about everything except high wire acts.

THE SOUTH PACIFIC SCREWBALLS. Flo and Barney Dunphy begin their act with musical instruments as well, but before long an instrument panel and engine of a bomber and a violin combined to complete the picture of a 'dog fight' at several thousand feet. They hold their audience thrilled from start to finish.

HUBERT CASTLE, recognized as the world's greatest artist of trick pulls off some breath-taking stunts on the silver thread, jumping backward through a hoop and stepping upright. Castle has travelled all over the globe, entertaining Royalty in many of the countries of Europe.

GLORIA AND SHIRLEY GRENONA act with their father in various perilous high perch acts, the girls are said to be beautiful and accomplished and being 7 and 9 years respectively have a fine crowd appeal.

DALTON AND BAILEY, a pair of English Trapeze Artists, really live up to their name and considered by many who have seen the program to be top notch in their field.

BILL BAILEY and CHARLOTTE DAY, splendid vocalists M.C. the show and contribute much to the program.

THE HONEY SISTERS are thrillers and have audiences standing in front of each other to make sure that they miss no single moment of their act.

THE CORONETS stage a magnificent Coronation Pageant in honor of the recent Empire Ceremony and all in all the 1953 grandstand show is declared to be 'tops'.

The Fair management has arranged this year to have the well known Jack Jones of Edmonton to entertain the crowds before and between grandstand performances, while taking up the undesirable period while patrons are waiting for the show to start. The time of each show will be plainly posted and the grandstand will be open one hour ahead of the start of the show in each case. Jack Jones will keep the audience entertained during the waiting period.

CALF CLUB SHOW & SALE

On Thursday afternoon July 23 nearly 100 fine calves will be shown and sold by the members of the Manville, Derwent and Vermilion calf clubs at the fair grounds. Buyers from the various livestock firms will be on hand and it is expected that the prices will be well in line with the top for the year. For several years past the Vermilion sale has been outstanding among similar events throughout the province and the quality of the calves this year augurs well for the success of the event.

BOYS' AND GIRLS' CAMP — BEST OF ITS KIND

The annual Summer Camp for boys and girls, to be held at the school of agriculture from July 20 to 26, inclusive, is recognized all over Canada as the major event of its kind. The magnificent facilities available at the school are, naturally, largely responsible for the popularity of the short courses that are made available each year by the Agricultural Society. To date the girls' section is full and there is a waiting list for some more boys. Every farm lad between 13 and 18 years of age should attend the Vermilion Fair summer camp and a cordial invitation is extended to all who have not yet applied. The boys will receive valuable training from the staff of the school and will also enjoy a very worthwhile week of association with boys from all over the district.

ADVANCE TICKETS 5 FOR $1

Everything is now in readiness for the 1953 Big Fall Fair, a good time is assured and all are cordially invited to attend. By taking advantage of advance tickets at 5 for $1 you can cut the cost of entertainment in half. The Vermilion Fair is the only fair on the Western Canada circuit which values the opportunity for low cost available to the person by and the about that is presented at Vermilion is identical with that of the large centres such as Lethbridge, Moose Jaw and Prince Albert.

Advance tickets are on sale in your district, make sure from you get yours early as the number is limited and once the present supply runs out no additional tickets can be obtained.

Plan to visit Vermilion Fair, July 23, 24 and 25

Pay Tribute To A Good Citizen

Tribute to a good and active citizen who has achieved much in Vermilion during his eight years here is being paid to A. M. 'Sandy' Watt shown at the left of the above picture. Keith Chalmers of the Board of Trade is seen presenting Sandy with a scroll on which is set forth the appreciation of the people of Vermilion for the work he has done for the town as president of the Board of Trade, for the church, for the golf club and for hockey.

Mr. Watt retires from the bank on superannuation on July 15. He and Mrs. Watt plan a holiday trip to Scotland and on their return will reside in Edmonton.

STEADY PROGRESS ON THE PARK

Definite progress is being made on the Vermilion River Park project with roads, a beach, bathing houses, camp kitchens and kiddies' playground now taking shape. The work on the west beach has continued until now it is excellent for the children.

Those in charge are to be highly commended for their zeal, not only in pushing the project but in doing much of the actual work. The park is a long time project and will take years to develop to the fullest extent.

One feature that has been overlooked and which could be achieved with a minimum of work and expense is the rehabilitation of the drive along the north edge of the lake. This road leads to the old swimming pool, which boasts a whole hill-side of deep, clean sand, the equal of which will seldom be found. The road is passable except for two short places covered by the higher waters. Making it easily passable again for cars would be an hour's work or two with a bulldozer and would achieve the double effect of a nice drive along the north shore of the lake, and means of access to the former pool. Older boys and men who now swim at the bridge and spillway because of the inaccessibility of the swimming pool would return to their old love with its wealth of deep sand and bright, hot sunshine, and thus relieve a rather dangerous traffic congestion around the bridge these warm days.

The new park, as some are just finding out for the first time, is full of lovely spots and in time to come one of the chief attractions if developed as it is certain to be, will developed as it is certain to be, will be sandy shore reaching from the old swimming pool west. All requirements are right there for a beach second to none in Alberta.

In the years to come it is safe to predict that this park will be one of the chief beauty and recreation centres of north-eastern Alberta.

Canada is the world's third trading nation and the fourth greatest industrial power.

We've Been Robbed!

A WAIL FROM CAMROSE

We never paid much attention to the redistribution of Alberta federal constituencies till the election began to roll. Now we can see that the Camrose area has been robbed of its prestige and representation. Camrose town is too vital a centre to be shifted to the tail end of a mutilated constituency where it loses precisely all of its identity. The lines upon which this new and larger constituency is designed do not appear to make sense. They zig-zag around to embrace a lot of territory that is entirely uncentred. The mystery now is who dunnit? Camrose is hardly a little frog in a big puddle in this new set-up. Observers are betting that the Liberals will win two seats in Alberta due to this redistribution.

—Camrose Canadian.

Copy for Next Week

Several country news bulletins, a copy of the Boy Scout camp at Lake Whitney and numerous locals and other news items were crowded out this week due to lack of space. They will all appear in next week's Standard.

Real Summer Weather

Weather has been summery this past week at last with a high of 82 degrees on this Thursday afternoon at 2:00 o'clock. Cool spot was Tuesday morning with 37. Only two showers have fallen in July totalling a very slight .03 inches.

Bereaved by Death Of Father

Mrs. Morrison F. Smeltzer received the sad news Wednesday of last week of the death of her father, Mr. T. Thompson, at Victoria, B.C. Mr. and Mrs. Smeltzer left immediately for the coast by car on receipt of word. The sympathy of the community is extended to Mrs. Smeltzer in her sudden bereavement.

Britannia Rebekah Lodge Instals New Officers

New officers for the Britannia Rebekah lodge were installed on July 3 at a special meeting. Past Noble Grand Clara Campeau of Vermilion who was assisted by Degree Captain Marie Martin.

The officers for the ensuing year are:

Past Noble Grand — Addie Mead
Noble Grand — Marion Davis
Vice Grand — Beryl Stuffert
Treasurer — Eva Leigh
Financial Secy — Dora Caron
Chaplain — Elsie Sinden
R.S.N.G. — Jessie Burns
L.S.N.G. — Edith Logan
R.S.V.G. — Madge Callas
L.S.V.G. — Jessie Stephens
Warden — Louise Lang
Conductor — Kathleen Williams
Inside Guardian — Marj. Tough
Outside Guardian — Mabel Lee
Color Bearer—Gwenyth Clendenning

CHATSWORTH

With ample moisture assured — in some places almost too much — the need now is for warmer weather Tuesday and Wednesday being ideal growing days. Crops are showing good growth, despite the lack of warmth, but some damage resulted from the hailstorm that swept this vicinity on the evening of June 30th. It is estimated that the damage will be 10 to 15 per cent in some cases. A terrific downpour of rain accompanied the hail.

The wet weather has delayed the haying operations somewhat.

Tuesday 30th Miss McCauley treated children and parents to a very well planned picnic at Lake Whitney. Five cars made the trip north and all enjoyed a day of relaxation and fun including ball games, swimming, with a bountiful picnic lunch and ice cream, watermelon, chocolate bars, etc. They had a rather muddy trip home, but all managed to arrive safely.

Extend congratulations and good wishes to Mr. and Mrs. E. East on the occasion of their 40th wedding anniversary which they celebrated recently.

Mr. and Mrs. East are at present visiting relatives in Edmonton. They were accompanied by Mrs. Neil East who was a visitor to their home last week. While here Mrs. Neil East received a long distance telephone call from her daughter Nellie in Australia. It was reported that the reception was not too good, but they enjoyed a little chat nevertheless.

Mr. C. F. Rohsen is a visitor to Whitehorse where his son Charlie is stationed with the Army. The trip in was made by plane from Edmonton.

A number of local folks noticed the stream of vapor across the sky last week and wondered why the plane couldn't be seen. It left a jet which passed over.

We extend congratulations and best wishes for all future happiness and success to Mr. and Mrs. Martin (nee Florence Clark) and Mr. and Mrs. Jas. Walline (nee Marion Roebuck) recently married.

Bowtell Bulletin

The little church at Pleasant Valley certainly has taken on a new look since a gang of men from the district spent three days hammering and sawing, not forgetting Rev. Ford and Mr. Shaw from Vermilion.

We wish to extend our deepest sympathy to the Moses family in their recent sorrow.

Olive Semeniuk was a patient in the hospital for an appendix operation. Mrs. H. Semeniuk is still in hospital having had an operation last Monday.

Mrs. Jones received a lovely box of flowers from the coast for her birthday recently, they arrived here just perfect Rose.

Mr and Mrs. F. Robinson celebrated their 15th wedding anniversary Sunday.

At the recent ball tournament a little boy's coat about size 6 was lost; also two soft balls belonging to Pleasant Valley.

Leslie and Frank journeyed to Hylesberg July 1st to bring Granny home for the summer.

Some 29 enjoyed the student minister's service on Sunday. We are sure Mr. Cornish will go a long way in his chosen work.

The crops and gardens are just doing wonderfully well after the recent grand rains.

Mrs. Deadly returned home after spending some 7 weeks visiting her daughter and family at the coast. She was accompanied by Mr. and Mrs. D. Jenkins who are visiting their two sons, Edgar and Richard.

Jim Morrison of Kinsbrejey is spending a holiday with his aunt and uncle Mr. and Mrs. R. Williams.

Jack Bowman and his helper Bob Blake are busy in this district filling roads with a Caterpillar tractor and other road machinery.

Johnny Rochford is the proud owner of a span pet pony Nellie Wells has a new blue car.

Congratulations are all good wishes go to the newlyweds Mr. and Mrs. F. Martin (nee Florence Charlet).

Mr. and Mrs. Lippert are here from Vancouver visiting their sons and daughters.

We wish to thank our correspondent, Mr. Wedgewood for taking over. It is over 20 years since anything was done on this ball club.

We are pleased to see Jack Coward fit back in our midst from his home north-west of Edmonton. He is at present visiting at the Dr. Kelly home.

DOUBLE SPACING is all typewritten articles for publication!

Huge Crowd At Mannville Rodeo

MANNVILLE — Mannville Stampede and Sports day July 1 attracted over 4000 people and set a new attendance record. A well balanced program had been arranged and everything was run off in grand style with Mr. Ross Hinsley from Hardisty as arena manager. The new affiliation with the Cowboys' Protective Association helped to draw the contestants from all over Alberta and the north-western portion of Saskatchewan. The spectators were given a great show, the calibre of horses and riders was the best seen yet at the Mannville Stampede.

The parade starting from the school grounds at 12:30 p.m. was led by a group of cowboys and cowgirls on all ages. Next was the Legion float with an old time orchestra strumming away; then the Happy Centre float portraying a chuck wagon with all the ladies in real cowgirl regalia. Next were more cowboys and cowgirls. Then came the Clandonald Pipe band supplying the music. They were followed by an exceptionally well decorated car with a bucking bronco and Mannville Stampede on the top, Mr. Russ the driver and his family were all appropriately dressed for the occasion. A heavy March tractor and combine were the only pieces of machinery in the parade. Last but not least were the decorated bikes, these were all very good and a lot of work was put into them.

There were 12 ball teams entered in the ball tournament and with ball park calf roping, wild horse racing etc., and races on the race track there was something doing all day the time. The rides for the kiddies run by the Ambler Bros. were much appreciated. The management of the Mannville Stampede are to be congratulated on the smoothness with which all events were run off and for providing such a successful and enjoyable day.

Pretty Summer Wedding

CURRAN—McLEAN

One of the prettiest weddings of the season was solemnized at the First United church, Vermilion, uniting Miss Willma Elizabeth McLean and John Elmer Curran.

Rev. C. W. McKay performed the ceremony for the daughter of Mr. and Mrs. W. McLean and the son of Mr. and Mrs. J. A. Curran of Edmonton.

Given in marriage by her father, the bride wore a gown of Swiss embroidered organdy trimmed with hand made daisies centred with pearls. The apron effect of the skirt extended to the back in bustle effect and a short train. Her finger tip veil of French illusion was held in place with a pearl-studded crown. She carried a white Shrine bible garlanded with white orchids, pink rosebuds and forget-me-nots.

Three attendants, sisters of the bride, preceded her down the aisle, Mrs. J. M. Cameron, matron of honor, Mrs. G. Johannesson and Mrs. C. Anderson as maids of honor and Patti Anne Jane Cameron, niece of the bride was flower girl. Similar gowns of mauve, yellow and pink organdy were worn by the attendants and were fashioned with a strapless bodice modified with stoles and bouffant skirts. All carried baskets of Edmonton pansies. A turquoise organdy frock styled with a hooped skirt and short sleeves was worn by the flower girl. She wore turquoise flowers in her hair and carried a basket of pansies.

Wells-O'Connor Nuptials at Mannville

MANNVILLE.—On June 27th St. Joseph's Roman Catholic church at Mannville was tastefully decorated for the marriage of Miss Helen Marie O'Connor, only daughter of Mr. and Mrs. T. O'Connor of Mannville and Mr. Vernon Arthur Wells, third son of Mr. and Mrs. Arthur Wells of Edmonton.

Rev. Father C. Landrigan performed the double ring ceremony and hymns were beautifully sung by Mrs. J. J. McLaughlin and Mrs. George Kleshinsky, including "On this Day O Beautiful Mother" during the signing of the register. Mrs. W. Laurencson was at the organ.

Given in marriage by her father the bride was lovely in a cocktail gown of white nylon net over satin trimmed with three lace medallions of sequins and pearls. A lace jacket edged with net to match with square neckline and over the elbow sleeves closed with a row of white brocade covered buttons. A lace cap and white pumps completed the ensemble. Her bouquet was of pink roses and stephenosis with fern.

As her only jewelry she wore a pair of gold earrings, set each with a single pearl, the gift of the groom.

Mrs. John Lauenburg in a cocktail length dress of yellow complemented with a matching bandeau was matron of honor. She carried a bouquet of carnations.

Mr. Geo. Wells was his brother's best man and ushers were Mr. Gordon Wells and Mr. W. Majesu.

For the reception which was held in the Anglican parish hall, to receive her guests the bride's mother chose a navy and white two-piece dress with navy and white accessories. Her corsage was of pink roses. The mother of the groom wore navy and white figured silk, complemented with navy accessories and a corsage of pink roses.

Rev. Father Landrigan proposed the toast to the bride and read five congratulatory telegrams from friends unable to attend.

The happy couple left by motor for a short honeymoon to Banff. They will reside in Edmonton.

Out of town guests for the wedding were Mr. and Mrs. George Wells, parents of the groom Mr. and Mrs. George Wells Jr. and daughter; Mr. and Mrs. Gordon Wells, all of Edmonton; Mr. and Mrs. S. O'Connor of Kitscoty; Mrs. C. E. Majesu, Mr. W. Majesu, Mrs. L. G. Majesu, Mr. and Mrs. R. Newton and daughters, Mrs. G. Johnson and Miss Lois Johnson, Miss Gwen Campbell, Miss Eileen Quinlan, Miss Margaret Drydale, Miss Rip Codarin, Miss Kay Kozack, all of Edmonton.

SENIORS LOSE OUT AT VEGREVILLE

Playing at Vegreville on July 1st for $300 first money, the local boys suffered a defeat by the hard-hitting Holden club. Holden got six runs in the first 3 innings, which lead could not be overtaken by the Vermilion boys. Ray Jones started on the mound but was pulled in the 3rd being replaced by Bill Footz who came in from Edmonton to do some tossing for Vermilion. He entered the game with an 8-2 score in favor of Holden. No runs were scored by Holden in the next 4 innings while the local lads went on a hitting spree at their last time at bat slamming in six runs to tie the score 8 all. The game went three innings overtime with Holden hitting 3 runs in the tenth. Footz was replaced by local Pete Trytchy with two away in the 10th. Pete retired the side with an easy out. The Vermilion club could not hit at their last time at bat and lost by an 11-8 score. Nice work boys, better luck next time.

Health Unit Notes

EYE STRAIN

Our eyes have developed to see best outdoors in good daylight. The diffuse sunlight seems almost to penetrate the eyeball and the eyes and close work can be done without eye strain. However, modern conditions require us to work often in poor lighting and at least part of every day artificial light. Since the light under these conditions is often unsatisfactory it is not surprising that so many become complain of eye strain. The convenient house of the eye strain, as you may suspect, is problem: use of the eyes for close work under poor light. Under such conditions it is not the nerves of the eyes which play out but the muscles which move the eyes and change the focus of the lens and size of the pupil. These muscles become tired fatigued while trying to keep the eyes adjusted for good vision under poor lighting conditions.

Artificial light, if properly shaded to prevent glare, will not harm the eyes. Fluorescent light is the best type, but adequate light can be obtained from ordinary frosted electric light bulbs. Even kerosene lamps, provided the right fixtures and numerous enough and properly situated. The amount of light actually reflected on the work should equal at least 25 candle power. Some tasks may require up to 100 candle power. If a light meter is not available, the necessary amount of light can be judged by the ability to see the work comfortably without apparent strain. Even with light of 25 to 50 candlepower on the book or work, eye strain will develop if the background is too dark. The marked contrast between the bright light on the work and the dark background is annoying and fatiguing to the eye muscles. This is partly due to the constant change made necessary in the size of the pupil to compensate for the greatly varying amounts of light which enter the eyes as the gaze alternates between the light on the work and the much darker surroundings. To avoid such unhappy contrasts the background should be illuminated uniformly with non-glare light of approximately that on the work, but bright enough to prevent sharp contrasts. This background illumination can be obtained by combining sufficient natural or artificial light sources with suitable reflecting surfaces on ceilings, walls, furniture and floors. This can be obtained by having the ceilings dull white or some off-shade of white; the walls light shades of ivory, buff, or cream. Windows are best situated so that the main light enters from one side, other windows should be screened to prevent cross lighting. When natural light is inadequately there will be areas far from windows where the light will have to be supplemented by artificial light. Many of artificial light fixtures. Such good lighting arrangements are becoming more common in newer buildings and homes. In older buildings modification through was great is lighting problems and it was not realized that eye strain caused most commonly from poor light. Even in these older buildings suitable lighting can be obtained by improving existing arrangements. It is false economy to try to save on daylight, electricity or kerosene.

TEETH

A word to teenagers about teeth. Tooth decay is often most active during the teens; the damage can be lessened by regular brushing morning and night — and don't eat too many sugary things! To be on the safe side you should have regular dental checkups.

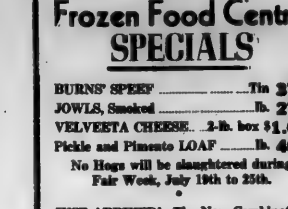
YOUNG DISTRICT COUPLE MAKE THEIR HOME IN EDMONTON



Pictured above are Dr. and Mrs. Gordon Wesley Hodgson who were married recently at St. Stephens' Chapel, University of Alberta, Edmonton. Mrs. Hodgson is the d. ughter of Mr. and Mrs. John Doull of Marwayne, while the groom is the only son of Mr. and Mrs. Wesley Hodgson of Dewberry. Dr. and Hodgson will make their home in Edmonton.

Wildmere Winks

The writer went to Edmonton on June 27th with Mr. and Mrs. Alex Stone. Alistair and Donald to see the student nurses at the Royal Alex hospital get their caps. There were 34 in the class and all made the grade. It really is a lovely sight to see so many all dressed alike and the program is so nice. Miss Ida Johnson, superintendent of nurses, gave the address of welcome. Following the capping Miss Betty Tomlinson, wrenne's commentator for the C.B.C. (Alberta) gave an address to the class of 1956, Sec. 1, Miss Tomlinson is a wonderful speaker. Next was a solo 'Little Boy Blue' by Miss D. Moon, one of the 1953 graduating class. A lovely reception was given the parents and visitors with the student nurses as hostesses. The writer had a nice chat with Mr. and Mrs. Billie Pilkie who also attended to see their daughter Marion get her cap. We really enjoyed the afternoon and think they have a good group of oncoming nurses. We wish you all the girls success in the long training that lies ahead and we hope to see the entire class graduate in 1956.

Peggy Graham is now on holidays and returned home with the writer. She reports back on July 18.

On Tuesday before school closed Mrs. Wilson our teacher invited the mothers to the school to view the year's work of the pupils. She explained the report card, what each subject covered. We saw the lovely portfolio the children made and are sending to Hawaii: also the book on the history of the school. It is difficult to make as so many of the past teachers did not co-operate when asked by letter. Preston's first teacher Miss Craig still resides in Vermilion. Allster Cruthers, grade 2 pupil told how he planted a citron seed in a jar and it was then a nice plant. He was taking it home that day to plant it in the garden. The afternoon passed very quickly. At the close the children served a delicious lunch. Thanks to Miss Wilson we all enjoyed it very much.

A nice crowd attended Buffalo Coulee picnic, ball games and races. Miss Wereniuk, teacher at Buffalo Coulee school had the children give a wonderful display of acrobatics and folk dancing which drew a big crowd of onlookers.

Congratulations to Mr. and Mrs. Fred Martin (nee Florence Clark) for a long happily married life. Fred was born and grew up in the Triangle district not far from Wildmere. We also wish Mr. and Mrs. Gerald Clifton nee Doris Thomson all the best wishes for a happy, married life.

Our deepest symphy goes out to Mrs. E. Green of Abbotsford on the loss of her loving husband. They lived for many years in Woodvale district. Ernie was a real pioneer of Vermilion and district and his passing is mourned by many neighbors and friends.

Several from around here took in the July 1st sports at Manville.

Jimmie's road work is fast drawing to a close in the south part of his division. The next move is the road past Basswood school. Then the outfit will be moving to another division. When the roads that have been built this year are gravelled it will make quite a few more miles of all weather road, but that will be until next year.

Congrats to Mr. and Mrs. Waldon Westman on the birth of a son on July 5. Father doing well!

Sunday school will be held on Tuesdays at Basswood school during the holidays.

Everything looks so lovely and green and crops are coming along very well now. Heat is needed to bring it along faster. All we hope is that the hail keeps away. We have had hail a couple of times of late but it did not last long at a time.

School children are all enjoying their well-earned holidays and September will roll around all too quickly again for most of them.

POWER STEERING...POWER BRAKES

Now teamed with MERCURY V-8 performance!

Mercury presents all-new steering case—all-new feather-light steering teamed with smooth V-8 performance. Mercury with new Power Steering* responds more gently—more surely than ever before. Mercury with new Power Brakes* eases up to safe, silken-smooth straight line stops. Mercury with Mer-O-Matic Drive* makes driving almost effortless—utterly smooth in all speed ranges.

Road Test Mercury—easier handling, smoother riding and livelier performance—all win your praises, too. You'll enjoy the lusty response of the 125 H.p. engine—V-8 as always—whispers along—so economically. After a Road Test—you'll agree '53 Mercury is the greatest yet!

Mercury power steering* lets you park in the tight spots with ease. When more than hand-dry pressure is needed, hydraulic "muscles" take over—make turning 3 times easier. Mercury power brakes* are now available on all models, keeps all the vital fuel-oil-cooled. There's no hard spin—no wheel fight—fatigue is reduced—driving is enjoyable and safer.

All-new optional power mirrors* regulate from pressure that the accelerator. Smoother smoother, safer stopping—up to 25% easier, and faster, too. With Mercury power brakes the weight of your foot holds car on a hill. Mercury power brakes combine vacuum-hydraulic operation with combined pedal action. You can pivot foot from gas pedal to brake to cut reaction time.

*Optional at extra cost

MERCURY-MER-O-MATIC DRIVE*—so easy to handle—driving is almost effortless—utterly smooth in all speed ranges. Mer-O-Matic Drive* the simplest, smoothest, most efficient automatic transmission, is available on all models. Thrifty Touch-O-Matic Overdrive*, available at extra cost, saves up to 15% on fuel. Silent-cone synchronized transmission is standard.

MERCURY V-8 as always!

MERCURY MONTEREY CUSTOM COUPE

*Optional at extra cost. Rear fender shields and bumper guards are optional at extra cost.

Modern Square Dance Demonstration At Elk Island Park

Visitors to Elk Island park Sunday, July 12 will have an opportunity of seeing a demonstration of the art of Modern Square Dancing which has become extremely popular in Alberta during the last year. Many clubs have been organized in the city of Edmonton and nearly every town and village in the country round about have their own local clubs. Clubs from Edmonton, Fort Saskatchewan and Vegreville will take part in the demonstration.

The musical section of the afternoon entertainment will be provided by the Ronnie Morris Accordian band. Organized by the Ronnie Morris School of Music the band are well known entertainers appearing in concerts in and out of the city for several years.

At 10 a.m. open air devotional services will be held at the bandshell. The Basilian Fathers of Mundare will be in charge of the service and park visitors are invited to participate in this religious period. At 7:30 in the evening regular travel films will be presented by the National Film Board.

Canadian planted acreage of the four main vegetable canning crops, peas, corn tomatoes and snap beans, has increased about 3½ times in the past 30 years, according to the American Can Co., which manufactures millions of steel cans annually for the canning of fruits and vegetables.

Canada is the world's third leading nation and the fourth greatest industrial power.

News Notes From Your District Home Economist

CONGRATS TO H. S. GRADS

I wonder how many girls in my district are considering Home Economics as a career now that they have successfully completed their high school. In Home Economics the types of employment are varied and interesting. One many enter the teaching field, dietetics, dietician in a hospital, nutritionist, extension service (just ask your District Home Economist), research, and business field as a graduate of Home Economics. This profession is worthy of your consideration if you have not already decided on a career. Do write or phone me for a pamphlet describing 'Careers in Home Economics'. It may have just the information you need

SUMMER TREAT

Raspberry Marshmallow Frost — 16 marshmallows 1 12-oz. box frozen raspberries: ¼ cup sugar; ½ cup chopped walnuts; ¼ cup heavy cream, whipped. Thaw raspberries and drain off juice: Cut marshmallows into fls with wet scissors: in a large bowl combine raspberries, marshmallows, sugar and nut meats. Let mixture stand ½ hour; stir occasionally. Fold in the whipped cream. Pour into dessert dishes and chill. Makes 4 to 6 servings.

HAVE YOU HEARD THESE?

A little minced cucumber added to tomato juice makes a refreshing change. A few drops of lemon juice added to rice during the cooking period makes it beautifully white and helps keep the grains whole.

COOKING

Reasons for cookies browning too much on the bottom — Pan too large for oven: Dark pan: Pan made of too thin material: Pan warped: Pan not greased sufficiently: When cookie pan has sides around it. A bright shiny aluminum pan is preferred.

Mr. and Mrs Keith Chalmers and the children returned this week from a holiday trip to Gull and Sylvan Lakes.

Chatsworth F.U.A. Meeting on Monday

The regular monthly meeting of the Chatsworth F.U.A. will be held on Monday July 13 at 8:30 p.m. at the home of Mr. and Mrs. J. Farkas. Mr. D. Taylor has asked that we discuss continuing or discontinuing the mail route. Box holders please note this will be brought up at this meeting. All those interested should plan to attend.

FARM WORKERS FOR ONTARIO

Ontario farmers need assistance with haying and harvest operations, reports the Farm Labor Director, Alberta Department of Agriculture. Reduced fares permit the farm workers to go to Ontario and return for $21.35. The minimum wage will be about $65 per month, but experienced men can expect to receive upwards of $100 per month.

Farmers in this province will soon be looking for help in harvesting their crops. Thus this could be considered a reciprocal movement — the greater the number of workers to go east, the greater the number of workers to come west.

Contact your District Agriculturist today.

Allandale Notes

To date, July 6, showers continue in the district. Hail has been reported to the east in the Deer Lake district the last of June. On July 1 a wind twister went north of here through O'Fee's yard and uprooted a spruce measuring 6 inches around. The funnel of it was heard plainly from here.

On June 22 Mrs. Woody Wilson was admitted to the Vermilion hospital for an appendectomy and on June 23 Mrs. Jimmy (Delia) Walsh for an operation. The ladies are now horse and getting on very well.

The Allandale supper held June 23 was favored with a non-showery day. We're grateful and appreciative very much the kindness of all those who helped in any way, and too, for the loyal support. It was good to see so many familiar faces.

Mr. Wm. Armstrong and son Albert motored to the city for the week end of June 26th.

It was good to see your news items Campbell Lake. Hope you continue and join us in our new's.

July 3rd — The Brake wedding. Though the day was cloudy there was no rain. The wedding group looked lovely and the bride beautiful. Our very best wishes and may your happiness continue down the road of life.

After the school term, Glen Baldock remained in the city and is now working with his brother-in-law Tommy Greaves.

It was good to see and visit old friends at the Greenhaven Od Timers' picnic July 1. Between showers and sunshine they carried on their program. The outstanding event was the Dewberry Boys' Band who led the parade and played during the afternoon. Their costumes, grey and red, are most striking. Their leader is to be congratulated and I'm sure all who have helped are very proud of the 'Dewberry Boys' Band'.

It was a favorable afternoon for the joint church service, Clandonald and Allandale at Clandonald on July 3. It was good to have the church filled. The Xmas service was very enlightening and as our minister said, the Christmas spirit should prevail the whole year round. Mrs. Baldock and Mrs. Laird favored the congregation with solos. With the kindness of the Trech family, after the service, around 75 gathered at Bald Lake. An abundant lunch and quiet afternoon was had, singing hymns and visiting. Mr. and Mrs. Clyde Hicks and family from Vermilion brought their new boat and motor out and the children enjoyed rides on the lake. Around 4:30 p.m. all went their way feeling a closer fellowship and an afternoon well spent.

Closing Thought: Let us be done with fault-finding and leave off self-seeking.

Funeral of Mrs. Geo. Bennett At Mannville

MANNVILLE — Funeral services for the late Mrs. Isabelle Bennett, beloved wife of Mr. Geo. Bennett, who passed away June 28 were held from the United church on Thursday July 2 at 3 p.m. Rev. R. C. Crighton officiated and interment was made in the Mannville cemetery. The pall bearers were Messrs. Bert Williams, Don Hanning, Campbell Clark, Harry Hamilton, Robert Weaver Sr., and Frank Scott.

Many beautiful floral tributes, memorial tributes and messages of sympathy were received.

She leaves to mourn her loss her loving husband, two sons, James of Mannville and Robert of Edmonton and eight grandchildren.

Pleasant Valley

It is very pleasant this Monday, for how long we can't tell. The rains have been plentiful with some hail. Mrs. Moore at Deer Lake said that she gathered up enough hail stones to make ice cream and there were still lots on the ground. Some of the crops in that district were damaged.

The roads have been bad in spots, some getting stuck and needing a tractor to pull them out. Then again the writer heard of two men filling into c mud hole and they had to be pulled out with chains. Is this a fish story Freeman?

Several men from Islay went to Cold Lake and caught some nice big fish. They tell us they let all the small ones go again — how small?

The Simmons family returned on Saturday from their trip. They visited ur old neighbors Mr. and Mrs. George Ronaghan. We heard the latest news Pearl.

Mrs. Dedelly returned home to sunny Alberta while Mr. and Mrs. Jenkins also arrived to spend the summer here visiting their families.

The men from the surrounding district spent three days transforming the Pleasant Valley church. This really needed doing too and it is now much improved. The entrance has been changed to the west. Rev. Ford was here with a paint brush, Mr. Shaw and not forgetting the faithful Mr. Playne. Everyone is thanked for their generous help and support in making this renovation possible. Several of the ladies journeyed through the mud with hot coffee and lunch during the afternoons.

Paradise Valley

Mrs. John McAmmond left during the week for Calgary where she will spend some time with her son Fred before going on to Enderby, B.C.

Mr. and Mrs. Scott of Belleville Ont., are visiting relatives in Paradise Valley and district.

Mrs. John Rains and Mrs. Sudden of B.C. are visiting their parents Mr. and Mrs. William Teasdale. We are glad to hear that Mrs. Teasdale is improving in health.

Glad to see Mrs. George Guy home from the Lloydminster hospital where she has been receiving treatment for the past week.

Mr. and Mrs. A. L. Johnson and family took in the Ponoka stampede and they report a lot of rain in that country.

Mr. and Mrs. Anderson had as their guests Rev. and Mrs. G. Toombes of Carrol River during the past week.

On Sunday afternoon June 28 the United church Sunday school held their annual picnic on the sports grounds. The rain held off and a good time was enjoyed by everyone.

Our old friend Jim McVinnie took to the air last Tuesday and left for a visit to his old home in Scotland. This is Jim's first visit home. His father is still living in Scotland Mr. McVinnie Sr. spent some time here many years ago. He must be near the 90 mark and is still hale and hearty.

Mr. and Mrs. Art Levitt, Mrs. Reg Holgate and Mrs. W. A. Nickle were recent visitors to Edmonton.

Mr. Charles Cottrell Sr. who spent the winter at the West Coast arrived back here on Thursday and will spend the summer with his sons and daughters in the district.

Mr. and Mrs. E. L. Kragness and Beatrice left for North Dakota on Thursday last where they will visit with Mr. Kragness' brothers for some time.

Miss Shirley Gunn and Miss Marion Fulgham left on Sunday for Red Deer where they will take some special subjects during July and August.

On Wednesday afternoon shareholders who were interested attended the annual meeting of the Oxville cemetery and clean up day. Quite a few came and as a result of their efforts the chippers, hoes, shovels and rakes the grounds now are much improved in appearance. The board elected consists of W. A. Nickle, John Fair and W. A. Gunn. Ira S. McLeod is secretary.

Miss Molly Lock of Edmonton spent the past week with Mr. and Mrs. Frank Flint. Miss Lock flew down from Edmonton and now thinks that flying is the only way to travel.

The Boy Scouts under the leadership of C. A. Richardson spent the week camping at Clear Lake.

Sisters Are Married In Double Wedding

SHARP—YOUNG
PATTISON—YOUNG

A quiet but pretty double wedding took place in Edmonton on June 22 when Gladys Mabel Young of Vermilion became the bride of Albert Benjamin Sharp of Goodridge, Alberta, and Mildred Josie Young of Vermilion became the bride of James Edwin Pattison of Lacombe, Alberta. Mr. J. Colville, deputy registrar read the marriage ceremony.

The two brides chose twin suits of blue Pic a Pic and wore corsages of red roses. The bridesmaids' flowers were corsages of carnations.

Attending Gladys and Albert were Mr. and Mrs. Wes Sharp of Camrose, while Miss Rita Young and Mr. Herb Pattison attended Mildred and James.

A wedding reception was held in the Corona hotel attended by 39 guests. The happy young couples will reside in Camrose.

Mr. George F. Sullivan wishes to announce the marriage of his daughter Theresa Irene to Captain Fred Chanatry, United States Air Force, at St. Anthony's church, Fahrenham, Norfolk, England, on Saturday, June 6, 1953.

Complimenting Miss Marion Roebuck, a bride of July 6th, Mrs. Basil Hawley, Mrs. W. A. Klokeide and Mrs. L. M. Eidem were co-hostesses at a miscellaneous shower held on Thursday, July 2 at the home of Mrs. Hawley.

The guests were entertained by a number of interesting contests. Following a delightful lunch an overflowing basket of gifts was presented to Marion.

The Nurses' Association entertained in honor of Miss Marion Roebuck with a party held at the home of Mrs. Lloyd McFadden on Friday July 3. Marion was presented with a handsome table lamp by those present.

Mr. and Mrs. Roland Roebuck and two daughters from Creston, B.C., spent from Saturday to Tuesday in Vermilion in order to attend the wedding of the former's niece Miss Marion Roebuck. While here they were guests at the home of Mr. and Mrs. Wm. Roebuck.

Guests at the home of Mr. and Mrs. J. E. Robson this week are their daughter, Miss Leslie Robson, their son and family Mr. and Mrs. Hunter Robson and little son Neil. All the visitors come from Calgary.

Mrs. Charlie Spencer passed through town last Friday on her way to Sherbrooke, Sask.

Mr. and Mrs. Basil Hawley and Betty Joan, and Mr. Clifford Hawley left via Canadian National for New Brunswick on a holiday visit. On their return trip they will take delivery of a new Buick in Ontario and finish the journey by motor.

Mr. and Mrs. Gerald Stephens, daughter Joan and Sheila Spencer left Sunday for the Rockies vacation, most of which will be spent in the mountains at Nelson, B.C. Bungarven and Banff. They will be in the Calgary Stampede and Banff.

Miss Catherine McEachern of Islay was the guest of Mr. and Mrs Lloyd McFadden for the week end.

Jim Pauls is visiting his grandmother Mrs. Key's in Vermilion. The Pauls family have recently moved to Calgary where they plan to reside in future.

Mrs. A. P. Good (nee Margaret Roebuck) of Innisfail was in town for the wedding of her niece Miss Marion Roebuck.

Mrs. Oakley and Mrs. Eidem are spending the summer in Edmonton where Miss Dorothy Eidem is attending the University summer sessions.

CLANDONALD HALL

Showing this week end at the Clandonald hall, "Sheaper by the Dozen" with Clifton Webb, Jeanne Crain and Myrna Loy. Next week, "Fearless Fagan." 2x

Canada's petroleum industry last year accounted for almost 10% of the total of all investment in this country.

Pioneers Honored At Londonville

MR. AND MRS. DOREY CELEBRATE 40th WEDDING ANNIVERSARY

The home of Mr. and Mrs. Geoffrey Dorey was the scene of an interesting event recently when the family of Mr. and Mrs. Harold Dorey entertained relatives and old timers to celebrate the fortieth year of the marriage of their parents. Mr. and Mrs. Dorey who were among the earliest pioneers of the Landonville district are at present visiting in the neighborhood from Victoria B.C. where they now reside.

Charmingly attired as bride and bridegroom, little Carl Etherington and Donald Dorey presented their grandma with a lovely bouquet of red and white carnations and fern while their grandpa was the recipient of a carnation for his lapel.

During the afternoon Mr. Stanley McCrae, master of ceremonies, appropriate speech on behalf of the family presented the guests of honor with a handsome pair of salt cones. Mr. Dorey thanked the donors on behalf of his wife and himself for the splendid gift.

In the afternoon and evening a delicious and bountiful lunch was served to more than 80 guests, the table being centred by a lovely three tiered wedding cake. Before departing for their respective homes Mr. Andrew Wilson extended good wishes and congratulations and asked the bride and groom of forty years to accept a suitable gift from the old timers of the Landonville district to mark the happy occasion. All present were thanked by Mr. and Mrs. Dorey to whom the day's events had been a complete and pleasant surprise.

Annual Salvation Army Picnic Held July 1st

The annual Cups picnic of The Salvation Army was held on Dominion Day at the farm of Mr. and Mrs. F. Cartwright, south of Hoadley. Close to 200 people gathered for the event and despite a brief shower the picnickers were favored with bright warm weather for the afternoon and evening. Ball games, races, baseball games, horseshoes and the lunch and treats provided helped to round out a splendid day. At the close of the day a short sing-song was led by Capt. Chapman and thanks were expressed to all who had made for the success of this annual event.

Mr. and Mrs. Alfred Pinchbeck of Beaverlodge were visitors in town for a few days during the latter part of the home of Mrs. Pinchbeck's sister, Mr. and Mrs. Wilfred McLennan.

Mrs Beake has now gone to Edmonton where he joined the staff of the Alberta National Drug Co. for the summer months. Rex will attend the University of Alberta in the fall.

APPRECIATION

Mr and Mrs. Mike Stuparyk and family of Clandonald who lost their house with all its contents by fire on June 13, wish to thank all those who donated towards the purse with particular mention of Harry Kuzsek and Ernest Heinneman who were responsible for the organization of the fund.

Claysmore Clippings

Mr. and Mrs. Fred Watling and family were dinner guests at the home of Mr. and Mrs. Allen Olsnes on Sunday.

We were fortunate in having such a fine day for our annual picnic at the school June 28. There was a good sized crowd and all enjoyed a fine afternoon of ball games, races and horse shoes with a picnic supper served on the grounds.

Mr and Mrs P. Wiles are spending a few days in Saskatoon visiting at the home of their son Edwin and family.

Mr. and Mrs. J. Horne had a few friends in Tuesday evening to a weiner roast and sing-song, the occasion being their 5th wedding anniversary.

Mr and Mrs T. McCauley and family attended the Veal picnic held in Vermilion on the new park grounds on July 5th.

Miss Hazel and Miss Patsy Winters are helping in the dining room at the V.S.A. for the summer.

There will be a church service at the school July 12 as Rev McKay and Mrs. McKay and family are leaving shortly for their summer holidays and will be away for several weeks.

Mr and Mrs. R. D. Lynch and their three eldest children left last week for a trip to the Eastern States where they will visit relatives in Michigan and Wisconsin. They plan to be away three weeks.

Mr and Mrs T Wayett and family from Calgary are visiting at the home of Mr Wayett's parents, Mr. and Mrs. T Wayett Sr.

Mr. and Mrs. E. Livingstone and Douglas left Sunday for Calgary and will spend a few days at the Stampede.

Mr. Nelson Lester, a student from the Ontario Veterinary college, who has been assisting Dr. Macdonald the local Dominion veterinary, for the past two months, left on Monday last for Westlock to take charge of the office there until college opens in September. During his stay here Nelson received the good news that he had passed his exams with flying colors. The time required now to graduate as a fully fledged veterinarian is 5 years.

CARD OF THANKS

I would like to thank all our old friends who came to see my husband while he was a patient in the Lamont hospital. Many thanks also for the beautiful floral tributes at his passing.

Mrs. Laura Green.
Abbotsford, B.C.

Look at the date on your label, it tells when your sub is due!

Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents.

Vermilion P.R. 3, July 3, 1953.

Editor, the Standard,
Vermilion, Alta.

Dear Sir:

Mr. Robt. Fair raises a very interesting subject in his discussion of taxes. This gift tax was imposed I believe to prevent the very rich from giving away their properties and evading succession duties therefore.

Now it is very evident that the most of us will pay very little in taxes either by succession or in gift taxes therefore what interests me more is to know how to pay our present provincial taxes.

Our municipal taxes are up about $13 per quarter section and I believe that our municipality is borrowing money to carry on as well This doesn't look good, taxes going up and going futher in debt.

Mr. Fair speaks of hidden taxes. How about disguised taxes such as the royalty our government collects from the oil companies, but is really paid by the consumers? The royalties paid by the oil companies are just added to the cost of the oil.

Yours truly,
Nemo.

Vermilion Scouts To Attend Canadian Jamboree At Ottawa

Scoutmaster Bill Nankiveile and two of his scouts from the First Vermilion Boy Scout troop will attend the Second Canadian Boy Scout Jamboree being held at Ottawa from July 18 to 26. They left on July 14, spent a day in Calgary attending to gaintred, and to experimenting with charcoal cooking.

Shown from left to right they are Scout Doug Hesaam, Scoutmaster Bill Nankiveile and Scout Neil Crawford.

Doug Hesaam is a First Class scout, has a number of proficiency badges, his B Cord and is working on his Queen's Scout badge.

Neil Crawford is a Queen's Scout, also has his Bushman's Thong, 23 proficiency badges and the Gold Cord.

Mr. Bill Nankiveile, Scoutmaster of 1st Vermilion Troop, has 18 years service as a leader. He has his Wood badge. He also attended the first Canadian Boy Scout Jamboree in 1949.

What is a Jamboree? In this case it's a meeting of over 2000 scouts from all over Canada, plus boys from the U.S. and other Allied countries Together they will form a tented city, and will trade yarns, play games, organize, and will swap what they consider great possessions. There will be special events held part or all of the evening from all provinces and council fire programs where songs and stunts from other scouts will be learned. It will broaden the boys horizons and help them to understand how vast a brotherhood the Scout movement really is.

Makes Last Run Saturday Evening

Conductor Wm. McLean Retires After 37 Years on Railroad

A railroad career which began in Newfoundland in 1916 was completed in Vermilion on Saturday evening July 11 when Conductor Bill McLean stepped off the Canadian National freight train at the station having made his final trip across the line of the railway that he is now retired on superannuation. How many trips he has made, or how many miles he has travelled in those intervening 37 years Mr. McLean has no idea, but he does know he spending the years at railroading. His career had been a long and interesting one, having run from coast to Canada and the Canadian West like a book, and above all he enjoyed his work and the contacts he had made with the many crew members and railroaders.

Mr. McLean was born in Canada, at New Glasgow, Pieton County, in Nova Scotia. His railroading experiences however started in Newfoundland in 1916. Having commenced in this line he came west and continued railroading in the employ of the Canadian Northern, working out of Edmonton. The Canadian Northern was absorbed into the Canadian National system and Bill McLean kept right on, being stationed at various times at Biggar and North Battleford in Saskatchewan, and Edmonton, Calgary, Jasper, St. Paul and Vermilion in Alberta.

Mr. and Mrs. McLean and family came to Vermilion in 1946 where they now have a nice home of their own, and they will continue to reside here. Immediate plans are for a six weeks holiday at Vancouver and coastal points in company with Mrs. McLean and 17-year-old son Bill. Besides Bill Jr., they have two married daughters, Mrs. Carl Anderson in Edmonton and Mrs. Jack Currah at Gull Lake.

At the end of his final run Conductor McLean found members of his own family, several fellow C.N. men, and some friends waiting at the large dance pavilion A small granary was hi ired there for the occasion by the Imperial Oil who had loaded one flat car with a small house causing great damage to small buildings, garages etc. in its blown over. The Macleod farm outside south had many of its buildings moved and was pressed into service as a dance hall by individual sufferer from the wind as far as known.

In the meantime the whole town was struck by the hail and hundreds of panes of glass in the roofs and sides of buildings were broken Damage to crops runs mostly to 100 per cent in the area affected.

One casualty is reported. Mrs. Wm. Hamilton being a patient in hospital suffering from shock.

The town and hospital were without power from the time of the storm to 7 a.m. Wednesday, the line repair crew working all night to restore service.

Sixty Attend W. I. Conference At V.S.A.

MRS. H. D. HAMILTON OF MANVILLE NEW CONSTITUENCY CONVENER

The Vermilion - Alexandra 33rd Constituency Conference of the Alberta Women's Institute was held at the Vermilion school of agriculture on July 10 with an attendance of 60.

Mrs. W. J. Garnett presided supported by Mrs. J. I. Jones, director of District 1, Mrs. J. Wilson vice-secretary. Mrs. T. H. Howes, vice-president of A.W.I. was the guest speaker. She is publicity convener for northern Alberta editing the A.W.I. Diploma Wheel weekly in the Edmonton Journal. She also will represent the A.W.I. at the coming A.C.W.W. conference in Toronto in August as one of the five voting delegates. Reports on the year's work were given by the 10 branches, Clayemore, Creighton, Five Points, Kitscoty, Princess, Anne, Ramsay, Sinclair, Thorneliffe, Wildmere, Vermilion, and the Girls' Club, the Wildmere Beavers.

The new constituency convener for the next two years is Mrs. H. D. Hamilton of the Creighton W. I. The convenors of the standing committees are Mrs. R. S. Pidcock, Mrs. R. C. Reed, Mrs. J. M. Wilson, Mrs. P. Sloan, Mrs. F. Clark, Mrs. R. C. MacMillan and Mrs. T. Smith. There was a good display of handicraft

Exhibition Opens Thursday, July 23rd

Vermilion's Big Fair opens on July 23rd and runs for three days and word has just been received from Portage la Prairie that the grandstand attractions are really 'tops'. Keith Stewart, Secretary of the Western Canada Fairs Association describes them as the best ever and states that the tribute to the Coronation of Her Majesty Queen Elizabeth as paid by the highly trained cast is excellent: Mr. Stewart says — "Make sure none of your district people miss the Coronation Revue as the Portage exhibition patrons were thrilled with it".

THE FIRST DAY

The first day of Vermilion Fair is Junior Day sort will be featured by the show and sale of 80 calves of the Manville, Derwent and Vermilion calf clubs. Some fine calves will be on display and the sale begins at 1 o'clock. Buyers from all the major packers will be on hand to bid on the fine animals and all are urged to come out and support the young farm people in their efforts.

The Wallace Bros. midway will be set up and ruin' to go by entry afternoon and at 7 o'clock at night the featured grandstand attractions will be staged on a magnificent new platform. 60 or 80 feet. recently completed to provide one of the finest attractions platforms in Western Canada.

FRIDAY JULY 24

Improved facilities in the grandstand enclosure will provide added space for patrons and 3 shows will be staged on the Friday, the first at 2 o'clock in the afternoon, the others at 7 and 9 in the evening. The Honorable John J. Bowlen, Lieutenant Governor of the Province of Alberta will officially open the Fair at the start of the afternoon show. A brand new feature should please thousands of fair patrons when Jack Jones, noted Edmonton actor and comedian takes over the job of filling in time while awaiting the start of the attractions. Mr. Jones comes highly recommended and will lend the crowd in community singing and provide plenty of fun during any program lull.

SATURDAY JULY 25

It is useless to discuss the grandstand attractions in detail, suffice it to say that they are reported to be the best yet and all of the Vermilion Fair features are available for an extremely low cost through the purchase of advance tickets at 5 for $1 and they are good for gate and grandstand admission. Vermilion Fair takes the same show as all other Western Canada "B" Fairs BUT no less half the cost through the at your tickets.

Visit Vermilion's Friendly Fair JULY 23, 24 and 25.

MANNVILLE HIT BY TWISTER, HAIL

MUCH DAMAGE TO CROPS AND BUILDINGS

MANNVILLE — Mannville was struck by the worst storm in its history Tuesday evening when wind of tornado strength and heavy hail hit the town and district. The wind appeared from the west and struck most heavily on the south side of the town demolishing all the buildings in the Imperial Oil yards and the large dance pavilion A small granary was hi ired there for the occasion by the Imperial Oil who had loaded one flat car with a small house causing great damage to small buildings, garages etc. in its blown over. The Macleod farm outside south had many of its buildings moved and was pressed into service as a dance hall by individual sufferer from the wind as far as known.

In the meantime the whole town was struck by the hail and hundreds of panes of glass in the roofs and sides of buildings were broken Damage to crops runs mostly to 100 per cent in the area affected.

One casualty is reported. Mrs. Wm. Hamilton being a patient in hospital suffering from shock.

The town and hospital were without power from the time of the storm to 7 a.m. Wednesday, the line repair crew working all night to restore service.

Salvation Army "Open House"

"Open House" will be held at the new Salvation Army quarters on Friday July 17 between the hours of 2:30 and 4:30 p.m. and 7 to 9:30 p.m. A service of dedication will be held in front of the building on Sunday, July 19 at 3 p.m. The public is invited to attend

Judged by Miss Shirley Helms Dietet Home Economist from Wainwright The silver cup was won by Saltaux W.I. The Thrift Problem was won by 1, Mrs. J. Green 2 Mrs. J. C. Wallington and Mrs. Cynthers. 3, Mrs. G. Richardson Lunch and afternoon tea were served at the school.

Dist. No. 7. F.U.A. Elect Officers At Convention

JOHN ANDERSON OF DEW-BERRY IS PRESIDENT

The annual convention of District No. 7 F.U.A. and Vermilion school of agriculture on July 11 drew a record attendance of 17 delegates from 17 U.F.A. junior memb... 15 district and 11 visitors. The guest speaker was welcomes from Mayor S. C. Heckbert, K. C. Lieutenant Governor of the Province of Alberta, weekly in behalf of the U.F.A. Locals, principal of the A.S.A.

Following the presidential address by the provincial President of the F.U.A., Mr. Henry Young, and reports by the U.F.A. secretary Mrs. Taylor and some very interesting facts on income tax and the Canadian Wheat Board, information first hand from finance minister Abbott at a recent F.U.A. delegation to Ottawa

Quite a number of resolutions were discussed and dealt with during the day. District No. 7 F.U.A now has 2000 members.

The election of officers resulted as follows

President John Anderson, Dewberry.

Vice-President E. Taylor, Wainwright

Secretary Mrs J. Magill, Dewberry.

Other members of the board and the number of the sub-district they represent are: No. 1 W. Chaffey Mymam No. 2 W. Parker Dewberry. No. 3 R. Pedler Mannville No. 4 Mrs. Hesketh Streamstown No. 5 D. Raitan Wainwright No. 6 Mr. Zaiss Edgerton No. 7 Mrs. Dreyer, Hardisty No. 8 to be elected

Girls At Whitney Church Camp

A number of girls from Vermilion went to the United Church camp at Lake Whitney on Wednesday for a ten-day holiday.

Crop Damage High Over Wide Area to North

District Swept by Terrific Hail and Wind Storm

It seems practically impossible to obtain an accurate estimate of the damage wrought by the hail storm and high wind which swept over this area Tuesday evening shortly after 6 p.m. The town itself escaped the hail and was on the south edge of the storm. damage here being confined to poplar trees which blew down at the V.S.A. grounds and at various spots around town.

Damage to buildings on farms in Mannville, Ruxivia and Clandonald is reported as extensive hundreds of poplars were broken, barns, granaries and garages destroyed or damaged.

The hailed area extends from Minburn and Mannville north-east to St. Andrews and Ruxivia districts, to Clandonald and up through Landonville and Angle Lake. In the centre of the swath cut by the hail the crop damage is 100 per cent with a gradual lessening towards the fringes of the storm area. The area struck seems to be much larger than is usual and extends over several tow-ships. The hail was driven by wind of velocity of 52 to 70 miles an hour, trees were stripped of their leaves and bark by the onslaught.

LADY INJURED

The only injury known to the Standard at press time was Mrs. Rod MacMillan who was badly cut by flying glass when the windows of her house in the St. Andrews district were blown in by the wind. She was rushed to the hospital where she is now a patient.

In addition to the enormous crop damage, loss by destruction and property damage, loss by destruction and property damage of buildings by the wind will be very extensive.

Army Demonstration At Vermilion

PLATOON HERE FRIDAY AND SATURDAY

A demonstration and recruiting team consisting of one platoon, 40 all ranks, plus administrative section, will be in Vermilion Friday and Saturday of this week

The team is part of the first battalion PPCLI now stationed at Currie Barracks, Calgary. The purpose of this visit is to familiarize the public with the Canadian Army in order to bolster recruiting.

The Platoon is commanded by 2nd Lt. D. T. Inman with 2nd Lt. G. Fullarton as administrative officer. Both are prepared to interview any person who is interested in making the army his career. Transportation to the Personnel depot in Edmonton can be arranged for prospective recruits.

DEMONSTRATION NORTH HILL

The team will stage a demonstration of battle tactics, drill and parachute equipment on the top of the river hill at 8 p.m. Saturday July 18. Everyone who can possibly do so is invited to come out and witness this display. A spectacle new and noisy, can at least be promised.

Vermilion Ladies Win At Marwayne

Vermilion Red Sox won the invitation ladies softball tourney at Marwayne on Wednesday, defeating Dewberry in the finals.

National Grain Men Pay Tribute To Retiring Official

BANQUET AND PRESENTATION TO "BILL" ANDERSON

One of the finest expressions of esteem and affection from employees, to their 'boss' took place at the Legion hall, Vermilion, on Saturday evening July 11 when grain buyers of the National Grain Co. over a territory reaching a hundred miles from Chipman on the west to Mankota on the east of the C.N.R. and C.P.R. as far equally as great a distance along the C.P.R. to the south gathered together to honor their retiring superintendent of this district Mr. Bill Anderson of Edmonton

Mr Anderson is retiring after 35 years in the grain trade, 17 of which years of which have been as superintendent of this district. At this time every agent working in his territory came to regard him not only as a friend and counsellor but as a head of a boss.

The evening's program took the form of a buffet dinner served by the Legion WA at which were the guests of honor and their wives, guests at the head table including the guest of honor Mr Anderson, his wife and their daughter Mrs. Jack Anderson their son and wife and Mr. and Mrs. Carl Anderson from Edmonton Mr Sage, the district fieldman from Edmonton and of the National Grain Company, who appointed divisional superintendent, successor to Mr. Anderson, and Mrs. Wm. Chairman of the gathering was Mr. Douglas Otto of Mannville.

Following the dinner Mr. Otto called on Mr. Harvey Ganton of Innisfree for an address. In complying Mr Ganton traced Mr Anderson's career in the grain business, stating that he had commenced first at Kandahar, Sask. where he spent ten years before transferring to Leduc, Alberta, and from there to Fort Saskatchewan. In 1937 the National Grain recognized his abilities and appointed him superintendent of this district, replacing the late A. E. Ruud. Mr Anderson joined the Quarter Century Club in 1945 receiving a gold watch from the company in recognition of 25 years service.

Mr Ganton then wished Mr Anderson many years of happy retirement on behalf of the "Dewberry Family" presented him with Lazer-Ray chair as a token of the high esteem felt for him and his family

In replying to the address Mr. Anderson stated that he considered it an honor to be guest at such a gathering as this. He had planned a make one more trip around his old territory to visit each one as I every one in his home but this unexpected tribute made it easier to see all the agents and their wives again. He had always appreciated the way the agents took him into their homes and the hospitable way he was received by the wives. "This meant a lot to me" said the retiring superintendent. He mentioned the fact that the men always stood by him in his work and made a difficult task easy and pleasant. This could not have been accomplished without the very best kind of people. He asked that they give the same co-operation and consideration to his successor. I do not hesitate to state" he said "that this division has had the best bunch of grain buyers since I have been on the road. He closed his remarks by saying that he felt should he have been from hirs to them instead of the way it was, and that he would gladly change the chair as a gift from a group of fine men and women. "You have given me a wonderful evening", he told "one which I will always remember. I will see you from time to time because we are going to stay here, the finest country in the world."

An interesting interlude at this moment saw Mrs. Helen Bell present Mrs Anderson with a beautiful corsage.

Mr Sage, manager of this division of the National Grain Company, stated that in his opinion this was the most wonderful gesture that ever happened to have all the men in the division travel from all points to pay tribute to a retiring official. Mr. Anderson was equally well liked by the office staff and he expressed the wish that he would enjoy the very best of everything in his retirement.

Arrangements for the very enjoyable evening were carried out by Mr. and Mrs. Douglas Otto of Mannville, Mr. and Mrs. Harvey Ganton of Innisfree and Mr. and Mrs. Bill Bell of Kitscoty. Mr. Spielman of Kitscoty played the piano for the community singing.

Celebrate Golden Wedding at Mannville

MANNVILLE — Mr. and Mrs. Godfrey Hanch entertained eighty-five guests on June 21st in honor of Mr. and Mrs. Ludwig Hanch who celebrated their 50th wedding anniversary. All their children and grandchildren, including one great grandchild were present. Mr. and Mrs Hanch came from Poland 31 years ago and have resided in the Mannville district since then. Three years ago they retired and are now living in the village of Mannville.

Summer Weddings

BROCKMAN—SHAKE

St. Mary's Anglican church, Clandonald, was the setting for the marriage of Miss Mavis Brake, daughter of Mr. and Mrs. Harry Brake of Clandonald and Fritz Brockman, son of Mr. and Mrs. Henry Brockman of Lesher, Alberta.

The Rev. R. T. Clennett performed the double-ring ceremony.

Mrs. W. Young of Dewberry played the wedding music and Mrs. C. Liard sang "Bless This House".

Given in marriage by her father, the bride was charming in a gown of white lace over satin. The lace bodice featured a Peter Pan collar, with long sleeves and a row of self-bound buttons extended from the collar to a fitted waist line. Her veil was held in place by a bridal crown of nylon rosettes and lilies of the valley. She carried a bouquet of red roses. Two attendants preceded the bride down the aisle. They were Miss Eileen Stockwell, cousin of the bride, and Miss Marilyn Brake sister of the bride. Similar gowns of net over satin in shades of plum and apple green respectively were worn by the attendants. Bouquets of pink and white carnations completed their ensemble. Little Sandra Anderson, a cousin of the bride acted as flower girl in a dress of yellow net over taffeta. She carried a cluster of flowers.

The groom was attended by his brother Mr. Robert Brockman and Mrs. Clarence Evans. Rudy Brockman, a younger brother of the groom, acted as ring bearer. Mr. Cliff Stockwell and Mr. Eddie Brake well acted as ushers. Later a reception for 200 guests was held at the bride's home.

Mr. Hugh Hagen, an old friend of the family, acted as toastmaster.

Mr. and Mrs. Fritz Brockman were hosts at a dance held later in the evening in Clandonald hall.

When they return from their honeymoon trip to the U. S. the young couple will make their home at Spondin, where the groom is engaged in the threshing problem. Guests from out of town included Mr and Mrs. Henry Brockman, Robert and Rudy of Edgerton, Mr. and Mrs. Ray Johnson of Kingman, Mr. Clarence Evans, Spondin, Mrs. O. Hinstrom and Harry of Hay Lakes, Mr. and Mrs. Hilmer Anderson of Camrose, Mr. and Mrs. Orville Hetter of Dodds, Mr. and Mrs. Carl Henrickson, Spondin, Mrs. Gottschalk, Spondin. Later arrivals were Mrs. Brake's brother Willard and sister Agnes of Edmonton.

PURSER—KING

A very pretty June wedding was solemnized at Grace United church, Lloydminster, when Miss Irene Nellie King, only daughter of Mr. and Mrs. Leonard King, of Kitscoty, became the bride of Mr. Donald Edward Purser, only son of Mrs. Vera Purser and the late Edward Purser of Paradise Valley. The attractive double-ring ceremony which was witnessed by a number of relatives and friends, took place Sunday, June 21st at 3:00 p.m. Rev. E. N. Morrison officiated.

Given in marriage by her father the bride chose a ballerina-length white net over satin gown with nylon lace overskirt. It was a strapless style modified by a brief jacket of lace, with lily point sleeves. They self-covered buttons down the front closed the bodice. Her chapel veil of net and nylon lace was gathered to a coronet. She carried a bouquet of mauve orchids, white roses and lily of the valley backed with fern.

The matron of honor, Mrs. Ruth Oldenburg, sister of the groom, chose a gown of yellow net over taffeta, matching lace gloves and finger-tip veil completed her ensemble. She carried a bouquet of mauve flowers.

The flower girl little Miss Beverley Reynolds dressed in a dainty blue net frock and crown of mauve, carried a bouquet of yellow flowers.

The groom was attended by Mr. Lyle King, brother of the bride.

Mr. Art King and Mr. Wilfred Reynolds ushered the guests to pews marked with roses and satin bows.

Mrs. E. N. Morrison played the wedding music and during the signing of the register Mrs. Hazel Hurt sang very beautifully "The Wedding Prayer".

A reception for approximately 100 guests was held at the Legion hall. The guest book was under the capable supervision of Mrs. Shirley Truss.

The bridal table was centered with a three-tiered wedding cake set in a bed of pink and white tulle and rounded by candles and bouquets of spring flowers.

For the occasion the mother of the bride chose a royal blue dress and jacket of imported Ottoman cord, with grey and white accessories. Her corsage was white roses and lily of the valley.

The groom's mother wore a white flowered nylon dress with white accessories and a corsage of pink roses and lily of the valley.

After a few well chosen words by the Rev. Morrison, he called on Mr. George K. Ross to propose the toast to the bride, which was ably responded to by the groom.

The groom proposed the toast to the matron of honor which was replied to by the best man.

Another selection "I'll Walk Beside You" was then rendered by Mrs. Hurt and much enjoyed by all.

For a honeymoon trip to the west coast and the U.S., the bride chose a grey suit identical to the groom's and wore a pink corsage and pink accessories.

On their return the happy couple will make their home on the groom's farm in the Paradise Valley district.

Wedding of Interest To Vermilion and District

On the 6th of July at 2:30 p.m. Florence, youngest daughter of Mr. and Mrs. A. Castel of Edmonton, was united in marriage to Mr. Raymond Robert McQuid, only son of Mr. and Mrs. Andrew McQuid of Tofield, in a double-ring ceremony. The wedding took place at St. Andrew's Presbyterian church, Edmonton, Rev. Ian McSween officiating.

The bride was given away by her father and was lovely in mauve flounced net over taffeta, with matching boiero. Her bouquet was of roses and carnations. For jewelry she wore a gold locket with matching earrings, gift of the bridegroom.

Her headdress consisted of a tiara of white roses and lily of the valley.

Miss Marion McQuid, sister of the groom, was bridesmaid and chose a pale green ovelet dress, over taffeta, with a pearl studded Juliet cap as her headdress. She carried a bouquet of roses and baby mums.

Mr. Bill McGrath was best man. Mr. Jim Pierce, brother-in-law of the bride, acted as usher.

Miss Mowry, organist of the church, supplied the wedding music.

The bride's mother wore rose crepe with white accessories and a corsage of yellow sweetheart roses.

The groom's mother chose a figured nylon dress with white accessories and corsage of red Sweetheart roses. A reception for 25 guests was held at the Seven Seas on Jasper Avenue. The tables were tastefully decorated with white and pink peony roses and daisies.

The toast to the bride was proposed by Mr. Jim Pierce and the bridegroom suitably replied.

The happy couple left by car for a honeymoon in Banff, Jasper, Vancouver and points in the U.S. For traveling the bride wore a suit of grey garbardine with red and white accessories and a corsage of red roses.

Out of town guests were Mr. and Mrs. Andrew McQuid of Tofield, Mr. Fred Slocum of Tofield, Miss Maud Pierce of Lloydminster, Mr. and Mrs. Jim Pierce and boys of Marwayne, Mr. and Mrs. Art Lyons, Mr. and Mrs. Dan McGrath, Mr. Bill McGrath, all of Tofield, Mrs. Jean Lowrie and Miss Dorothy Lowrie of Lethbridge.

DEMONSTRATION PLOTS

Every variety of grain that has been licensed is not suitable for all districts. There is always one variety that is the best for each particular district. A large number of "Crop Testing Plan" Demonstration Plots, where different varieties are growing side by side, may be visited on the prairies.

Every Searle Agent has a list of the location of these plots which farmers can observe to their profit.

Moral: Don't Bet - You Might Lose

The moral of the above story is 'don't bet — you might lose', and Bev Baldock lost this bet and had to push Cecil Kitz around the block in a wheel barrow. Bev says that he didn't think fast enough or he would have used a steel wheel barrow instead of the comfortable rubber-tired vehicle.

Bev bet that the Mounties would have the robbers of the Treasury Branch in Edmonton before that current week end was up. Cecil said 'How can they, there is not a clue to work on'. Cecil won and enjoyed the ride — so did the many spectators around the streets on that Saturday afternoon. Photocraft.

Clarence G. Torrance Laid To Rest

MANNVILLE—Funeral services for Clarence G. Torrance who passed away suddenly on Sunday July 5th were held from Mowbray's Memorial United church on Thursday, July 9 at 2 pm. Rev. R. C. Crighton officiated and interment was in the Mannville cemetery. The Masons were in charge of the funeral and there were representatives from all the surrounding lodges. Vermilion, Vegreville, Kitscoty, Irma, Edmonton and others. Mr. N. McKinnon, who is a Past Master of the Lodge conducted the Masonic burial at the graveside.

Honorary pallbearers were Dr. S. Hardin, N. McKinnon, J. McCauley, R. W. Hay, J. Hawley and E. Sloan. The active pallbearers were W. N. Crooks, M. B. Van Dusen, G. Pemberton, Ross Leitch, R. Holden and A. E. Williams.

The high esteem in which Clarence was held was shown by the large attendance at the funeral. Almost every family in the town and district was represented to pay their last respects. The church and the church hall were both full and a large number of people were standing outride.

As well as being Past Master of the Masonic Lodge Mr. Torrance was also Past Worthy Patron of Magdalene Chapter No. 79 O.E.S.

He leaves to mourn his mother Mrs. Eva Torrance, two sisters Mrs. Edythe Fox of Bellfil and Mrs. Ada Garrison of Fed Deer, and two brothers Leslie and Edwin of Mannville.

Wildwood

Mr. and Mrs. Harry Watt and family of Peace River, touring the province on holiday, spent a few days with Mr. and Mrs. H. F. Wheeler. Mrs. Watt was the former Lila Whedon.

Mrs. Gerhart and family spent a day with her sister Mrs. F. J. Hearty.

A number of the young folk attended the boat races at Sandy Beach recently.

Miss Eileen Jack of Alberta College is spending the summer holidays under the parental roof.

Miss Leona Moy spent the week end with Miss Betty Stone.

Mr. and Mrs. J. D. Stone are home again after a holiday touring through the States and B.C.

Mr. and Mrs. T. Stoddart and family spent Sunday with Mr. and Mrs. Chas. Drysdale.

Mrs. A. Jack and Beverlie went to Edgerton for the week end.

Master Jimmie McKay returned with them for a visit.

Miss Diane and Rosie Redmond of Edmonton are holidaying with their grandparents.

Misses Lois Jean and Sheila Payne are spending a week with Mr. and Mrs. George Jack.

Mr. E. J. Hearty and Lewis Fry made a business trip to the north country.

Mr. Klimpa our student minister spent last week at the boys' camp, Sylvan Lake.

At last we are having real summer weather and though the heat is rather hard to take, it is just what is needed for crops and as the season is almost two weeks behind normal.

Church service last Sunday at the Ottawa United church was quite well attended, and Sunday school was also held during the morning service with some 12 kiddies present. Miss Sleggett conducted that vocation school is being planned for the first week in August. The next church service will be on Sunday July 26 at 11 a.m.

Mr. and Mrs. Chubaty of Vegreville were visitors at the home of Mrs. Chubaty's mother and brothers Mrs. Wynnychuk, Bill and Mike last week.

Mrs. Glen Hutchinson and children of Calgary are spending holidays at Mr. and Mrs. Morton Tovell's. They enjoyed a week's stay at Sandy Lake last week.

Mr. and Mrs. Joe Farkash Jr. were visitors to Edmonton last week end. The children, Donna, Robert and Lyle stayed at their grandparents Mr. and Mrs. J. Farkash Sr.

Dickie Pearce is holidaying at Moose Lake this week with friends from town.

Mr. and Mrs. R. Good, the Panter and J. K. Thompson families were visitors to Moose Lake last Sunday.

The daughters of Mr. and Mrs. Russell Burnham of Lisbon, were visitors to Vermilion last week at the home of their aunt Mrs. H. Eckford.

Jack Thompson and Murray Millar were visitors to Vermilion over the week end from Fawcett where they are engaged in work on the oil wells.

The July meeting of the F.U.A. local was held at the home of Mr and Mrs J. Farkash Sr. last Monday with 13 on attendance. Main business of the evening was dealing with the final picnic and delivery. The August meeting is to be held at Evely Thompson's on the 10th. At the close of the meeting a very delicious lunch was served by the hostess.

Mannville Local Items

Mr. and Mrs. W. N. Crooks are holidaying in Winnipeg.

Pte. Morley Thompson and Cpl. Alvin Thompson, both now stationed at Wainwright and Clarence and Garnet Thompson, all sons of Mr. E. P. Thompson, were recent visitors in Mannville with relatives.

Mr. and Mrs. E. C. McPhee are visiting with their daughter and family Mr. and Mrs. Ross Lane of Peace River.

Mr. G. A. Upton and son Gerald have returned after taking in the Calgary Stampede.

M. and Mrs. Percy Thompson and family of Lacombe visited with the latter's mother Mrs. R. Gordon.

Miss Shirley McFadden and Miss Catherine Rontle are currently holidaying at Sandy.

Mrs. Johnnie Finlay is relieving in Malm's store for the holidays.

With several of the hospital staff on holidays and Mrs Gordon ill, the following are on duty for the holidays season, Kaye Brennan, Audrey Hamilton, Lottie Greenwood, Joyce Scott, Theresa Way, Doreen Arnold.

Friends are an aid to the young, to guard them from error; to the elderly, to attend to their wants and to supplement their failing power of action; to those in the prime of life to assist them to noble deeds.

[illegible], Alberta
June 26, 1953.

The Standard Office,
Vermilion, Alta.

Dear Friends:

We, the pupils and teacher, Mrs. Witzaney, thank you for the information you have given us and appreciate the trouble you have gone to in this regard.

Your friends,
The Rye School Pupils
and Teacher.

Real Summer Weather

Real summer weather has been experienced during the past week with highs of over 80 on two occasions. The heavy shower during the big storm on Tuesday evening accounted for 19 inches of moisture with another .55 added Thursday morning.

The high wind of Tuesday evening was in the 55 to 60 mile an hour bracket with no hail in town.

DAILY TEMPERATURES

Day	High	Low
July 9	85	52
July 10	81	50
July 11	80	55
July 12	87	49
July 13	92	60
July 14	91	56

Wildmere Winks

Delegates to the F.U.A. convention held at the Agricultural college from our district local were George Wilson, Fred Habeck, Roy Hibbert and Frank Gibson. All report a good convention.

Mrs. G. Foss and Brenda, Irene Morand, returned to Calgary on Tuesday last week after visiting a few weeks with their aunt Mrs. Cruthers and Uncles Bill and Adam Smith.

Auburndale and Triangle picnics were held last week. Good crowds attended both of them and they were favored with grand weather. Good games were played at both and the big of war was very enjoyable. The dances at night were well patronized.

On Saturday Ray Osterberg and Jack Schaumleffel went fishing up Frog Lake way and brought home a nice bunch of fish. Ray caught one weighing 7 pounds and it was a beauty. Saturday evening Cliff Cruthers, Bill, Adam and Albert Smith and Mr. Martin went north to Moose Lake and they too brought home a nice lot of fish.

July 15 ..... 77 54
July 16 ..... [illegible]

By courtesy of Dept. of Transport Beam Station Vermilion

On Sunday the writer and family went to Sandy Beach, had dinner in Lloydminster first. The lake was crowded with bathers. Mr. and Mrs. Henning Haverview and three children were there also. Did you find a cool spot Mrs. Haverview?

Wildmere Curling club are holding their picnic on July 31st so plan to attend folks. It will likely be the last picnic for this year.

Hay is rather scarce this week. We had the pleasure of meeting Kilmorey scribe last week.

TOWN OF VERMILION NOTICE OF NOMINATION MEETING

PUBLIC NOTICE is hereby given that I will attend at the Town Office in the Town of Vermilion, on Friday, the 24th day of July, 1953 from ELEVEN o'clock in the forenoon, until TWELVE o'clock noon, for the purpose of receiving Nominations of Candidates for the office of Councillor to fill the vacancy caused by the resignation of Councillor John Reid.

The balance of the term is approximately two and one-half years.

GIVEN under my hand at Vermilion this 8th day of July, 1953.

Hiram H. Hodgins,
Returning Officer. 2c

TOWN OF VERMILION

BY-LAW No. 13-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 13-53 of which By-Law the following is a true synopsis:

A By-law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Water Supply and distribution system.

Total cost of the extension will be $14,000.00

The amount of $14,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditures Loans Act and bearing interest at the rate of 3¼ per centum per annum.

This By-law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 13-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion and the Board of Public Utility Commissioners.

AND FURTHER NOTICE that the said proposed By-Law No. 13-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion on the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

BY-LAW No. 13-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 13-53 of which By-Law the following is a true synopsis:

A By-Law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Sewage Disposal System, which extension has been approved by the Department of Public Health by Certificate No. 970.

The total cost of the extension to be $5,000.00.

The amount of $5,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditure Loans Act, and bearing interest at the rate of 3¼ per centum per annum.

This By-Law shall take effect upon the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 13-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion and the Board of Public Utility Commissioners.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 13-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion on the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said proprietary electors of the said Town of Vermilion for and against the said By-Law, a synopsis of which is printed above, will be taken on Friday, the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

BY-LAW No. 14-53

There has been introduced in the Council of the Corporation of the Town of Vermilion By-Law No. 14-53 of which By-Law the following is a true synopsis:

A By-Law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of purchasing a Fire Fighting Unit for the said Town of Vermilion.

The total cost of the said unit to be approximately $12,000.00 of which amount $10,000.00 is to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditures Loans Act and bear interest at the rate of 3¼ per centum per annum, or on the open market with interest not exceeding 5 per centum per annum as the case may be.

This By-Law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 14-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the purchase of a New Fire Fighting Unit.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 14-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion on the open market with interest not exceeding 5 per centum per annum as the case may be.

This By-Law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

This bulletin was intended for last week's issue. Due allowance should be made for lapse of time.

This column has been neglected due to the writer attending too many picnics.

First we have some new citizens to welcome. Congratulations to Mr. and Mrs. Ross Burns on the birth of a daughter, to Mr. and Mrs. Donald McClellan and Mr. and Mrs. Donald Madden on the birth of sons.

After attending the farmers' picnic at Marwayne surely no one can still think the farmers can't cooperate. Everything was so well organized. The judges must have had a hard time deciding on the winners in the parade. The Clandonald ladies' ball team were good sports and looked really charming complete with earrings and nylons.

Congratulations and best wishes to Mr. and Mrs. Fritz Brockman (nee Maria Braher) who were married recently.

The teacher Mrs. Witzaney, the pupils and parents of the Rye school would like to thank the musicians, floor manager and all who came to help make our dance a success. Proceeds were in aid of the school picnic.

Little Roxie Burns drew the lucky ticket for the towels. Mrs. Phillip Lamb was the winner.

After the spring dance at Rye an exciting mix-up. Gold evil drop with rhinestone centre. The owner can have same by writing to Mrs. Opel Cooper, Clandonald.

Mrs. Witzaney and pupils regret very much that due to circumstances beyond their control, it was impossible to have the old pioneers at the school picnic as was at first planned. A picnic for the district will be held and what a lot of fun the "oldies" and pupils promise for everyone.

On display in the school were the lovely books of the pupils. It was amazing the large amount of work covered in only four months. I am sure other teachers and pupils would be interested to hear how they did it. The Chronicles was carried on at Rye. The entire project was carried out in keeping with the times. Prices of clothing, tickets, pillage, route travelled, English money, in fact everything was very well covered. Crowns and costumes etc. used for the Coronation were made and the verses acted out by the pupils. Mrs. Witzaney remarked that at the end of the project she understood English money far better than when she had learned about it as a pupil in public school.

Another interesting project was the making of a scrap book of the history of our district in the early pioneer days. This book is a real treasure, and we hope will be well preserved and added to as time goes on. We deeply appreciate the Standard staff putting their backs out for us to browse through in search of old news items. We also wish to thank everyone who helped in any way with pictures, information etc. for both of these projects. All pupils at Rye passed their exams with good marks. Our sincere thanks to Mrs. Witzaney for the hard work she put in, also to building up self-confidence in the pupils so that a plain hard work will of every day teaching. Your kindness will never be forgotten.

By Shirley Holmes, Wainwright, Alberta

Agricultural Show On Wheels

AGRIC SHOW ON WHEELS s'ts

Bigger and better displays at bigger and better fairs. Keeping pace with the increased interest in agricultural fairs in Western Canada the Line Elevators Farm Service has remodelled their Mobile Agricultural display. In order to provide up-to-date agricultural information in an interesting and attractive way, a 25-foot semi-trailer outfit will visit many 'B' and 'C' class fairs and agricultural field days this summer. The former display, which was the first mobile agricultural exhibit in Western Canada, was favorably received at western fairs during the past five years. The 1953 model has, however, many new features. It is really 'the last word' in agricultural displays. The main subject featured this year includes an activated 3-play on 'Farm Safety', a very realistic display on 'Soil Erosion' and an interesting peep-show on the 'Insect Enemies' of agriculture in Western Canada. Line Elevators Farm Service publications and other up-to-date agricultural information are available upon request at the display.

The new 'Agricultural Show on Wheels' is another forward step in the program of agricultural work carried out by the Line Elevators Farm Service 'for the benefit of the prairie farmers. The main object of this educational exhibit is to promote sound, advanced agricultural practices. In encouraging a more permanent and prosperous Canadian agriculture. Be sure and see this new, modern Agricultural Exhibition' at the Vermilion Fair, July 23, 24, 25.

To Mrs. Addie Mead over in England your friends in the Fort Hills looked for when the Standard arrives, and they have been a welcome guest to be enlisted for their Coronation scrap books. I am sure they'd like to know England better through your letters. Thank you.

Rain can't spoil the Old Timers' July 1st picnic. The usual large crowd was in attendance and all sports events were carried on between showers.

Seen at the picnic was the Elwood Boyer family and Mr. and Mrs. Robert Elliott; also Mr. and Mrs. Charlie Climie, Wenaskiwin, who are spending a few days with Mrs. Climie's parents, Mr. and Mrs. B. Goad. Due to the rain the writer missed many other visitors.

The congregations of both Allandale and Clandonald United church attended church in Clandonald on Sunday then gathered at Raft Lake for lunch and an afternoon of visiting and singing. The children had a grand time in the water. Our sincere thanks to Mr. Clyde Hicks who brought out his boat giving everyone a ride. Thanks also to Mr. Ford whose yard we passed through going to the lake.

Dear editor, friends and readers, this will be the last Ethelwyn news sent in by the present scribe. I will co-operate to the best of my ability with my successor, should anyone care to volunteer.

News Notes From Your District Home Economist

MRS. IRENE HARRIS DIPLOMA HOMECRAFTS

"What shall we have for dessert?" is no problem to Mrs. Wise these days. Her rhubarb patch is producing abundantly, it doesn't a variety of recipes in a leaflet from the Department of Agriculture. She has discovered that there is more than one luscious kind of pie to be made with this fruit — yes, we know that strictly speaking rhubarb is not a fruit. But we use it as a fruit, so fruit it is, says Miss Joyce Lewis, Extension Nutritionist, Alberta Department of Agriculture.

Rhubarb crunch pie is a favorite of the Wise family. Rhubarb custard is enjoyed for a change, so Mrs. Wise usually serves it on days when the meat course is a little lighter since the eggs provide extra protein. Rhubarb chiffon is also a nutritious dessert, it doesn't seem so filling as the custard. The honey rhubarb pie also calls for eggs, and is quite different.

Rhubarb pudding, rhubarb cakes and rhubarb sauces add more variety to the menu. Rhubarb and strawberry sauce is a favorite. Mrs. Wise uses the recipe in the Dept. of Agriculture leaflet as a guide but varies the proportions of strawberries and diced rhubarb and diced pineapple. She sprinkles sugar (about half as much sugar as fruit) over the fruit and lets it stand for about an hour. She cooks it without stirring, over slow heat until the sugar is dissolved, then increases the heat and cooks until the rhubarb is soft but unbroken.

To obtain re-ipes for the pies and desserts mentioned above ask your District Home Economist for the leaflet "Rhubarb Recipes".

NYLON FOR MODERN HOMES

There's nothing like nylon for modern homes. Home furnishings of nylon are good looking with colors that are rich and durable and textures that are new and interesting.

As you know, nylon has great strength and abrasion resistance. Nylon home furnishings give extremely good wear and stay looking new.

Nylon is washable. Most spots can be removed with soap and water. Because nylon is strong, hard rubbing won't wear or injure the fabric. Ordinary household cleaning fluids may be used too. Nylon is mothproof, resistant to mildew, molds and the majority of chemicals.

NOTE: All 100% nylon fabrics are washable, but because in some cases, fabrics with nylon may be used with nylon, it is advisable to look for manufacturer's instruction tags on the care of nylon furnishings.

TELEPHONE 218 — VERMILION, ALBERTA

Pleasant Valley

It's real haying weather today, 90 in the shade with a breeze from the south.

Gordon and Dawson went to Edmonton on Thursday visitors over the week end.

Mrs. Gillies left for Edmonton on Sunday where she will spend some time with her son Bill and family.

Mrs. Fisher from Vermilion is spending a holiday with the writer. Several ladies visited the writer's home on Wednesday to have their tint of colors.

Laura and children are visiting at the home of Mr. J. Gould.

Several from this district went to the lakes on Sunday striving to keep cool.

We hope to hear some good news of Mrs. Dupruit soon. She was taken to Edmonton last week.

What were you both laughing so much about on Wednesday, last? It was a pretty sight wasn't it? The poor I mean. It's rosey and lazy that makes a fine place, the sight to behold with words untold which brings with it a smiling face.

Mrs. Moore do come again. You were real brave to drive down alone.

So sorry to hear that Mrs. Perkin is in the hospital, not too well these days.

Jack Coward is visiting at the Dodelly home.

Grave Monuments on Display

A complete line of grave monuments on display at Moyer's Funeral Home, Vermilion. 23x1f

Funeral Services Held For Mrs. Augusta Moses

Funeral services for Mrs. Augusta Moses, beloved wife of Mr. W. I. Moses, were held at the First United church on Wednesday afternoon, July 1st, at 2:00 o'clock. Interment took place in the Vermilion cemetery. The Rev. C. W. MacKay officiated. Mrs. A. M. West was organist.

The pall bearers were Messrs. George Webb, H. Marfleet, H. Hodgins, M. Hill, R. Jory and C. E. Thompson.

Mrs. Moses was born at Elmira, Ontario, on March 6, 1880. At the age of eleven she came west with her parents to settle on a homestead near Stony Plain, Alberta. Later she graduated from the Normal school at Regina and taught school for a number of years in Alberta. In 1910 she married William John Moses and after residing in Ranfurly and Edmonton the family moved to Vermilion in 1915. Mrs. Moses passed away at the Vermilion Municipal hospital on Sunday, June 28, after a brief illness.

She is survived by her sorrowing husband, four sons, James, Roy and Robert of Vermilion, and Harry of Sexsmith, Alberta; and three daughters, Mrs. George Harrison and Mrs. Roland Golledge of Vermilion and Mrs. William Egle of Vancouver. There are 5 grandchildren.

Moyers were in charge of funeral arrangements.

Beautiful floral tributes were received from:

The Family: Mrs. P. Singer and John; Jessie Mae; Shirley; Clara, Alex, Helen and Ken; Bert, Betty and family; Mr. and Mrs. J. Cyril, George and Connie; Mr. and Mrs. Harry Marfleet; Mrs. Gillies; Mr. and Mrs. Myrtle Thompson; Miss and Don Matthews; Stan, Lydia, Mrs. Colbert and Jean; The Coe Family; Gladys, George and Audrey; Mr. and Mrs. Clibert Harrison and family; Mr. and Mrs. Henry Smith, Lottie, Ted and boys; Mr. and Mrs. C. N. Brennan and Mr. R. Brennan; Mr. and Mrs. Walter Fisk and family; Mr. and Mrs. Hugh Shepherd, Hilda and Bill; Mr. and Mrs. Jack Marfleet and family; Miss Beth Witherby; Jos. E. Green and family; Mr. and Mrs. Ted Marfleet and family; Mr. and Mrs. M. Hill; Mr. and Mrs. Tom Milligan and family; Mr. and Mrs. M. Simonsen and family; Mr. and Mrs. S. C. Heckbert; Mr. and Mrs. W. Walker and William; Mr. and Mrs. Albert West and Mr. and Mrs. Elmore Stewart; Mr. and Mrs. Darrell Darrah; Mr. and Mrs. J. L. Pilgrim; Mr. and Mrs. Harry Sweeney; Mr. and Mrs. Wm. McGinnis and family; Mr. and Mrs. R. W. Mullen; Mr. and Mrs. Wilford McLennan and Margaret; Mr. and Mrs. Clarence Nels; Mr. and Mrs. Lyons and family. R. H. and M. P. Norton; Edwin Durnan; L. Sesnic; Vermilion Old Timers' Association; Thorncliffe W. I.

Flowers to the Home: Mrs. Geo. Cocks and Allen.

Crippled Children's Fund: Mr. and Mrs. Pat Doneghy, Alex and Tony; Lila, Bill and Mr. Bowser; Nancy, Margie and Andy; Mr. and Mrs. John Grant; Mrs. A. Barnwell, Casey Funt; Mr. and Mrs. Roy Jory, Irene and Jim; Mr. and Mrs. C. R. Fraser; Bruce, Marian and family; J. Pechonagh, Marcella, Bill and Jessie; H. Hodgins and family; W. E. English and Lucy; Mr. and Mrs. T. Watts.

Cemetery Fund: Mr. and Mrs. Gordon Williams; Mrs. Harry Elliott, Lottie and Ken Urquhart; Billy and Leona McLaughlin; George and Ina Webb; Rudolph Fielding.

Auburndale United Church Fund: Mr. and Mrs. Hardy Wear and Lester, Lloyd and Ruth Everett; Alf and Agnes.

St. Saviour's Church Fund: Mr. and Mrs. Wm. Fooks.

CARD OF THANKS

We wish to express our sincere gratitude for the many beautiful floral tributes, memorial donations and expressions of sympathy during our recent bereavement. We likewise wish to thank Dr. Bradford, Dr. King, Miss Hyde and the staff of the Vermilion Municipal hospital for their care of our dear wife and mother.

W. J. Moses and family.

Our Letter From England

Hello Again!

On the morning of June 24 after a hasty pulling Hester with a very reliable baby - sitting friend we started on what turned out to be more than just a pleasure trip. We learned a great deal of the historic struggle of the counties involved in the second war. Heading south and west toward Southampton we noted Winchester, the home of King Arthur's Round Table. From Southampton where we spent only a few minutes we proceeded east along the coast to Portsmith where we looked for the 'Magnificent' but apparently it and left. The tide was out leaving only a grassy shoreline. Passing Arundel Castle on the Redingdene we saw our first windmill.

At Brighton, the famous resort, the season was just beginning. Lovely hotels look out on the ocean which is held back by a high concrete wall. At Seaforth we stopped for tea at a Radio and Conditioner. The manager of a Norwegian ship destroyed off the coast, graces the garden. Driving through Sussex the fields on either side of the road were alive with sheep, thousands of them, most of them freshly clipped and branded. Driving on we noticed rolls and masses of barbed wire near Hythe. We were told that this was used during the attempted invasion of England and that at that time Churchill stopped what might have been a real catastrophe by having tons of oil floating on water ignited at the crucial moment. Over 1000 bodies of the invaders are said to have been washed ashore. At Folkestone we saw the beach where the channel swimmers set out for France. At Dover, after registering at the Queens hotel we had supper at Anne Hathaway's Cafe, and later Richi and I strolled along the Coast Walk toward Dover Castle and the White Cliffs. Dover is lovely at night with the hotels looking out over the ocean, the open air restrooms and beautiful flowers in the gardens. In the dining room of the Shalimar, which is run by two sisters well advanced in years, there is a framed tribute to them, stating theirs was the only hotel in Dover to carry on without interruption during the war. At one time a 'hot bomb' had come in through the glass front, glanced off a table and plowed out onto the street where it exploded. Undaunted, the sisters carried on. At the time they received the tribute, bluebirds were being shipped into Dover, the hotel was being painted up, and at the bottom of the tribute gratitude was expressed to the 'Canadian boys who have made this possible'.

In the morning when we started to cross the Channel on the 'Helladed' a heavy fog set in so that we landed in France at 2:30 p.m. instead of noon. When the Captain announced that 'due to fog and tide conditions we would be unable to land until 2:30 p.m.' fogherns were tooting all around us. The mournful sound reminded me of school-days in Vancouver. We lunched and then went on deck to try to see other boats in the fog.

Arriving in France, Calais harbor lacked the beauty of Dover, and in fact the drive to Paris gave us our first real idea of the devastation of war. It was good to be driving on the right side of the road, over straight and paved roads again but the poverty here is the worst we saw at any time on the continent. The buildings all bear the scars of street fighting, the people are dejected, poorly clad and could scarcely be called clean. We began to wonder what our hotel would be like and if all France were like this. The sign 'Ridgway go home' printed in large letters on buildings was quite a shock at first. In Paris, with tourist season was just beginning. Lovely hotels look out on the ocean which is held back by a high concrete wall. At Seaforth we stopped for tea at L'Esplanade where the statehood of a Norwegian ship destroyed off the coast, graces the garden. Driving through Sussex the fields on either side of the road were alive with sheep, thousands of them, most of them freshly clipped and branded. Driving on we noticed rolls and masses of barbed wire near Hythe. We were told that this was used during the attempted invasion of England and that at that time Churchill stopped what might have been a real catastrophe by having tons of oil floating on water ignited at the crucial moment. Over 1000 bodies of the invaders are said to have been washed ashore. At Folkestone we saw the beach where the channel swimmers set out for France. At Dover, after registering at the Queens hotel we had supper at Anne Hathaway's Cafe, and later Richi and I strolled along the Coast Walk toward Dover Castle and the White Cliffs. Dover is lovely at night with the hotels looking out over the ocean, the open air restrooms and beautiful flowers in the gardens. In the dining room of the Shalimar, which is run by two sisters well advanced in years, there is a framed tribute to them, stating theirs was the only hotel in Dover to carry on without interruption during the war. At one time a 'hot bomb' had come in through the glass front, glanced off a table and plowed out onto the street where it exploded. Undaunted, the sisters carried on. At the time they received the tribute, bluebirds were being shipped into Dover, the hotel was being painted up, and at the bottom of the tribute gratitude was expressed to the 'Canadian boys who have made this possible'.

Sixteen Years Ago Today

July 15, 1937

Vermilion Seniors won their third consecutive sports day ball honors when they took first prize at the Lloydminster July 1st sports. All the boys grew up in Vermilion and most of them were born here.

The Misses Marcella and Jessie Peckenpaugh received a very rude awakening early Sunday morning when a swarm of honey bees invaded their bedroom, the girls making a hasty exit. The bees liked it there so well tory had to be smoked out.

The first rain of any consequence soaked the country Wednesday and Thursday. Much benefit to grain crops is doubtful but improvement in the feed situation is looked for.

School managers to the south of Vermilion have asked for a delay in the forming of enlarged school divisions.

Thirty-two Years Ago Today

July 15, 1921

5000 acres of grain was badly damaged in a big hail storm in this area on Tuesday.

Principal A. W. Prime, wife and son Stanley left for a visit to old home scenes at Freeport, N.S.

Harlow Brown of Gilbert P.O. arrived in town after a 200 mile trip with a team and buggy.

The whole countryside is as wet as a pest bog following four days of continuous rainfall.

Vermilion Centre S.D. had 377 pupils enrolled at the end of the term. 311 were in public school and 66 in high school. The 3 high school teachers averaged $165.11 per month while the 8 public school teachers averaged $105.30.

At the U.F.A. convention Tuesday R. G. Reid, a farmer from south of Mannville was selected as farmer candidate for the Vermilion constituency in the forthcoming provincial election.

Paradise Valley

Mr. and Mrs. James Storms of Edmonton were recent visitors at the home of Mr. and Mrs. James Storms Sr. Mrs. Storms Jr. remained over for a longer visit.

Mr. and Mrs. James Gordon attended the recent F.U.A. convention held at Vermilion and report a very interesting meeting.

Fred Forsell and Charlie Redmond left on Sunday to attend the Calgary Stampede and other points.

Herb Foxwell of the R. C. A. F. spent the week at his home. He completed a six months course at Clinton, Ont., and will be stationed in Edmonton.

Mr. and Mrs. Morris Fox of Calgary, formerly of the Vanesti district, spent part of their vacation visiting friends in the district.

Congratulations to Mr. and Mrs. Herman Adams on the birth of a son born in the Lloydminster hospital July 2.

Mr. and Mrs. Steve Kindack, Margaret, Mrs. Les (nee Lena Kindack) and Brian were back for a very short visit during the past week. They now call Sudbury, Ont. their home. It is 11 years since the Kindack family left town for the East.

On Wednesday afternoon the town was deserted as everyone went either to the Exrtle picnic or to the Chauvin sports. All report a good time.

Quite a few of our citizens attended the Calgary Stampede during the past week and report good but hot weather while in the southern city.

Congratulations to Mr. and Mrs. Jack Hawkes on the birth of a son born in the Lloydminster hospital on Wednesday July 8.

Mr. and Mrs. Clarence Conarroe left for a visit to the west coast, going by car. They expect to spend two weeks with relatives there.

The Misses Sharon and Maureen Dobson left for Edmonton on Tuesday where they will spend a week with their grandparents Mr. and Mrs. L. R. Nicholson.

Mrs. J. Storms, Mrs. P. Dobson and Mrs. J. Gordon went a-hobo-ing on Wednesday afternoon. They ended up at Mrs. W. A. Nickle's where they spent an enjoyable afternoon. Chief attraction of Mary's Hobo tea was her sugar bowl. The W.A. fund was increased by some silver.

Congratulations to Mr. and Mrs. Don McLeod on their recent marriage. They have taken up residence in the Adams building.

Mr. and Mrs. William Stoddart and family are spending the next two weeks at Loon Lake, Sask.

Mr. and Mrs. Elmer Clay left on Saturday morning for Edmonton where they will live for the next two months.

Mrs. Frank Smith and daughter Miss Ann of Toronto are visiting with Mr and Mrs R Smith in town.

Mrs. Mary Tasse has accepted a position with he Lloydminster hospital and Miss Beth McLean with McLeod and Anderson, also of Lloydminster, for the summer.

Mrs. W. A. Gunn returned on Friday from Oda where she attended the convention for leaders of the 4-H clubs of Alberta. Mrs. Gunn was presented with her five leadership certificate at the banquet on Wednesday evening. Some people in this district will be interested to know that Mr. O. Nelson now of Ima, was present at the convention and received his certificate for ten years of successful leadership in 4-H club work.

NEWS ARMS

With its population of over 350,000 Newfoundland has between 1500 and 2000 families engaged in full-time farming and six times that number in part time farming. The average farm was 12 to 20 cultivated acres, two-thirds of which are used to grow hay and the remainder vegetables, states C I L Agricultural News.

Local News of Interest

Mr. and Mrs. Russell Carrol and the two girls returned home Sunday, from a holiday spent at the Calgary Stampede and at Waterton Lakes.

Mr. and Mrs. K .G. Urquhart, son Elliott and Garnet Gunn are holidaying at Jasper for the week.

Mrs. Don Taylor and family are swamped at Moose Lake.

Mr. and Mrs. Bev Baldock returned last week from a motor trip to Salt Lake City.

Mr. and Mrs. H. Hemmingway and family are away on a holiday motor trip to various points in Saskatchewan to visit relatives. They will spend a few days at Waskesiu before returning home.

Art Wiebe piloted by Ken Crawshaw landed at the airport here last Thursday to ray hello to Art's dad W. R. Wiebe, and any other old acquaintances they happened to meet. They had been on a flight over the Les Park - Marwayne country.

Mrs. Mary Callaghan, son Max and daughter Peggy are spending a week at Delburne visiting the former's father, brothers and sisters.

Bill Pilkie spent last Friday afternoon in town coming from Edmonton to take delivery of his new car from the local Ford agency. Bill was scheduled to leave at 2 p.m., but 5:30 found him still visiting friends around the business section. He says that they are enjoying very generous patronage at their Inglewood theatre and that the whole project is progressing beyond their fondest expectations but says Bill, having been here is coming back home and I hate to leave again.

Mrs. Thos. Bothwell returned home last Friday morning from six weeks spent visiting relatives and old home scenes at Durham and Priceville in Ontario, her son Stewart and family at Matheson in northern Ontario and Mrs. Ireland formerly of Lviy in Toronto. Both going and returning she saw son Will at Regina.

Mr. and Mrs. G. F. Stephens and daughter Joan, accompanied by Miss Sheila Smeltzer have left on a three weeks vacation to the interior of B.C. They will stop at Banff and one of the Kootenay Lakes near Nelson.

Miss Shirley Elgie of Vancouver is visiting with her grandfather Mr. W. J. Moore.

Mr. and Mrs. Ted Korthli and children are away on vacation motoring over to Drayland to visit old home scenes last Saturday evening.

VISITORS AT DEWBERRY

Mr. and Mrs. Charles Christensen and Ruth of Grand Falls, N.B., are motoring across Canada and are at present in the Dewberry district. They are guests of Mr. and Mrs. Steve Carpentier, the ladies being sisters. They are also old time friends of Mr. and Mrs. C. Haskell.

Mr. Haskell and Mr. Christensen homesteaded together in 1911 some 100 miles south of here. They have not seen each other since 1919 so they are all enjoying a good visit.

The Christensen's are going on to Vancouver and Victoria from here, down through the States to California, then homeward through Minnesota and Iowa to mention only a few of their stops. They hope to be home in the east by the time the snow flies.

SUPPER AT DEWBERRY

The Dewberry Ladies' Aid are having a Strawberry Social and Cold supper on Thursday Aug. 13 from 6 p.m. to 9:30 p.m. in the Dewberry hall. Adults 85c, children 12 and under 35c. Proceeds for the church building fund. Come and bring the family. 34

IN MEMORIAM

Treasured memories of a dear son

ARLOW RONALD GERBER

who passed away July 20, 1950

"Not a day do we forget him.
In our hearts he is always near
Loved, remembered, longed for always
Bringing many a silent tear."

Fondly remembered and sadly missed by his loving mother and father

Keeping Nylon Shirts Clean

Men's nylon tricot shirts are easily laundered in hot water and rich suds made of synthetic detergents since most of them contain a water softening agent. If collars and cuffs are especially dirty, they should be rubbed briskly with a cotton-ite sponge or the tail of the shirt. After a thorough rinsing, the shirt should be placed on a hanger and allowed to drip-dry. When drying, the top two buttons should be buttoned and collar and cuffs smoothed into shape There will be no need to iron the shirt.

Miss Kay Simonson is to be congratulated in obtaining First Class Honors in Grade 2 Theory Royal Conservatory of Music examination, and Miss Erva Sweet of Islay in obtaining Honors standing in the same exam. They are students of Mrs. W. L. Roebuck. Miss Donna Isley passed her grade 8 piano exam with the Royal Conservatory of Music

Rev. and Mrs. Orlando Shields, David and Linda of Los Angeles, Calif, spent Monday and Tuesday in Vermilion, the guests of Mrs. Albert Olds. Orlando had just completed a week's meetings in North Battleford and was on his way to Vancouver where he will supply for one month in the Four square Gospel Lighthouse there Mr. Shields spoke to the Youth Fellowship at the Alliance Tabernacle Tuesday night.

Dr. and Mrs. C. W. Stephens, Peggy and Roger, left by car Wednesday for a holiday trip to White Bear Lake, Minn., where they will visit Dr. Harry Stephens and family.

Bob Snelgrove and Miles Dixon are out at Blue River, B.C. where they are helping to lay the gas pipe line to the coast.

Mr. and Mrs. John McLennan of Three Hills who have recently been appointed as missionaries to the field of St Lu is will be taking the farewell services at the Elks hall on Tuesday. John is a former Vermilion boy and was born and raised in this district here. That makes another representative from here for foreign service.

Mrs. Clive Brown and three children from Port Alberni, B.C., were guests at the home of Mrs. J.W.C Wilson on Sunday last

Miss Louise Wilson who is presently employed in the Municipal hospital of Three Hills is spending two weeks vacation at the home of her parents Mr. and Mrs. J. W. C. Wilson.

Guests at the home of Mr. and Mrs. H. W. Brown are their daughter Mrs. Clive Brown of Ocean Falls and three children from Port Alberni, B.C. The trip from the coast was made by car.

Mr. and Mrs. Claude Brennan and children spent last week holidaying at Jackfish Lake with Mr. and Mrs. E. R. Stewart. They also visited Waskesiu, Meadow Lake and Green Lake.

J. W. Temple from Winnipeg, superintendent for this division of the Unemployment Insurance Commission, was a visitor in Vermilion Wednesday of this week.

Mr and Mrs Jas. B. Bell and the two boys left by car Monday for a three weeks visit to various places in Saskatchewan, chiefly at Saskatoon and Aulath.

The Standard received an interesting letter from John Wynne, whose son Dick was the R.C.A.F. Doctor who was sent to the rescue of a seriously ill R.C.M.P. officer in Canada's far northland. It will be remembered that Dick parachuted to the ground and finally brought the sick man to Edmonton Mr Wynne says that he read the Standard with interest and note that John Hope is still in Vermilion, several other names mentioned in that issue were familiar Hannah, Brimacombe, etc. The Carvelle I think have passed away now. Dick was three months old when I left Vermilion the last time in 1921. Miss Keith was the matron at the hospital then"

PICNIC AT WILDMERE

Wildmere Curling club's annual picnic will be held on the grounds of a mile west of J. C. Watling-ton's on Friday July 31st. Ball games, tug-o-war, children's races. Dance in the Exawood school in the night. 34

CLANDONALD HALL

Showing at the Clandonald hall this week end July 17 and 18 "Fear-less Fagan" with Janet Leigh, Carl-ton Carpenter, Keenan Wynn and the Lion. Next week "The Fireball" 33

Allandale

The weather is dry and hot, at times registering over the 90 mark. Ideal growing weather for us after the grand shower but desperate to those who haven't had much rain. This morning it is now 82 though a nice breeze is blowing which helps. Crops and gardens are coming along well and the early vegetables are such a treat. Wild roses are still blooming and their scent is lovely. Wild fruit will soon be ready, everything is just wonderful, let us take time to be grateful.

On July 1st Jimmy Walsh visited with his wife and family at the Orness home in between his hours off at Lac la Biche where he is working as conductor from Waterways to Lac la Biche. With the kindness of friends they motored south from the latter point.

It was a pleasure to attend the Roebuck-Wallree wedding on July 6. The church was filled with their many relatives and friends and they witnessed a very pretty wedding. Congratulations and our very best wishes to Marion and Jim, may your life always be as happy as your wedding day, those messages remembered and vows kept. We were surprised and pleased too that the groom knew Orleen.

July 7 Mr. and Mrs. Auburn Kepke, daughter Joan and a friend Fred Friday from Spring Park motored relatives in the district. Their youngest daughter Colette was visiting that day with cousins and their oldest, Denise, left earlier in the month to holiday with her aunt and uncle and cousins in B.C.

On the evening of July 9 Orleen Orness left by bus for Minnesota to visit an aged aunt and family.

Mr. and Mrs. Herb McPhee left the first of last week on a holiday through the Rockies

NEW PARK ENJOYED

On July 12th a very enjoyable holiday was spent at the new Vermilion Lake Park project. The building of facilities is going along well. There are slides and swings for the children and more entertainment features will be added. The public I am sure are grateful to all those who are helping in any way, as this lovely park will be enjoyed, more an more by many through the holidays and warm days of the fall.

Another Thought: In daily conversation of life our thought stream is constantly being altered and influenced by things happening to us often without our being fully aware of it. But we can learn to control our thought stream through right aims

1953-54 DELIVERY PERMIT BOOKS

A different method is being employed in issuing grain delivery permit books for the new crop year 1953-54. Farmers must make application at local elevators for their permit books. And this should be done before Aug. 31. After that date permit books can be only obtained on special application to the Canadian Wheat Board at Winnipeg.

QUESTIONS & ANSWERS on Cancer

QUESTION: Is there any place where cancer patients may obtain the dressings they require?
ANSWER: Yes, free surgical dressings are supplied to cancer patients outside of hospital from the Divisional Office in Calgary of the Canadian Cancer Society. Over half a million dressings were distributed last year

ISLAY

(Crowded out last week)

Mr. and Mrs. Draper and family of three children of Vancouver are visiting Mrs. Draper's family home of Mr. and Mrs. Gordon Robinson.

On Friday last the Sunday school picnic was held at the home of the popular Anderson's Grove. Though it was not a sunny day, all had a really good time. There was a lively ball game, races for all and much fun was had. There was a bonfire too and weiners and marshmallows were roasted.

Rev. Mr. Collins gave his first sermon here in the United church. A good attendance was on hand to meet Mr and Mrs. Collins on their first Sunday with us. They have gone on holiday and there will not be service again until Aug. 9

Today we learned there was the beginning of a disastrous fire here in Islay at Fur'ls hardware. It was discovered in time by someone at the C.N.R. station. Thinking the fire was at the back of H. G. Young's store he ran across and wakened Harry who was soon out using the fire extinguishers, two extinguishers were exhausted to put the blaze in the fence.

Mr. Carl Schaeffer had a visit from his brother and wife on Sunday from Waseca.

Mrs. Margaret Marr of North Battleford paid a quick surprise visit to her mother Mrs. R. Martin, coming in on the bus Sunday night. With her was her sister Ruby, Mrs. Nevitt and David of Saskatoon. Margaret returned home Tuesday and along with her went her aunt Mrs. McFarlane of Winnipeg.

Evens Cooper and Ruth Beaty (next house for Grandpa Bothwell) are the closing of school. We think Mr. Bothwell looks the better for the company of the youthful pair. It's likely the good meals!

We are informed that our present school staff will remain this coming school year.

The W.A. had a splendid meeting at the home of Mrs. Betty Shaw. There were several visitors too, Mrs. Gladys Gould, Mrs. Doreen Dirk, Mrs. Catharine McEachern, Marion McEachern and Mrs. Barnett. Come again ladies.

Look at the date on your label, it tells when your sub is due!

Health Unit Notes

(From the Sanitary Inspector's Diary.)

This week I am going to say something about the house fly.

The house fly has a world-wide distribution living in close association with man. As soon as weather gets mild the female begins to lay large numbers of eggs; and her favorite site for depositing these eggs are accumulations of fermenting vegetable matter, fresh horse manure, pig manure and human waste.

The eggs soon hatch out and the familiar maggots appear feeding vigorously on this warm material and when fully grown, they burrow into the soil and pupate. In a few days the adult fly emerges. The entire life cycle from egg to adult may take less than 7 days when the conditions are favorable.

The life of an adult fly may be as long as six weeks and so one adult female fly may lay sufficient eggs to produce a million offspring.

The danger arising from this insect is due to his promiscuous feeding habits. After busily feeding on manure piles, or the contents of garbage cans, or pit toilets or at neglected outdoor privies he will then decide to visit your home or local food store and he will sample any food which has been left conveniently exposed.

Do flies spread disease? Yes.

The most notable being Typhoid and Para-Typhoid, Dysentry, Epidemic Diarrhoea and possibly Cholers, Tuberculosis, eye infections and Poliomyelitis.

How do they convey these diseases to man?

They vomit and excrete on everything on which they alight. In addition, when feeding on solid material, they attempt to soften it by means of vomit and saliva. The excreta of flies may also be dangerous. Flies also carry the eggs of manure and disease organisms on their hairy bodies and legs.

Can anything be done to prevent outbreaks of fly-borne disease? Yes.

Recommendations which will reduce the possibility of such outbreaks will appear in detail in this column next week.

CLINIC DATES
Monday, July 20—Vermilion, 2 to 4 p.m.
Thursday, July 23—Albert school, 10:30 a.m. to noon.
Thursday, July 23—Quinte school, cancelled.
Friday, July 24—Paradise Valley, 2-3 p.m.

Woodvale News

After cool and showery weather the last week, the hot, quick growth but, in these parts, where rain fell only sparingly for a short period, which seems to be mostly in south half of the Woodvale, Tolland and Hillsdale regions, we could see one of those soaking downpours very well, we hope we have one before this is printed. Crops seem to be standing up good so far, but will not for long unless rain comes.

McQUID—CHALDETSON

Two marriages of great interest in the Tolland and surrounding districts took pace in the first week of July. On the 6th Florence Osbaldeston, who taught here for two years, and Raymond McQuid were married in Edmonton. Besides the groom and his parents, Bill McGrath who was best man, Mr. and Mrs. Duff McGrath, Mr. Fred Sloan and Mr. and Mrs. Art Lysons went to the city to attend the wedding. The couple left for a two weeks honeymoon to the States and will make their home on the groom's farm in Tolland. We feel sure that everyone will be very glad to have Mrs. McQuid and the boys return to our midst and to stay.

COLTON—THOMSEN

On July 7th Doris Thomsen and Gerald Colton were married in Vermilion, numerous friends attending their wedding and then the dance in the Islay hall that evening. We add our congratulations to that of these many friends test in this case we are sorry the bride moved away to live in Islay for the time being, until a home is ready on the groom's farm nearby.

Mr. and Mrs. Duff McGrath went from Edmonton, to Lake Athabaska on a fishing holiday. While they were away Mrs. Stranahan stayed with Mrs. C. McGrath and took the latter on quite a few visits in the district, something everyone enjoyed very much. We were glad to see Mrs McGrath looking so well though she is still handicapped in walking. Too bad Eleanor that the chicken pox prevented you from going along to Edmonton and Athabaska.

Kaare Seive was a patient in the Islay hospital for a few days, where he underwent an operation. Now he will not be able to work for half a year. He plans a trip to Norway or Caledonia — or maybe both of Lands?

Mr. Hook and daughter Sylvia of Winnipeg spent several days at the Wm. Tiba home. They would have come to call at Uncle Fred Tiba's as well, but unfortunately, poor Uncle Fred is confined to bed with a bad case of shingles.

Mr. and Mrs. Ed Tiba attended the Meeting of Knights of Columbus at Vermilion.

From Monday July 20th to Friday July 24th there will be a Christian Vacation School in the Clandonald Public School. Classes will be held from 9 to 12 each morning. All children are invited to attend and there will be a picnic on the last day. Mrs. Ohio Wallace is the superintendent.

The Red Cross auxiliary met on July 9th at the home of Mrs. F. Van Wagenen on the Lake. It was decided a big quilt draw should be held and arrangements made for their booth and bazaar at the coming Tolland picnic. It made for quite a busy afternoon and after the business Barbara Clark was busy visiting with them helped the ladies raise the booth and all outside, for a little walk in the garden. The next meeting is set for Aug. 19 at the home of Mrs. Ohio Wallace.

New Wheat Pool Director

Nelson Maim of Vaudhall was elected a director of the Alberta Wheat Pool for the Lethbridge district at a meeting of the delegates from that division held in the city of Lethbridge last week. He succeeds A. T. Baker who was recently appointed manager of the Alberta Whea: Pool.

Mr. Maim operates a three section farm in the Vaudhall district of which 320 acres is irrigated land. About 1000 acres are seeded to grain each year. The irrigated land is utilized mainly for the production of forage crops. Mr. Maim has a herd of Hereford cattle and does considerable feeding each year.

Home for Mr. and Mrs. Heath Maim, Nelson Maim came to the Retlaw district with his parents in 1909, his father having up a homestead there. In 1923 the family moved to Vaudhall and in 1936 Nelson started farming for himself.

In 1939 he was married to Violet May Oates of Medicine Hat. They have four children, two boys and two girls.

Sunday Concert Series At Elk Island Park

The all town of Devon will provide the Sunday afternoon program at Elk Island park on July 19th. Featured in the program will be their recently organized town band under the direction of Lieut. Ernest Nelson, former bandmaster in the Canadian Army Local artists will provide vocal and instrumental numbers and a varied program suitable for out of doors listening is assured. Concert starts at 2:30 p.m.

At 11.00 a.m. religious services will be held at the bandshell with Rev. J. E. Nix of Lamont United church in charge. Visitors at the park are invited to join with the Lamont congregation in the devotional period.

At 7.30 p.m. a program of travel films will be presented by the National Film board.

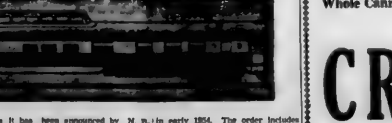
Barley Growers Asked To File 1953 Entries

Barley growers in Alberta planning to enter the 1953 National Barley contest are asked to get in their entries as soon as possible.

Although unfavorable weather may have retarded crop growth in some areas, prospective contestants should mail entries as far in advance of the deadline date as possible. Entries must be in hands of the chairman by Aug. 1. They should be mailed to A. W. Wilson, chairman of the Contest Committee, Department of Agriculture, Edmonton.

Entry forms are available from elevator operators, district agriculturists in the province or the Field Crops Commissioner, Dept. of Agriculture, Edmonton.

As was the case in 1952 Alberta and Manitoba are the only provinces in this year's contest.



The Canadian Pacific Railway has placed an order with the Budd Co. for 155 new lightweight, all-stainless steel streamlined passenger cars which will radically improve transcontinental travel in Canada. It has been announced by W. N. Crump, vice-president of the company. Designed primarily for travel between Montreal-Toronto and Vancouver, the cars, which will cost $38,600,000 will start to be delivered in early 1954. The order includes 18 observation cars of the 'Vista-Dome' type shown above, 18 Vista-Dome type coaches, 30 day coaches, 71 sleeping cars and 15 diners The equipments on order is the equivalent of 13 complete trains.

HIGH SCHOOL STUDENTS WIN ELK BURSARIES

MISS ANNE MARTIN, grade 12 student at the Vermilion high school was awarded the Elks bursary as the student making the greatest contribution to the academic, social and athletic life of the school for the past year. In winning this award Anne kept up the promise she gave in grade 9 when she won the bursary for that grade three years ago. Anne has been president of the Vermilion H.S. students' Union for the 1952-53 term. She is a daughter of Mr. and Mrs. George Martin.

JOHN SCOTT, who won the 3rd similar award for grade 9 is a son of Mr. and Mrs. Fred Scott of Borradaile. John garnered an outstanding career in public and junior high school by winning the Elks bursary. Three bursaries are presented annually by the Vermilion Elks for outstanding citizenship in the realms of school life.

W. I. MEETING

The regular meeting of the W.I. will be held on Monday July 20 at 3 p.m. at the home of Mrs. Perrier.

Marion Roebuck Becomes Bride of James Walline

Baskets of pink and white peonies, columbine and phlox, graced the altar of First United church, Vermilion, when a capacity crowd of interested relatives and friends gathered on Monday afternoon July 6th to witness the ceremony which united in marriage Marion Claire Roebuck and Mr. James Walline.

The bride is the daughter of Mr. and Mrs. W. L. Roebuck of Vermilion, and the groom the son of Mr. and Mrs. J. W. Walline of Onaton, Alberta.

Rev. D. A. Ford of Vermilion read the marriage service and the wedding music was played by Harold Roebuck, brother of the bride. Miss Leone Bosch of Vermilion, B.C., sang "The Lord's Prayer" and "Through the Years" and Mr. Herbert Dewhirst of Ponoka, sang "Because", accompanied by Mrs Dewhirst also a cousin of the bride.

Entering the church with her father, the bride wore a gown of ivory satin with lace panels. The bodice was fitted with buttons from neckline to the waist in the back, with long tapered sleeves, and the beautifully flared skirt was floor length. Her fingertip veil of fine illusion net was gathered into a coronet of satin dotted with pearls. She carried a white prayer book, She wore a gold wrist watch, the gift of the groom.

The bride preceded down the aisle by her matron of honor, Mrs. Robert Tarrant of Edmonton, dressed in mauve taffeta and tulle with matching headdress and mitts, and the two bridesmaids, Miss Beatrice Bell of Ponoka and Miss Lois Walline of Camrose, sister of the groom. The bridesmaids wore gowns of allover lace and tulle in yellow with shoulder length veils. All carried Colonial bouquets of white carnations.

The groom was attended by his brother Mr. Robert Walline, and the ushers were Mr. Don Walline and Mr. Jim McDonald of Onaton. The pews were marked with pink and white carnations.

For her daughter's wedding, Mrs. Roebuck chose a dress of powder blue lace over taffeta with white accessories. Her corsage was of white carnations. The groom's mother chose a dress of pearl grey sheer with mauve and white accessories. Her corsage was also of carnations.

Following the ceremony a reception for 180 guests was held in the church hall. The triple-tiered wedding cake embedded in pink tulle was flanked by lighted tapers and bouquets of carnations and roses.

The toast to the bride was proposed by Mr. W. A. Kilsheimbe of Vermilion, and responded to by the groom.

Friends of the bride, Mrs. Joan Inman, and Misses Evelyn Shirreff, Faye McLennan, Hilda Braas all of Vermilion, and Misses Connie Sheila Carmichael, Doreen Johnson and Doreen Cherry of Edmonton assisted with the serving, while Miss Audrey Watts had charge of the guest book.

For travelling the bride changed to a pink and grey suit with navy accessories. The happy couple left by car for Jasper, Banff and the Calgary Stampede and upon their return will make their home in Onaton.

Out of town guests included Mr. and Mrs. H. E. Moore of Victoria, Mr. W. H. Meere of Vancouver, Mr. and Mrs. R. B. Roebuck, Leone and Mildred of Creston, B.C., Mrs. A. P. Good of Innisfail, Mr. and Mrs A. F. Moore, Mr. and Mrs. H. Llewellin-Mrs. A. L. Nicholas, Miss B. Bell, Mr. B. Butterfield, Ponoka, Mr. and Mrs. J. W. Walline and family, Mr. and Mrs. C. H. Walline, and Mrs. Art Lutz, Mr. P. Lutz, Mr. J. McDonald, Mr. Robert Walline and Miss Ruth Blades, Mr. and Mrs. F. P. Olsen, Mr. and Mrs. C. McDonald of Onaton: Miss Lois Walline, Mr. Don Walline of Camrose, Mr. and Mrs. Don Turner, Mr. and Mrs. R. Turner, Mr. Cliff Lee, Mr. R. Shadgett, Mr. N. Ashdown, Mr. W. Bell-Mrs. Dingman and daughter, Miss C. Willston, Miss Sheila Carmichael, Miss Johnson, Miss Doreen Cherry, Mrs. E. McLean of Edmonton, Mrs. W. Torrance of Calgary, Mrs. V. Torrance of Irma, Mr. and Mrs. Clay Stampede and upon their return will make their home in Onaton.

THE VERMILION STANDARD

Vol. XLV. No. 4. Vermilion, Alberta, Thursday, July 23, 1953 $2.00 per Year

LARGE LIVESTOCK ENTRY FEATURES THE FAIR

Lieut.-Governor Bowlen Here Friday

With every barn bulging at the seams with high class livestock from all over the province, the 1953 Vermilion Fair swung into action on Thursday, and some very fine classes are being lined up for the judges to ponder. The 1953 advance sale of tickets appears to be rolling up new records, as our people take advantage of the grand values available through the purchase of this type of ticket. The 'Sold Out' sign went up on Wednesday and those who were not fortunate enough to have obtained tickets will necessarily have to pay the advanced and regular rate.

The judges who will place the ribbons this year are: Henry Hansen, Wm. K. Russell, Edmonton: Light Horses, Grant McEwan of Calgary: Beef Cattle, Leroy Bond of Calgary and Fred Major of Edmonton: Dairy Cattle, R. P. Gibb, Edmonton: Sheep and Swine, Sid Shephard of Edmonton.

The Ladies' Work will be adjudicated by Miss Christine McIntyre and Mrs. Dumont, both of Edmonton.

The newly re-vamped hog barn is full to the gunnels of some outstanding 'porkers', while, for the first time in years every sheep pen is full. Included with the sheep of the Centralia farm of Wesley Marwin is a very intriguing wee nanny goat, the pride of all the kids on the fair grounds.

Beef cattle classes are well filled, competition being especially keen in the Hereford classes with Zeigler of Vegreville, Crum, Campbell and Chuk of Vermilion and Jack Hall of Onoway all vying for major part of the competition: the dairy breeders are well represented and more than eighty calf club calves will have been judged and sold before this issue of the Standard goes on sale. Horse lovers are looking forward to the keen rivalry between various light horse exhibitors. The Vermilion Fair has become justly famous for its fine classes of all breeds of light horses and the facilities of the fair have been heavily taxed to accommodate the high steppers here for the big show.

The heavy draft classes will be something worth seeing with the grand Clydes of the well known breeders, Alex Mitchell of Lloydminster and Bobbie Burns of Edmonton competing in practically every section. Bobbie Burns will stage his six-horse team ride on Friday afternoon and it surely is well worth seeing. The six grand Clydes, hitched to an attractive wagon literally blast into the ring with a mighty roar, aphs as if they were Shetlands.

OFFICIAL OPENING

His Honour the Lieutenant-Governor of Alberta will perform the act of the official opening at 2:15 today, Friday, and every resident of the town and district is cordially invited to attend and pay tribute to a real western pioneer who brought the tang of the Atlantic to the prairies and remained in Alberta to become its leading citizen. The people of Prince Edward Island, home province of the Hon. Mr. Bowlen, are justly proud of his accomplishments and Albertans generally appreciate the contribution he has made to the Western way of life. All residents of Vermilion and district are looking forward with much pleasure to entertaining this distinguished visitor. Vermilion's big fair is on the march, and this year can take in the last day and enjoy the thrilling attractions in every department.

Death of Reuben Alfred Clark

News of the death of Reuben Alfred Clark, aged 51 years, who passed away at the Vermilion hospital on Tuesday, July 14th, reached friends and neighbors. The family came here from England just over two years ago and settled on the former Hoggins farm south-east of town.

Left to mourn his loss are his sorrowing wife, two sons Alfred and Trevor and two daughters Clark and Nita. His mother, one brother and three sisters live in England and one brother resides in Saskatchewan.

The funeral services will be held on Saturday afternoon July 25 at 2:00 o'clock at St. Saviour's Anglican church, Vermilion, with Rev. E. Ne'le officiating. Interment will be in the Vermilion cemetery. The Rev. D. A. Ford will conduct the service.

Meyers Funeral Home are funeral directors.

Death of Mrs. Mabel Helena Welsh

CAME TO VERMILION IN 1909

Mrs. Mabel Helena Welsh, who came to the Vermilion district in 1909 and has resided here since that time, passed away at the hospital on Sunday morning July 19. She was in her 71st year and had been ill since late in April.

Mrs. Welsh was born at Yankleek Hill, Ont., on August 24, 1882, and came west to Vermilion with her husband, the late William Robinson in 1910. For many years she lived on the Rosedale farm four miles west of town where the famous Shorthorns soon became widely known throughout the district. For some years past she has resided in Vermilion.

She is survived by one son W. Lyle Robinson of Vermilion and two grandchildren Billy and Betty.

Funeral services were held Wednesday afternoon July 22 at 2 o'clock at the First United church, Vermilion with interment at the Vermilion cemetery. The Rev. C. W. Mackay officiated. Meyers were in charge of arrangements.

Official Opening New Vermilion Provincial Park August 12th

HON. IVAN CASEY WILL BE GUEST SPEAKER

The new provincial park situated in the beautiful Vermilion River valley at Vermilion will be officially opened by the Hon. Ivan Casey, Minister of Lands and Mines on Wednesday afternoon, Aug. 12th. Other speakers to signalize the opening of the largest provincial park in Alberta will be Bruce M. Hill, president of Canadian Utilities Ltd., which helped to built the dam across the valley which holds back the waters to form the lake: W. R. Cornish, M.L.A.: S. C. Heckbert, Mayor of Vermilion: Keith Chalmers, President of the Board of Trade: and a representative of Ducks Unlimited which also helped with the desirable project.

Besides the short program of speeches in attractions will consist of boat races, swimming races for all ages, water polo, water ski jumping and rides for the kiddies.

Finishing touches are now being put on the two bathing beaches, two camp kitchens have been completed, while a variety of play ground equipment including swings, slides, giant stride, teeter-totters have been erected at the beach. The Recreation Board has been provided with sand and is an ideal place for the children, with a gradual slope and some distance and a gentle slope.

The area of land purchased of some 120 acres provides all the requirements for a most wonderful park, myriads of camp sites, natural beaches, also trails and along the north side when development is complete a splendid drive for a mile and a half of natural beach and deeper water. It is easy to foresee that this will be the site of progressive development of which will be a very popular resort.

The road around the park is open for use on Aug. 12. Everyone is invited to this beautiful park and is responsible for its development and thousands to use it for their enjoyment.

Mrs. Effie May Clark Dies at Violet Grove

On July 19 Mrs. Effie May Clark passed away at Violet Grove, Alberta, following a long illness. Mrs. Clark was born in Vermilion 18 grandchildren and five great-grandchildren. Her sister Miss Eva Brecken-ridge of Ottawa, Ont.

Funeral services will be held at 2:00 p.m. on Thursday, July 23 at Halnstoch's Funeral Chapel with the Rev. Dr. R McElry Thompson officiating. Interment will be in Mount Pleasant cemetery. Halnstock and Son, Ltd., funeral directors.

Miss Olga Mikietuk Feted

One evening the latter part of June the Jr. C.W.L. members and the members of the Catechism class, joined together in honor of Miss Olga Mikietuk. White refreshments were served after which she was presented with a silver cream and sugar set.

For the past year Olga served as treasurer of the Jr. C.W.L. and also was choir leader in the Catechism class. Her work was greatly appreciated and all joined in wishing Olga success and happiness for her forthcoming marriage later this month.

Miss Doris Keating, president of the local Jr. C.W.L. represented the league at the Diocesan Rally convention held at Red Deer June 26, 27 and 28.

Loss To Crops, Livestock and Buildings Terrific

Describes Devastation Wrought By Storm

CLANDONALD. — The storm which struck this district on Thursday evening July 14 cutting a 15 mile wide swath, far exceeded in violence and destruction anything ever previously experienced in this area. The appearance at first of being only another ordinary summer storm but suddenly with night like darkness and warning, it struck with devastating force, catching most people unprepared. Even before there was complete calm, the next with a terrifying roar the wind, rain and hail struck with disastrous effect. Visibility was cut down to a matter of a few yards it being almost as dark as night indoors.

Damage from hail in the immediate district around Clandonald would have been slight as there was not a great deal but the damage accompanying it was mainly responsible for the heavy loss. Everyone in the path of the storm appears to have suffered some damage to buildings. At Hugh Hagen's the roof of the new barn was wrecked, at Dyjurs too the roof on the new barn was damaged. Grain separators were overturned at Tensey's and Mulgrews. In the latter case holes were pounded through the galvanized iron by the hail. At Mul,rews also 11 buildings were damaged or destroyed. In many other cases windows were smashed on the west side of houses and the hail went through the ones on the opposite side of the room. In many cases the deluge of rain which came in like a spray soaked furniture and bedding.

The area which received the full force of the wind and hail appears to be north of the railroad tracks where it is crossed by highway 41, although the path of the destruction is appalling with practically all the vegetation destroyed, leaves and branches of trees and the fields have every appearance of late fall

This area should surely qualify for some measure of relief as even the pasture is destroyed.

The loss to livestock was considerable as many pigs, calves and chickens were casualties. In the case of pigs, they were mostly confined in small brooder houses being over turned and de-roofed exposing the poultry to the elements. Scores of granaries and other small buildings suffered the fate of the brooder houses.

Cars and trucks took a terrific beating many getting broken wind-shields and windows while the finish was ruined in many cases.

At Hayter Bros. farm a large machine shed was demolished, lifted off the concrete foundation and causing much damage to a new combine. At McCormick's in the same area much damage was done to the farm home, barn and garage, and numerous poultry houses were completely destroyed. At Ohlers farm, better known as the Grauman place it is reported that all buildings were flattened with the exception of the dwelling house. This damage was not in the worst of the hailed area but closer to Clandonald.

Acres of timber were leveled or broken off in some districts not far from town. Large chunks of sheer ice are reported as falling in some places along with the hail.

Strawberries the Best Yet

The finest example of locally grown tame strawberries which the Editor has ever had the pleasure to see and to taste, have been grown this year in the town garden of Mrs. Fred Watling. They are absolutely the largest strawberries produced in this district, and in small brooder houses being over turned and de-roofed exposing the poultry to the elements. Scores of granaries and other small buildings suffered the fate of the brooder houses.

Cars and trucks took a terrific beating many getting broken wind-shields and windows while the finish was ruined in many cases.

Vermilion's 6th Annual Open Golf Tourney August 2 and 3

Vermilion's 6th annual men's open golf tournament will be held this year on Sunday and Monday, Aug. 2 and 3 at the local golf course, one of the most scenic and sporty courses to be found in the province. Local and visiting golfers will compete for the Rowe & Sons trophy which goes to the winner of the championship flight. Last year's winner, Dr. Tom Demco of Vegreville will be on hand to defend his crown.

Lorne Pockett of the local club reports the course in beautiful shape and many improvements have been made in the greens this year. The best quality of golf may thus be expected.

There are flights of eight for all golfers whether they play in the 90s or low 80s. A good array of prizes has been planned and there will be first and second in each flight as well as two consolation prizes in each. The entry fee is $2.50.

The qualifying round of 18 holes starts at 8 a.m. Sunday Aug. 2 and scores must be in by 1:30 p.m. All local golfers are given notice that they may play their qualifying round on Friday or Saturday and hand it in Sunday morning to Gerald Stephens, chairman of the entry committee.

The ladies of the club are undertaking to provide lunches and prizes in the club house and as in the past are sure to please even the most fastidious. These facilities are open to the spectators as well as golfers.

This is your invitation golfers, local, district and far afield to attend the 1953 Vermilion golf tournament. 4c

Vermilion Alumni Enjoy Reunion

CLASS OF 1929 HONORED; W. J. ELLIOTT CUTS CAKE

The Alumni Association of the Vermilion school of agriculture and home economics recently held their annual summer reunion and roast held at the school. Several days of wet weather preceding the event made travelling difficult and attendance fell below that anticipated for the program. This party included a 'County Agent' or district agriculturist, his wife, two boys and two girls who had attained distinction in their own 4-H clubs.

Graduates of 1929 were honored on their 25th anniversary, while the class of '28 celebrated a fifth anniversary. Representatives of both classes were present at the banquet and dance.

The banquet planned by the alumni executive to be informal was just that! With plenty of practical jokes and teasing reminiscent of days gone by at the V.S.A. Alumni President Bob Langstaff, Camrose, found himself on the receiving end of a livening end of the pranks! He really looked worried when the Dietitian-in-Charge arrived on the scene too hard to cut for former V. S. A. students. Mrs. W. J. Elliott decided to know the real cake was in the dietician's office and that Jake Langstaff and Jack McMillan had a wooden cake level and decorated?

Former V.S.A. instructor Earle Mitchell, who is also an invaluable member of the alumni since he moved to Vermilion, was also honored by the alumni on the occasion of his retiring from the agricultural staff to take on full time farming in the Onaton district east of Camrose. Mr. Mitchell and Jake Langstaff had formed a partnership with a view to both continuation of farming, and specialized breeding. Mr. and Mrs. Blades are also retiring from the staff to take up residence in the district.

Mrs. Earle Mitchell was an invaluable member of the alumni since her husband was on the staff and was honored by the alumni on the occasion of his retiring from the agricultural staff to take on full time farming in the Onaton district east of Camrose. Mr. Mitchell and Jake Langstaff had formed a partnership with a view to both continuation of farming, and specialized breeding. Mr. and Mrs. Blades are also retiring from the staff to take up residence in the district.

A. Gerhart Elected To Mannville Council

BY ACCLAMATION

MANNVILLE. Mr Alf Gerhart was nominated and elected by acclamation to fill the vacancy on the town council caused by the death of Mr C. G. Torrance Mr Gerhart served on the council for 3 years several years ago

Stores in Vermilion are closing at 1 p.m on Friday July 24 for the second day of the Fair

Mannville Store Changes Hands

MANNVILLE. The Red and White Associated stores have purchased the stock and fixtures from E. Ambler of the Mannville Table Supply, and the building from Mrs L. Culborne. During the next two weeks the store will be remodelled as a self-serve.

Death of Mrs. Mabel Helena Welsh

CAME TO VERMILION IN 1909

Mrs. Mabel Helena Welsh, who came to the Vermilion district in 1909 and has resided here since that time, passed away at the hospital on Sunday morning July 19. She was in her 71st year and had been ill since late in April.

Mrs. Welsh was born at Yankleek Hill, Ont., on August 24, 1882, and came west to Vermilion with her husband, the late William Robinson in 1910. For many years she lived on the Rosedale farm four miles west of town where the famous Shorthorns soon became widely known throughout the district. For some years past she has resided in Vermilion.

She is survived by one son W. Lyle Robinson of Vermilion and two grandchildren Billy and Betty.

Funeral services were held Wednesday afternoon July 22 at 2 o'clock at the First United church, Vermilion with interment at the Vermilion cemetery. The Rev. C. W. Mackay officiated. Meyers were in charge of arrangements.

Election of Councillor — All On August 17th

Ratepayers To Vote On Three By-Laws

Proprietary electors of the Town of Vermilion will decide on three important issues at the polls on Friday, Aug. 7, as well as filling a vacancy on the town council caused by Cr. Jack Reid being transferred to Edmonton

The by-laws call for the borrowing of $14,000 to cover extensions to the water distribution system in the town, and for $3000 for sewer extensions. The extensions are small ones located in both the east and the west ends. The by-laws are reproduced in detail elsewhere in this issue of your Standard. The additional services are required by the continued steady growth of the residential section of the town.

NEW FIRE ENGINE

The third by-law calls for borrowing of $12,000 with which to purchase a new fire engine. The need of such an engine is an obvious one that it would be hard to work up an argument on the demerits of the by-law.

NEW COUNCILLOR

The town council also needs a new member to fill the vacancy caused by the resignation of Jack Reid, providing that more than one candidate seeks the honor, this election will also take place on Friday Aug. 7. Nomination day is Friday, July 31

VOTE AT LEGION HALL

Voting on the three by-laws and for election of the councillor will be held Friday Aug 7 at the Legion Hall for the polls open from 10 a.m. to 7 p.m. Hiram H. Hodgins is the returning officer.

Every taxpayer should turn out and register his or her vote in favor of the progressive moves covered by the money by-laws and for the candidate he or she favors for the office of councillor. In the case of a contest for the office. 4-6

4-H Club Winners Short Course At V.S.A.

Through the week of July 12 to 18, 178 members of 4-H clubs from all over Central Alberta attended the Scholarship short course at the Vermilion school of agriculture. Each member attending represented a 4-H club in his or her home district and had won the right to be there through having obtained the highest standing in club work during the past year.

The program through the week included lectures and demonstrations in a wide variety of subjects related to the interests of 4-H club and featured the club's object in that of encouraging the young people to participate in the discussions.

A group representing 4-H club work in Montana were in attendance throughout the short course and took an active part in all phases of the program. This party included a 'County Agent' or district agriculturist, his wife, two boys and two girls who had attained distinction in their own 4-H clubs.

Members of the V.S.A. staff, provincial supervisors of 4-H club work in Alberta, and several specially selected guest speakers conducted the program which concluded with a banquet on Friday evening. The representatives of sponsoring organizations included Mr. T. J. Blackett and Mr. George Braithwaite of the Bank of Nova Scotia, Mr. H. J. Mather of Line Elevators Farm Service, Mr. H. M. Putnam, Superintendent of the Canada Packers' Cultivator was guest speaker.

Winners of $75 scholarships unable at the school of agriculture and home economics were named as follows: Girls' Club — Rose Marie Hood, Gibbons: Livestock Clubs — Allan Bevington, Western and Albert Plain Wetaskiwin: Crop Clubs — Douglas Thornton, Jarvie and Nick Holowach, Bruderheim.

Attendance prizes were highly grateful to Mrs. Albert M. West for playing the piano for the musical numbers and community singing.

Special Parade July 30 For Final Instructions

31 Vermilion Air Cadets To Attend Camp at Abbotsford

Thirty-one members of Vermilion Air Cadet Squadron 670 will attend the summer camp at Abbotsford, B.C. from Aug. 1 to 15.

The boys will entrain here Saturday morning and go to Edmonton by special train which will pick up air cadets all the way from Edmonton to Calgary and on to Abbotsford. The return trip will be over the same route

CADET PARADE JULY 30

A special parade for all air cadets attending the summer camp will be held at the town hall on Thursday July 30th at 7:30. Final instructions will be given and the names of those who will attend made. The public is invited to be present.

Air Cadet Officers Angus Smart and Jack Moore will accompany the cadets on the train while Sgt. Ken Hall will be in charge of the Abbotsford as he is travelling by car.

INSTRUCTIONS TO CADETS PROCEEDING TO CAMP

1. The following should prove of interest to those cadets of Vermilion Air Cadet Squadron 670 and all Air Cadets who are planning to attend camp in many instances, piles of extra baggage, all of which is extremely inconvenient and should not be allowed. Just all that is necessary for kit has is much better with your name on it should be obvious as for carrying the boys' essentials to camp.

2. Essential items that an air cadet should take to summer camp are: comb (optional at least 2) soap, toothbrush, toothpaste 2 pr heavy socks 2 pr light socks, sweater coat (if available) swimming trunks, running shoes (also spikes), gym shorts T shirt rain coat (if available) best for khaki drill shorts, jacket for camp period wearing of suspenders is not permissible with the khaki drill, shoe and button cleaning equipment is also required also a good lock and key.

3. Cadets are encouraged to bring any musical instrument, as well as cameras, radios, model aircraft tools if they are so interested. Also a good heavy knife which will be very convenient for basic parties, etc., as it does cool off considerably in the evenings. Many cadets bring their own softball and baseball mitts which is considered an excellent idea.

4. Cadets are not to carry fire-arms or hunting knives to camp. If any of these items should be found, they will be confiscated and handed over to the Camp Service Police for their disposal

5. Many parents ask "How much money should I give my boy for spending at camp?" The only money the ACIO can give from past experiences is not enough to cover but how insufficient to make him self-conscious.

6. The Cadets have four meals a day and each boy gains weight, preferably he doesn't live on pop etc.

It is better to give him $2 on leaving home and a $1 in each letter every 2nd or 3rd day than $5 or $10 on leaving home as a temptation for him to spend more than a lot of money, as it is a common denominator among boys at camp

6. Address mail to:
Flight Air Cadet E. J. Doe, No. (No. 97 Squadron, Vermilion) R. C. A. F. Station, Abbotsford, B.C.

7. It is hoped these suggestions will be of help as it is our main wish that each boy enjoys every moment at camp to the full. 6-8

Attending Bible Camp At Seba

Capt. R. Chapman and a number of young people from Vermilion and district will be attending The Salvation Army Bible camp at Seba Beach which commences this Friday. Those in attendance will be Deena and Sharrey Isley, Dorothy Edwards Ivuel Mix, Shirley and Rita Poster, Jimmy Frissell, David Dow, Glen Clayton, all of Vermilion: Margaret Keast of Dewberry and Donald Stephonick of Mannville.

MOST DISASTROUS STORM IN HISTORY OF DISTRICT

It is now apparent that the storm which swept through the area to the north last Tuesday evening was the most disastrous ever experienced in this north-eastern corner of Alberta. Not only was the area affected much larger than is usually the case with hail storms, but the damage to crops was not as severe as in the case of many smaller storms of past summers. Insurance adjusters particularly pointed out that the heavy rains which accompanied the storm, and preceding, a new experience in this area, will reach a million, may be the answer to your huge figures. Even interior furnish- problems. The schools are open during ings of homes suffered as the shat- the winter months when work tered windows allowed hail and rain on the farm is usually slack, from to run freely into the buildings. October 20 this fall to the first week in April next spring.

The experience of weathering the storm was a terrifying one for many of the wind and rain the semi- ments though. It is felt that a stu- filled with dent should take at least grade 10 lightning the shaking of the houses with the elements raging freely through the broken windows was stupefying.

The people of the area do not seem to bemoan their heavy losses to crops, livestock, buildings and machinery they seem to take the attitude that they are lucky to be alive, for a time during the storm

many thought their hour had come. There is no doubt however, that for many a calamitous condition exists wondering just how they are going to repair damages and get along for a year without a crop.

Agricultural Schools The Answer

Young farmers and homemakers, are you here wondering about a practical training which might be for you for your future? If you the Schools of Agriculture situated at Fairview, Olds and Ver- million may be the answer to your

But life at an agricultural school is by no means all hard labor. Social activities and recreation are import- ant parts of life training. A well- equipped gymnasium provides the facility for basketball, volleyball, and badminton and rinks are avail- able for hockey and curling. Dance, drama and public speaking, progressive competitions, and even debates keep students busy so- cially.

Plan now for a winter of fun and learning. For further information write to the Principal, School of Agriculture, Fairview, Olds or Ver- million. Mr. N. N. Huntley is the principal here at the Vermilion school.

The course for girls includes cook- ing, sewing, handicrafts, home man- agement, poultry, dairying, clothing and laundering and many

Council Declares Monday, August 3rd Civic Holiday

LOT SALES AND BUILDING PERMITS APPROVED

The regular meeting of the town council was held Monday, July 6th with Mayor J. C. Heckbert and Cn. H. J. Payne, K. G. Urquhart, C. C. Webb, D. R. Mitchell present. Ar- sent, Cr. G. W. Sutherland.

The financial statement for June was adopted as read.

A delegation consisting of Mr. Duncan and Mr. Barr representing the Agricultural Society requested that the town give consideration to the making of a grant to that Society.

Correspondence: Fred Attfield re permission to put up hay on land rent to the college; Canadian Bank of Commerce re Civic holiday in August; Wm. Krause re business tax Rusé Flower shop; R. S. Cooper re application for purchase of lot; The Manufacturers' Life re pension plan.

The following motions carried:

That Monday, Aug. 3rd be de- clared a civic holiday.

That Mr. Dewbiggs be granted permission to move in a house sub- ject to building committee approval.

Building permits were granted to James McCauley, Lot 15, Blk. 36, Plan 08475, residence, $2500; Walter Coulter, Lots 4 and 5, Blk. 30, Plan 06475, residence $5000; Mrs. N. Wil- son, Lot 8, Plk. 36, Plan 635V residence $9000.

That Lot 9, Blk. 36, Plan 635V, be sold to Mrs. N. Wilson.

That the balance of the library trust account be transferred to the general account.

That H. J. Payne be deputy mayor for July and August.

That By-law 18-53 be read a 1st, 2nd and 3rd time and finally passed.

That a grant of $200 be made to Vermilion Agricultural Society.

That Lot 15, Blk. 18, Plan 08475 be sold to R. S. Cooper and I. Gor- don as per application of June 28.

Next regular meeting be held on Aug. 7.

That town accounts and water and sewer accounts be passed and ordered paid, same having been certified by the Finance committee.

IN MEMORIAM

In loving memory of

MRS. A. C. BURKHEAD

who passed away at St. Joseph hospital on July 23, 1952.

"Gone but not forgotten."

—Ever remembered by the Doherty Family.

Bowtell Bulletin

Congratulations and all good wishes go to Mr. and Mrs. Kenneth Burton (nee Joyce Kay) who were recently married at Lloydminster. Joyce is a sister of Mrs. F. Robin- son.

The Walker and Harrison fam- ilies enjoyed a fishing trip to Whit- ney Lake Thursday.

Tom Sherwood was a visitor to Edmonton on Thursday.

Leslie, Frances, Isabell Sherwood, Tommy King and Rena Monaghan were guests for supper Sunday at the Bowman home.

The Pierman family enjoyed a visit Saturday evening from the Harrison family.

We are pleased to see Mrs. H. Seminuk home from the hospital.

Mr. and Mrs. E. Jones enjoyed a holiday spent at Unity, Sask., last week visiting Mr. and Mrs. Fox.

The writer and family were pleased to have Jack Coward Sr. visit Friday from Entwistle. Jack is now visiting in B.C. before return- ing home.

Mrs. Jones, Mrs. Sherwood, Mrs. F. P. Dixon, Mrs. Gillies, Mrs. Repp, Mrs. R. Repp, Mrs. Cummings, Miss Millburn, Mrs. A. Cameron, all en- joyed an afternoon spent at the home of Mrs. B. Gould recently at Pleasant Valley.

Our deepest sympathy go to our north neighbors and friends who were hailed out in the recent bad storm. Some lost all their crops and buildings.

Mr. and Mrs. Millar recently re- turned from a two weeks trip to the States.

If you want to see something different visit Barney Powell's farm where a welcome mat is always out. The kids enjoyed their visit on Sun- day Barney.

Sorry to hear Mrs. Knutson was badly stung by wasps recently.

Don't forget the early morning church service at Pleasant Valley this Sunday folks.

Rena Monaghan and Isabell Sher- wood enjoyed a visit Sunday at the home of Mr. and Mrs. D. Arnold.

Granny Robinson expects to visit in the near future her daughter and family in Edmonton, Mrs. B. Saun- ders.

Mrs. Lippert is pleased to have her mother and father from southern Alberta and a brother from B.C. visiting her.

The recent trouble on our tele- phone line after the big wind was caused wires near the Pierman home.

The writer was pleased to see her niece Mrs. J. O'Donnel and little son Danny of Calgary visiting here dur- ing the week.

It IS Time for a Change at Ottawa

There are only TWO political parties in Canada that can form a Federal Government in Ottawa . . . the Progressive Conserva- tives or the Liberals.

THE LIBERALS HAVE GROWN OLD AND TIRED IN OFFICE . . . WASTE- FUL AND ARROGANT IN THEIR ATTITUDE TO WARDS THE PEOPLE.

The time is ripe for the introduction of new blood in the administrative halls at Ottawa . . . so that responsible government can be restored for the protection of truly democratic Canadians.

Scouts Enjoy Camp At Lake Whitney

GREAT OUTING FOR BOYS

To the Vermilion Boy Scouts July 1st was not only the first day of holidays, it was also the first day of camp.

The Scout hall and vicinity was a hive of activity as personal gear, bedding, tents, cooking utensils, food and all the paraphanalia so neces- sary for camps, was loaded into cars and trucks, and then we were off. Destination was Whitney Lake, to many boys pelgrnam with scouting and cubbing memories that will last forever. Who were? Almost the entire troop. The Cree patrol, with Neil Crawford as patrol leader, Brent Long, Raymond Mortlock, Neil Gannon and Jimmy Gordy.

The Cougar patrol, Don Stewart patrol leader, Pat Bentley, Roger Stevens, Billy Robinson and Bob Waldenberger.

The Blackfoot patrol with Danny Leversedge as patrol leader. Tom Kibblewhite, Ron Moses, Elliott Urquhart.

Scouter Bill Nankiveille was in charge of the camp. We had fre- quent rains which made it difficul- to run programs as scheduled, but we enjoyed swimming, boating and hiking. Many jackfish and yellow perch were caught to the surprise of many amateurs.

Friday afternoon a fire lighting and string burning competition proved quite exciting. The Cree patrol won first place easily but a battle ensured for second place finally, Don Stewart's Cougars made the grade but we think Don will come loaded with matches next year.

Toward the end of camp much was heard of an animal known as the Whipping Pooth, apparently it is fond of pants, has claws like a bear, ears like a wolf, and likes pick- ing people's bones bare. Although definitely legendary, it was seen by reliable people. Miles Dixon ar- rived in camp Friday evening, as rains reinforced, Saturday morning we started out to track down the Whipping Pooth. We took lunch along and followed its tracks. Logs had been torn apart ruthlessly in its hunt for ants and other grubs. Many tracks were seen. Finally it was cornered and in the surprise of many was composed of a poplar log with grinning nails, a life-like head of sacking stuffed with spruce needles, two lovely roses formed its ferocious eyes. With this menace destroyed we hiked on to Laurier Lake.

Friday and Saturday nights the beach and surrounding bush was ablaze with flashlights, while black faced red headed bush runners were being chased by Customs officers. But the rum seemed to get landed and cached although many lives were lost.

The rum, (empty bottles) were brought in by boat with muffled oars. The lives were pieces of string barbed into baits and left hanging.

The Patrol Competition was won by Dan Leversedge's Blackfeet, but Neil's Cree were right on their heels. The prize was a scout diary for each scout, presented by the Scouter.

Sunday brought the camp to a close. Reluctantly tents were torn down and faces turned homeward. Boys smelling of wood smoke and camp cooking faced civilization once more.

New Minister Inducted At Paradise Valley

PARADISE VALLEY. — Friday evening the United church was well filled by members of the United Church from Edgerton, Rosedale, McLeod Park and Paradise Valley when the Rev. D. D. Davidson was inducted into the new charge. Rev. Mr. Adam from Elk Point con- ducted the service to the new min- ister and to the congregation. Rev. Mr. Morrison of Lloydminster con- ducted the induction service. The service was very impressive and it is the hope of all that Mr. David- son's work in this field will be suc- cessful. The P.W.A. served lunch at the conclusion of the service in the church basement and a very happy evening was enjoyed.

Farmers Clear Up After Storm

MANNVILLE. — Many of the farmers south of Mannville are busy clearing up the debris left by the bad wind storm of last week. It is im- possible to find out just how many farms were affected and how much damage was done. Many of the telephone lines are still out of order. Close to town the farms of Pulyk Bros. and J. McLeod suffered a great deal of damage. On the McLeod farm there were 13 buildings, in- cluding two barns, a double garage, granaries, etc. leveled. On the two days after the storm there were 1- men one day and 10 the next help- ing to clear up, and John McLeod wishes to express his thanks and appreciation to his friends and neighbors for their help.

Clandonald News

The Clandonald sports which had been previously postponed, were held on July 8 and turned out very successfully here being a much larger attendance then in some former years. A great deal of the day's success was no doubt due to the weather which turned out to be almost perfect for the event Sorry we have not a complete list of the prize winners but in the Senior ball Clandonald and Derwent played to a tie, the game having to be called on account of darkness Derwent had previously eliminated Vermilion in a hard-fought game

Several local residents attended the Calgary Stampede during the week being Mack Patterson, Maurice Masyk, Bert Pare, Harry Brake, Jr. George Butz and family. The Ben family arrived back just in time to receive several prizes awarded them at the glass in their practically new car. Following the attendance at the Stampede Bert Shaw and Harry Brake continued on to Summerland where an uncle of Harry's has his home.

On Thursday July 16 Alfred Stan- ley and Rose Kornese, both resi- dents of the Landonville district were married at St. Mary's Anglican church in Clandonald. Congratula- tions and best wishes for a long, happy and prosperous married life.

In last week's account of the Brockman-Brake wedding the date was inadvertently omitted which was Friday July 3.

It is with much regret that we hear of Ethelwyn's decision to dis- continue the news column. How- ever, that being the case it is to be hoped that someone else will decide to continue the good work It's un- thinkable to let down our news editor!

Church services were resumed at the Landonville Anglican church following a lapse of several years. Rev. R. Clement conducted the ser- vice and present plans are for them to be held every two weeks.

This week's question should be in the Stampede Tent Show and Harry Brake continued on to Summerland where an uncle of Harry's has his home.

Wheat Pool Scholarships

THE ALBERTA WHEAT POOL ANNOUNCES THE INAUGURATION OF SCHOLARSHIPS AT THE UNIVERSITY OF ALBERTA TO THE VALUE OF $300 A YEAR FOR TWO RURAL STUDENTS FROM ALBERTA HIGH SCHOOLS. ONE TO A STUDENT WHOSE HOME IS IN THE SOUTHERN HALF OF THE PROVINCE AND ONE IN THE NORTHERN HALF OF THE PROVINCE. THESE STUDENTS HAVE THE RIGHT TO SELECT THEIR OWN COURSES.

These Scholarships are restricted to students whose homes are on farms and the awards will be made on the basis of a satisfactory record in the Grade 12 examinations for completion of matriculation and of the need for financial assistance in applying for one of these scholarships the Alberta Wheat Pool's local field service personnel should be used for reference.

For the purpose of this award the southern half of the province is defined as that part of Alberta inclusive of and south of township 18. Application forms are available from the Registrar, University of Alberta. The final date for receiving such forms at the University is August 10.

FORESTS NEED HARVESTING

The volume of wood in a mature forest does not increase. Proper management to Canadian welfare in wages, cutting permits new growth and supports and production than any other industry; perpetual harvest.

Pulp and paper mills contribute

F.U.A. Membership Sets New High

The F.U.A. Board of Directors held a three-day meeting at the Central office July 15 to 17. Out of a total of 25 members, 23 were present. This was the regular mid-summer meeting of the board. Five new members elected at the recent district conventions were among those present.

Reports and discussion covered all activities of the F.U.A. since the last annual convention. The main business considered by the board included the following:

Report of executive's action in purchasing property for a site of the new office. This was approved by the board.

Reports and discussion on recent interprovincial conferences.

Arrangements for next annual convention to be held in Edmonton Dec. 7 to 11.

The proposed arrangement whereby Stettler Municipality will pay 1954 membership fees for all their farmers who are eligible and willing to join the F.U.A. was agreed to by the board.

Arrangements were made regarding the new family membership fee, to go into effect Nov. 1st, 1953.

The coming fall membership drive was discussed at length, and plans made to make it fully effective.

An F.U.A. program covering both federal and provincial matters was discussed and prepared for presentation to the annual convention.

Plans were made to launch an intensified drive for funds to build a new headquarters for the F.U.A. in Edmonton.

Membership in the Union has now passed the 27,000 mark which is 2000 above the last year's high and a new record for the F.U.A.

Northeastern Six Baseball Mid-term Standings

Following are the standings after completion of one-half the summer schedule in the North-Eastern Six Baseball league:

Team	G.P.	W	L	Pts
Heinsburg	10	9	1	18
Derwent	10	8	2	16
Vermilion	10	5	4	11
Dewberry	10	4	6	8
Beauvallon	10	2	8	4
Elk Point	10	1	9	2

The working executive of the league, consist of Pres. Gordon High; Vice-Pres. Jim Boyd; Sec.-Treas., W. Ilkiw representatives R. MacMillan, E. Eaton, S. Zaniak, L. Kajpack, W. Spacht, Vic Desnill.

The league has been operating successfully in its first year of existence with good attendance at the Sunday doubleheaders. When the second half of the schedule is completed, a 2 out of 3 semi-final will be played by the top four clubs, then a 3 out of 5 final will determine the championship. A league trophy will be presented to the winner and plans will be made for a banquet and dance.

—St. Paul Journal

The House of Commons is the supreme power in the United Kingdom. It makes all the laws and supervises their enforcement. Because its acts are subject neither to executive veto nor court review it could declare war, issue an unlimited degree or even abolish the monarchy overnight, says the August Reader's Digest.

More than a billion new trees grew in the forests of the pulp and paper companies last year.

SUCCESS TIP

If you wish to be respected: If you want better-tasting food, and clothes that will make others sullen with chagrin at not being as well dressed as you — read your newspaper.

Just read it. This is a short and painless process, for, unlike most school text books, your newspaper is devised to be quickly and easily read. And your newspaper costs you nothing, net. You make a profit on the deal, if you actually do read your paper.

The profit comes in knowledge that brings respect, and brings more money too, for that wide range of commodities, like food and clothing, you can get with money.

There are silly things in your newspaper. Politicians from time to time assert that there are inaccurate reportings of statements. Sin and suffering take up a lot of space. But if you are one who reads his newspaper ably, you dodge through the truffle of troubles, though passing mayhap over a triviality, like Abraham Lincoln over a joke.

You know a lot if you read your paper. You are the fellow in the crowd who knows when the House sits, when the tide turns, how the Rocket is doing, what's the matter with the Fair Deal, and where you can get a chair leg fixed. One who keeps on absorbing newspapers, breathing them in regularly, accumulates a lot of little and big bits that consist up to quite a lot of understanding about things. Will Rogers was that kind. He did not have the disadvantage of a college education. All he knew was what he read in the papers. The next time somebody complains that he never had a chance to get an education, set him on the highroad to success by stacking him to a year's subscription to a newspaper.

—Exch.

REVIVE AT DEWBERRY

The Dewberry Ladies' Aid are having a Strawberry Social and Cold supper on Thursday Aug. 13 from 6 p.m. to 8:30 p.m. in the Dewberry hall. Adults 85c, children 12 and under 50c. Proceeds for the church building fund. Come and bring the family. 34

FORESTS ARE FORGOTTEN

Federal and provincial authorities have wisely contributed immeasurably to the development of agriculture, minerals and fisheries. But the forests receive much less attention even though a single forest industry, namely pulp and paper, creates more new wealth annually for Canada than all the grain crops combined, and more than all the mineral production from coal to gold and from asbestos to petroleum.

The Standard cannot reproduce unsigned letters. The letters must have the writer's name and address for matters of record while a nom-de-plume will appear in the paper if desired.

YOU'VE EVERY REASON TO SAY "YES!" TO A Meteor

YES! EIGHT POWERFUL ENGINE IN THE LOW PRICE FIELD!
The exclusive 130 H.p. "Fury" V-8 engine is ready to serve you. Any Meteor engine—Six or Custom V-8—is unusually smooth-running in performance, famous dependability and longer ignition life. Both this and the brilliant 110 H.p. V-8 in Manitoba cars are products of the Company that has built more V-8 engines than all other makers combined.

YES! FINE CAR STYLING—LUXURY INTERIORS—EXCLUSIVE FEATURES!
From road to roof, Meteor's beautiful styling reveals modern expert reason why Meteor popularity is at an all-time high! View's wider, all-around visibility—effortless driving ease with "Control-Centre" instruments—supreme riding comfort on luxury foam rubber seats front and rear—in the most beautiful interior ... at the low price field!

YES! A DEPENDABLE, QUIETER RIDE WITH "POWER-AGE" COMFORT!
Road shocks are reduced as much as 50%! You'll feel a superior smoothness and stability in Meteor's road action. And Meteor rides more quietly, too, than ever before. The reasons are found in advanced engineering of the suspension system. You'll feel the difference immediately, when you road-test Meteor!

YES! 3 GREAT CHOICES OF TRANSMISSION IN ALL THREE SERIES METEOR!
The smoothest, most completely "automatic" drive of all ... famous Merc-O-Matic Drive. Or, for remarkably quiet travel with outstanding economical performance there's Touch-O-Matic Overdrive. Both are optional at extra cost. For smooth, efficient manual shifting there's Meteor Base Standard Transmission.

YES! MORE FOR YOUR MONEY—AND PUBLIC PURCHASING PROOFS !!
Meteor offers more of everything ... two great V-8 engines—transmissions—three beautiful series—plus a combination of fine car features unmatched by any other car in the low price field. Why not see your Authorized Meteor dealer today ... and be a Meteorite!

YES! V8 of course!

BE MILES AHEAD WITH METEOR
YOU'RE INVITED ... TRY NEW "METEOR WONDER RIDE" BEFORE YOU DECIDE!

Colton-Thomsen Nuptials At the United Church

A beautiful summer wedding was solemnized in the First United church, Vermilion, on July 7 when Doris Irene Thomsen, daughter of Mr. Chris Thomsen of Tolland, became the bride of Gerald George Colton, son of Mr. and Mrs. Geo. Colton of Islay.

Bouquets of red and pink roses, asters, lilies and other mixed bouquets formed an attractive setting for the ceremony performed by Rev. McKay. Mrs. A. M. West conducted the wedding march.

The bride, given in marriage by her father, looked lovely in a floor-length gown of white lace and nylon net over satin. The fitted bodice featured lily-point sleeves and a lace Peter Pan collar. Her finger-tip veil was held in place by a coronet of seed pearls. She wore as her only jewelry a rhinestone necklace and carring set, a gift of the groom. She carried a bouquet of American Beauty roses.

Mrs. Peggy Reid, sister of the groom, was matron of honor, wearing a light rose gown identical to the bride's. She wore a matching shoulder-length veil and carried a Colonial bouquet of pink and white carnations.

Mr. Grant Robinson was best man and Mr. Jack Colton, brother of the groom, ushered the guests to their seats.

For her son's wedding, Mrs. Colton wore a mauve and green nylon dress with white and mauve accessories. Her corsage was of yellow roses.

After the ceremony a reception was held at the Brunswick hotel for relatives and close friends. A lace cloth covered the bride's table which was centered with a three-tiered wedding cake.

Mr. Frank Gibson, uncle of the bride, proposed the toast. Out of town guests included Mr. and Mrs. Ivan Ford of Edmonton, uncle and aunt of the bride.

A wedding dance was held the same evening in the Islay hall to which a large crowd attended. The happy couple left for a honeymoon to Calgary and Banff. For the bride wearing a navy suit with pink and white accessories. On their return the young couple will reside in the Vermilion district.

Omitted from the list of acknowledgements of those sending flowers in memory of the late Mrs. W. J. Fyfe were Mr. and Mrs. Everett Fyfe, Mr. and Mrs. Charles Sweeney.

Visitors' Day At The University Field Plots

The University's Plant Science Department is holding its 11th annual Visitors' Day on Saturday, Aug. 1. Those attending will assemble at 11:30 p.m. in the Medical building where members of the Department will briefly outline their work under way, after which the visitors will be taken on a conducted tour of the plots and gardens.

The agricultural trials include vegetables and small fruit variety tests, also flowers and ornamental plants, seed treatment tests, and treatments for seed and soil borne plant organisms, which are studies of the Plant Pathologists. Weed control chemicals will be discussed and results of various treatments illustrated in the plots. Especially interesting is the wild oat control project.

Plant breeding has long been a major interest at the University of Alberta. The new 17. of A. barley variety "Gateway" will be of special interest, as will be the new oil crops which are being developed.

A cordial welcome is extended to all who are interested in the useful, if little and practical work which is being carried on.

Canadian Writers State Political Views

Four notable Canadian writers publicly went on record in support of the parties they intend to vote for in the federal election. A special election forum in the current issue of Maclean's Magazine presents novelist Hugh MacLennan in favor of the Liberals; freelancer Scott Young who plans to vote Conservative; Lister Sinclair, playwright and critic, who supports the CCF; and Social Credit or Bob Bowman, manager of radio station CFRC in Saint John, N.B. Although none of the four is officially connected with any political party, each has made a fresh appraisal of the current Canadian political scene and explained his sentiment for Aug. 10.

"I am going to vote for the CCF because I prefer socialism combined with responsible opposition," Lister Sinclair asserts. "The Liberals are half-socialist, half-hearted, the Conservatives are 80% Liberal and 15 per cent reactionary, and the unreal remainder Conservative left as the social credit who remain, as ever, prof. Douglas and pre-Darwin," he charges. "I believe in human progress but I don't think we can get it by glorifying selfishness as a public policy. In politics you go faster if I falter in cooperation than in competition."

Scott Young doubts CCF ability to organize a strong and moderate government on a national scale. "The Conservatives are the only opposition party with the power and tradition to capitalize fully on the undoubted anti-Liberal sentiment there is in the country now," he declares. He claims the Liberals too long in office have become careless with our money and with their own manners and morals. "If the Liberals lose this election it will be at least partly because of proved carelessness (from which some voters will suspect occasional dishonesty in such internal affairs as letting our contracts and spending our funds." Young says.

The Liberals have been in power too long, Hurb MacLennan admits, and they've become cautious and formists. Nevertheless he considers they're still the only group with enough support to govern the country. "The Conservative party has made no real progress in the task of reorganizing itself on truly federal lines." MacLennan argues that George Drew is merely the titular head of an uneasy coalition of splinter groups co-moralized by Montreal King's tactics and their own gratitude.

Bob Bowman bases his support of the Social Credit platform on their promise of monetary reform. According to Bowman, "The monetary policy of the Liberals and Conservatives for modern business and industry has not changed from the policy of banking finance practices of eighteenth days. Many of us are working one day in three to pay taxes, the interest on government debt." Bowman rejects socialism on the grounds of its failure in Britain, Australia and New Zealand. "Social Credit is the answer to inflation and deflation," he concludes. "Monetary reform methods are needed today if we are to preserve the free-enterprise system from the enslavement of government control and red tape."

Parade of The Nations At Elk Island Park

What promises to be one of the most colorful programs of the year is booked for Elk Island Park for Sunday July 26 when entertainers drawn from some 20 different national and racial groups will present the afternoon concert. Folk dances, folksongs, vocal and instrumental numbers by groups in the costumes of their respective homelands will be the order of the day and park visitors can look forward to an afternoon of fine entertainment. Program commences at 2 p.m.

At 11 a.m. open air religious exercises will be held at the Sandshell with Rev. J. L. Nix of Lamont United church conducting the service. Park visitors are invited to join with the Lamont congregation in this devotional period.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

POWERGLIDE and POWER STEERING!
Chevrolet's new Powerglide, optional at extra cost on the Bel Air and Two-Ten series, is the newest, most advanced automatic transmission you can buy in its field. A new automatic starting and passing range gives you flashing getaway from a standing start, or for passing in city driving. Power Steering—optional at extra cost with Powerglide—lets you steer and park with fingertip ease, and dates with greater safety.

HIGH-COMPRESSION POWER!
The new 115-h.p. "Blue-Flame" valve-in-head engine—standard with the new Powerglide automatic transmission at no extra cost on "Two-Ten" and Bel Air models has an extra high compression ratio of 7.5 to 1. And the standard two-cone combination in all your fancy and set your engine to work. This year's Chevrolet boasts interior decorating achievements, a true fine-car feature that's only one of the many reasons you'll find in Chevrolet.

COLOUR-STYLED INTERIORS!
A whole wonderful symphony of matching colours and color combinations are yours to choose from in Chevrolet's new Chevrolet. There's an entire custom variety of headliner interior choices, exterior finishes and two-tone combinations to fit your fancy and set your

ALL THE NEW THINGS YOU WANT!
More weight, more stability, more road-steadiness, with Centre-Point rear suspension and the softer, smoother Knee-Action Ride. A wider choice of body types and colour harmonies. Also, optional at extra cost, GM Shade-Lite Tinted Glass with exclusive, graduated windshield shading, and the amazing GM Autronic Eye which automatically dims and brightens headlights.

ECONOMY and VALUE!
This year's Chevrolet brings you the most important gain in economy in Chevrolet's entire 40-year history! You no much further on every gallon of gasoline you get at that! You save on all items of operation and upkeep. You save every mile you drive with this great new Chevrolet. You can all for higher quality and new features. Chevrolet's still Canada's finest low-priced car!

Pleasant Valley

The men are very busy cutting down brush and preparing the way for the high power lines. There are about 45 miles to go over — good chopping boys. It's not only putting the lights in, it's all those expensive Xmas gifts hubby will have to buy! Christie Clark is driving a new ton truck.

Mrs. Sherwood, Mrs. Jones, Mrs. R. Repp and Mrs. O. Repp spent the afternoon at the writer's home on Thursday. How nice it is to have a few friends in for a chat and to hear others views expressed, as well as a wail in the garden, and to be able to vent each on their way with a mitred bouquet.

Wild fruit is now ripening and there seems to be a lot of it this year.

Did I read that it's goodbye to us all from the Fisherys scribe? Did your toe get trumped on? Mine does too but cheer up and don't leave us.

What does your Label read?

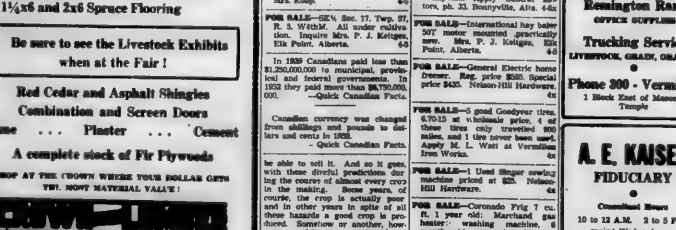
The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

CROP SCARES

We are now in the period of crop scares. We are hearing the following predictions: We've had to much rain, so much land is flooded. Farmers, therefore, have abandoned a lot of acreage. Grasshoppers will take a lot of the crop. Wireworms and cutworms are damaging the crop. Hail will be worse than usual. The crop is late, so the frost will surely get it." That 15-B rust will damage what is left. Even if we harvest a good crop we shall never



First of its kind in Canada is this new wheel truing machine now in operation at the new $1,000,000 diesel plant being completed by the Canadian Pacific Railway at Nelson, B.C. The unit, shown in operation here, permits diesel locomotive wheels to be machined without removing either the wheels or trucks from under the locomotive, and will be used in the servicing of diesel locomotives operating on the Kootenay-Kettle Valley divisions of the C.P.R. in Southern B.C. Its purpose is to restore by means of specially designed milling cutters the normal contour of the tread and flange of wheels worn by operation of locomotives over frequent, tight curves on the right-of-way through mountainous territory.

"CLASSIFIED ADS"

Payable Strictly in Advance

The rate for Classified Advertisements is 2½c per word, minimum CASH charge 25c per insertion. It must be paid same day, or in the case of rural residents the same week. An extra charge of 25c will be made for any advertisement not paid as above. If ads contain more than 20 words add 2c per word to the initial 50c charge.

In 1939 Canadians paid less than $1,250,000,000 to municipal, provincial and federal governments. In 1952 they paid more than $8,750,000,000.

—Quick Canadian Facts.

Canadian currency was changed from shillings and pounds to dollars and cents in 1858.

—Quick Canadian Facts.

be able to tell it. And so it goes, with those who predict disaster during the course of almost every crop in the making. Some years, of course, the crop is actually destroyed in other years in spite of all these hazards a good crop is produced. Somehow or another, however, a fair crop usually comes through, indicating the remarkable power of our grain varieties to survive in spite of the hazards of weather, insects and plant diseases. Had it not been for these remarkable powers of survival our diseases plagued plants, so agriculture, would long ago have disappeared from the earth.

One good forecast can usually safely be made: the crop will never be quite as good as some people think, and will never be as bad as some predict.

Rooms for Rent

FOR RENT—2 rooms house at curling rink. $20 per month. Ph. 172 or 116. 3-6c

Alberta Is Practically Hay Fever-Free

Here's good news to pass along to the traveling hay fever sufferer. Alberta is practically hay fever-free, and a haven of relief for unfortunate victims.

The principal cause of hay fever is ragweed pollen. Alberta has practically no ragweed at all, except in the southeast, where a few ragweed relatives are fairly common. The occurrence of pollen in various districts is measured by an index above 10 is not recommended, between 5 and 10 is fairly good, but low 5 is good and below 1 is excellent. Here are some of the Alberta ratings: Vermilion, Edmonton, Calgary, Coleman, Banff, Lake Louise,

Local News of Interest

Mr. and Mrs. Wyndham Webb of Mannville wish to announce the engagement of their second eldest daughter, Victoria Mae (Vicki), to Mr. Sigfred Budzilla, only son of Mr. and Mrs. Val Budzilka of Islay. The wedding will take place August 20th at 10 a.m. in the Holy Name Catholic church, Vermilion.

Rev. and Mrs. George Shields and family just arrived from Africa last Monday morning and will be making their home with Mr. and Mrs. Albert Olde for a time during their furlough. They have been engaged in missionary work in Nigeria Africa. Mr. Shields is a brother of Mrs. Albert Olde and formerly lived here in Vermilion. He has spent three terms in Africa and will be telling of some of their experiences on Sunday at the Ebs hall where he will be taking part in the Alliance services.

Twelve-year-old Dan Hawrylyuk made the trip from Glace Bay via Canadian National all by himself to visit his uncle Peter Krushkasky at Clayamore. Dan went directly to Edmonton to visit an aunt but due to a misunderstanding she was not at the station at the right time to meet him. Nothing daunted Dan showed the address to an Edmonton policeman, told him the circumstances, and the helpful Bobby took him right up to the door of his aunt's house. After staying in the city for awhile Dan came to spend some time on the farm at Clayamore with uncle Peter and the family.

Mrs. Sam Soldan and two girls are visitors to Edmonton this week.

Bud Baddock of Edson is spending his holidays visiting his parents Mr. and Mrs. Jack Baddock and sister Betty.

Brian Callaghan of the R.C.N., stationed at Esquimalt, is home on leave, visiting his parents Mr. and Mrs. Pat Callaghan.

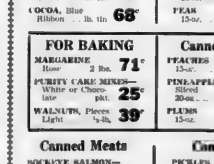
Vermilion holidayers at Waskesiu in the Prince Albert National Park this week are Mr. and Mrs. Carman Long and family; Mr. and Mrs. L. N. McLean; Mr. and Mrs. Ted Edey and family.

Mr. and Mrs. Ernie Braun and son Robert of Vancouver are in town for a two weeks vacation. The trip from the coast was made by car. While here they will visit at the home of Ernie's, brother and family Mr. and Mrs. Fid Braun. Ernie says he very appreciates the friendly Vermilion atmosphere after living in Vancouver.

IN MEMORIAM
In loving memory of
MARIE SEDDON
who passed away July 27, 1950.
"In our home she is fondly remembered,
Sweet memories cling to her name;
Those who loved her in life most dearly
Still love her in death just the same."
Ever remembered by Mom, Pat and the boys.

Jasper, Bowerbridge, Cypress Hills, Waterton Lakes to Dunbloon, Lethbridge. It Many berries, Medicine Hat, 7. Of course, the pollen counts in Alberta in the driest areas in April and May are cross pollen in July, but these are fairly uncommon causes of hay fever.

In Memoriam



In loving memory of our only son and brother
PILOT OFFICER 'CHIP' COOPER
Royal Canadian Air Force
who gave his life for his country July 21, 1944.
"And God shall wipe away all tears from their eyes . . . and there shall be no more death, neither sorrow nor crying, neither shall there be any more pain: for the former things are passed away. And He that sat upon the throne said, Behold, I make all things new."
Rev. 21 : 4, 5
—Ever remembered by his Mom, Dad, and Pieters Nadeen, Shirley, Beverley and Joanne.

WINS CONTEST PRIZE
Carole May Brown, 12 year old daughter of Mr. and Mrs. Jack Brown receives the welcome tidings last week that she had won a prize in the recent Rice Krispies Corrosion colouring contest, conducted by the Kellogg Co. of Canada Ltd. Winning an award in the contest may be regarded as an outstanding accomplishment, as there were over 70,000 contestants. Carole Mae received a lovely doll for her prize.

Frank Crawford of Edmonton was a visitor last week end in Vermilion and in the Vanesti district.

Mr. and Mrs. Albert Mix and daughter Marlene of Hawarden, Sask. visited the former's parents Mr. and Mrs. Charles Mix north of town. Visitors at the same home were Mr. and Mrs. Mix' daughter Mrs. Harold Nogel, Mr. Nogel and two children Larry and Danny of Winnipeg, and Mr. Henry Nogel of Wetaskiwin.

Mr. and Mrs. Joe Dubinett were in town last Friday evening and Saturday morning and while here renewed many former acquaintances. Joe attended the banquet of the 41 Club short course at the V.S.A. and presented some awards on behalf of the Alberta Wheat Pool.

Mr. and Mrs. Harvey Tebbutt are away on holidays which they will spend at Jasper and vicinity.

Mr. and Mrs. Wm. Glanvill of Winnipeg are visiting at the home of the A.F., Edmonton paid a visit to Vermilion this week. Mr. Glanvill conducted a tailoring business here in Vermilion but left some 14 years ago to accept a position with the Canadian government, stationed at Winnipeg. He is now secretary-manager of the Fort Rouge Canadian Legion club in Winnipeg. Mr. and Mrs. Glanvill were both amazed at the changes and development of Vermilion since they left here

Mrs. Ronnie Barkwell of Elk Point spent last week in Vermilion, a guest at the home of her parents Mr. and Mrs. W. D. Williams.

Mr. and Mrs. Harold Reid of Big Valley accompanied by their daughter Mrs. Cook of Calgary were recent visitors at the home of son Ken Reid and family near Islay.

Mr. and Mrs. Ted Davies of Vicinity and formerly well known residents of Vermilion passed through Edmonton last week on a trip to England and Wales. Their daughter Dorothy has been in England for the past couple of months. The Davies expect to return in about three weeks.

Mr. and Mrs. Art Elliott of Tofield are visitors at the home of the former's parents, Mr. and Mrs A. W. Elliott.

Two families making their first visit to Vermilion and district were Mr. and Mrs. Nick Kruschinsky and children and Mr. and Mrs. Pat Callaghan and children from Vancouver. Both Nick and Pat have been employed in the shipyards since they arrived in the coast some 10 years ago. Both report conditions better now. They intend to return to Vermilion in the near future and the visit is Memorable.

Dr. A. H. Goodman was re-elected the Bluenose Speaker Saturday when it polled over 1,000 votes in the three Maritimes. Traveling on this annual assignment to the West is traditionally a yearly event for the Doctor and he finds the highest praise for those responsible for organizing and executing the trip as well as for the many fine people he meets on the train and through out the course of the journey.

Sandwiches Improve With Refrigeration

HAMILTON — When is the best time to make sandwiches for next day lunches for factory and office employees?

Many people rush through a quick preparation in the morning just before starting the train, bus or street car. Actually the best time to make sandwiches for lunches or picnics is when you have real refrigeration at the night before, suggests Mrs. Iris Grigg Gillespie Home Economist of the American Can Co.

She advises that you can make up the lunches with meats or eggs at night when you have more time and another advantage is that you may leave them in the refrigerator over night. The chilling keeps them fresh and if they are well wrapped they will still be cool at lunch time.

Mrs. Gillespie suggests that canned salmon, lightly sprinkled with vinegar salt and pepper makes a tasty and nutritious sandwich. The addition of a wedge of lettuce, a tomato or a small salad makes an otherwise plain sandwich lunch more appealing.

Gordon Wilson, former Vermilion boy, now of Vancouver, is here to spend his holidays and to visit his father Clarke Wilson. Gordon was quite taken with the growth of the town since his last visit here some seven years ago.

Mrs. M. C. Holte (nee Marjorie West) and one-year-old son Richard of Winnipeg are visiting Mr. and Mrs. A. M. West in town. Ken will join them the first week in August.

Mrs. Addie Mead who has spent the past three months in England visiting her son Bert and family, returned to Vermilion on Monday of this week. The trip both ways was made via TCA. As may be gleaned by Mrs. Mead's letters from England which appeared in the Standard, she thoroughly enjoyed the time overseas and made many interesting interesting trips in England and on the continent. The Standard fully intends to complete the series of letters so kindly written by Mrs. Mead.

Mr. and Mrs. T. L. Cudney and daughter Mildred have just returned from a three weeks vacation spent on a motor trip to Waterton Lakes, Glacier d'Alene, Spokane, Crows Nest, then to Saskatoon and old home scenes at Asquith. Before finally returning home. They travelled some 2612 miles in a very comfy fashion covering two and three day stopovers at most places. At Cranbrook they called on Mr. and Mrs. Bob Donelan.

Mr. and Mrs. P. H. McNamara of Lauderdale South Edmonton are spending a few days in town renewing the local friendships and renewing many old acquaintances.

Ethan W. and Mrs. Holmes, for the past 15 years residents in Vermilion were visitors to Vermilion for a few days last week at which latter place the Holmes farmed for several years. Mr. Holmes was also an agent at one of the large ship building plants in Victoria since leaving Vermilion until his retirement recently.

Mannville Local Items

Mr. and Mrs. John McLeod, Sr., of Edmonton were visitors at the home of their son John this past week end.

Mr. and Mrs. S. Otto and daughter of Amisk were visitors at the D. Otto home this week.

Mrs. A. Brown is holidaying in Ontario for a month with her sister.

Mr Tom Cheechoo and Mr and Mrs. Roy and family of Hanna were recent visitors with Mr. and Mrs. Pendilbeni.

Mrs. Jas. Bennett, Marilyn and Bobbie and Miss Doreen Bennett and Miss Carol Mercer are holidaying at Elk Island Park.

Visiting with Mr. and Mrs W. Jackson are Mrs. Jean Rees and daughter of Calgary

Mr and Mrs. Dan Crawford were week end visitors at the F. McInroy home.

Visiting with Mr. and Mrs. D Croft are Mr. and Mrs. R. A. Brown and Mrs. R. Curtis and son of Edmonton.

Mrs. G. Whitson recently had Mr. C. McLeary and daughter Katherine of Camrose as visitors.

Mr. McLeary is the Conservative candidate for the Battle River-Camrose riding. To make it more interesting she also had as visitors Mr. and Mrs. Cliff Saville of Irma. Mr. Saville is the Liberal candidate for the same riding. Mrs. Saville and Mrs. McCleary are cousins and are both nieces of Mrs. Whitson.

Miss Lynn Croft who is taking a hair dressing course at the Marvel Beauty salon in Edmonton was a week end visitor at home.

Sunday visitors at the E. Ambler home were Mr. and Mrs. Gordon Larson of Vermilion.

Mrs. Finlay Jr. is visiting with relatives in the town and district.

July 12th the Orange service was held in the United church with Rev. Crighton in charge of the service and Mr Corness preaching the sermon. The Anglican and United church were combined for the service. The ladies of the L.O.B.A. and the men of L.O.L. paraded from the Orange hall to the church. Mr. Corness delivered a very interesting and enlightening sermon on the Constitution and Laws of the Loyal Orange Association.

On July 13 in spite of the storm the night before, the Orange Sports day was held. It was necessary to erect a new booth and grandstand on the grounds. The parade was cancelled but a number of good ball games, soft ball games, and a number of races made the day enjoyable for those that attended. The dinner was held in the Orange hall with Larson's orchestra in attendance.

The earth's surface is rising slowly in some places, sinking in others, says Lincoln Barnett in the current Reader's Digest. The whole of France appears to be tilting slowly northward, rising in the south, sinking along the Channel coast. If this movement continues, the Atlantic will ultimately inundate great areas of France.

Rosetta Couzens Hause, of Detroit, fortunately invested $100 in a newly formed automobile business in 1903 — by 1919 she had collected $80,000 in dividends, and that year she sold her $160 share for $260,000, says the August Reader's Digest. Rosetta's brother James Couzens, ten retirement, put in $100 in 1903, added to his holdings later, cashed in for $9,000,000 in 1919. This "greatest get-rich-quick scheme ever heard of" was the Ford Motor Co.

Evelyn Hillcox Married In Evening Ceremony

An early evening wedding of interest was solemnized in the United church, Vermilion, recently, when Miss Evelyn Mary Hillcox, became the bride of Mr. Harvey Henry Jaster.

The bride is the daughter of Mr and Mrs. John Hillcox, Vermilion, and the groom is the son of Rev. and Mrs Robert Jaster, Nokomis, Sask.

The church was decorated with baskets of summer flowers for the double-ring ceremony performed by Rev. R. Jaster father of the groom.

Mr. Hillcox gave his daughter in marriage. She wore a floor-length gown of white nylon net over satin. The fitted bodice, fastened with tiny self-covered buttons, was fashioned with a Sweetheart neckline, accentuated by a standup collar with turned down peaks of lace and long sleeves tapered with lily-points over her wrists; a cascade of lace flounces edged with minute pearls set formed the front panel of her skirt. Her finger-tip veil was gathered softly to a sweetheart crown of net over satin. She wore a three-strand pearl necklace with loops of seed pearls as earrings. Carnations, roses and daisies formed her bo quet.

Miss Beatrice Hillcox, sister of the bride and Miss Ione Jaster, sister of the groom, were the bridesmaids. They were gowned identically, in buttercup-yellow and mauve net over taffeta respectively, with lace jackets. They wore net halos trimmed with lily-of-the-valley and net mittens to match their gowns. Each carried bouquets of gladioli and fern fashioned as fans.

Little Darlene Telford, niece of the bride, was flower girl. She wore a frock of green net over taffeta, carrying a basket of summer flowers. Rodney Lupul, nephew of the bride, was ring-bearer.

Groomsmen were Mr. Stewart Hillcox and Mr. William Telford. Ushers were Mr. R. Tidsbury and Mr. T. Lupul.

The wedding music was played by Mrs. Melvin Hill at the organ. Prior to the ceremony the groom sang "Because". During the signing of the register Miss Marjorie Metz sang "A Wedding Prayer".

For her daughter's wedding Mrs. Hillcox chose a light navy corded silk dress, complemented with navy and white accessories. A corsage of pink carnations and white gladioli was pinned at her shoulder. Mrs. Jaster, the groom's mother selected a navy and white organza afternoon dress with white accessories. Her corsage she wore white and pink carnations and pansies.

A triple-tiered wedding cake topped with pink and yellow dwarf roses, embedded in white tulle and sprinkled with rosebuds, centred the bridal table at the reception following the wedding. The 85 guests present were favored with several vocal selections by the groom, also a duet by the bridal couple. Mr. Harvey Anderson said the blessing and Rev. R. Jaster proposed the toast to the bride.

For her wedding trip to Niagara Falls the bride donned a light navy suit with white accessories and a corsage of pink roses.

For the young couple will reside in Toronto, Ontario.

No Meter, No Tips In Calgary Taxi

A Calgary, Alberta couple were standing shivering at an isolated suburban bus stop on a bitterly cold Sunday morning, reports the August Reader's Digest, as a car after passed them by. Then a battered old coupe stopped, the door opened and a cracked voice shouted, "Come on, get in!"

The couple gladly complied, and found that although the upholstery was worn and torn, it was warm inside the car. The elderly driver asked where they were bound, and when the couple told that they were on their way to church he chuckled and said, "The right so. This is a taxi, you know."

On catching the look of surprise on the faces of his passengers, he explained, "Yep — the Good Samaritan Taxi. I've operating in Calgary for 18 years, and never charged a cent."

Asked the reason for his kindness, the old gentleman replied "I get a kick out of watching people faces. And it gives me a lift, too!" And he drove on to the church, two miles away.

The Digest story reports that inquiries into the ownership of the car produced the information that the driver was over 70, and that every Sunday for 18 years — in fair weather or snow, he had driven his car to hospitals in Calgary suburbs to take home nurses and hospital workers off duty, and then had patrolled isolated bus stops and farm produce in the Northern Hardware store on Saturday after- noon Aug. 8 commencing at 2 p.m. 44c

Work of Home & School Assoc. Covered At Convention

INTERESTING REPORT WRITTEN BY MRS. JEAN ADAMS, PARADISE VALLEY DELEGATE

Possible work that can be done by Home and School Associations was adequately covered at the 22nd annual convention held this year in Edmonton.

On the opening evening greetings were given by Mrs. Pottinger of Victoria for B.C., and by Mr. Powers for Saskatchewan. Mr. Seymour spoke for the A.T.A. He brought out the great work Home and School Associations have done in obtaining equipment for their schools, but the greatest factor of all was that the Home and School made it possible for the parents of all children to be able to come into the echo l at one time or another, thus raising the general understanding of the home and the school.

Mrs. Beatch, past president of the Alberta Federation of the Home and School gave a very interesting report of the International Conference held in Michigan and represented by 33 countries. Many races and many people with the same common background, "the child". As Prof Laycock said, "What a unifying thing an interest in children is!".

In closing her report Mrs. Beatch referred to our Home and School as a chain in which the chain is only as strong as its weakest link. Likewise our Home and School Federation is only as strong as our weakest association.

Dr. Swift, deputy minister of education, spoke on building constructively. He compared three activities The building of schools; the information of a curriculum; the structure of the Home and School movement. New courses as well as new schools are being built to suit our changing world. Dr. Swift brought out that additions such as 'creating an interest' need to be made to existing Home and School Associations.

Much discussion arose from the resolutions sent in from the local branches. These resolutions formed the main business of the convention

One of the features of the convention was the 'Workshop Session'. It's this, the delegates split up into groups to discuss various items of home and school interest. In summarizing the reports of the various groups it was found that in order to get a large percentage of parents to attend the meetings and to take an interest in the Home and School the following were recommended:

A theme for the year should be chosen at the first meeting in the fall: Mothers of all beginners might be presented with plastic flowers, made by the pupils at the first meeting of the year: An open house night could be held at which time we would come to see the pupils' work: Children could be put on display in a children's choir, demonstration of physical Training, a grade one reading class with pupils actually there. The Program committee should plan this year's work in advance so that the program will be varied and interesting. Outside work should not be depended upon too much. Everyone in the Association should be used at one time or another. Suggested program topics were: A joint session with a neighboring town: Buzz Sessions: A Hobby Night in which men, women and children take part displaying their work and explaining their hobbies, Skits—material available from the CBC in Ottawa, Spelling Match—High school pupils vs. parents, A 20 question panel, Question Box, A Variety Program using local talent and exhibits, Occupation Talks given by people in the community. Group discussions under prepared questionnaire, The travelling Art Exhibit of Alberta which is obtainable from the Dept. of Extension of the Banff School of Fine Arts, Banff.

Films were not too highly recommended unless they were previewed, related to a main topic of the evening, and then followed by a group discussion.

It was pointed out by several that in order to keep up the attendance it was very important to, first, avoid changing the dates of the meetings, 2, to avoid all controversy.

New members should be welcomed warmly. At all times strive for full membership participation in each program.

Other group reports dealt with community influences, parent education, school education, the exceptional child.

The Hon. A. Aalborg, minister of education was the guest speaker at the banquet. He pointed out that Alberta's education expenditure today is five times that of ten years ago. Our boys and girls are the greatest resources we have. We must educate them so they'll become the kind of citizens we want them to be. At the conclusion of his speech, Mr. Aalborg presented a $1200 cheque from the Provincial Government to the Alberta Home and School Federation.

Life memberships were presented to Mrs. Hutchinson and Mr. McLeod. New officers were installed by Mr. Bruce, thus bringing the 1953 convention to a close.

It was decided that the convention would again be held in Edmonton next year, the date to be set later on.

Letters to the Editor

July 14, 1953

Editor, The Standard,
Vermilion, Alberta.
Dear Sir,

The National Red Shield Appeal, which began in all but a few centres on May 4th, is now drawing to a close, with the objective assured.

On behalf of The Salvation Army, the campaign committee, and the canvassers, we should like to express our very warmest thanks for your splendid co-operation and support, which helped to create a generous response to the appeal.

Yours sincerely,
L. Barrett, Sr. Major.
National Campaign Director.

By Shirley Holms, Wainwright, Alberta

News Notes From Your District Home Economist

GARDEN VEGETABLES

Garden vegetables will be used extensively from now on and if you ever tried 'Carrot Croquettes or Spinach, Egg and Cheese Ramekins'?

Perhaps you'd like some variations of meat sauce such as onion vegetable or parsley sauce.

Correct cooking time is important, for retention of vitamins and flavor. Why not have a cooking chart for all types of vegetables.

Are you wondering where you can get this information and more? Well, just write me and ask for the booklet 'Vegetables Make the Meal Plate'.

COOKING TIPS

Here are some tips on cooking vegetables: Start green vegetables cooking in briskly boiling salted water. Try to prevent the water from stopping to boil. Cook green vegetables uncovered. Serve at once. Save excess cooking water to use in soups, gravy, sauce or a vegetable dish. Do not cook soda in green vegetables. It destroys vitamins.

TRY THIS

Powdered Perborate Bleach is new, safe, mild. Washable white clothes that are yellowed or stained may be safely restored by adding a tablespoon of perborate bleach to your basin of water. Rinse well. Colored cottons and linens may be treated with a solution of one tablespoon of perborate bleach to a pint of warm water to remove light stains. Does not affect colors. White rayon may be bleached safely that is well used or grayed with perborate. Use one tablespoon of powdered perborate in a full tub of warm water.

WELL INSURED

Canadian farmers on July 1 had about $2,000 million of life insurance in force. Life Underwriters Association reports in the Financial Post. This would represent a net gain of nearly $200 millions since the close of the year. In addition to that the amount of life insurance written in Canada in the first half of 1953 was about $300 millions.

TIRED BRAINS DANGEROUS

A very popular [illegible] who smokes [illegible] week and [illegible] of the [illegible] Medical Association [illegible] Dr. Alton Ochsner [illegible] Journal of the [illegible] Medical Association [illegible] Dr. Ochsner [illegible] Dr. Ochsner

Sixteen Years Ago Today

July 22, 1937

The town council turned down an offer from an Edmonton concern for the purchase of the electric light and power plant. No figures were mentioned in the negotiations.

One inch of rainfall during the past week greatly improved crop conditions. Wheat is at present 12 inches high and possible yield at present estimated at 9 bushels to the acre.

A sow on the farm of James Ross had a record litter of 19 piglets. This was her second litter there being 18 little grunters in her first.

The Buffalo Coulee council was comprised of Messrs. Hetherington, Pheasey, Ramsay, Hills, Dew and Currey.

Thirty-two Years Ago Today

July 30, 1921

Latest summary of the provincial election gives the U.F.A. 39 seats, Liberals 16, Independents 4, Labor 4 and 2 undetermined. No Conservatives were elected.

Rock Mead tamed Lloydminster ball tossers with a remarkable display of pitching, allowing only 4 safeties in 9 innings of play. Eddie Powers did the receiving. Final score was 13 to 3 for Vermilion. The game was played at the border town.

The scouts returned from a great camp at Raft Lake.

TOWN OF VERMILION

BY-LAW No. 13-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 13-53 of which By-Law the following is a true synopsis:

A By-law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Water Supply and distribution system.

Total cost of the extension will be $14,000.00

The amount of $14,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditure Loans Act and bearing interest at the rate of 3½ per centum per annum.

This By-law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. R. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 13-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion for the purpose of extending in the said Municipal Council of the Corporation of the Town of Vermilion the Water Distribution System which has been approved by the Department of Public Health by Certificate No. 970.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 13-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion on Friday, the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said Proprietary Electors of the said Town of Vermilion for and against the By-Law, a synopsis of which is printed above, will be taken on Friday the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

BY-LAW No. 13-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 13-53 of which By-Law the following is a true synopsis:

A By-Law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Sewage Disposal System, which extension has been approved by the Department of Public Health by Certificate No. 970.

The total cost of the extension to be $5,000.00.

The amount of $5,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditure Loans Act, and bearing interest at the rate of 3¼ per centum per annum.

This By-Law shall take effect upon the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. R. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 13-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the extension in the Town of Vermilion of the existing Sewer System which has been approved by the Department of Public Health by Certificate No. 970.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 13-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion upon the assent thereto of two-thirds of the proprietary electors of the said Town who have voted thereon.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said proprietary electors of the said Town of Vermilion for and against the said By-Law, a synopsis of which is printed above, will be taken on Friday, the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

BY-LAW No. 14-53

There has been introduced in the Council of the Corporation of the Town of Vermilion By-Law No. 14-53 of which By-Law the following is a true synopsis:

A By-Law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of purchasing a Fire Fighting Unit for the said Town at Vermilion.

The total cost of the said unit to be approximately $12,000.00 of which amount $10,000.00 is to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditures Loans Act and bear interest at the rate of 3¼ per centum per annum, or on the open market with interest not exceeding 5 per centum per annum as the case may be.

This By-Law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. R. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 14-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the purchase of a New Fire Fighting Unit.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 14-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion upon the assent thereto of two-thirds of the proprietary electors of the said Town who have voted thereon.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said proprietary electors of the said Town of Vermilion for and against the said By-Law synopsis of which is printed above will be taken on Friday the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

Rural Electrification Area in Islay District

Vermilion Seed Cleaning Plant By-Law Approved

The following is a summary of the minutes of the meeting of Council of M.D. of Vermilion River No. 24 held in the municipal office, Kitscoty, July 14.

Present: Reeve Arthur Clarke, Crs. J. D. Stone, J. C. Wallington, F. McGuigan, J. H. Kelly, Thos. Belshaiem and D. C. Lawrence.

Minutes of the July meeting were accepted as presented; Financial statement for month of June was accepted; Accounts approved by the Finance committee were passed for payment.

Moved by Cr. Wallington that the work of a general assessment be commenced in 1953 Cd.

Moved by Cr. Belshaiem that a letter be mailed to the Postmaster General requesting that the matter of a mail route north of the Saskatchewan River in Tps. 54 and 55, Ranges 1, 2 and 3 be reconsidered. Carried.

Moved by Cr Lawrence that the resolution of May 12, 1953, with respect to employees group insurance plan be amended to read that the municipal district contribute 25 per cent of the monthly rate. Cd.

Moved by Cr. Kelly that Julius Fleshl be granted a building permit to construct a frame dwelling on Lot 2, Blk. 49 in rural Lloydminster at a cost of $3000: That John Surgenor be granted a building permit to construct a frame dwelling on Lot 4, Blk. 2 rural Lloydminster at a cost of $600: That W. Repach be granted a building permit to construct a frame dwelling on Lot 2, Blk. 48, rural Lloydminster at a cost of $2500: That H. H. Johnson be granted a building permit to construct an addition to the office on Lot 7 Blk. 4 rural Lloydminster at a cost of $600. Cd.

Whereas a petition has been received from 44 residents of this municipality in Townships 50-51-52 and Ranges 4-5-W of 4th M., requesting the Council to approve of the construction of power transmission lines for the Islay Rural Electrification Association Limited along the highways, streets, lanes and avenues of the said Townships and Ranges, and further by consent to a Ministerial Order being granted by the Board of Public Utility Commissioners of the Province of Alberta in order that the petitioners may be served with electric energy.

Now therefore on motion of Cr. Stone be it resolved that this Council approve of the construction of power transmission lines along the highways, streets lanes and avenues in the said Townships and Ranges of this municipality and the installation of such works as may be necessary to serve the petitioners with electric energy provided that such transmission lines, poles and works are constructed and operated in compliance with all requirements and regulations issued under the authority of the Dept. of Public Works and provided further that there be no liability whatsoever on the part of the municipality for the Association's practice and methods in constructing, maintaining and operation of the said works. Cd.

Further on motion of Cr. Stone be it resolved that this Council doth hereby consent to a Provisional Order being granted by the Board of Public Utility Commissioners of the Province of Alberta pursuant to Sec. 82, Subsec. 3, of the Public Utilities Act of the Province of Alberta. Cd.

By-law 674 concerning the leasing of the following Tax Recovery lands NE 25-52-2 W 4th Mer. for ¼ share or crop and $10 cash; W½ 16-48-6 to C. Cruikers for $120 given three readings and carried.

By-law 684 concerning erection of a Seed Cleaning Plant at Vermilion. Moved third and final reading Cr. McGuigan. Cd.

By-law 673 concerning sale of lots 4 and 5, Blk. 2, Hazeldine to Frances David McLean given 3 readings and carried.

Moved by Cr. Lawrence that minimum hospital tax in amount of $3.85 levied in error against Lot 3, Blk. 3 Dewberry be cancelled Cd.

Moved by Cr. Wallington that next council meeting be held on Aug. 4. Cd.

Canada's northern territories have an area of 1.4 million square miles, a population of 25,000. Alaska, one third the area, has a population of 130,000.

Health Unit Notes

Can anything be done to prevent outbreaks of fly-borne diseases? Yes. The following recommendations will reduce the possibility of such outbreaks.

1. Elimination of fly breeding grounds: In towns and villages where there are water and sewer services available pit and pail toilets should be done away with as soon as possible. The people in the country who have no alternative but to use pit toilets should site them at least 30 feet from the house; the ground should be well packed around the base of the structure to prevent the entrance of flies. All ventilation openings should be screened properly and the door should fit tightly. A very simple and effective measure to prevent fly breeding and maggots is to pour down into the pit toilet a quantity of waste oil, not gasoline. Spray the toilet with 5% DDT.

2. Proper storage of garbage: Residents of towns, villages and hamlets should keep all garbage, likely to attract flies in proper garbage cans having fly-proof lids. For people living in the country the best method is to dig a pit, not too close to the house and dump your garbage into it. Cover garbage with 2 feet of soil immediately afterwards.

3. Keep all unnecessary animals out of of towns, villages and hamlets. Where horses have to be kept in such places the manure should be kept in containers similar to those recommended for garbage.

4. Nuisance Grounds should be kept in a proper sanitary condition.

5. The use of Swatters and Insecticides: Swat that Fly! should be our motto. A 5% DDT can be sprayed around doors and windows. Do not spray when food is exposed and do not inside insecticides.

6. Proper Storage and Protection of Food: Keep door and window screens in good repair. Wash all fruit and vegetables before use and keep all food covered.

CLINIC DATES

Monday, July 27—Vermilion 2 to 4 p.m.
Tuesday, July 28—Streamstown, 2:30 to 4:30 p.m.
Thursday, Aug. 13 — Islay clinic cancelled.

Paradise Valley

Fred Foxwell and Charlie Redmond returned Monday. They report an enjoyable trip to Banff, the Glacier National Park and points in the U.S.

Mr. and Mrs. W. S. Murray and Miss Connie Murray are spending their annual vacation on the farm with Mr. and Mrs. E. S. Murray. Mr. Murray is the secretary of Beverly, Alberta.

Mr. and Mrs. Norman Gainsforth and family and Mr. and Mrs. F. Johnson and Beverly spent the past week at Meota Lake in Saskatchewan.

Miss Marlene McDonald and Miss Lois Stoddart returned on Sunday after spending a week at the Vermilion agricultural college which they attended as winners from the Sewing club and Garden club in connection with the C.G.I.T. Valley Rivals.

Miss Mildred Clay was a visitor at

WHEN YOU LUBRICATE WITH
MARFAK
IT STICKS TO THE JOB—UNDER THE TOUGHEST OPERATING CONDITIONS

Texaco Marfak protects bearings and wear points when the going is tough. It resists water, resists heat, resists oxidation. That's because Marfak won't pound out or squeeze out. It won't run off and it won't run on and on. You'll get smoother, more steady, more powerful performance from all your farm machinery when you lubricate with Texaco Marfak. Ask your Texaco Agent about it—or write us for the facts.

Violet Grove during the past week. While there she was the guest of Mr. and Mrs. M. S. Allen.

Mrs. Great arrived in town to visit with her daughter and son-in-law Mr. and Mrs. L. A. Matheson.

Miss Grace Armishaw of Wainwright is visiting with her brother and sister-in-law Mr. and Mrs. G. Armishaw.

The Rev. Agnes Pauls left on Friday morning after spending four years as pastor of the Church of God in Paradise Valley. Miss Pauls does not enjoy the best of health and intends to take a few months rest before taking another charge. During her stay here she made many friends who all wish her every success in her future work.

Mr. and Mrs. William Swedak and Miss Helen Krawchuk left on Saturday morning on their vacation which they will spend at Yorkton and Winnipeg.

We regret to hear that Dick Rayson is a patient in the Lloydminster hospital. His many pals hope that he will not have to stay very long. Hard lines to miss the fair Dick.

Mr. and Mrs. Hugh McAmmond and Mr. and Mrs. John Adams are spending a few days in the southern part of the province on vacation.

Hot weather during the past week has brought the growing crops along in fine style. A good rain would be greatly appreciated.

Mr. C. A. Richardson who is attending summer school at the University of Alberta came down for the week end returning on Sunday.

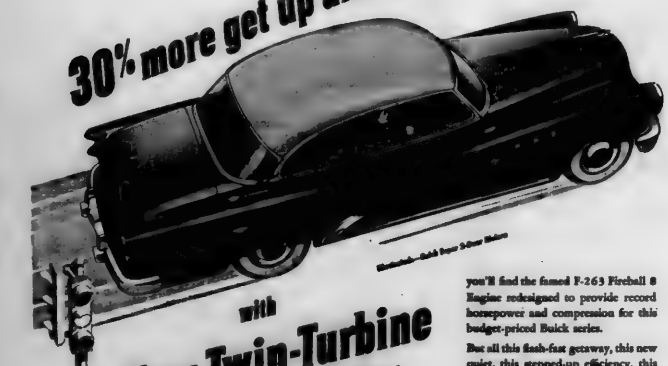
UNITED CHURCH SERVICES

Sunday July 26 services will be held at 11 a.m. at Edgerton; 2 p.m. at Rosedale; 7:30 p.m. at Paradise Valley. Sunday Aug. 2, 11 a.m. at McLaughlin. 7:30 at Paradise Valley. Rev. D. D. Davidson, pastor.

BRIDE-ELECT SHOWERED

On Thursday evening the many friends of Miss Heather Hoskins gathered in the basement of the United church to shower Miss Hoskins who will be the principal in a ... evening was spent during which Miss Hoskins was the recipient of many beautiful and useful presents. Heather thanked one and all for all their kindness and the many presents.

Quebec is the only walled city in North America.
Quick Canadian Facts.



This you will discover:

*No other car gets away from a standing start with the combined quickness, quiet and smoothness of a 1953 Buick with Twin-Turbine Dynaflow Drive.**

With two turbines instead of one—and with engineering advances all through this miracle automatic transmission—*you can get from zero to 30 mph before you take two breaths—and with more silence and efficiency than ever before.*

Beyond this, there's new power that makes the entire range of performance more electrifying.

In every 1953 Buick SUPER and ROADMASTER you'll find the world's most advanced V-8 Engine—the first *Fireball* V-8. In every 1953 Buick CUSTOM you'll find the famed F-263 Fireball 8 Engine redesigned to provide record horsepower and compression for this budget-priced Buick series.

But all this flash-fast getaway, this new quiet, this stepped-up efficiency, this more spirited performance, can be judged only from the driver's seat of a Golden Anniversary Buick with Twin-Turbine Dynaflow.

Will you stop by and try one—with our compliments?

*Standard on Roadmaster, optional at extra cost on other Series.

Canadian Legion Will Sponsor "Operation Vote" Campaign

"To vote is more than a privilege, it is a duty", said Dr. C. B. Lumsden of Wolfville, N.S. Dominion President of the Canadian Legion, as he announced the opening of the Legion's "Operation Vote" campaign recently.

In sponsoring the nationwide campaign urging Canadians to exercise their democratic duty, some 200,000 members of the Canadian Legion will encourage all eligible voters to go to the polls on election day.

From the Legion's Dominion Headquarters at Ottawa, instructions and suggestions have gone out to 2000 Legion branches across Canada urging them to muster their forces for an all-out offensive against the enemies of democracy — apathy and indifference.

Legion branches in all ten provinces will hold special meetings, distribute car stickers, contact other community organizations and keep local daily and weekly newspapers informed.

Only slightly more than 75% of eligible Canadian voters marked their ballots in the last federal election. It is the aim of the Canadian Legion to do all in its power to raise this percentage by at least 20%.

THE HOUSE OF
SEAGRAM

MEN WHO THINK OF TOMORROW PRACTISE MODERATION TODAY

WILDMERE WINKS

Deepest sympathy is extended by the writer and community to Mrs. Fred Haines on the loss of her brother last week. He passed away at the coast but the body was brought to Mannville for burial.

Mrs. Wm. Clark of Triangle returned home a short time ago after spending several months in hospital at Edmonton. All are so pleased to see her looking and feeling well and to see her out to the picnics again.

In a short note from Mrs. Rendell at Nanaimo, B.C., she says she was slowly improving again after her recent sick spell. All wish her a speedy recovery and may she keep well this time. Thanks for the nice birthday wishes Mrs. Rendell.

We are sorry Etheiwyn scribe is leaving us as we always looked forward to reading her column.

On Thursday evening last week, neighbors and friends held a party at the school for Peggy Graham who was home on holidays from the Royal Alex hospital where she is training for a nurse. About forty attended and games were enjoyed followed by a short dance. Music was supplied by Albert Smith, John Wilson and Mrs. Hohn. During the supper hour Mrs. Wilson in a few well chosen words said she was pleased another of her pupils had started out on a career, and presented Peggy with a lovely bouquet of flowers from Mrs. Holte's garden, and from her many friends a Watermans pen, pencil and thermometer set in white. Peggy very heartily thanked everyone for their kindness as it was a very useful set to her. A few dances more after supper then everyone joined hands in a circle with the guest of the evening in the centre and sang "She's a Jolly Good Fellow". Thanks again folks, Peggy said it's nice to know folks a home are pulling for and along with you when you are away.

Toilard picnic is past history now but a fine time was enjoyed by all. The ball games were good, Triangle won first and Basswood 2nd. The races caused a lot of merriment. A dance in the evening brought the day to a close.

Don't forget Wildmere Curling Club picnic July 31st — just west of Wallington's.

Mr. Wm. Haines from Parry Sound, Ont., is here visiting his brothers George and Fred. While here he will likely get a chance to help hay. The method is much different to eastern haying, Mr. Haines.

On Sunday the writer and family went north of Vermilion to view the wind and hail damage. It really is pitiful to see everything gone, not a leaf or bark left on the trees. Crops and pasture are pounded into the ground and buildings demolished. We did not see one bird flying around in our travels in the devastated area, they must have been all killed along with poultry and pigs of the farmers One has to see to realize how bad it really was. It must have been a terrifying time, windows breaking and the hail pouring in, ruining things inside and out with the chance that the house itself might go any minute too.

Noticed around: Mrs. Kenneth Holte and baby Richard visiting her parents in Vermilion and Mr. and Mrs Holte in Wildmere. Miss Horning busy at the girls' camp at Whitney Lake. Peggy Graham returning to Edmonton Saturday evening by bus: On Sunday Cruthers, Gibsons and Martin families and Bill and Adam Smith enjoyed an outing at Clear Lake east of Wainwright; Bobby Graham and Gary Cruthers are attending the camp at the college this week: The writer and family enjoyed a short visit on Sunday, with Mr. and Mrs. Chas. Moore of Deer Lake, we ran through rain all the way home folks: On Sunday July 12th Mr. and Mrs. J. Bates along with son Dan and family from Lloydminster spent the day at the lakes north of Vermilion. Lloyd Howard is building a piece to his house this summer.

Congrats to Mr. and Mrs. Clarence Nole on the birth of a son on July 16 ... that's my birthday Rosella.

Can anyone beat this? — The writer has 2 turkey hens that have laid 100 and 102 eggs each and are still laying.

The Liberals say they can't cut your taxes!

the Main Issue in this election is YOUR MONEY!

WE CAN... WE WILL!

We will budget for Government's legitimate needs ... we will stop budgeting for bloated surpluses which—in three years—took from the people's pockets the staggering sum of $1,418,000,000 more than the Government needed.

We will end the shocking conditions in our Defence Department which the Government's own investigator, (Col. G. S. Currie) described as: "A general breakdown in the system of administration, supervision and accounting ... Accounting records in a chaotic condition and of little use in determining the nature and extent of irregularities ... Waste and inefficiency far more costly in loss than that covered by actual dishonesty".

We will, without impairing the efficiency of our Armed Forces, correct the appalling inefficiencies in the administration of the Department of National Defence.

We will provide the nation with an administration whose attitude towards the spending of public monies will be one of prudence and common sense. A new Government in itself will mean substantial savings to the taxpayer—it will replace a Government whose arrogant indifference to economy was best expressed by Mr. Howe's scornful remark, "What's a Million?". Or, "If they need a gold-plated piano it is our duty to buy it".

We will reduce or eliminate countless hidden, indirect taxes which grossly inflate the cost of consumer goods, add to the grievous cost of living, increase the price of homes beyond the capacity of most of our people to pay, discourage saving and initiative.

VOTE

We will reduce federal taxes by at least $500,000,000 a year ... without reducing any pensions, family allowances, or other social security payments.

OILFIELD MOTORS

Woodvale News

The storm that swept over the Vermilion district on the 16th was only noticed from a distance here and there was a slight cloudburst and some short gusty wind, so most people were surprised to hear about the extensive damage done to the farms and homes of their friends to the north. Art Canton who was driving on highway 41, had to drive into the ditch when a granary suddenly passed across the road in front of him, causing damage to fender and radiator of his truck. Many persons must have had similar or even worse experiences.

Mr. and Mrs. R. Warring from Edmonton on their way for a holiday visit to the latter's parents, Mr. and Mrs. T. Preston of Tofield helped to bring an injured little girl to the hospital and take the mother from an overturned car on highway 16 right in the midst of the storm.

Hearing about these misfortunes we figure ourselves lucky and have quit grumbling about the continuous dryness in these parts. The Tofield picnic was favored with ideal weather conditions and an even bigger crowd was in attendance. Wild wood, Basnwood, Tofield and Tripoli were the contesting teams with Triangle the winner in the final ball game with Basnwood.

A permanent booth of 10 by 20 feet has been erected lately by the men of the various community organizations and was a great improvement making the work very pleasant and convenient compared with other years. Another stove in good condition was appreciated by the coffee makers with the ladies had a little nook in the shade for chairs and benches where a great many sat down together for a pleasant talk.

Gordon Trevithick came all the way from Edmonton to be with his old neighbors for the day. Mr. and Mrs. U. Holman who left the district 12 years ago to reside in Toronto were spending a week with Mr. McGrath last July and greatly enjoyed meeting so many of their old friends again. Johnny Wright from Hamilton Ont., was a visitor at the picnic too where he used to play ball him-self in earlier years.

Mr. and Mrs. Fell of Toronto guests of Mr. and Mrs. Harry Portnell, had their first look at a west ern picnic and get-together. The dance at night made for a pleasant end to a busy and exciting day with Isabel Davies, Morris Herpestad and Wes Funnell furnishing the music.

Johnny Wa'son, while doing the chores that evening at home, had the pumpjack break loose and hit him on the head, leaving a gash that required several stitches.

Ray McQuit will be very pleased when he returns from his honeymoon to find that his friends have worked his summerfallow in his absence. Bill McGrath, Brooks Lyons and Fred Slocum teamed up for a few days to do the tilling.

Sir Leif Gobeck of Sedgewick, director and secretary of the Northern Alberta Dairy Pool visited several places in the district. He was accompanied by his wife, little daughters Sharon, Dianna and Muriel and baby son Norman and spent the week end with the Van Wageningen.) family.

A beneficial rain fell for a few hours Sunday evening over these parts.

Trigve Seite was taken to the Vermilion hospital on Monday with what looked like a case of bloodpoisoning in the leg.

Visitors' Day At The University Field Plots

The University's Plant Science Department is holding its 11th annual Visitors' Day on Saturday, Aug. 1. Those attending will assemble at 1:45 p.m. in the Medical building where members of the Department will briefly outline their work on the new winter wheats which visitors will be taken on a conducted tour of the plots and fields.

The Horticultural trials include vegetables and small fruit varieties, tests, also flowers and ornamental plants, seed treatment tests, and treatments for seed and soil borne disease organisms, which are studies of the Plant Pathologist. Weed control chemicals will be demonstrated, results of various treatments illustrated by the wild oat exercise project.

Plant breeding has long been a major interest at the University of Alberta. The new U. of A. barley variety "Gateway" will be of special interest, as will be the new oil crops which are being developed.

A cordial welcome is extended to all who are interested in the useful, scientific and practical work which is being carried on.

Wildmere W. I. Notes

Wildmere W.I. met at the home of Mrs. John Burke on June 24 with 13 members present and visitor, Miss Horning. The meeting opened with O Canada and Mrs. Overall's call — color test to see what color best suited your complexion, demonstrated by Mrs. Hollis. Treasurer's report was next. Correspondence: letter from Alberta and Saskatchewan Society. It was decided to make our August project in the form of a donation of $5 to the Overseas Relief Fund. A letter from CARE and also one from The Salvation Army was tabled. Report on Provincial convention, No. 10 is our number to Conference. Mrs. Coleman and Mrs. Martin are to look after the registration book. Two dozen more cups are to be bought. Mrs. W. G. Casement will make the purchase. Mrs. Whitlock to read report at Conference. Charter members names were put on back of certificate there being 8 members when the W.I. was formed in 1947.

We are all very pleased that Mrs. W. J. Garrett has been chosen as Pioneer of Citizenship for Province of Alberta. Next came topic time by Mrs. A. Hoite. She got Miss Horning student minister, to give us a talk on comparing farm life in Canada to Alberta which was very interesting as was the talk she gave on tobacco growing and the harvesting of it. Mr. Hollis won Johnny Jump Up.

Next meeting will be at Mrs Cliff Crothers on Aug. 5th. Roll call, ways of spending leisure time. The topic to be a speaker if one can be secured. Social Mrs. G. Whitlock.

Meeting closed by singing God Save the Queen after which our hostess and helpers served a delicious lunch.

SUPPER AT DEWBERRY

The Dewberry Ladies' Aid are having a Strawberry Social and Cold supper on Thursday Aug. 13 from 6 p.m. to 9:30 p.m. in the Dewberry hall. Adults 85c, children 12 and under 50c. Proceeds for the citizens building fund. Come and bring the family. 8d

In 1945 when Family Allowances were introduced, the monthly payments cost $17.5 millions; in 1953 the monthly cost has risen to $29.7 millions. —Quick Canadian Facts.

Check that date on your label!

Parade of The Nations At Elk Island Park

What promises to be one of the most colorful programs of the year is booked for Elk Island Park for Sunday July 26 when entertainers drawn from some 20 different national and racial groups will present the afternoon concert. Folk dances, folksongs, vocal and instrumental numbers by groups in the costumes of their respective home lands will be the order of the day and park visitors can look forward to an afternoon of fine entertainment. Program commences at 2 p.m.

At 11 a.m. open air religious exercises will be held at the Bandshell, with Rev. J. L. Nix of Lamont United church conducting the service. Park visitors are invited to join with the Lamont congregation in this devotional period.

At 7:30 p.m. the regular evening program of local films will be presented by the National Film Board.

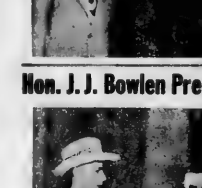
Lieut.-Governor Opens Vermilion Fair

Vermilion felt honored on Friday when the Hon. J. J. Bowlen, Lieut.-Governor of Province presented him with the fine trophy, Billy showed the best bull animal at the Fair.



Billy Robinson was a proud boy on Friday last when the Hon. J. J. Bowlen, Lieut.-Governor of the

Hon. J. J. Bowlen Presents Trophy

Calf Club Holds Show and Auction

ROBT. WARRILOW and HAZEL BARR WIN TOP CALVES

On Thursday afternoon the first day of the Vermilion fair, 73 club members paraded their calves before the judge at the exhibition grounds.

Boys and girls from four district calf clubs, namely, Mannville, Derwent, North Vermilion and South Vermilion, first showed their calves and then sold them by auction for the youngsters looked smart in their new sweaters with 4-H crests. These sweaters were recently presented to all the calf club members by the Agricultural Society.

Mr. Bill Hood, Livestock Commissioner, picked on an Aberdeen Angus calf owned by Robt. Gould-Warrilow of the Mannville club for grand champion. His second choice was a Shorthorn owned by Hazel Barr of Vermilion for reserve champion.

The champion calf was later sold to T. Eaton Co. for 50 cents per pound. This calf weighed 900 pounds. The reserve champion calf sold for 27½ cents per pound to the Eaton Co.

The top placings in the local clubs were as follows: Mannville — 1 Robt. Warrilow, 2 Shirley McDonald; 3 Steve Smart.

South Vermilion 1, Hazel Barr; 2 Rod Barr; 3 Bob Scott.

North Vermilion — Jeanette Wilson; 2 Geo. Strobilos; 3, Gertrude Farrell.

Mr. Hood placed 29 calves out of 47 in the select and choice groups. He stated that the percentage of top grade calves was unusually high and he complimented the club members on the type of their calves and on their finish and condition.

SHOWMANSHIP AWARDS

The showmanship competition created a lot of interest. Awards are made for both the preparation of the calves and for showing them.

In the Vermilion South club the winners were Hazel Barr, Billy Robinson and Bobby Barr. For Vermilion north the top placings were Neil Harrison, John Stewart and George Skrobolas. The awards in the Mannville club went to Shirley McDonald, Robert Warrilow and Bruce McDonald.

The highlight of the showmanship contest was a competition for a trophy donated by Chester Gamble, leader of the Mannville club. Teams of two boys and girls from each club competed for this trophy which was awarded to Hazel Barr and Billy Robinson of the South Vermilion club.

Mr Paul, a Hereford breeder from Okotoks judged the showmanship competitions. He congratulated the winners and the other boys and girls as well for the excellent manner in which they showed their calves in the ring.

JUDGING COMPETITION

Mr. Mead conducted the calf judging competition. He rated the winners as follows: Mannville Club — Bruce McDonald 93; Bill Warrilow 91; Ken Hood 76. Highest standings in the South Vermilion club were Bob Barr 90; Hazel Barr 89; James Scott 78; North Vermilion—Glenda Farrell 73; Margaret Wilson 72; Howard Farrell 68.

After the judging the best calves in each breed were brought into the ring for special awards. Jack Cross presented a trophy on behalf of the Alberta Hereford Breeders to Geo. Skrobolas for showing the best Hereford calf. Bill Cross presented a special prize on behalf of the Aberdeen Angus breeders to Robt. Warrilow for the best Aberdeen Angus. The Shorthorn Association tray for the best Shorthorn calf went to Hazel Barr.

SALE AUCTION

About 3 p.m. the auction sale got underway. Chester Gamble of Mannville has handled this sale for nine successive years. It took auctioneer Gamble nearly two hours to sell the 47 calves. Bidding was very slow on account of an uncertain market. The effect of the slump in prices was being felt right here in Vermilion. The average price was 16.1 cents per pound which included the 50 cent per lb. calves.

The calves were bought by the following buyers: Gainers Ltd. 21; E. Katz 9; Swift Canadian 9; A. L. Coop. 4; M. Warner for P. Burns 6; W. Sargent for Wheller and Williams 1; Vermilion Coop. store 3; T. Eaton Co. 3; J. Green for Canada Packers 9; F. French 2, Craig Bros. 2, J. Tucker 1.

The Agricultural Society has awarded 3 to everyone who showed a calf. Business men of Vermilion and Mannville donated a large amount for special prizes. Eaton's gave 3 showmanship kits, James Bennett gave a trophy for best kept records, Beake's Drug a vaccinating syringe, Hill's Hardware a show halter, F. H. Buckingham a show halter, S. C. Heckbert gave 4-H crests to all of the 47 local calf club members.

The arrangements were in charge of club leaders Jack Cross, Lyle Robinson, Manson Barr, Chester Gamble and District Agriculturist F. H. Buckingham. Gordon Rose and his Junior fair committee handled the accounting, marking of the calves etc.

Returns from England And the Coronation

Constable Lloyd Johnson of the R.C.M.P. is now home on leave visiting his parents Mr. and Mrs. H. W. Johnson here after spending the past two months in Britain with the Coronation troops. The home ward trip west from Ottawa was made by car.

H Balsam forest could reach merchantable size in 60 years.

Five Candidates Nominated

IN BATTLE RIVER-CAMROSE FEDERAL RIDING

Voters in the new electoral riding of Battle River-Camrose are to have plenty of choice when they go to the polls Monday, Aug. 10 as the names of five candidates were filed with Returning Officer D.R. Mitchell here on Monday.

The names of the candidates and of the parties each represents are as follows:

Ainston, Alfred O. of Hay Lakes. Merchant. C.C.F.

Fair, Robert, of Vermilion. Retired Farmer. Social Credit.

McCleary, Charles H., Camrose High School Teacher. Progressive-Conservative.

Saville, F. Clifford, Hardisty. Farmer, Liberal.

Taylor, Ernest Pearse, of Wainwright. Retired Farmer, Labor Progressive.

Town Shocked By Sudden Death of Lawrence Magistad

FUNERAL SERVICES SATURDAY, AUGUST 1st AT 2 P.M.

Friends and acquaintances in Vermilion and district were shocked and saddened this week by the sudden death of Lawrence Magistad who passed away from a heart attack on Tuesday morning July 28. He was 57 years of age.

Mr. Magistad came to Vermilion one year ago from Edmonton, and in company with his partner Mr. Ray Ziegler, commenced the Riverside Motors, an auto body shop and garage.

He leaves to mourn his loss his loving wife here, one daughter Mrs. A. L. Hutchinson of Edmonton, one son Vernon Thompson in Edmonton, two brothers George E. Magistad of Vermilion and Martin at Ardmore, one sister Mrs. Martin Sexton lives in South Dakota. There are 3 grandchildren.

Funeral services will be held at the First United church, Vermilion, on Saturday afternoon Aug. 1st at 2 o'clock. Interment at the Vermilion cemetery.

Mover's are in charge of arrangements

CIVIC HOLIDAY ON MONDAY

The town council has declared that Monday, Aug. 3 shall be observed as the annual Civic holiday in the town of Vermilion, consequently all stores and business places will be closed. This custom of observing the first Monday in August as an annual civic holiday has become widespread throughout the province and affords a welcome occasion which are very rare in Canada, of a long holiday week end.

I. Miller Wins Vegreville Car

The Pontiac car given away at the Vegreville Fair by the Vegreville Kinsmen was won by a Vermilion man. I. Miller of the 5c to $1 store. He received the happy news by telephone Wednesday evening. The Veg Kinsmen sold tickets from a booth at the Vermilion Fair.

Death of Ode Fenton, Well Known Old Timer

Ertin Fletcher (Ode) Fenton, well known old timer of the lalay and Vermilion districts, passed away at the Vermilion hospital on Sunday, July 26 at the age of 78 years.

The deceased was born at Yatton Waterloo County, Ontario, on March 23, 1875. He came west in 1898 and in 1906 settled near lalay and farmed for awhile on part of the farm now owned by Bert Gould-porth and west of the village. During the past seven years he has made his home at the Cunningham farm north of Vermilion.

He leaves to mourn his passing two brothers, John of Carnduff Sask. Man. and Will of Wellington County, Ont., also a number of nephews and nieces.

Funeral service were held at the Fenton home at lalay on Monday July 27 at 3 o'clock p.m. afternoon, with interment in the cemetery at the Vermilion cemetery. Rev. R. Clement of Chauvin officiated.

Mover's were in charge of the arrangements

Mannville Man Has Valuable Violin

(Story from Newcastle, England, Chronicle)

Blyth pensioner, 77-year-old James Bainbridge, a retired pitman and musician, stood in pawnbroker's shop when a Customs Officer told the scale of a large parcel addressed to him from Canada. It contained a valuable antique violin.

Bainbridge, a Freemason for 50 years, made in Cremona, is worth £1,500 and estimated to be about 300 years old. It had been given to Mr Bainbridge for repairs by the owner Mr Newton Blakey of Mannville, Alberta.

Mr Bainbridge's first impression of the violin "It is indeed a fine instrument. I do not know how long the job will take until I have gone through the various tests. I estimate about a fortnight."

The violin has been insured by its owner for £750.

It's A Whopper

Yes Sir, it is a whopper in fact it would only take about 4 to equal an ordinary oxen egg. Ron Anderson brought it into the Standard office. It's an egg weighing 6 ozs and measuring 9¼ ins long ways and 7¼ inches around. You have to see it to believe it. Rov says that no pullet thought that one up. The egg is regularly shaped and probably has three yolks.

Mannville Family Hold Re-union

MANNVILLE.—A family reunion was held at the Allanach farm on Sunday last. Present were Mr and Mrs. Jim Allanach and Stewart of Fort Saskatchewan Mr. and Mrs. Jim White and family of Brandon Man., Mr. and Mrs. George Allanach and Sask of Edmonton Mrs. Ed Allanach and Mrs. A. Hibbard and Bruce and Mr. Don Allanach.

After the whole group attended a picnic at Bobicki's Lake with a number of friends and neighbors present. Those present were Mr and Mrs. E. McLaughlin and family Mrs. A. McLaughlin and family Mr. and Mrs. J. Bain and family Mr. and Mrs. Lloyd Bain Martin, Mr. and Mrs. Dewes Bain and family Mr. and Mrs. H. Bain and family Mr. and Mrs. Ed Bain and family Mr. and Mrs. Robert Bain and family.

Paper is for sale at the Standard office

Three Nominated — One Withdrawal

ELECTION FOR COUNCILLOR FRIDAY, AUGUST 7th

Considerable interest in town affairs was evinced on nomination day when three candidates were nominated for the vacancy caused by the resignation of Jack Reid, recently transferred to Edmonton. The term has 2½ years to run.

Those nominated were Lloyd Dowdell Melvin Hill and James Robson Mr. Robson seeing that the office was going to be well filled after withdrew, leaving a straight fight. Election will take pace on Friday Aug. 7 with poll at the Legion hall open from 10 a.m. to 7 p.m.

Both candidates are well known in Vermilion. Lloyd Dowdell is C.N.R. freight agent coming to Vermilion in 1940 after serving over seas. He was here for 1½ years, here again from 1923 to 1929 and came back in 1941 and has been in Vermilion since that time, taking a quiet but discerning interest in the town's affairs

Melvin Hill has been proprietor of the hardware store here since about 1924. He has always shown a keen and active interest in town affairs, served on the town council on previous occasions, and is a past president of the Board of Trade. He has been a prime mover in the installation of the Vermilion River provincial park which is now taking shape.

Three money by-laws providing for the borrowing of funds to extend sewer lines, water lines, and to purchase a new fire engine, will be voted on at the same time as the election for councillor.

Vermilion Holds Another Successful Fair

Vermilion's 1953 Fair has come and gone and despite uncertain weather for much of the three days it can be listed among a long series of successful events. The grand stand performance on the second day crush was to some extent obviated by rain during the day but Saturday night saw a record crowd throng the grounds and grandstand endeavour to bring the attendance to near record proportions. Colorful displays, exhibits and events themselves as well pleased with the attendance and the interest manifested in every single department of the exhibition.

CALF CLUB SHOWS A SALE

The show and sale of calves of the Mannville, Derwent and Vermilion Calf clubs with some 50 calves being shown and sold drew a large gathering on Thursday and unusual interest was indicated throughout. The top calf owned by club member Warrilow of Minburn drew a price of 50 cents per pound, paid by the T. Eaton Co., of Edmonton. A fine trophy, offered by Mr. Chester Gamble of Mannville was won by Hazel Barr and Billie Robinson, representing the Vermilion calf club competition.

OPENED BY HON. J. J. BOWLEN

On the second day of the fair the official opening was carried out by the Hon. J. J. Bowlen, Lieutenant Governor of Alberta on the day rain which was falling at the time His Honour spoke from the platform to a fair crowd in the grand stand he was complimentary to exhibits work in the agricultural districts and his brief address was listened to an enthusiastic gathering. His Honour spent considerable time meeting livestock and other exhibitors and was entertained at luncheon by Principal Bentley of the school of agriculture.

PLATFORM ATTRACTIONS

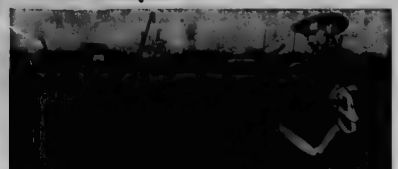
The program staged on the fine open platform in front of the grand stand drew considerable interest and large crowds throughout the fair patronized. In several instances the opinion was expressed that the platform and acts formed the best attraction on the grounds. A circuit in interest and entertainment value. The show was well conducted and con-

(continued on page 2)

JUNIOR BEEF FARMERS DOMINATE OPENING OF VERMILION FAIR

Junior beef farmers dominated the opening day of the Vermilion Fair and members of four 4-H clubs sold 74 calves for a total of $10,630 on Thursday. The top picture shows Chester Gamble of Mannville Agricultural Superv'sor for the M.D. of Minburn, Billy Robinson and Hazel Barr both of the South Vermilion club with the champion steer and reserve champion heifer. The lower picture shows Chester Gamble of Mannville holding the fine trophy which he has donated for this competition.

Grand Champion Calf of 4-H Club Show



Robert Warrilow of the Manyville 4-H club is shown with his Aberdeen Angus calf which won the Grand Championship of the combined 4-H club show at the opening day of the Vermilion Fair. The calf which weighed 900 pounds later sold for 50c per pound to the T. Eaton Co. of Edmonton.

ISLAY

Mr. and Mrs. Linton and family have returned home after spending a few days at the Calgary Stampede and with their daughter and son-in-law, Mr. and Mrs. Harry Armstrong at Wetaskiwin.

Mr. Bowser left Sunday morning for a month's holiday to Spokane, Seattle, Tacoma, Victoria and Vancouver. The trip will be made via Western Air Lines to Vancouver then home through the mountains by train. He intends to have some boat trips too, on the West coast. You should have seen him stepping off Sunday, like a 20-year-old.

We are glad to hear that Mrs. Roland Brierley is home again after a week in the Islay hospital.

Mr. and Mrs. Stan Davidson and family returned home last week after a trip through the mountains and over the Big Bend highway.

Mr. and Mrs. Budzika left Monday morning by car for a few days at Boulder, Montana.

Joe Waterfield spent the week end with his parents Mr. and Mrs. Harry Waterfield. Joe is attending summer classes at Red Deer.

The picnics at the Kentworth Community centre are proving very popular. Old and young alike join in the fun.

Mr and Mrs. Bill Waterfield called on Mr. and Mrs. Art Kent at Irwinville on Sunday. We are sorry to hear that Mr. Art Kent is not too well. That rheumatism is with him again. We sincerely hope the new treatment of the present day will be a benefit.

Mr and Mrs. David Martin and two sons from Agincourt, Ont., have been visiting at the Martin homes at Islay after touring the west.

They left on Monday for their home.

Mr. and Mrs. Robert Martin accompanied them as far as North Battleford where she will visit her daughter Margaret, the Don Marr and family.

Mr. and Mrs. Jerome Durano, who at one time lived in the Holyrood district were visitors in this area calling on old friends.

Mr. Forbes Campbell of Carman, Man., was calling on old friends here this past week. Forbes and his family lived in the Lavoda district in the early days. His father, Aynden Campbell too's a liking for Manitoba and moved there.

Vermilion Fair was well patronized by Islay district, but some irony at homes couldn't do any shopping Friday afternoon nor Saturday except at Jim Yiu's store, Young's and McCaughan's closed up and were away to the Fair. Shark drill sports were disappointed Saturday night as they were unable to buy their usual [illegible]

Mr. and Mrs. Olds and family made a motor trip to Oyen and returned home Monday.

Paradise Valley

Mr. and Mrs. Sanford and Gwendolyn of Edmonton are recent visitors at the home of Mr. and Mrs. H. Thibadeau of Moyerton.

Miss Reta Bradwell of Macklin, Sask., is spending a part of her vacation with sister and brother-in-law Mr. and Mr. Fred Street.

Mr. and Mrs. L. W. Shaw and Linda left on Monday morning for a vacation trip to Edmonton and other Alberta points.

Mr. and Mrs. W. A. Nickle have had as their guests during the past week Mr. and Mrs. Ernest Corbett of Edmonton and Mr. and Mrs. Maxwell and Miss Joyce Maxwell of Saskatoon.

Mr. and Mrs. Bob Hite and Mrs. J. Hite were recent visitors at the home of Mr. and Mrs. Harold Holland.

Mr. and Mrs. F. W. Venner, Mrs. Ross and Winsty and Douglas Blamy all of Bietley arrived on Sunday to visit with Mr. and Mrs. George Venner.

Miss Shirley Gunn who is attending summer school at Red Deer was home over the week end to attend the Foxwell-Hoskins wedding.

Mr and Mrs. John Miskar, Brian and Merlice and Mrs. Brassgrove of Calgary attended the wedding of Miss Heather Hoskins and Herb Foxwell on Friday.

Mrs. W. Hall of Fort Radium, N W.T. who has been visiting with her parents Mr. and Mrs. J. W. Guy received a wire that Mr. Hall was being transferred to Vancouver so she left on Sunday to get ready to [illegible]

Big Baby Crop

The stork didn't swoop down to visit very many Canadian homes during the depression 30's. Hence today's shortage of teen-agers and those approaching the marrying ages, the shortage of stenographers, the smaller enrollments at colleges, explains The Financial Post.

But before the teddy bear people the rubber pants makers and the sober bonnet outfits run for cover and lock up shop they should look at whats happening. The stork has shelled out 600,000 tripe to make this year, and pretty soon the birth rate will begin to room again.

TEST-DRIVE the SMOOTH drive

you'll go FORD V-8

Show often have you admired a Ford going by . . . admired the sleek beauty of its lines and the quick, responsive way it outpaces other cars in traffic? Perhaps you've said to yourself, "I'd like to get behind the wheel of one of those!" Well, your dealer extends a permanent invitation for you to do just that. Come in and test-drive Ford—then you'll see for yourself all the things that make Ford worth more when you buy it . . . worth more when you sell it.

When you experience Ford's "Wonder Ride" you'll think you're driving a much bigger car—and a much more expensive one. And if you haven't got around to trying a V-8 engine before you're in for a thrill! Sense you feel the smooth, eager power of Ford's great 110-h.p. Strato-Star. Along the way as you drive along—it's clear and unobstructed, thanks to Ford's Full Circle Visibility. Notice how easily Ford handles, with Fordomatic Drive* or Synchro-Mesh shift. Add up all the things you get in Ford that even more expensive cars can't offer . . . and we predict you'll make the change that thousands are making—to Ford.

$500,000,000.00 Is A . . . Lot Of Money!

CHAS. H. McCLEARY

Yes, half a billion dollars is a lot of money, but Hon. George Drew, Leader of the Progressive Conservative Party has pledged that this amount CAN be saved to the Canadian taxpayer merely by eliminating gross extravagance in administration and applying ordinary common sense in making public commitments.

No need to cut social services in any form whatever . . . there will be lots of money for all the essentials . . . but instead of channelling extravagant contracts to party favorites, the job Mc's expenditures can be handled on a decent competitive basis.

This $500,000,000.00 left in the hands of the Canadian taxpayer for a higher standard of living could enliven the economy of the country to remarkable degree.

Allendale

The weather has been cool and cloudy with more showers. We are sorry for all those who suffered by the terrible hail and wind storm. We got the terrific wind but no hail.

Mrs Mildred Baldock accompanied Mrs. Hilda Cross to the city July 12th, returning on the 14th.

Orley Ommen returned from the States on the 16th, reporting a very good trip. Aunt Hannah is in excellent health. She was 80 years old on July 25 and can still thread a needle without glasses. The crops in Minnesota are a little more advanced than here, but crops here are as good as any along the way.

Mrs. Della Walsh went by bus to Edmonton on the 18th to meet her husband and both returned to the Ommen home on the 22nd. Jimmy, having a two weeks holiday.

On July 16 Mr. and Mrs. Andy Hagerty and family, Linda and Larry from Stony Beach, Sask were visitors at the Baldock's, the latter being Louis' sister. On the 18th Mildred Baldock accompanied them to the city to visit their niece Mrs. Beryl Greaves and family, returning the first of the week and stayed to attend the fair.

The week end of the 19th Mr. and Mrs. H. Steuer, of Fort Saskatchewan were visitors at the Wm. Crosshme. Mr. Steuer and Bill attended Olds college in 1921.

Ethelwyn — we are sorry to have you leave our big family of correspondents. Especially in the busy part of the year it is an effort, but all worthwhile as we do help some, to someone who is a little lonely for home and friends, news is always so welcome.

The Allandale W.A. August meeting will be at the Armstrong home the second Thursday. John is an friends, you are always welcome.

Closing Thought: It takes peaceful people to make peace. It is foolish to believe quarrelsome people can establish peace.

INSTRUCTIONS FOR AIR CADETS LEAVING FOR CAMP AT ABBOTSFORD

INSTRUCTIONS TO CADETS PROCEEDING TO CAMP

The boys will entrain here Saturday morning and go to Edmonton. At Edmonton they will board a special train which will pick up air cadets all the way from Edmonton to Calgary and on to Abbotsford.

Thirty-one members of Vermilion Air Cadet Squadron No. 97 will attend the summer camp at Abbotsford, B.C. from Aug. 1 to 15.

1. The following should prove beneficial to Royal Canadian Air Cadet Squadron C O's and all Air Cadets who are planning to proceed to summer camp. It has been noted that many cadets arrive at camp in a bet flustered condition, carrying in many instances, piles of excess baggage, a lot of which is considered unnecessary. A small suitcase for kit bag is much better with their name on it should be adequate for carrying the boys' essentials camp.

2. Essential items that an air cadet should take to summer camp are: comb, towels (at least 2), soap, toothbrush, toothpaste, 2 pr heavy socks, 2 pr. light socks, sweater coat (if available), swimming trunks, running shoes, tabu spikes, gym shorts T shirt, rain coat (if available) left for khaki drill shorts issued for camp period, wearing of [illegible] is not permissible with the khaki drills, shoe and boot cleaning equipment is also required. Also a good jack and key.

3. Cadets are encouraged to learn an musical instrument as well as carriers, radios, model aircraft [illegible] if they are so interested. Also a good heavy windbreaker which will be very convenient for beach parties, etc., as it does cool off considerably in the evenings. Many cadets bring their own softball and hardball mitts which is considered an excellent idea.

4. Cadets are not to carry fire-arms or hunting knives to camp. If any of these items should be found, they will be confiscated and handed over to the Camp Service Police for their disposal.

5. Many parents ask "How much money should I give my boy for spending at camp?". The only answer the ACLO can give from past experiences is, not enough to spoil your boy nor insufficient to make him self-conscious.

The Cadets have four meals a day and each boy gains weight, providing he doesn't live on pop, etc.

It is better to give him $2 on leaving home and a $1 in each letter every 2nd or 3rd day than $5 or $10 on leaving home, as a letter from mother or father is more important than a lot of money, as it is a common denominator among boys at camp.

(Rank) Air Cadet E. J. Doe, [illegible] Co No 97 Squadron, Vermilion R. C. A. F. Station, Abbotsford, B.C.

7. It is hoped these suggestions will help, as it is our main wish that each boy enjoys every moment at camp to the full.

Air Cadet officers Angus Smith and E. Moore will accompany the cadets on the train while Stan Manyluk, etc. will join them at [illegible]

Program No. 230 Is Worth $50.00

Columbia theatre program No. 230 is worth $50.00 presented to the manager of the Columbia theatre by Neil Rowe, [illegible] city manager, on Saturday, Aug. 1. Look over your programs and see if you are the lucky one.

Woodvale News

We heard just too late for last week's paper that Mrs. C McGrath was also a patient in the Islay hospital. Trying to sit down on a rock [illegible] hair, she slipped and broke her thigh bone in her left leg. Just about a year ago Mrs. McGrath broke the same bone in her right leg and though the break this time does not seem to be as serious, she will still be confined to the hospital for a few months. When we paid her a short visit last week we found her quite cheerful, and we wish her like her many other friends a complete and quick recovery and hope she will maintain her cheerfulness throughout the long weeks in hospital.

Ricky Young was a patient in the Islay hospital for a few days with a severe cold just while his mother was away on a trip to the States with Mrs. T. Preston and Mr. and Mrs. Bob Vaughn of Edmonton.

Not a very large, due to the thunderstorm and downpour, but very happy crowd attended the wedding dance of Mr. and Mrs. R. McQuid at Ganton school on the 22nd. Some of the revellers had enough pep to give them a chartrael the next night with a few coming to this event who were unable to be at the dance.

Steven Wenzel and Ted Lassen were two of the fellows going fishing [illegible] Steven was the lucky one during the Vermilion Fair week.

A group of Woodvale boys and men got busy last week and made a ball diamond on section 2 beside the main road. They had their first game there last Sunday and hope to play regularly with other baseball enthusiasts of the Hindville and Union districts. Maybe they might even get up a regular team another year. The Woodvale Glee club is starting in the buying of the necessary equipment.

Dorothy Isley accompanied Hill Wells last week to Elrose, Sask., where they visited with his sister Mrs. Henning.

Mr. and Mrs. O. Wolters went to see their old friends and neighbors Mr. and Mrs. W. Freeman at Marie Hill, Sask. Anthony was home for his holidays from Montreal and the whole family was very much interested to hear about everyone out here.

The August Red Cross meeting and quilting bee will be held at Mrs. Wolters' home on Aug. 12. Ladies please make a note of this.

Abbotsford as he is travelling by car.

Postal Exhibit at Fair

Something new to the Vermilion Fair was the exhibit in the Display building by the Post Office department. The object of the display was for the purpose of giving out postal information and assistance to the mailing public. They also served as a post office, in that stamps were sold and letters received for mailing. We are informed by Mr. W. L. Haight, Public Relations Officer from Edmonton, who was in charge, that although not overworked, a considerable number of Fair goers dropped in to discuss various phases of mailing, etc.

Excellent Growing Conditions Prevail

RITE RAINFALL IN JULY

July rainfall up to the 30th has amounted to 2.39 inches and growing conditions are reported excellent with crops good. Since the big storm of Tuesday July 14 the weather has tended to be cool at nights.

Warmest day of the week was Monday July 27 with a 72 while the cool spot was 36 on Wednesday, 29th.

LOCAL NEWS

Ken Chapman who has recently returned from Korea is a visitor in town this week.

Mr. and Mrs. Ross Taylor accompanied by Jack Baldwin returned recently from a 5600 mile motor trip that took them to many interesting places. They went through Coutts to Salt Lake City, and Los Angeles. At the latter city they went aboard the U.S. destroyer 'Bataan' which was in the harbor. Then on to San Diego where cousins were visited and scenes in Movies. At Vancouver, Wash., they visited Bury's who are well known to this district's old timers; George, Tom and Phyllis Bowen were seen at Victoria, as well as Frank and Eschoe Atkinsons, Mrs. Berwick, and Norman Greig who has an auto court near. At Chase, B.C., they visited Jack Linville and children and there they experienced a ride down the mountain side on a logging truck with the Linville twins. The party visited work being carried out on the Trans Canada highway at Golden, B.C. ,where tons of T N T were being used to blast out the roadway. The main reason for the trip was to visit an uncle Phil Bamlington at Los Angeles.

Vermilions Sixth Annual Open Golf Tourney August 2 & 3

Vermilion's 6th annual men's open golf tournament will be held this year on Sunday and Monday, Aug. 2 and 3, at the local golf course, one of the most scenic and sporty courses to be found in the province. Local and visiting golfers will compete for the Rowe & Sons trophy which goes to the winner of the championship flight. Last year's winner, Dr. Tom Demco of Vegreville will be on hand to defend his crown.

Lorne Puckett of the local club reports the course in beautiful shape and many improvements have been made in the present this year. The best quality of golf may thus be expected.

There are flights of eight for all golfers whether they play in the 90s or the 60s. A good array of prizes has been planned and there is a first and second in each flight as well as two consolation prizes in each. The entry fee is $2.50.

The qualifying round of 18 holes starts at 8 a.m. Sunday Aug. 2 and scores must be in by 1:30 p.m. All local golfers are given notice that they may play their qualifying round on Friday or Saturday and hand it in Sunday morning to Gerald Stephens, chairman of the entry committee.

The ladies of the club are undertaking to provide lunches and meals in the club house and, as in the past, are sure to please even the most ravenous. These facilities are open to the spectators as well as golfers.

This is your invitation golfers, local, district and far afield to attend the 1953 Vermilion golf tournament. 4-5

Lewood W. I. Formed

MANNVILLE. — The organizational meeting of the Underwood and Lefield women of the Women's Institute was held at the home of Mrs. W. A. Wright. The ladies present heard the history, aims and objectives of the W.I. from Mrs. J. Lewis.

Officers elected were as follows: Hon. Pres.—Mrs. W. H. Nicholson Vice-Pres.—Mrs. H. E. Nicoll Sec.-Treas.—Mrs. L. A. Brown

Other executives were as follows: Mrs. G. E. Mixon. Mrs. T. L. McInroy. Mrs. J. Zelisko. Mrs. J. B. Turner. Mrs. J. W. Nadziger and Mrs. W. A. Wright.

Local Swine Breeder Is Tops At Fair

Competing against the best swine breeders in the province, a York boar, belonging to Rod MacMillan of St. Andrews swept the major prizes at the Vermilion Fair.

Two-Headed Calf On Farm of Former Mannville Man

Charlie Brady, formerly a farmer north of the district and now of Edmonton, Oregon, recently had an 11-year-old Guernsey cow give birth to a two headed calf. The newspaper there carried a picture of the calf and told the following story:

"A two-headed calf that might have spelled a fortune for Charles Brady was born dead on the family farm. The calf was alive when birth began but died when cow head had to be severed. Brady said this was the second two-headed calf he has seen in his lifetime."

The story is made much more interesting by a picture of the calf with its two heads.

Rockies Peaks Named Queen Elizabeth Ranges

WINNIPEG.—The mountains surrounding Maligne Lake in the Canadian Rockies have been renamed the 'Queen Elizabeth Ranges' to commemorate the Coronation, the federal government announced in Ottawa recently.

Queen Elizabeth approved of the proposal that mountains in Jasper National Park which practically encircle beautiful Maligne Lake, one of the most picturesque bodies of water in the Rockies, be named the 'Queen Elizabeth Ranges'.

Successful Fair

(continued from page 1)

dent that Vermilion horsemen and the ladies interested in horses have nothing to fear from competition of a high order.

The beef cattle show was exceptionally good, comprised mainly of the herds of such well known breeders as Jack Paul of Okotoks, Zeigler and Sons of Vegreville, Homer Campbell of Clandonald, Waring and Son of Nuneboc, Sask., with local competition furnished by Messrs. Cross, Ichuk, Robinson, Wilson and others. The dairy breeds were not too well represented but the animals on display showed up to good advantage and kept the judges on the qui vive during the placing of awards. Entries in sheep and swine were the largest in years and drew much favorable comment.

HONEST PRESENTED

A beautiful trophy presented for annual competition for the best beef animal in the show went to Hilda Bathhaus, after a considerable debate between the judges of the beef breeds, the trophy was presented to the youthful exhibitor by His Honour the Lieutenant-Governor.

All in all the 1953 Fair may be counted as a great success and the officials are to be congratulated on the fine support obtained from all sections of the community. Improvements to the grounds were noticeable and already plans are underway to make the 1954 Fair even more outstanding if possible.

BUFFET AT DEWBERRY

The Dewberry Ladies' Aid are having a Strawberry Social and Cold supper on Thursday, Aug. 13 from 6 p.m. to 8:30 p.m. in the Dewberry hall. Adults 85c, children 12 and under 50c. Proceeds for the church building fund. Come and bring the family. 3-4

Letters to the Editor

Heinsberg, Alberta.

Editor,
Vermilion Standard,
Vermilion.

Dear Sir:

I took my family on Saturday to your fine Fair, my wife and four children, we had a very enjoyable day in your town. My kick is when we got there we were told the tickets to enter the grounds were 5 for $1 and when we got there it cost us $2.23. Well 50c for myself and 50c for my wife is away out of reason for a country fair, but maybe you think your fair comes up to the Edmonton show.

R. Bendle.

Editor's Note: Advance tickets to the Vermilion Fair sell at 5 for $1 with each of the 5 tickets entitling one person to enter the fair grounds. These are on sale until the day before the Fair, and may be obtained at various sellers at Heinsberg, all over the country, or at the Fair Office in Vermilion. As far as the Editor knows this is the only 'Fair' class fair in Western Canada where you can enter the grounds for 20c, providing you have purchased your advance tickets.

Duck Control

Sweeping changes in regulations that will strengthen the hand of the farmer in dealing with duck and other migratory bird depredations were revealed this week by Resources Minister Winters. The new regulations passed by Order-in-Council make permits to deal with duck depredations more easily obtainable by empowering local provincial game officers or members of the R.C.M.P. to issue them on areas of 10 square miles. Where the actual or threatened damage is more widespread the new provisions also allow the chief game officer of a province the right to authorize all residents in specified districts to use firearms to scare, and if necessary to kill surrounding birds.

In recent years many western farmers have suffered serious losses when the harvest season has coincided with the arrival of migrating grain-hungry ducks. Permits to kill the ducks were issued to farmers and to persons named by them as assistants, but often the damage was so widespread that individual permits could not be issued fast enough, and a general permit covering a wide area was issued from Ottawa. The new regulations make it possible to deal with this problem much more promptly and effectively.

Softer . . . still softer is the new, improved Purex tissue. It's stronger and more absorbent, too . . . a better tissue at the same price.

Now you can choose from two kinds of Purex, single and 2-ply. For facial soft, single ply, reach for the new Purex in the familiar blue label; for the ultimate in bathroom luxury at a few cents more, look for Super Purex in the white label.

SOFTER...STILL SOFTER

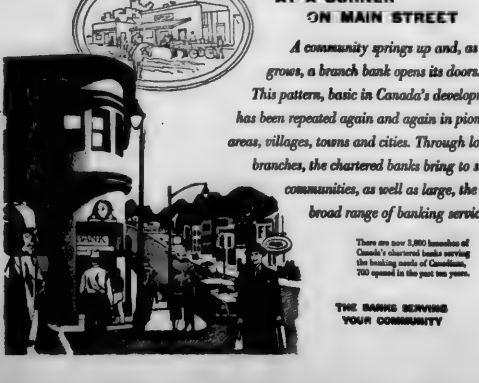
AT A CORNER ON MAIN STREET



A community springs up and, as it grows, a branch bank opens its doors. This pattern, basic in Canada's development, has been repeated again and again in pioneer areas, villages, towns and cities. Through local branches, the chartered banks bring to small communities, as well as large, the same broad range of banking service.

There are now 3,900 branches of Canada's chartered banks serving the banking needs of Canadians, 700 opened in the past ten years.

VERMILION — Phone 25 — ALBERTA

Pleasant Valley

There is still lots of mud and water lying everywhere after the big rain Sunday night, and still more showers are forecast.

The fair is over, and everyone seemed to have a good time, even the elder members of the family.

Mrs. Potvin and Mrs. Wallington were seen on the merry go round, also Mrs. Fisher. We hope you gals enjoyed it.

There was a fine showing of cattle and sheep at the exhibition, with everyone trying to win a prize or two in the final events.

Our service was held on Sunday morning with a fair attendance.

The writer and Gordon were the only ones from over the hills. The hour was too early for most we think.

Mrs. Van den Dolder has her daughter and grandson visiting from the coast.

The flowers are really lovely since the rains.

Local News of Interest

ANDERSON RE-UNION

A happy family reunion took place at the home of Mr. and Mrs. H. J. Anderson of Bird Hill. In attendance were Mr. and Mrs. Albert Morris of New Westminster, Mrs. Jim Kreesa and family of Chilliwack, Mr. and Mrs. Murray Anderson and family of Edmonton, Mr. and Mrs. John McKeague and family of Vermilion. Mr. and Mrs. Gordon Good and family of Islay and Maynard at home. It was the first time that the family had been together in 8 years.

Rev. and Mrs. D. A. Ford and the three children left by car Tuesday morning for Vancouver where they will spend the next four weeks. Rev. Ford will take a busman's holiday as he will preach in a Vancouver church during his vacation.

A party comprised of Mr. and Mrs. L. N. McLean and Mr. and Mrs. Ted Edey and daughter Jean returned recently from two weeks spent at Wasiosi and the Prince Albert National Park. They enjoyed a very fine holiday and were quite impressed with the beauty thereabouts.

Marilyn Batchelor of Edmonton arrived at the home of Mr. and Mrs. Marjorie Waldemberger during the fair. Marjorie spent a few days with Marilyn in the city during the Edmonton exhibition.

Rev. and Mrs. Eric Berg are leaving this week end for the Whitefish Lake Bible camp which will be held from Aug. 2 to 9. After that they will go to Abbotsford, B.C. where Rev. Berg is holding meetings for two weeks. Rev. Geo. Shields will be in charge of services in his absence.

Cpl. Jack Reasbeck of Saskatoon spent the week end with his wife and family who are visiting at the home of Mr. and Mrs. E. Weiss north of town. While here Jack attended the fair.

Mrs. Neil Shook of Kitscoty was the lucky winner of a set of Pyrex ware at the Moren Electric display at the Vermilion Fair.

Mrs. E. Wells is at present away on a trip during which time she will visit her eldest son Bert and family in Calgary, her daughter and family Mr. and Mrs. Jack Herricks at Lethbridge, and then to Stirling to see a brother of Mr. Wells and his family. She will also renew old homestead memories by visiting at Macleod, Alberta. It was here that Mr. Wells homesteaded back in 1909 and Mrs. Wells taught school in the district.

Mr. and Mrs. Ed Chesnick and son Eddie of Edmonton motored to Vermilion to attend the Fair and to say hello to a multitude of old acquaintances.

Mr. and Mrs. Art Wiebe and their two daughters spent a few days over the week end here visiting their former's father W. R. Wiebe and sister Mrs. Roger Rowe. Miss Dian Wiebe was here for all the fair and rode one of Dr. Scott's horses in the saddle classes.

Following being a patient in hospital here for 11 days suffering from pneumonia W. L. Hall went to Penticton on the advice of his doctor to convalesce. His family accompanied him to the coast and returned on Wednesday of last week with Bill feeling much better.

Mrs. Jack Witherspoon of Toronto and her sister Mrs. Jack McCurdy of Calgary spent a day in town renewing their many former acquaintances. It is some 22 years since Mrs. Witherspoon left Vermilion and this was her first return visit.

Two locals became somewhat mixed up in last week's paper. 12 year-old Dan Hawrylak of Hylo Bay, N.S. is visiting Steve Krushin Jr. of Clandonald and Peter as it appeared while his own brother from Vancouver are also visiting Steve here, the name Peter again being used by mistake.

Funeral of David Johnson At Mannville

MANNVILLE.- Funeral services for the late David Johnson eldest son of Mrs. V. Hanson, who passed away at the age of 30 years, were held from McQueen Memorial United church, Mannville. Mr. Johnson passed away in Kamloops hospital on July 15th after an illness of 11 months. Rev. R. C. Crighton officiated and interment was made in the Mannville cemetery. Pallbearers were Messrs. Merle Johnson, Claude Hinchey, Bruce Smith, Jim Smith, Moe Smith and Robert Tod.

Many beautiful floral tributes and memorials were received.

He leaves to mourn his wife Irene; his mother Mrs Hanson, 2 brothers, Roy, Kitt and John, five sisters, Mrs. Jessie Haines, Mrs. Bessie Nicholson, Mrs. Christina Clark, Mrs. Margaret Bagley, and Ellen Johnson, and his grandfather Mr. David Davidson.

James Strachan and Tom Ryan of Dewberry returned last Friday from a three weeks holiday trip by car. During that time they attended the Calgary stampede and then went on to Kelowna, Penticton and Chase in B.C. The return journey was through Jasper.

Visiting Vermilion and district this week are Mr. John Connelly from Los Angeles, Calif., and Mrs. Thelma Hampton from Chattanooga, Tenn., U.S., also Mr. and Mrs. Percy Perry and Mrs. A. G. Hudson of Edmonton. While here they are guests at the home of Mr. Harold Connelly.

Shirley Maxwell of Mesachie Lake, B.C., is visiting at the home of Mr. and Mrs. John Maxwell this week.

Mr. and Mrs. Ken Corson and their son are in town from Drumheller, visiting Mrs. Corson's father, Mr. H. E. MacFarlane.

Robert Butler is on his yearly visit to Saskatoon where he is the guest of his daughter and son-in-law Mr. and Mrs. Marino McInnis and son Gary. While there he attended to take in the exhibition and give the parades the once over.

Mr. and Mrs. Don Logan of Athabasca were in town for the Fair and had a busy time greeting their many old friends.

Mr. and Mrs. Chas Waldenberger and daughter returned this week from a B.C. visit.

Mrs. Hilda English and son Jim left by car for Portland, Oregon, where they will visit at the home of a sister of Mrs. English.

CLANDONALD HALL

Showing at the Clandonald hall this week end "Across the Wide Missouri" in color with Clark Gable, Ricardo Montalban and John Hodiak. Next week end "The Matin Song". News reels to complete each program. 5c

Mr. and Mrs. Dirk Erickson of Lloydminster made the successful bid on the farm at the Redmond sale but may not occupy it until later.

This community extends a welcome to another young couple who intend to make a home here.

Carry Smith is on holidays here about.

Son of Homesteader Visits Mannville For First Time Since 1911

MANNVILLE. — Just last week, Mr. Roy Bowett who is on the faculty of the Seventh Day Adventist college at Lacombe was a visitor in Mannville and district, taking pictures of the town and the district in which his father homesteaded. Mr. Thomas Bowett, a veteran of the South African war homesteaded north of Mannville in what was the Ukrainia Municipality and is now part of Eagle M.D., in 1907. He and Mrs Bowett whom he met and married in South Africa (she was a Scotch girl who came out from Scotland to teach the Dutch settlers in South Africa) came to Canada in 1906 and to this district in 1907. They resided here until 1911 when they moved to Lacombe. Now they both reside in Vancouver and are still in good health. One son, Cecil Thomas lives at Agassiz, B.C. and Roy at Lacombe. Roy renewed acquaintances with many people in the district but there are a great many too that he mentioned who have either moved away or passed on. It was very interesting to talk to Mr. Bowett and hear his memories of the early days.

Funeral Services For Mrs. Mabel Helena Welsh

A link with the past is severed in the passing away at the Vermilion Municipal hospital, Sunday, July 19 of Mrs. Mabel Helena Welsh.

Mrs. Welsh, the former Mabel Helena Dunning, was born at Vankleek Hill, Ontario, on August 24th, 1882 and came west to Vermilion with her husband, the late William Robinson in 1910. For many years she lived on the Rosedale Farm 4 miles west of town where her son, his wife and family now reside. For some years past she has resided in Vermilion.

Mrs. Welsh was a member of the Vermilion Agricultural Society, and convener of the Ladies' committee for many years. This was a work in which she was keenly interested and gave of herself unstintingly. For many years she was an active member of the Women's Institute, was interested in church work, a member of the W.A., and of the Women's Missionary Society; she held office in the latter at the time of her demise.

Funeral services were held Wednesday afternoon, July 22 at 2:00 o'clock at the First United church, Vermilion with interment in the Vermilion cemetery. The Rev. R. C. Crighton of Manville officiated. Favorite hymns of the deceased were sung "Rock of Ages" and "Abide With Me". A vocal duet "In the Garden" was beautifully rendered by Mrs. Melvin Hill and Mrs. Ted Koehli.

The pall bearers were Messrs. S. C. Heckbert, Melvin Hill, J. W. G. Morrison, John Maxwell, E. W. Hatt and W. D. Williams.

She is survived by one son William Lyle Robinson and two grandchildren.

Beautiful floral tributes were received from:

Pillow — Lyle, Annabel, Billy, Betty; Wreath—the Welsh Family; Sprays — Vera, Manson and Family; Margaret and Don, Dorothy and Nelson ,Betty and Ed; Sam and Mary, Hollydale Calif., U.S.A.; Mr. and Mrs. Bert Dunran; Mr. and Mrs. Hiram Robinson; Clarence, Mildred, Dick and Joan; Barbara and Melvin; George and John Maxwell; Dr. and Mrs. H. E. Macdonald; Dr. and Mrs. H. J. Clarke; Mr. and Mrs. Charles Mooney; Mr. and Mrs. D. Houston; Mr. and Mrs. A. West and Mr. and Mrs. Elmore Stewart; R. H. and M. F. Norton; Gerald, Betty and Margaret Stephens; J. W. G. Morrison and Mrs. Campbell; George and Ina Webb; Mrs. N. Petch and Harry Doan; M. Simonsen Family; Carman Long, Family and Staff; Mr. and Mrs. E. Buckingham; the Heckbert Families; Mr. and Mrs. Ernie Scnurman and family; W. J. Money; W. R. Weber; Beth Witherbe; Marjorie Knapp; Fred and Grace Stewart and girls; Irvine, Joy and Percy; Lola M. Macdonald; Bob and Olive Creech; the Thursday Boys; Mr. and Mrs. W. Steele ; Mr. and Mrs. Ray Lynch and family; Mr. and Mrs. Russell Hays and Kenneth Hay and Dolly Williams; Mr. and Mrs. John Bauer and family; Mr. and Mrs. Edwin Daley and family; Vermilion Agricultural Society; Vermilion Old Timers' Association; United Church Women's Missionary Society.

Flowers to the home: The Carroll Family; the Bowers; Keele, Jean and Charlie; Howard, Helen and family; the Hills; the Brimacombes.

Contributions to the Canadian Cancer Society: Kay, Joe and family; Mr. and Mrs. J. Hodgins and Elma; Alice Keith; Bessie and Ed Hart; Mr. and Mrs. Cross; Jean and Jack Cross; Mr. and Mrs. Alex Sirne; Mr. and Mrs. T. H. Davis and family; Jean R. Stephens; Jim and Irene; Pearl and Dale Williams.

Cemetery Fund: William Barr and family; Beth and Frank Welsh; Mrs. O. J. Eiden; Mr. and Mrs. James Cavil; Mr and Mrs. W. Waldenberger; Gerald and Leona; Mr. and Mrs. W. J. Crocker; Mrs. Elliott, Ken and Lottie; The Roebuck Family; Mr. and Mrs. R. Good.

Crippled Children's Fund: Mr. and Mrs. Harvey Anderson and family; Mr. and Mrs. W. D. Williams; Mr. and Mrs F. Maddex.

Christian and Missionary Alliance Building Fund Mrs. A. M. Hetherington.

Mayer's Funeral Home was in charge of arrangements.

CARD OF THANKS

We wish to thank Miss Keith, the nursing staff, Dr. King and Dr. Stephens for the kindness and care given my mother during her illness and passing at the Vermilion Municipal hospital; also the many friends for flowers, contributions, cards and letters of sympathy. It has all been very much appreciated.

Lyle Robinson and family.

C.N.R. Creates Tour Department

WINNIPEG.—The creation of a new department of tours by Canadian National Railways to plan holiday travel for individuals and for groups was announced recently in Montreal.

Package tours are in the course of organization and soon will be available to the general public. They will range from week end to month or longer trips starting from principal cities across Canada and in the U.S.

The all-expense tours will include transportation, meals, hotel, sightseeing and incidental costs. They can be arranged at any Canadian National Railways ticket office and through travel agents.

Pulp and paper's annual wage bill runs to $400 million. It is the largest wage-payer in the land.

A FARM POLICY FOR *YOU!*

A PROGRESSIVE CONSERVATIVE GOVERNMENT AT OTTAWA *will* give you *ACTION* on the following:

1. 100% Wheat Board.
2. Stronger Producer representation on the Wheat Board at policy levels.
3. Initial grain prices based on costs of production.
4. Advances on grain stored on the farm.
5. Immediate steps to restore and expand world markets for farm products.
6. Floor Prices related to farm production costs and announced well in advance of each crop season.

These are sound practical policies.
Canadian Agriculture needs these policies.

The present Government has refused to put these policies into effect . . . ***WE CAN... WE WILL!***

On March 23, 1953, John Diefenbaker said "I believe that Canadian farmers are asking for fair farm levels that bear some relationship to the prices of the products the farmer has to purchase. Therefore, I intend to move an amendment very similar to the one this party has moved on previous occasions, that

"In the opinion of this house consideration should be given by the government to the advisability of introducing during the present session legislation to provide floor prices for agricultural products at such levels as to ensure producers a fair price-cost relationship."

This motion was voted down by the Liberal majority.

Inserted by the Progressive Conservative Party of Canada

Mannville Local Items

Mr. and Mrs. Jim White and family of Brandon, Man., are visiting with relatives in Mannville and district.

Karen Hubbard has returned from visiting in Edmonton with her sister Mrs. J. Dowicki.

Norma McLuckie recently visited with relatives in Edmonton for a week.

Visiting with Mr. and Mrs. Ronald Scott last week was Mrs. J. B. Burch of Edmonton. She was renewing acquaintances with a number of people she met in town.

Mr. Ralph Leitch is holidaying in Saskatchewan.

Monday, Aug. 3 will be a civic holiday in Mannville by order of the village council.

Mr. Joe Melnyczuk has returned from Eastern Canada with a new car. He holidayed around Toronto, Windsor and other points there.

Mr. Ernie Prill won a number of honors at the Edmonton, Lloydminster and Vermilion fairs. At Edmonton he won the reserve championship, 2 grand reserve champion ships and 6 firsts in hogs. At Lloydminster he won 2 cups, one for best champion boar and the other for best sow and litter. In Vermilion he won 4 firsts and 5 seconds as well as other ribbons.

Mr. and Mrs. Jack Park were at home to many of their friends on Thursday, July 16 on the occasion of their 25th wedding anniversary. Mr. and Mrs. George Allanach and Sandy of Edmonton are visiting with relatives in Mannville and Vermilion.

APPRECIATION

St. Saviour's W.A. wish to thank most sincerely all those who gave, pies, made cash donations, or helped in any way at the booth during the Fair.

Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents.

Mr. Editor:

As a fence viewer watching the battery of all the political parties building fences around their impregnable policies for the well-being of Canada, I have noticed that several references have been noted by the daily press in regards to the sugar question in Ontario and to such an extent that it appears to be talking on Dominion status.

The argument seems to have arisen from a report, imaginary or real, that Cuba was going to ship sugar to Canada and, if so, the price would be less than her neighbor. Immediately the makers, I assume, appealed to the Government to apply the anti-dumping law against such mal-practice that would lower our standard of living, or was it margin of profit?

However, the law was not invoked. The press reported that a man high in authority interviewed those foreign sugar-makers and squelched it. How was it done? Well that is what I'd like to know — How?

In regard to the above and in order that the fences might be built more uniform in Canada I am going to quote for your information, the price of sugar as advertised in a weekly paper published 20 miles from Toronto, quote: June 18, 1953, 99.15 cwt.; July 2, 96.90; July 9, 5 lbs for 49c; July 23, 10 lbs. for 98c and 96.85 cwt.

Has this province got a complaint when Ontario is so unjustly dealt with while our minimum price for a 5-lb. bag of sugar has been 69c, and other sizes in proportion. I know preserving time is a little off season; in ask your favorite candidate to rectify this when he gets to Ottawa. Try it.

Yours,
Fence Viewer.

W. I. Activities for July

All branches in the Vermilion constituency were well represented at the Conference.

Claymore, a newly organized branch held a very successful picnic in June. They are going to support the Grade 12 Scholarship sponsored by the W.I. groups in the Mannville district.

Five Point heard an interesting paper on 'Women in the News'.

Mrs. Andy Crawford of Ramsay W.I. read an interesting paper on 'The Lake that Comes and Goes'.

Salteaux have invited Miss Shirley Holmes, Home Economist at Wainwright to attend their August meeting.

Vermilion's topic of discussion was 'What we get out of Conferences'.

Kitscoty made a donation to the Arthritis and Rheumatism Society.

Creighton held a picnic instead of a meeting.

The Girls' club, the Wildmere Beavers, are going to send two delegates to Camp Oki. They also sent a scrap book to Margaret Teape, a patient in an Edmonton hospital.

Wildmere Winks

We wish to extend our own and the community's deepest sympathies to all who have been bereaved since our last writing: Mr. Lyle Robinson on the death of his mother. She was another old timer who had seen the country grow from pioneering days; to Mrs. Rueben Clark and family on the loss of a dear one in the prime of life and only getting started on a farm, may God guide her boys to carry on; and to another old timer and a friend to many who passed on last week in the person of Mrs. Effie May Clark, better known to most of us as Mrs. Jim Reid. She too was a pioneer and to her sorrowing family we extend our deepest sympathy. Of all those who have passed on it could be readily said, 'Well done, thy good and faithful servant, take thou thy rest'.

Vermilion Fair is past history once more but it was a good full three days. The calf club had some beautiful stock. The stock on the whole was good this year, also the light horse section. The six-horse team of Mr. Burns was a sight to behold. Horses are getting to be a thing of the past and it is nice to see some people are still horse lovers. Glad to see Dr. Scott down for the Fair with his horse. Exhibits were numerous in the cooking line but vegetables were not so plentiful this year owing to the late spring. Who exhibited the picture of Manitoulin Island? The writer comes from around that corner of the world. Fancy work was nice, some lovely pieces of work being entered. The school pupils' building had some good work too, Basswood pupils get prizes but Wildmere with only one entry was not so lucky. But don't get discouraged, there is another year coming when you can try again. Grandstand performance was not so good as past years and lacked entertainment for the kiddies but there were some wonderful feats which everyone enjoyed. The little girl on the high wire act was worth the admission fee alone.

The writer entered a pair of socks and a pair of gloves at the Edmonton Exhibition handicraft and was fortunate in winning third prize on the socks.

On Sunday Dill, Adam and Albert Smith and Dave Hughes journeyed to sea and the fish smell of town and got a nice lot of fish.

Mrs. Robt. Martin, daughter Doreen and Mary Gibson of Basswood left Monday morning to attend the W.I. Girls Club convention held at Olds this week. Mrs. Martin is the supervisor of the Wildmere Beavers W.I. Girls club.

Thanks a lot Mrs. Farley for your nice letter and birthday card, we thought of you also on our birthdays but had mislaid your address, we will be writing you. Thanks also to Mrs. Clarke for birthday greetings.

Mr. and Mrs. Coburn Bir., left on Sunday to return to their home after spending the past few months with their family here.

Basswood Tigers played Toland on Sunday and came out the winners. Only three more ball games left in the league.

Not so many out to church on Sunday afternoon. Next Sunday it will be at 7:30 in the evening, but on Aug. 9 it will be at 3:00 in the afternoon as Miss Horning has to take service in Vermilion for Mr. MacKay.

We were pleased to see Granny Rudell of Edmonton out to church on Sunday. She was visiting her granddaughter Mrs. Roy Dibben for the summer. Mrs. Rudell is 87 years old and but for her eyesight she is a spry, fresh-looking woman for that advanced age.

Did you get your ride on the ferris wheel Mrs. Gould? We'll be there to see the red purse next year when you do your stunt!

We were pleased to meet another of our scribes in the person of our Widwood writer. Are we going to have our get-together picnic this summer folks?

Funniest thing — Our young nephew waiting in the lake and throwing his cat in to see if it could swim. It could.

Don't forget the Wildmere Curlers' picnic July 31.

It's Craig's for Values every Time!

Crop Prospects Good

The outlook for this year's prairie crops is now better than seemed possible in the spring, says The Financial Post.

The latest review estimates that the condition of the wheat crop at the beginning of July was about 122 per cent of average. Last year's record crop was estimated at the same period to be 125% of average.

The two big questions now are: What happens to the crop between now and harvest? What will the Wheat Board be able to sell it for?

Mannville Local Items

Mr. and Mrs. Fred Proudfoot and Betty and Bonnie are holidaying in Ontario. Mrs. Proudfoot and the girls travelled down by train and later Fred went by plane. He picked up a new car at Windsor and they are visiting friends and relatives in the East.

Mr. Don Laurencenon has returned from a holiday in Ontario where he visited with his sisters.

Norma Whitson is a patient in the local hospital and improving with treatment.

Summer Weddings

BECK—HILTON

A very pretty wedding was solemnized at St. Saviour's Anglican church, Vermilion, when Miss Mabel Hilton ,second daughter of Mr. and Mrs. John Hilton of Vermilion became the bride of Mr. Melvin Beck, second son of Mr. and Mrs. Albert Beck of Islay. The Rev. Douglas Ford officiated.

Given in marriage by her father, the bride was charming in a floor-length gwn of white lace over satin with long sleeves. The lace bodice featured a Peter Pan collar decked with pearls. A row of self-bound buttons extended from the collar to a fitted waist line. Her chapel veil of net and nylon lace was gathered to a coronet. She carried a bouquet of pink roses backed with fern. The only jewelry the bride wore was a pearl necklace, the gift of the groom.

The bridesmaid, Miss Laura Hilton, sister of the bride, chose a floor-length gown of blue net over taffeta with matching net gloves. A finger-tip veil completed her ensemble. She carried a bouquet of pink and white carnations.

The groom was attended by his brother Mr. Clifford Beck.

Mr. Bob Barnett and Mr. George Hilton ushered the guests to their pews.

Mrs. Cecil King played the wedding music and during the signing of the register Mrs. J. V. Kneale sang very beautifully "O Perfect Love".

For the occasion the bride's mother chose a tailored triple-sheer navy dress with white accessories. Her corsage was red roses.

The groom's mother wore a rose colored crepe dress with white accessories. Her corsage was white carnations and pink roses.

A reception for approximately 100 guests was held at the parish hall. The bridal table was centered with a three-tiered wedding cake and decorated with candles and baskets of spring flowers.

The Rev. Douglas Ford proposed the toast to the bride which was ably responded to by the groom.

For the honeymoon trip to Calgary the bride chose a coral gabardine suit with green accessories.

On their return the happy couple will make their home on the groom's farm north of Islay.

Out of town guests were Mrs. W. Torrance of Calgary; Mr. and Mrs. Lloyd Proudfoot of Eston, Sask.; Mrs. John Thompson and son Duncan of Mannville; Mrs. Jack Thompson of Wainwright; Mr. John Davis of Wainwright; Mr. and Mrs. John Pfeiffer of Stettler.

MARTIN—CLARK

In a late afternoon ceremony in the First United church, Vermilion, on Friday July 3rd, Miss Florence Ellen Clark exchanged marriage vows with Mr. Fredrick H. Martin. The Rev. C. W. MacKay officiated. The bride is the daughter of Mr. Leeman Clarke of the Thorncliffe district and the groom is the son of Mrs. Alice Martin of Triangle.

Given in marriage by her father, the bride wore a gown of white nylon and lace over satin. The bridal veil was held in place by a halo of nylon rosettes and lily of the valley, and her flowers were a bouquet of white roses and lily of the valley. Rhinestone earrings and necklace, gifts of the groom, were her only jewelry.

The bride was attended by her sister Miss Hazel Clark, who wore a dress of pink net and lace over satin, with shoulder-length veil. She carried a bouquet of roses and baby mums.

The best man was Mr. Jeff Martin, brother of the groom. Mr. Harold Clark and Mr. John Rochford were the ushers.

Mrs. A. M. West played the wedding music.

Following the wedding ceremony, a reception attended by members of the families of the young couple, was held at the Brunswick. The bridal table was prettily decorated, and was covered with a three-tiered wedding cake flanked by candles. The toast to the bride was proposed by Mr. Bob Martin, the groom making the reply.

Later in the evening a wedding dance was held at Thorncliffe school with many friends attending.

The newlyweds left later by car for a honeymoon at Banff and Lake Louise. For travelling the bride wore a navy suit with color and material being identical to that worn by the groom. Her accessories were pink and her corsage was of pink roses.

The young couple will make their home in Vermilion.

Dewberry News

They're still talking about the storm of mid-July — from hail stones that measured 4½ inches down to holes blown in the roof of the stopped popping off, to Mr. and Mrs. Bill Boyce on the birth of a daughter, Verna Lorraine.

Bernice Romanchuk will leave shortly to take a business course in Edmonton.

Miss Peggy Dupuit is now working in the Bank of Toronto at Macdonald.

Harold Craige, Bruce Craige and John Anderson had their saddle horses in to the Vermilion fair — well, two ribbons anyway.

Dewberry citizens are now using water from their new well. It is over 200 feet deep.

League baseball here has reached the semi finals. On Sunday Dewberry lost out to Heinsburg in their first game.

All the recent Friends picnic Dewberry won too money in baseball.

Our local cowboy, Gerald West, is taking in all the stampedes — getting in on some of the prize money in the bucking competitions.

A STORY WITH AN 'AIR' ABOUT IT

How tough is a skunk? Well a small one entered the grain auger of the elevator annex. How to get him out — well throw the auger pipe into motion. He was augered into the pit, up the leg to the top of the elevator, down the box car grain spout onto the track, where presumably he was swept away until dinner-time of with a .22 rifle. Very senseless in the end — but not scentless!

Crops are looking very good where the hail missed. Damage seemed to make a path of the old Dewberry brick school.

Dewberry C.O.I.T. recently removed to Vermilion to begin training.

Grain quota is wide open here. The elevators are nearly all plugged.

Sol Lemp and family are away to Banff for a holiday.

The Dewberry Boys' band under Wally Peacock are becoming very popular. Their last word of praise comes from Don Clayton, CJCA farm broadcaster.

The overhead bridge hall way to Clandonald is still out. What a humdrum somewhere that people have to detour up to 12 miles to get to Clandonald.

Heavy rains are bringing on the fruit fast. Our raspberry bushes are very heavy this year.

Fred Collins attended Lloydminster fair as a guest and had his Burr Colonist button of 1903 given him.

T.B. Association Moves To Edmonton

The Alberta Tuberculosis Association will shortly move its provincial office from Edmonton. It was announced recently by D. W. Robertson, president.

The Association is intimately associated with so many departments of the provincial and federal governments and the university that the move has been found necessary. Mr. Robertson said. Victor Dr. A. H. Retire was director of the tuberculosis division of the provincial department of health, his headquarters were located at Central Alberta Sanatorium in Calgary, and for that reason the TB Association office was established in Calgary.

Dr. Baker retired however, by 1953, and the present director of the TB division has his headquarters in Edmonton, which fact was given by responsible for the decision to move. Also the Association now has frequent occasion for consultation with the department of welfare, the Indian Health Services, the Canadian Vocational Training plan, the School of Nursing, the School of Medicine, the Dept. of Physical Education, and many other important departments located in Edmonton.

The activities of the Association are expected to increase, and the efficiency of all operations should be improved as a result of the move, Mr. Robertson said.

KING EDWARD

Christ Church King Edward W.A. will hold a sale of home cooking and farm produce in the Northern Hardware store on Saturday afternoon Aug. 8 commencing at 2 p.m. 4-6x

Sixteen Years Ago Today

July 29, 1937

Vermilion Fair was a huge success.

Hail damaged crops in the Turboy Hill district.

The drouth prevailing in Western Canada this year will reduce the wheat crop to less than 200,000,000 bushels. This can be compared to a high production in 1928 of 564,000,000 bushels. More than one million people are directly affected in Western Canada, and of this number indications are that 400,000 will need help in the way of 'drouth relief'.

Marconi, inventor of the wireless, died suddenly of a heart attack at his home in Rome. He was 63 years old.

The European situation was beginning to cause many anxious moments.

Thirty-two Years Ago Today

July 27, 1921

Although binders have started in southern Alberta harvest will not be general here until the middle of August. Present prospects are for a heavy yield.

Herbert Greenfield of Westlock has been selected as the new Premier of Alberta.

Vermilion seniors won the baseball tourney at the Lloydminster fair.

TOWN OF VERMILION

BY-LAW NO. 12-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 12-53 of which By-Law the following is a true synopsis:

A By-law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Water Supply and distribution system.

Total cost of the extension will be $14,000.00

The amount of $14,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditures Loans Act and bearing interest at the rate of 3¼ per centum per annum.

This By-law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 12-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the extension in the Town of Vermilion of the existing Water Distribution System which has been approved by the Department of Public Health by Certificate No. 979.

AND TAKE FURTHER NOTICE that the said I proposed By-Law No. 12-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion upon the assent thereto of two-thirds of the proprietary electors voting thereon.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said Proprietary Electors of the said Town of Vermilion for and against the By-Law, a synopsis of which is printed above, will be taken on Friday the 7th day of August 1953 at the Legion Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-Law at the hour of 7:00 o'clock in the afternoon of the said 7th day of August 1953 and declare the result thereof.

Hiram H. Hodgins,
Returning Officer.

BY-LAW NO. 13-53

There has been introduced into the Council of the Corporation of the Town of Vermilion By-Law No. 13-53 of which By-Law the following is a true synopsis:

A By-Law to authorize the Municipal Council of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Sewage Disposal System, which extension has been approved by the Department of Public Health by Certificate No. 978.

The total cost of the extension to be $5,000.00.

The amount of $5,000.00 to be borrowed from the Government of the Province of Alberta under the provisions of the Municipal Capital Expenditure Loans Act, and bearing interest at the rate of 3¼ per centum per annum.

This By-Law shall take effect upon the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. Heckbert,
Mayor.
E. H. Weeres,
Secretary-Treasurer.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of the proposed By-Law No. 13-53 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the extension in the Town of Vermilion of the existing Sewer System which has been approved by the Department of Public Health by Certificate No. 978.

AND TAKE FURTHER NOTICE that the said proposed By-Law No. 13-53 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion upon the assent thereto of two-thirds of the proprietary electors of the said Town who have voted thereon.

Hiram H. Hodgins,
Returning Officer.

NOTICE OF POLL

Health Unit Notes

WATER SUPPLIES

The greatest single factor in the prosperity of home life is Health, and health in a home is only possible when there is a safe and sufficient supply of water to meet the daily needs of the household.

I propose to give a series of articles giving practical and helpful information to farmers and others who have to provide their own domestic supply.

QUANTITY REQUIRED DAILY

With the exception of the air we breathe water is more necessary to sustain human life than any other thing. If it is so important to our wellbeing then surely the supply which you and your children drink, should be of the best obtainable.

We must have sufficient water to meet body demands to assist the organs to function properly and to flush the wastes from the system. The quantity of water required for this purpose is about 5 pints, some of which is contained in the food we eat.

There must also be a sufficient quantity of water for cooking, personal washing, washing of clothes, and watering of stock. A sufficient water will be required where plumb is installed.

The average quantity of water used by each person daily varies with the circumstances and environment of the individual. For ordinary domestic purposes on the farm approximately 15 gallons per day are used per person. Should there be five persons in the home the total amount for drinking and washing and ordinary purposes will be about 75 gallons. To this we must add the quantity required for watering animals, say 4 cows, 2 horses and 1 sow & pigs, an additional 100 gallons per day would have to be added.

SUPPLY MUST BE SAFE

Impure water may affect the health of the consumer in several different ways. If there is an excess of certain minerals in the water, disorders due to gastric or intestinal irritation, such as dyspepsia and diarrhoea may be caused.

Impurities in the water may also, through continued entrance into the human system, bring about a condition when makes him susceptible to a communicable disease.

The most serious consequence of drinking impure water however, is the probability of direct infection by disease germs contained in the water.

Communicable diseases are carried and spread by minute forms of vegetable life called bacteria or germs. The bacteria are so small that they can only be seen with the aid of a microscope. The germs of such diseases such as Typhoid Fever and Dysentry are discharged from the human system through the intestinal tract and are found in human wastes. If human wastes can directly or indirectly gain access to a river, lake or well, that source is dangerous and may be infected with the germs of these diseases. Although it is desirable that a water supply be clear and sparkling, such a water is not always safe. Disease organisms may be present in the clearest supply.

There are a great many considerations which must undoubtedly weighed before a supply can be pronounced safe. If information is given to subsequent articles it will put you in a better position to judge fairly accurately as to the safety of your supply.

HEALTH CLINICS

Friday, Aug. 7—Dewberry, 2:30 to 3:30 p.m.

Reenie Browne, Charles Coulter, Married At Lloydminster

Miss Reenie Browne, daughter of Mr. and Mrs. Martin Browne, of Lloydminster, Sask., exchanged marriage vows with Mr. Charles Douglas Coulter, son of Mr. and Mrs. William Coulter, Vermilion, Alberta, at a recent wedding in Grace United church, Lloydminster, Alta. Rev. E. Morrison performed the late afternoon ceremony in a church decorated with baskets of summer flowers.

Given in marriage by her father, the lovely bride wore a floor-length strapless gown of net over satin, styled with a bouffant of nylon net topped with a lace jacket. The jacket was fashioned with a mandarin collar and lily point sleeves, with a row of self-bound buttons extending from collar to fitted waistband.

A satin bridal crown and an orange blossom wreath held in place her floor-length veil and she carried red roses and lily-of-the-valley.

Mrs. Reg Lucas, sister of the bride, was matron of honor, and Miss Betty Ayre, cousin of the bride, and Miss Mary Coulter, sister of the groom, were bridesmaids. All three wore similarly styled gowns of nylon in pastel shades of mauve, aqua and yellow, respectively. They carried bouquets of carnations and sweetheart roses matching flowers in their hair.

Little Louise Wright, niece of the bride, was flower girl, and wore a floor-length gown of rose taffeta. She carried a basket of garden flowers, and in her hair was a bandeau of white flowers.

Mr. Jack Browne, brother of the bride, was the best man.

Ushers were Mr. Bill Browne, brother of the bride, and Mr. Walter Coulter, brother of the groom.

Wedding music was played by Mrs. Hemstock, and during the signing of the register, Mrs. Morrison sang "The Lord's Prayer".

Following the ceremony, a reception was held in the Legion hall where the bridal table was centred with a three-tiered wedding cake embedded in pink tulle. Tapers and flowers flanked the cake.

For her daughter's wedding, Mrs. Browne chose a pastel blue nylon gown with a white hat and accessories. Her corsage was of white carnations.

Rev. Morrison proposed the toast to the bride.

For a wedding trip to Lake Louise, the bride donned a blue nylon crepe suit with white accessories.

Out of town members of the family included the bride's eldest sister, Doris, and her husband, Mr. and Mrs. Ole C. Lundquist, Enderfield, Calif.; her sister, Gerty, and husband, Mr. and Mrs. Bert Lyons of Two Rivers, B.C., and Miss Arleta Browne, niece of the bride from Calgary. —Lloydminster Times

PICNIC AT WILDMERE

Wildmere Curling club's annual picnic will be held on the grounds ½ of a mile west of J. C. Wallentin's on Friday July 31st. Ball games, tug-o-war, children's races. Dance in the Fosswood school at night with Horvestad music. 3-5

Normally it takes at least 60 years to grow a spruce forest.

You gave him this job to do
and St. Laurent is getting RESULTS!

In 1949 the Canadian people expressed their confidence in St. Laurent and the Liberal program. This glance at the record reveals some of Canada's tremendous accomplishments under St. Laurent's leadership. No other country has fought a war, balanced its budget, reduced its debt, cut taxes—all at the same time. Now there's another big job ahead. And Louis St. Laurent has proved that he, more than ever, is the Canadian best fitted to do the job.

Promoting employment and prosperity ✓	More Canadians working, for higher pay, than ever before ... New records established in national production, national income every year since 1949.
Developing our trade ✓	Old markets expanded, new markets opened up ... Canada third largest trading nation in world ... External trade at all-time high ... Negotiated mutual tariff concessions with 34 countries — a peaceful way of freeing international trade.
Expanding our industry ✓	Liberal policies have encouraged rapid economic growth ... Unprecedented development of resources ... Consumer purchases doubled since the war ... Investment in new plants and equipment running over $5 billion a year.
Strengthening our dollar ✓	Budgets balanced ... National debt reduced ... Inflation brought under control ... Taxes lowered ... Canadian dollar strong.
Supporting farming and fishing ✓	These basic industries aided by trade agreements, floor prices ... New low-cost insurance plan assists owners of smaller fishing vessels ... Farm production and income at record levels.
Fostering good labour conditions ✓	New federal legislation prohibits discrimination on grounds of race, colour or religion ... Unemployment insurance extended to cover seasonal lay-off of workers ... Special efforts to help disabled workers to find useful and satisfying employment ... Time loss from strikes at low point.
Working for National Security ✓	To prevent aggression, Canada's forces serving in Far East and Europe ... Canada making major contribution to NATO defence build-up ... Largest peacetime defence program in our history ... Full support to United Nations ... all to preserve peace.

Vermilion Teacher Married At Irma

TEETER—ENGER

IRMA. — Early summer flowers banked the altar of the United church here for the afternoon wedding of Miss Joy Georgina Enger, daughter of Mr. and Mrs. Martin Enger, and Mr. Kenneth Bert Teeter, son of Mr. and Mrs. Pryce Teeter, of Wainwright. Rev. H. W. Inglis performed the marriage ceremony.

For her nuptials the bride wore a floor-length gown of Chantilly lace, the fitted bodice featuring a portrait neckline and lily-point sleeves. Her fingertip veil was held in place by a halo of French illusion. She wore as her only jewelry, a rhinestone necklace with matching earrings, a gift of the groom, and she carried a bouquet of American Beauty roses and stephanotis.

Miss Shirley Enger and Miss Dorothy Enger, cousins of the bride, were bridesmaids. They wore gowns of pink sheer and lace and turquoise nylon net over taffeta, respectively. They each wore floral bandeaux with shaped veils and carried Colonial bouquets of yellow carnations.

Little Myrna Taylor, cousin of the bride, and Donna Teeter, niece of the groom, were flowers girls. They wore matching frocks of nylon net over taffeta in turquoise and yellow, with halo hats and mitteens. Each carried a hand-crocheted basket of summer blossoms.

Groomsmen were Mr. Harold Teeter and Mr. Arnold Enger. The ushers were Mr. Don Teeter and Mr. Colin Carter.

While the register was being signed Mr. Arnold Enger sang "A Wedding Prayer" and Miss Reta Fenton played the wedding music.

After the ceremony a reception to 125 guests was held on the lawn at the home of the bride's parents. The bride's table was laid in a white lace cloth and centred with a four-tiered wedding cake flanked by pink tapers and floral bouquets.

To receive her guests Mrs. Enger, mother of the bride, chose an afternoon dress in aquamarine crepe complemented with a picture hat of lace straw. Her accessories were in pink and her corsage was of lilies and stephanotis.

Mrs. Teeter, mother of the groom, wore a two-piece afternoon frock in mauve crepe with a matching hat and a corsage of yellow carnations.

Mr. D. H. Gunn proposed the toast to the bride.

Mrs. E. W. Carter and Mrs. R. H. Dunlop, of Irdian Head, presided at the tea urns and Mrs. H. Morse, Mrs. R. Dempsey, Mrs. G. Fenton, Mrs. W. Patterson, Miss Colleen and Miss Anne Archibald, Miss Irene Dotson Miss Carolyn Morse and Miss Maureen Dempsey assisted in serving the guests. Miss Mavis Dunlop of Regina, was in charge of the guest book.

During the reception a telephone message of congratulations was received from the groom's brother, Mr. Gerald Teeter, of Guelph, Ont.

The couple left later on a wedding trip to Ontario and Niagara Falls. For travelling the bride wore a blue gabardine suit with contrasting powder blue accessories and a corsage of pink sweet peas. On [illegible] they will reside in Wainwright. —Edmonton Journal.

Kitscoty News

Edmonton visitors at the home of Mr. and Mrs. A. Hale were Miss Peggy Hale for a two week vacation and Mr. and Mrs. Ed Calapon who visited last week end.

Miss Mae Behan of Edmonton is spending a holiday with her parents Mr. and Mrs. P. Behan.

Mrs. G. McClelland of Winnipeg spent a week visiting with Mrs. A. McClelland here and with friends at Blackfoot.

Miss Isabel Mathewson of Heath, visited recently with her grandmother Mrs. Mathewson, who later journeyed to Edmonton.

Mr. and Mrs. Ernest Lahey and Wayne of Pembroke, Ont., visited last week with Mr. and Mrs. E. Joy for a few days.

News Notes From Your District Home Economist

GOOD CUES

1. To tint coconut a delicate pastel, dilute a small amount of food coloring in a glass jar, half fill with coconut, shake.

2. You can make a quick and attractive jog of frosting cupcakes by simply twirling them right in the frosting bowl.

3. Butter patties never stick to your knife if you soft a bit of waxed paper over the blade before slicing them.

4. Never pour water over gelatin to dissolve it, sprinkling the gelatin on the surface of the water is much more effective.

RELISH RECIPE

Here is a recipe for a really good relish which will use up the last of the summer rhubarb. It's good with all kinds of meat and the only real work about it, is getting the skins off the little onions. But this helps to make it a good relish.

Rhubarb and Onion Relish

1 qt. (approx. 2 lbs. rhubarb); 4 cups brown sugar; 1 qt. malt vinegar; dash of red pepper; 1 qt. of onions, chopped; 1 tsp. salt; 1 tsp. cloves; 1 tsp. cinnamon. Boil all the above ingredients together until rhubarb and onions are tender. Pour into sterilized glasses and seal.

CARE OF WOOL

1. Always wash woollens in lukewarm water with mild soap or detergent.

2. Never scrub or wring out just squeeze and roll in a towel to remove excess moisture; then dry flat away from direct heat.

3. Never use hypochlorite (javex) bleach on wool; this will turn the fabric brown and damage the fibres.

4. Be aware that commercial laundries use washing solutions containing hypochlorite bleach which are all right for cottons or linens but which may leave your woollen a tan shade while some water softeners will give them a greyish cast.
